

THE LONG LIFE

“I am everywhere here, and nowhere is where I want to be.”
“It would be five years.”
“Where do they make this stuff?”
“The AGENCY.”
“The Party Secretary.”
“Who are you afraid of?”
“I do not want to see myself as a leader. I administer the program.”
“How do I know that it’s you?”
“You construct your identity from the things that you do not do well.”
“He existed by just being there.”
“Who are you working for?”
“Why do you keep the door locked?”
“You were just with me. I woke up and you were gone. I barely remember falling asleep.”
“We do not create law in this way.”
“You need to follow the law if you want to accept your identity.”
“I will come back to this.”
“If you look worried, they will find a way to hurt you.”
“Simply because you have been experimental is not an invitation to further experimentation.”
“I CAN HELP YOU TO MOVE FORWARD.”
“I followed the instructions. I learned how to accustom myself to the daily grind.”
“What should I do while I am waiting?”
“This is the worst nightmare that I could imagine in my life.”
“How does this work?”
“How much is this going to cost me?”
“You are sucking my identity from me.”
“I want to bring her back.”
“You are perfect.”
“This is the next problem.”
“I want to stay as I am.”
“She is totally casual.”
“What do you do at work?”
“I want him back.”
“He is not a very good influence on you.”
“How can you say that? You do not know him like I know you.”
“I got my kid a job in a television commercial.”
“She is going to need to maintain this perfection.”
“I am now ready to be perfect.”
“Where is that building?”
“We built it in our head.”
“That is her. That is who I have been looking for.”
“I told you that the door was not going to be open.”

“Do you know me?”
 “They are leaving.”
 “That is more than I can deal with.”
 “The next stage is difficult.”
 “I feel wonderful around you.”
 “This is not going to help my personal development.”
 “What are you looking for?”
 “Can I follow you?”
 “I don’t want you coming back with me. You are making me feel uncomfortable.”
 “Break me down to nothing.”
 “I know enough to carry on.”
 “Christine’s revelation.”
 “This feels so good.”
 “Are you accommodating?”
 “You are trying to influence her.”
 “This is marvelous. I no longer feel as if I am in control.”
 “I like you better when you feel vulnerable. Otherwise, I feel as if you are trying to control me.”
 “You are not allowed to say such things.”
 “They have all escaped.”
 “He is the one. I would surrender to him completely.”
 “I felt as if I had escaped these influences in my life.”
 “You betrayed the rules.”
 “I am going to have to battle against you.”
 “I need to get out of this life.”
 “I think that I know a secret about you.”
 “You cannot control me.”
 “We already do.”
 “I need to get out of myself.”
 “The body. Why do you think that you are different?”
 “All these weird things. Then I find out what is really going on.”
 “We lost someone.”
 “We found someone.”
 “Chandelle.”
 “I am everywhere at once.”
 “Powerful.”
 “That is not at all how it happened.”
 “We have to stop now.”
 “We will stop now.”
 “You cannot destroy something that never was.”
 “This is about possible worlds.”
 “Pick one.”
 “I love the possibilities.”

“I need you to get me out of here.”
“You wanted to stay.”
“I am losing my ability, and people are making fun of me.”
“I am making fun of you.”
“We need to get in line.”
“It will be good tomorrow.”
“Ships off Mars.”
“Do you have options?”
“How would you like it to be.”
“I need to feed my hunger.”
“There is so much of you to show.”
“I need to show you facets.”
“You cannot use this as an opportunity to escape your guilt.”
“I have found the visitor.”
“I turned on the oven.”
“Where have you been?”
“Is dinner ready?”
“Are you watching the world?”
“How can you ever make a complete diagnosis?”
“You are never going to escape this.”
“What is this?”
“The body being in this state of existence.”
“We share the body.”
“Aren’t you going to say anything to what is happening?”
“That is how things are supposed to develop.”
“I cannot trust those developments.”
“Give me the medicine.”
“I do not like that story.”
“The doctors said that was how it happened.”
“Now, he will tell his version.”
“I have a thousand questions to ask.”
“I do not have a thousand questions to give you.”
“THE END.”
“I am starting with too much introduction.”
“I eat and I sleep.”
“I am not doing well at this job.”
“How do I make it up.”
“I think that I know you.”
“What is that supposed to mean?”
“I am not really in that place.”
“We want you to join.”
“You are so pedestrian.”
“I do like to walk.”

“I got out of that one.”
“That is pretty hilarious.”
“What did you do to piss everyone off?”
“I do not understand.”
“There is fairness.”
“How is that even possible?”
“You can sit in the front seat.”
“How much money do you need?”
“I want you to complete.”
“I need you to comment on the film.”
“I need you to comment on the book.”
“Where is this headed?”
“Where is the money now?”
“In the account.”
“I can go back to the stage.”
“What do they expect from you?”
“You would be a good participant.”
“I can’t really get past the first few pages.”
“Your total control.”
“Where does this end?”
“That is not going for either of us.”
“Just complete the drill.”
“This is not as it seems.”
“What did you do before this?”
“You are not very good at this.”
“What are you hoping for?”
“I can impress you.”
“This is not right for me.”
“I do not want to get caught.”
“What are your hopes for the future?”
“You need to give a little more to me.”
“I am being ripped in two.”
“This could not have been worse..”
“How did I get into this?”
“You zigged.”
“That is a different sort of arrangement.”
“This is turning me on.”
“What do you do on your spare time.”
“How do you have so much time on your hands?”
“I need some help.”
“I need to figure this out.”
“Where does this end up?”
“You are the alligator official team.”

“It would never go anywhere.”
“I cannot explain this to either of you.”
“Where will this end up?”
“I am going in.”
“You need to hide your intentions.”
“You need to hide.”
“All oil.”
“Can I buy you a drink?”
“Can I buy you a farm?”
“Do not touch me?”
“Are you twins?”
“There is a resemblance.”
“What is your other job?”
“Who is there?”
“Who is waiting?”
“What do you have in the bag?”
“I am waiting.”
“Keep waiting.”
“I am really sorry that I could not oblige.”
“I never wanted to hear this.”
“None of them have that factor.”
“What is your problem?”
“I need to bait the line.”
“You can help me out.”
“I cannot give you what you need.”
“What do you do with your time?”
“I was looking for something else.”
“Stay there. There is something that you need to tell me.”
“I am not like you think I am.”
“We do not keep secrets.”
“I see humanity.”
“I want a banana.”
“This was terrible.”
“I cannot swallow that.”
“I am going to fill the glass.”
“I need you more than anything.”
“This is not what I expected.”
“I got the ice cream.”
“It is all dripping.”
“She is much faster.”
“I have seen you before.”
“I can only do this once.”
“What does it involve?”

“Get the whipped on whipped cream.”
“Who takes the taking from the taker?”
“We never talked.”
“Maximum deniability.”
“I don’t even have a pet.”
“I want to succeed.”
“What do you need?”
“This is the worst.”
“Am I supposed to eat this shit?”
“Just like back.”
“Get it done.”
“I brought you a chicken sandwich.”
“What is behind this.”
“Where does this come from?”
“I do not want to be rescued. I want to figure out what was behind all of this.”
“What is the name of that film?”
“Loving the freezing.”
“What is the other side of this?”
“You can join us.”
“That is not what I want to see,”
“I am being blackmailed.”
“This is heartbreaking.”
“This is my past.”
“How is that?”
“I do not have enough to go on.”
“Who is the friend?”
“Take a breath.”
“This hurts too much to think about.”
“Can you quit now?”
“I have given too much of myself to the quest.”
“It is still cold.”
“We will come through this.”
“That is not the explanation that I am looking for.”
“We are going through the same path.”
“This is not a path.”
“How do I get inside?”
“This was not as good as I hoped for.”
“There is a traffic jam.”
“I need to sort through the parts.”
“Where am I?”
“I can do everything that I am expected of.”
“Get over here right away.”
“I gave away myself.”

“This is all a matter of risk.”
“I will meet all the relevant needs.”
“We have two option.”
“I am not good at this.”
“Welcome home.”
“This will work for either of us.”
“I can raise the ante.”
“We have acquired the property.”
“Can we build?”
“That does not work for anyone.”
“I need to find out.”
“I will know when.”
“This is going to hurt us.”
“That was excellent.”
“Do you want to share?”
“Are you trying to dose me?”
“Who is watching?”
“We both have a past.”
“Arizona.”
“Do you need a blood test?”
“I like you, but that is not going to work for either of us.”
“Bring me the vegetables.”
“You really are lonely.”
“How did I end up here?”
“Do not play with me.”
“I like to have fun.”
“I will be right there.”
“What else do you want?”
“There is no coming back.”
“What kind of sandwich is that?”
“What do they give each other?”
“Roar!”
“We are playing a game.”
“How does that shit ever work?”
“No one asks questions.”
“Cover me.”
“I am coming back.”
“Sit down.”
“Take care.”
“I am going to break you down.”
“What do you really want?”
“I do what I need to do.”
“What are you trying to tell me?”

“I am getting a little afraid.”
“I recognize you.”
“Good thing!”
“Let me explain.”
“Tell me what you want to know.”
“You have some friends.”
“The truth!”
“Here is what I want. I am very simple.”
“Damn!”
“Do not hurt me.”
“Let me go!”
“Are you taking me for dinner?”
“What else is there?”
“That is good for the both of us.”
“Where are you taking me?”
“For a little drive.”
“One more question.”
“Why didn’t I get a chicken sandwich?”
“You asked for veggie.”
“Give me what you’ve got.”
“This is scary.”
“We only have a few minutes.”
“This is bizarre.”
“It is too late for the both of us.”
“There will be a solution.”
“YOU TOOK SOMETHING OF MINE, BUT I NEED TO GET IT BACK.”
“Where is this headed?”
“I want something better.”
“Take me out of here.”
“I have internal damage.”
“That works for either of us.”
“Let me walk on you.”
“What are you trying to tell me?”
“You need to shake it off!”
“I need some discipline.”
“Where are you hiding?”
“I cannot deal with this.”
“What are you protecting?”
“You were wrong, and you were wrong.”
“We have the minerals.”
“All these things work.”
“I am not playing along.”
“What a crazy feeling?”

“There are always strings.”
“String theory.”
“Give me what I need.”
“Where did that end up?”
“I was born in house in a house.”
“You need to get out.”
“What happened?”
“I cannot deal with these antics.”
“Who is informing you?”
“Who close the door?”
“How did that work so well?”
“Why aren’t you afraid?”
“I do not want to break bones.”
“What is behind it all.”
“This is too easy.”
“How did this end up like this?”
“I was looking for the boss.”
“Nothing is going to go wrong.”
“What do you want to know?”
“Do not break me in two.”
“I am not trying to stop you.”
“They do not look at things like that.”
“I am sympathetic.”
“This is great.”
“I like the balance.”
“Give me the fish without salt.”
“Look at me. Look at all of me.”
“Do you recognize who I am?”
“That is hideous.”
“Who are you? Who are you really?”
“I am squirming.”
“Where did this start out?”
“Are you going to let me live?”
“How did you get good at this?”
“I started young.”
“I am looking for someone.”
“How can you say that?”
“This is a big pond.”
“I am a big fish.”
“I am crushing.”
“Let me escape.”
“Why did she quit?”
“Where is the money?”

“Who is this guy?”
“Do you have a snack for me?”
“There are only a few days left.”
“What are you going to do?”
“I am not saying that.”
“Where is this headed?”
“I am loving you.”
“You hurt the wrong person.”
“Is this a revenge tale?”
“Move it along.”
“What is missing?”
“Thanks for the help.”
“Thanks for the lesson.”
“I had one mother.”
“I am not from the wheat field.”
“I have one more question. What did he do to you?”
“Do you want to know?”
“This is confusing.”
“Repeat the same thing again and again.”
“I love my life.”
“Give me another chance.”
“Put the sugar on the cereal.”
“I ran out of my life.”
“There is no hope.”
“You can leave now.”
“We are here.”
“Where is this headed?”
“Do not turn me into fruit salad.”
“Why did they do this to this to me?”
“What are you telling me?”
“We cracked a nut.”
“Where can you protect me?”
“There has to be a big cheese.”
“Cheese-filled.”
“Where does this end up?”
“In a solution?”
“That is monstrous.”
“That is impossible.”
“Do not say that to me.”
“You are pretty strange.”
“I did not want to say this.”
“You are scaring me.”
“You are trying to mess with me.”

“This is a crime watch.”
“Where is this headed?”
“This is so ridiculous.”
“I do not want to talk about it.”
“What did they do to you?”
“I cannot tell anyone.”
“Where are you taking me?”
“Back to the beginning.”
“This is almost finished.”
“This never finishes.”
“Better than I thought.”
“I could have eaten another.”
“Have two more.”
“We are almost there.”
“The place of indecision.”
“This is more than I thought.”
“Finish it off now.”
“Who are you working for?”
“I cannot move.”
“I didn’t do this.”
“Run away.”
“I am back where I started.”
“He has my ID.”
