

**BIOGRAPHY**

“Let me tell you what is really going on in my life.”  
“We could go to the bank together.”  
“We could open our own bank.”  
“Do not piss on the magnolias.”  
“Where does this come from?”  
“This is an art.”  
“I am running out of art.”  
“You are not quite getting it.”  
“Each day is different.”  
“That does not help with the pain.”  
“There is so much pain.”  
“I need to get away on my own.”  
“There has to be more than this.”  
“There is going to be the big payout.”  
“Are you kidding?”  
“The fire alarm is going off.”  
“Who even hears it?”  
“That is not going to be enough for either of us.”  
“I don’t like this guy.”  
“Who are you? It is not your right not to like someone.”  
“What do I have to do with this?”  
“This is my lawyer.”  
“This is a delicate situation.”  
“That is not going to work for all of us.”  
“What are you looking at?”  
“I am having a vision.”  
“When does it end?”  
“Who else is here?”  
“I need a solution.”  
“Mix in some salt.”  
“I feel combustible.”  
“This works to improve my personality.”  
“There is fairness.”  
“I don’t feel comfortable here.”  
“We are going to be asked to leave.”  
“What is the truth?”  
“Is there even a truth?”  
“We are sinking.”  
“We are sinking together.”  
“I feel as if I am drowning.”  
“That feels good.”

“Where is this headed?”  
“This is funny!”  
“I am shaking.”  
“This is a little advice.”  
“More sugar.”  
“Let it work out.”  
“Let it not work out.”  
“What do you remember?”  
“Do you remember me?”  
“Where is Ginny?”  
“That is not going to work!”  
“I am going to fly away.”  
“This is a business deal.”  
“I am working.”  
“We both have to leave.”  
“They are going to ask us to leave.”  
“None of this worked.”  
“I come to collect.”  
“I didn’t do this for nothing.”  
“I slipped beneath the water.”  
“I pulled you out of this.”  
“What is going on?”  
“Nothing?”  
“Nothing of import.”  
“We have a few minutes.”  
“We need to be quick.”  
“Black out.”  
“This is going to explode.”  
“What kind of animal are you?”  
“A noisy one.”  
“Do not interrupt.”  
“This is the best thing for you.”  
“You are not telling me anything new.”  
“I do not have that in me.”  
“Marn Angel is a promise. And she is not going to give you anything.”  
“That is a certainty.”  
“Do you know who you are?”  
“Maybe, I should have responded to things differently.”  
“How did I get pushed off the right path.”  
“Do what you will. You can’t change things.”  
“You should have made peace.”  
“How does that work?”  
“We are back where we were.”

“It could be worse.”  
“That doesn’t work on me.”  
“I made some bad choices.”  
“Choices are easy these days.”  
“Who is this guy?”  
“The committee made him.”  
“I wish that someone would be a little kinder to me.”  
“In my office.”  
“Are you laying down the law?”  
“I am lying with the law.”  
“You tell me.”  
“Did mother lead the show?”  
“You need to supply me with legal representation.”  
“That is not how it happened.”  
“This was an act of free expression.”  
“I am not going to talk to the enforcers.”  
“I am not doing well.”  
“These things happen.”  
“I need new friends.”  
“There is some kind of interruption.”  
“This seems like fun.”  
“I don’t see it that way.”  
“Tell me about your own secret desires.”  
“There are loads of alternatives.”  
“I am still a genius.”  
“Who are you?”  
“What do I have to do with this?”  
“So you are connected.”  
“I can say with certainty.”  
“I know who you are.”  
“I am a tough guy.”  
“Where is this going to end up?”  
“What are you expecting?”  
“This does not seem fair.”  
“What is fairness?”  
“Who do you work for: a criminal syndicate?”  
“What is in it for me?”  
“What do I get out of this?”  
“I have already been fleeced.”  
“I am not part of this.”  
“Are you going to leave me in the woods?”  
“They are on your tail.”  
“They brought a helicopter.”

“What does the dog know?”  
“This could become a theme.”  
“We need a better system.”  
“We are going to need loads of time.”  
“I need more inspiration.”  
“I am back at the house.”  
“This is just a visit.”  
“You have messed things up for the both of us.”  
“Someone is not leaving here.”  
“Someone is not leaving here.”  
“You need to be more present.”  
“He is hiding.”  
“This is permanent hiding.”  
“There is no relation.”  
“It is not as bad as it seems.”  
“Things happen.”  
“Grow up, little boy.”  
“I am Marn Angel.”  
“You told me that your name was Ginny.”  
“What is your name?”  
“I close the door on life.”  
“What happened to all of us?”  
“Where am I headed? I do not like it.”  
“Who are we? Who am I?”  
“Checking in.”  
“Jump on the bus.”  
“I can’t save anyone.”  
“There is no home.”  
“Fight on!”  
“I got thrown out.”  
“What is the balance?”  
“This is not normal. This is a disease.”  
“How is that?”  
“I am not going to turn state’s.”  
“We have arrived.”  
“Good speech. You are going to jail.”  
“When did we fall off the edge of the world.”  
“I am working with a different system.”  
“This is par for the course.”  
“No one makes sense.”  
“Where is this headed?”  
“Who cares? Who is helping?”  
“It is too early.”

“We are back to business.”  
“Why is this happiness?”  
“This is not going to make any of us better.”  
“Who has the money for any of this?”  
“You have been waiting to apply the law.”  
“We like this.”  
“We are coming for you.”  
“I need my own solution.”  
“Freak show is on the air.”  
“I am sorry.”  
“You cannot make it any better.”  
“No one can.”  
“This is not my show.”  
“What do you have instead?”  
“A renewal.”  
“I have my card.”  
“What do you need to tell me?”  
“I am watching straight on.”  
“Marn has a little what we need.”  
“This is crazy.”  
“I can make you a trustee.”  
“This is not good for either of us.”  
“We got this for you.”  
“You have arrived.”  
“We do have solutions.”  
“You are not part of my life.”  
“Move on!”  
“You are messing with my head.”  
“What better do you have?”  
“I need to get a dog.”  
“Hit the road.”  
“I need some cash.”  
“Move on!”  
“I will.”  
“Marn, come see me!”  
“You are a little late.”  
“Here is a script.”  
“It will be long life.”  
“I knew that you were part of this.”  
“You keep looking at me as if you expect me to do something.”  
“I am seeking your permission.”  
“You didn’t send me your tax documents.”  
“Have you seen this before?”

“Don’t ask me. I am living it.”  
“You need to speak little louder in order for me to hear you.”  
“Hearing is not an object.”  
“This is suspense.”  
“What is promised?”  
“The set has a promise.”  
“That is why it is a collection.”  
“What is she saying?”  
“We have arrived on the planet. Time to begin again.”  
“This is crazy stuff.”  
“You have no idea how crazy.”  
“This is our standard love object.”  
“What does that mean?”  
“The connection inside.”  
“Ginny, help me with this.”  
“This is not my story. I have more feeling. I am looking for caring.”  
“Can you translate for me?”  
“What am I supposed to tell you?”  
“Teach me how to love?”  
“Listen to these five songs.”  
“I listen to something that gets taken away from me.”  
“I am learning, but I am not learning enough.”  
“What do you want to be told?”  
“This is not giving me enough.”  
“You are blessing me with your presence.”  
“Your performance needs to show that you care.”  
“I do not have a stage.”  
“Where are we?”  
“Where does the journey take us?”  
“This looks lovely. But I keep waiting for something to happen.”  
“You need to concentrate.”  
“What are you carrying?”  
“Valuable product.”  
“This is a waste of my time.”  
“You are going to talk to me about wasted time.”  
“This is such a waste.”  
“I was saving that for myself.”  
“You don’t get all the candy.”  
“Are you coming with us?”  
“I know where you are headed.”  
“We are all deep inside.”  
“I have really lost.”  
“You are embarrassing me by revealing things about my life.”

“How did I become like this?”  
“I feel great.”  
“This is not stopping any of this.”  
“Where does the story start?”  
“What is the issue here?”  
“You never threaded the needle.”  
“I jumped to a conclusion.”  
“I am going to write about this.”  
“You will never arrive.”  
“What is my risk?”  
“What are you afraid of?”  
“Take me to your leader.”  
“None of this stuff is free.”  
“She is going to tell me some crazy stuff.”  
“You are making me afraid.”  
“I am afraid.”  
“I am moving ahead.”  
“A lot of life has been stolen from me.”  
“How did I get like this?”  
“You have have been influencing me.”  
“We both answer the same question.”  
“This is very inconvenient.”  
“How else could I put?”  
“I let no one inside my inner mind.”  
“How very convenient.”  
“Can anything be done for him?”  
“We can give him some ice cream and send him home.”  
“I am melting in the present.”  
“I am obligated. I have a duty. In a nice way.”  
“We are leaving where we started off.”  
“I am going to throw all the shit in the water.”  
“He is super brilliant.”  
“That is not going help.”  
“She is looking at me.”  
“You are hopeless.”  
“I need to point you in the right direction.”  
“I need a guide.”  
“Here, take some important documents.”  
“Where is the noise coming from?”  
“There is no force here. This is my existence.”  
“What are you telling me?”  
“I can get rid of all your flaws.”  
“Is he going to drown?”

“He does this all the time.”  
“He wants to be saved.”  
“Who is the guy?”  
“Mister Someone.”  
“What does this mean?”  
“I need a full meal.”  
“I am perfect.”  
“I am lunch.”  
“Too much of me has melted.”  
“Can I go back to my old life?”  
“Hunt the live doughnut!”  
“This was my opportunity to betray the only thing that I cared for.”  
“What do you think that you done?”  
“What made it end like this?”  
“Neither of us was an active player.”  
“I am going to need some more outside participation.”  
“What does that mean?”  
“What is really going on here?”  
“I want health.”  
“What is the source?”  
“This is a celebration of life.”  
“Can I join in?”  
“This is shaking me to the core.”  
“I am remaining on the outside.”  
“We have different views of the body.”  
“I need another meal.”  
“Are you always so self-destructive?”  
“That reminds me of something in such an uncomfortable way.”  
“There is no one else waiting here.”  
“Where the hell are we?”  
“They are all laughing at me?”  
“Someone jumped in the lake.”  
“How do you get away with this?”  
“There is some truth in this.”  
“That hurts”  
“I am repeating the same thing over and over again.”  
“This hurts.”  
“Take this.”  
“I am going to get wet.”  
“Here is a towel.”  
“Can you swim?”  
“What do you want to know?”  
“She is going to save me.”

“What are your skills?”  
“That is superb.”  
“They sell so much shit.”  
“Shit!”  
“They are screaming at me.”  
“You look hurt.”  
“Have a milkshake.”  
“I am drooling.”  
“We do not have time.”  
“Where did she start?”  
“She did bad things on her own.”  
“He is interrupting.”  
“Do not listen to me.”  
“I know what I am doing.”  
“I can be fair.”  
“This is the end.”  
“How can that be?”  
“Leave me some of your milkshake.”  
“There is nothing left.”  
“That is not what I had in mind.”  
“I only want you to agree.”  
“What more can you do?”  
“Let me show you something.”  
“Thank you for making it right.”  
“This is going to fly in the sky.”  
“Thanks for the help.”  
“I have my own life.”  
“The popcorn spilled.”  
“There is too much butter on the corn.”  
“Where are we headed?”  
“You are going to have to keep on.”  
“I know what is really going on.”  
“Ginny, you can’t keep hurting people.”  
“What are you talking about?”  
“Lick the sauce off me.”  
“Is this unique?”  
“How could it be?”  
“I want to learn about myself.”  
“Where do I end up?”  
“At a pawn shop.”  
“Why are you following me?”  
“He cannot move.”  
“I want to stay here.”

“There is a balance.”  
“I do not want that kind of love.”  
“Ginny, what do you want.”  
“I want to know who you are.”  
“I can help.”  
“Lead me on. Make me warm.”  
“I did not want this to happen like this.”  
“She was purged.”  
“How does that work?”  
“She said that she was sorry.”  
“That does not cut it.”  
“You made this happen.”  
“He is soaking in brine.”  
“I am not a fucking pickle.”  
“Move around.”  
“You are a gold fish.”  
“You are destructive.”  
“Where do we go?”  
“This is another way of seeing the ins and outs.”  
“There is no after this.”  
“Who is going to participate?”  
“The school of fish.”  
“The compatriots.”  
“It is me and you.”  
“The quitters.”  
“We can make it work.”  
“How does it happen?”  
“This has happened so many times in my life.”  
“Where did it start?”  
“There is nothing to worry about?”  
“I am doing my best to be right.”  
“We need to make more noise.”  
“We are noise itself.”  
“Do not leave me.”  
“We have crossed the sound barrier.”  
“What are you doing?”  
“You are more of a freak.”  
“This is impossible.”  
“Funny, funny, funny.”  
“This always works.”  
“This is prepared.”  
“I have been there. I am prepared.”  
“You are a jerk.”

“Wake him up.”  
“He cannot help himself.”  
“Do it better.”  
“Crash city.”  
“No one helps you here.”  
“Take the next street down for an alternative solution.”  
“That stuff does not work for either of us.”  
“They all cancelled each other.”  
“Ginny, why do you trust this guy?”  
“He cried for me.”  
“What does that mean?”  
“There is nothing left.”  
“I am a space guy.”  
“That was yesterday.”  
“This is incomplete.”  
“We were supposed to keep on until the end.”  
“The end.”  
“He had skills.”  
“The end.”  
“You cannot fix this.”  
“What do you have in there?”  
“You have not moved.”  
“This is mystical.”  
“That is not going to work. I cannot get inside of myself.”  
“I didn’t see him.”  
“That was not meant to happen.”  
“I am being destroyed from within.”  
“This should never have happened to either of us.”  
“I want to take pictures.”  
“There is another better moment.”
