“You have one more day to succeed.”
“Do not ask important questions!”
“Make me stronger.”

“Are you telling me that I am good at this?”
“What were you given?”
“This is a one-to-one connection.”
“I know that you are desperate. You need to do the job.”
“What are you offering me?”
“Make no mistakes!”
“You are trusted.”
“How is this possible?”
“Open all the doors.”

“I closed the book.”
“That never worked.”
“It all broke.”
“Where is the break?”
“How did that happen?”
Which side are you on?
“You are convincing me.”
“Do not ask me for a dollar.”
“Ask me for love.”
“Where do I go? I can help you out.”
“I can make you something special.”

“We are two monsters.”
“Where do we end up?”
“Do not trust this guy!”
“This is not a trust issue.”
“Do not hurt me.”
“How is that proved?”
“This is the balance.”
“What is the final move?”
“Do you have an idea?”
“There is no way to get me out of here.”
“I know what is behind all this.”
“He has a better lawyer.”
“That makes my work worth a lot less.”
“This is impossible.”
“Are you going to report to me?”
“That is not fair to me.”
“I cannot leave.”
“I am not going this way.”
“Who are you?”
“Do you have a conscience?”
“I want a job. I want money.”
“This is not fairness.”
“Do you know what you have become?”
“I cannot save you.”
“I am moving it all along.”
“I cannot catch up.”
“I cannot get in.”
“We are with the police.”
“What do you have there?”
“A lot of papers.”
“A lot of bull shit.”
“How does this even work?”
“You are wasting yourself.”
“That is crazy stuff.”
“Where are you when I need you?”
“This place is fantasy land.”
“Who are you? I do not even know you anymore.”
“I used to have these magnificent dreams. This is what I had to settle for.”
“I need you to be honest with me.”
“How is this even possible?”
“Who are you working with?”
“What do the police say?”
“Where will this end up?”

“You still do not own your freedom.”
“Do you see who is here?”
“Where has this taken us?”
“Where has the world taken us?”
“What am I getting in exchange?”
“You are getting all the equity.”
“There is no equity.”
“It is not as easy as it seems.”
“I sold my baby.”
“That is not how it really works.”
“What were you selling?”
“I need someone to explain all this to me.”
“I guess that I made a mistake.”
“There are rules.”
“No pets.”
“We can make exceptions.”
“Is this my reward?”
“You humanity is not an issue.”
“What is going to make you come back to reality?”
“We are making so much money.”
“Money is not the object.”
“Money is not the subject.”
“Who makes it happen like this?”
“I am not here. It cannot affect me.”
“Where is this headed?”
“This looks like a mug shot.”
“There is not enough money to cover these deals.”
“We are tired of playing.”
“Be yourself.”
“I cannot only stretch myself so far.”
“I am beginning to understand the law a little better.”
“How much money are we going to put into this deal?”
“We are being overbid by our allies.”
“I think I have found the key.”
“You can reverse any function. You can reverse any life.”
“They are going to catch us.”
“We have only one ally.”
“We only need one ally.”
“I screwed up.”
“You need to change it every day.”
“What did you find out?”
“You need to see all this.”
“We need to rack up the spoils.”

“What am I getting?”
“This is not a possible.”
“There is going to be a limit.”
“How do we get in here?”
“The sweet touch.”
“Give me an extra burger.”
“That is hardly fair.”
“Where is this going to end up?”
“Who is watching the store?”
“Where is the power man?”
“I need to warn you. You are being watched.”
“That really has no effect on me.”
“Who are you?”
“This is one-to-one.”
“What do you want to tell me?”
“Where is this going to end up?”
“It wasn’t me.”
“This cannot go on like this.”
“I cannot equalize this.”
“We all signed our names on the bottom.”
“We have to move.”
“They have found us.”
“You ain’t kidding.”
“This happened to me.”
“Who is doing this shit?”
“None of this stuff is free.”
“How did we make it here?”
“Are you going to give me a little extra?”
“That seems fair.”
“I never thought it would be that good.”
“They have your number.”
“I do need a place to hide.”
“Who are you?”
“Who do you want me to be?”
“Somebody is going to make this shit crash.”
“Are you calling this a job?”
“There is no alternative.”
“Where else can we run?”
“I do a job.”
“I cannot finish this off.”
“I do not remember.”
“He has a memory.”
“I have a tough rabbit.”

“Where are we flying?”
“The impossible is coming in on me.”
“This is more than impossible.”
“Are you telling me something worthwhile?”
“Are you serious?”
“I cannot do all that shit.”
“Are you trying to deal?”
“That is an impossibility.”
“They are waiting for me back at the place.”
“She has it all.”
“We all have it all.”
“Reel them in.”
“This could be crazy shit.”
“I need an accountant.”
“I need some heart medicine.”
“I am doing simple things.”
“There is one thing missing.”
“Someone is going to say too much.”
“Who do you trust?”
“The poison is collecting inside.”
“The iron bars are melting.”
“This is not as easy as it seems.”
“Who is watching?”
“I need protection.”
“Where can I find safety?”
“That is not going to be enough.”
“I am surrounded.”
“They want a cut.”
“There is no alternative. We are all part of a rat race.”
“What does the lead rat get?”
“Satisfaction.”
“I am watching you.”
“This is serious shit.”
“I need someone to help.”
“I want to forget.”
“This is a perfect end.”
“Have a cola.”
“That is not going to do.”
“Do not cry about this.”
“I made you a deal.”
“Where can we hide?”
“How can we get back to square one?”
“Someone is going to need to make the deal.”

“We need to be quiet.”
“Who let you in?”
“I can threaten.”
“We need to put stuff in all those locations.”
“That is not a ride.”
“I am hardly amused.”
“Is that my job?”
“I was sure that you were someone else.”
“I was never that clean.”
“What is going on?”
“What are you offering me?”
“Another version of hell.”
“That could be yours.”
“You should not be here.”
“This is not a matter of trust.”
“What are you taking?”
“What is in your hand?”
“What is in your head?”
“This could not be yours.”
“Do not lie.”
“Do you like it here?”
“We are on borrowed time.”
“Do not laugh.”
“Are you kidding me?”
“That is impossible.”
“I needed to do this.”
“This is the only choice.”
“I will not accept blood money.”
“What are the stains everywhere?”
“This is not life for either of us.”
“I do not know where he went.”
“There are laws.”
“We got together to make our own laws. It is all about distribution.”
“Where did he go?”
“You tell me.”
“Tomorrow is going to be the day.”
“I will never be that strong.”
“Who is there?”
“The force of one.”
“What is that all about?”
“They have found me.”
“It has all fallen apart.”
“Which side are you on?”

“The right side.”
“You made me a winner.”
“Take all the papers.”
“I understand this all too well.”
“I do not want to get arrested on this one.”
“What happened?”
“Someone is going to have to take the rap.”
“This is all under water.”
“I need to breathe.”
“They do not want the money.”
“A Judas deal.”
“Someone has to lose, and someone has to win.”
“Do this right!”
“They have got to me.”
“I am losing my identity.”
“Are you my man?”
“I am no one’s man.”
“You cannot get that free.”
“I am in the building.”
“This is the only way to get this done.”
“This is my greatest sin.”
“She had all the markers.”
“What did you want to tell me?”
“I have what is needed.”
“It was taken care of.”
“This is not what you think that it is.”
“This is how it is done.”
“I froze.”
“You are not allowed to freeze.”
“I did it right.”
“I have no choice.”
“Do not give up.”
“I need more hope.”
“You need more furniture.”
“Who is here?”
“I did not think that you would leave on me.”
“She was all in her body.”
“She does not need an explanation. Time will tell her what she needs to know.”
“I didn’t even see it happen.”
“Someone will wake you up.”
“You are floating out of existence.”
“I need to take this.”
“I will be right there.”

“I am not sure if I can do this any more.”
“I am on the other side.”
“There is no alternative.”
“Clear it all out.”
“There are tears everywhere.”
“I am going to need to ask.”
“I can’t help you.”
“I want to be nice.”
“Get me a burger.”
“He is barricaded.”
“I can give him what he needs.”
“He can clean up.”
“There are choices.”
“There is only one way to do this.”
“This is not the way to make it all work.”
“You are surrounded.”
“You closed every book.”
“This is not going end like .”
“How is that going to end up?”
“I am protecting the law.”
“It does not work that way.”
“There is too much noise for me to sort things out.”
“That is over.”
“Are you kidding?”
“That is hardly fair.”
“Why did you do that?”
“You needed to crash the whole show.”
“Where do we go from here?”
“We are all headed for jail.”
“I saved you.”
“There is no alternative.”
“Why did you tell us that?”
“I want to find a way to make it inside when I am out.”
“Why did you admit to that shit?”
“You should both be ashamed of yourself.”
“That is how it works.”
“What are you admitting to?”
“He is the one who is behind it all.”
“You are coming with us.”
“Who is the victim.”
“I will get off.”
“What are you going to tell them?”
“The truth.”

“What good is that going to do anyone?”
“It can end the bull shit.”
“I only want to do the right thing.”
“You need to work a lot harder to get results.”
“Are there words?”
“I cannot make sense of this by myself.”
“Who has the cash.”
“That is all that matters right now.”
“What are they telling us?”
“We need friends.”
“I cannot even tell what is being said to me?”
“This is not a fair distribution.”
“There is too much noise everywhere.”
“Give me the meal.”
“That is reality.”
“Too much for me.”
“Why did you do that?”
“Who is still here?”
“What are you telling me?”
“I cleaned it up.”
“You have to go all the way political to succeed.”
“What does that mean?”
“Calling out the culprits.”
“Are we really going to watch this?”
“We have gone in two different directions.”
“Someone must know.”
“I need to ask.”
“Who is watching us?”
“We are going to get caught.”
“Do we have to stop?”
“Someone is going to hear.”
“They already have.”
“What is going on in the store.”
“This is something that we cannot think about.”
“Think about this.”
“This is a hell.”
“What do you want to tell me?”
“Where have you been?”
“That is the one thing that turns me on.”
“There was on turning.”
“I cannot watch.”
“Watch anyway!”
“This is madness.”

“How did you make this work?”
“I calmed down.”
“I am talking out of both side of my mouth.”
“Thank you for telling me”
“Can I join in?”
“Are you trying to tell me something?”
“Thank you for congratulating me.”
“You eat ice cream so well.”
“I would like to offer you a deal.”
“I need to get out of here.”
“We are all out of here.”
“Tell me about your life.”
“That sounds so good.”
“I have plans.”
“You need to learn what kind of family I am going to have.”
“I like the t shirt.”
“You seem to have idea.”
“You all have ideas.”
“She is making a map.”
“Do you have anything else in your life?”
“We are going to do this again.”
“Is he really sensitive?”
“What do I get back?”

“You are making excuses.”
“I am glad that you are into sharing.”
“You do not really understanding how all this threads work together.”
“I felt as if I had found a solution.”
“Discover some tips on calculations.”
“What kind of work do you do?”
“He can buy all of us and more.”
“I got some wine at the discount store.”
“Do not worry about this.”
“This was all that we had.”
“We will drink it.”
“This is ridiculous.”
“Our place is your place.”
“You have no idea what this means.”
“That is wonderful.”

“Thanks for this invitation.”
“There did you start from?”

“More like the breath of the universe.”
“What is that?”
“I want to taste that.”
“That is impossible.”
“There is too much acid in there.”
“How does that work?”
“Are you telling me that I am drinking poison?”
“Love is an antidote.”
“What is really going on?”
“We have to find a place to hide.”
“I am changing the law.”
“We are going to invite you to play.”
“Drink the water.”
“Have a lemon tart.”
“This is only going to get better.”
“I am feeling the division from within.”
