

PRIVATE GRAVES

“Do you want to see my coffin?”
 “What are you talking about?”
 “How long can you entertain me?”
 “We all have one. We build it out of sticks and stones.”
 “What is the flavor?”
 “I need it to protect me while I am in the ground.”
 “Does it help you sleep?”
 “It gives me the blessing of the earth.”
 “Everyone is equally blessed. It offers an understanding of the world.”
 “Some say that it is organic.”
 “This is the beginning and the end.”
 “I am completely prepared.”
 “I gave myself to a world of the flesh. Then all was dispelled. I loved among a world of
 ashes.”
 “You have burned away the very thing that helps us to survive.”
 “We need a new alchemy.”
 “You need to have a better understanding of the human condition.”
 “This is all a question of combinations.”
 “What are you looking for?”
 “A path to glory.”
 “Don’t let any of this hurt.”
 “I hurt when I do not think about what is happening to me.”
 “I have no thoughts.”
 “Do you have a coffin too?”
 “I learn to need to relax.”
 “Relaxation is an art.”
 “You need to surrender to your history.”
 “How does that work?”
 “Nothing affects me. I am constantly in a trance.”
 “That is no solution.”
 “You can’t ask for something that you don’t deserve.”
 “Life offers me few options.”
 “What does that mean?”
 “Why do I feel that my thoughts are being reflected in you.”
 I did not want to think about sleeping in a coffin.
 “This could be a way to overcome our fear.”
 “What is your worst fear?”
 “Why does fear offer the path to liberation?”
 “It only adds another burden.”
 “Why not think about happy thoughts?”
 “Do you like answering your own questions?”

“I like feeling like that all the time. I am in a constant dialogue.”
 “Where have you been spending your time?”
 “Somewhere that I could shut the lid.”
 “I will be back.”
 “That is haunting.”
 “You look at you life, and you decide once and for all that this is not how you want to
 be.”
 “What do you do?”
 “Everyday seems like a resurrection.”
 “Why come back if you have crossed over into another state?”
 “None of this is going to last.”
 “You could return to past lives. All in a good way.”
 “They say that bad memories stay with you forever.”
 “The horror!”
 “What is the legacy of history?”
 “The path to liberation.”
 “What do you need to get rid of?”
 “All the bad memories.”
 “I have found perfect relaxation.”
 “Where is this going?”
 I was not going to get into the coffin.
 “It does not fit.”
 “Is everyone like this? I was looking for a secret. Don’t tell me that this is it.”
 “You have to let go of things. You surrender everything that ties you to the world. And
 you are left with this feeling. That is all that is left.”
 “How does this function?”
 “This is bigger than you are.”
 “I want to be part of this.”
 “Read this book.”
 “How can a book help me to prepare myself?”
 “It can map out all the threats to your integrity.”
 “What does that do?”
 “It points me towards a solution.”
 “You are going to go back to thisw point.”
 “The worst possible fear.”
 “I am dealing with a snake pit.”
 “Some of these challenges lead to growth.”
 “Suffering does not lead to greater knowledge. Anyone who thinks that is a fool. It only
 prevents you from getting in touch with higher forms of consciousness.”
 “Higher forms of consciousness give us insight into the worst aspects of lower forms of
 consciousness. This is an awanress of the impossible,”
 “All of this will fall away.”
 “What will be left?”

“Ashes.”
 “I need to get rid of toxic people.”
 “I need to quit waiting for something that is already close at hand.”
 “How does that work?”
 “You measure the flows.”
 “This is not going to assist either of us.”
 “This is what I need in return.”
 “Clear out the balance.”
 “There is an emotional balance.”
 “I can do all that in one night.”
 “There are more important challenges in the book.”
 “If you become part of the world, how do you get away?”
 “The proof question.”
 “Nothing is that difficult that you can’t solve it in the morning.”
 “A lot of people worked together.”
 “It was a structure built in stone.”
 “What about reinforcement?”
 “The tower needs steel reinforcement.”
 “These are architectural questions.”
 “Are there any others?”
 “What is being hidden inside?”
 “What is the source of belief?”
 “There is sufficient time to change.”
 “You come to me.”
 “I will lift the lid.”
 “What is crawling in there?”
 “You have a form of protection.”
 “What are things that you do not want to think about?”
 “Stillness.”
 “Perfect calm.”
 “This is a transitional state.”
 “Why do you even worry about this kind of thing?”
 “I am afraid to admit to any of this. People will make fun of me.”
 “What are the relative costs?”
 “This is part of the spiritual accounting.”
 “I do not want to think about things like this.”
 “This is how you get rid of metaphysical pain.”
 “What does that mean? Does anyone understand something like this?”
 “I do. This is the most basic knowledge. If I didn’t know this, I would give everything that I have away.”
 “We are all preparing a prosperous future.”
 “Everything fades away.”
 “This is what remains.”

“What is this stuff called?”
 “It is not edible.”
 “This is the source of rebirth.”
 “We no longer thinking the same thing.”
 “You can’t be afraid of you inner passions.”
 “I found an alternative way.”
 “Bury me with one good meal.”
 “I want it spicy.”
 “I need to distill the now.”
 “Do this quickly.”
 “You need the anointing.”
 “And where does that go?”
 “It prepares you for the threats.”
 “What else do you know?”
 “I have figured out ways of surpassing myself.”
 “I will return to this later.”
 “Do not forget your key.”
 “What if I locked myself in?”
 “I would need to find an alternative means of escape.”
 “Can you think yourself out of this place?”
 “You are not allowed to take pictures. You need to sit quietly.”
 “I have so much life in me.”
 “Is that going to be enough?”
 “It will all make sense to me after I sleep.”
 “Do you need simple answers?”
 “I need to close the lid.”
 “There is a book that explains it all.”
 “And what is your contribution?”
 “I have lost the thread.”
 “A stitch in time.”
 “I will never be afraid of what is to come.”
 “You have given too much of yourself already.”
 “The coffin is leaking.”
 “Premature decay.”
 “I am trying to deal with that.”
 “I am becoming something other than myself.”
 “That is the purpose of the ritual.”
 “I do not want to suggest that my life was terrible. I just don’t want the worms to eat me
 up”
 “This is something that I will never feel.”
 “You only have so many feeling that you can consider.”
 “I am not that complex a person.”
 “I am always hungry.”

“I know what that really means.”

“How can you sleep in this place? It is cramped.”

“I don’t let it bother me.”

“You need to close the deal.”

“She wants out.”

“People say that all the time. They are terrified to go alone.”

“I wouldn’t say that.”

“I don’t see resuurrection as an option.”

“You need to die in order to be reborn.”

“I don’t have enough personality to let go of myself.”

“I can’t want for something more.”

“Can I visit you in the coffin?”

“That is entirely too much togetherness. There is a point when you have to let go of all earthly connections.”

“I can assist you in becoming known.”

“What are the basic precepts?”

“This was a great work.”

“I cannot let this go.”

“You do not have waht I need.”

“You do not appreciate what I have to give.”

“There is another face.”

“The one that does not die.”

“Human beings go through many transitional states. You need to understand these variations.”

“I really don’t want to end like this.”

“You get all dolled up to become something that you are not.”

“These guys like me. They cherish me for what I am.”

“And what is that?”

“I do not pretend.”

“That is soft-soaping.”

“What of it?”

“This is taking much longer than usual.”

“Do not give so much of yourself.”

“I am trying to hold back.”

“There is no back. Live for the moment.”

“Get that to me as soon as possible.”

“Please take care of me.”

“What parts do you have?”

“Broken parts.”

“I don’t give a fuck.”

“I lie in my coffin, and I do not let it affect me.”

“It affects all of us in one way or another.”

“We all sit around waiting for something that will never happen.”

“Come into my coffin.”
 “That is really freaky stuff.”
 “I am not honest to anyone.”
 “Try to be yourself.”
 “This is what really affects all of us.”
 “You cannot visit.”
 “What do you regret?”
 “I cannot deal with any of this.”
 “Just say hello.”
 “These are not good people.”
 “They are not chosen. The chosen reside in private graves. That is why we believe what we believe.”
 “Get close to me.”
 “That is too close.”
 “This is the end.”
 “I did not do anything wrong.”
 “BUT YOU WANTED TO.”
 “You do have the opportunity to escape.”
 “Where is that coming from?”
 “*Look at my wonderful body. Touch it. Become one with me.*”
 “*Where is this coming from?*”
 “*The night speaks through me.*”
 “*Everyone here thinks that she is blessed.*”
 “*Where does this start?*”
 “*How do you want it to start?*”
 “*I only want to be touched in extravagant ways.*”
 “*I know about your mistakes.*”
 “*I know people.*”
 “*I told him nothing.*”
 “*Describe it in another way.*”
 “*You explore for ways to support your identity.*”
 “*I have an identification card. It is my license.*”
 “*That is how the state defines you. How do you want to be defined?*”
 “*Pleasure seeker.*”
 “*Pleasure is a short-term thing.*”
 “*Life is a long-term thing.*”
 “*Where is this headed?*”
 “*To the grave.*”
 “*What is your biggest complaint?*”
 “*Resurrection is not included.*”
 “*It is a reverse process. You go back to the land of the dead.*”
 “*Where is this headed?*”
 “*This could be your life.*”
 “*I want to walk out of my life.*”

"How many hours do you lose in attaining consciousness?"

"That is not going to work for anything."

"I need to get into that money."

"Bury me with all my treasures."

"What do I not know?"

"I do not understand my role as a citizen."

"I have deep thoughts."

"You are perfect for each other."

"I have a counselor."

"There is a program."

"I invited him back to my place, and he stole something."

"He is getting paranoid."

"I am loved."

"It does not work that way."

"You are on your way."

They made the measurements for the coffin. The coffin needs to be placed in a monument.

"I want you in my playground."

"What drove you here?"

"Have a soda!"

"I need something more powerful."

"Drink this shake."

"Tell me anything."

"Do you love yourself?"

"I need to get rid of these feelings."

"I am getting better at this."

"What does the book say?"

"You live in the forever."

"What is on the ship?"

"This is ridiculous."

"What are you looking for?"

"Treats."

"Death is not a treat."

"I am preparing. It makes life more enjoyable."

"Love starts with an understanding of who we are."

"Where is this going?"

"I want to be loveable."

"The coffin was full of cash."

"Where did he get that?"

"Some dirty dealing."

"All dealing is dirty."

"That does not happen well."

"I have a secret identity."

"We are protecting what we have."

"This is a museum."
"They are going to slam the door."
"Are you kidding?"
"That is not going to result in something wonderful."
"I give away my clothes."
"I don't want to wear dark clothes. I want bright colors."
"It is too late for that."
"Show you inner feelings."
"That does not work."
"Those do not work."
"That is not going to get you anymore."
"Kiss and tell."
"You have to bury the money."
"He rejected me."
"Where does that start?"
"This is not an investment."
"You cast a spell on me."
"You need to add another life."
"That is not going to help you."
"Where is that headed?"
"That is so silly."
"I hate the feeling."
"Read the book."
"I am the book."
"This is all impossible."
"I am a vicious person."
"What is that about?"
"I am remaking myself."
"Where does this start?"
"In the heart."
"I like you a lot, but I cannot do anything about this."
"It is all about the bones."
"This is a financial transaction."
"When does it all come together?"
"This should be returned to nothing."
"Forget him, and don't regret him."
"That is impossible."
"That is funny as shit."
"I am dancing to the music."
"Where is that headed?"
"To the grave."
"Dance me to death."
"We do not want a terminal point."
"How is this even possible?"

"Are you trying to kill me?"
"What is the alternative?"
"I bought you an ice cream cone."
"Someone can spend a little more."
"You will always be like this."
"Quiet, Cliff."
"Who is Cliff?"
"A floater."
"I like to play games."
"Think about this. Where is it going to end?"
"In Saran Wrap."
"Someday, you will just say no."
"No, no way, nothing."
"I have been watching you."
"I am sleeping in a coffin."
"How does that work?"
"I give something to the dead, and the dead give me something back."
"Where did you go?"
"I am doing myself one better."
"I wake up relieved."
"Are you earning more money?"
"He promises money. Then he promises more money."
"What does this all mean?"
"I love to concentrate."
"I am not like this."
"Look at the bank account."
"I have my money in all these funds."
"This will make you feel good."
"I am buying all of it."
"That is not going to happen."
"How much cash do you have?"
"I am being foreclosed on?"
"That is not possible."
"This is spiced."
"This is iced."
"I only have one concern."
"There is an idea."
"You are precious."
"You are going to take a part out and put another one in."
"Does that really work?"
"Where is this headed?"
"To the fast lane."
"Run, run, run."
"This is going to be good for you."

"That is too much stress on the system."
"I will come out of it."
"Lie down."
"I feel this way as well."
"That is going to work."
"This is marvelous."
"I wanted more."
"I give blood."
"I am obsessed with blood."
"Give me a chance to make it work."
"I spent all the money on ice cream."
"On a scale of one and ten."
"How is that going to happen?"
"The business is not open."
"That is nonsense."
"Pawn that shit."
"You need collateral for your personal development."
"That was so brilliant."
"I could use some assistance."
"I have been cured of my little problem."
The item was delivered.
"There is a certain connection to success."
"Do not ruin my life."
"My fairy godmother will put everything into place."
"That is impossible to figure out."
"I love the carrots."
"I love to make lists"
"What are you working on?"
"Why are you upset?"
"This is not love."
"I WILL LOVE YOU TO THE GRAVE!"
"Give me a gift."
"What do you have in the tank?"
"High performance."
"Watch me."
"Clean up the mess."
"I live in this mess."
"We can make it all work."
"I need some cash."
"He will not give you what you need."
"The television is not on."
"Just do that thing that you do with your hand."
"What is going on down there?"
"I am going to stuff it."

"I do not want to confess."
"I want so much more."
"Give me a sign."
"What can you do for me?"
"Make me a star."
"Play the surfaces."
"How do you want this to end?"
"With buried treasure."
"What is the secret song?"
"I have someone else is my life."
"That hurts so much."
"What do you have in the trunk."
"You do not have enough to give."
"You are not articulate."
"You look like some kind of freak."
"There is no system."
"Where does this go?"
"The final resting place."
"Are you making fun of me?"
"You are not one of us."
"Who is this guy?"
"Don't tell me what you are doing?"
"Do not interfere with my future?"
"I cannot explain this to you."
"I do not belong here."
"Slip back in the coffin. It gives you a clear purpose."
"I want a little funny game!"
"I like that place."
"WE?"

"She wants out."

"You are dubious."
