

THE CARING PLACE

“There is no longer a place for you.”

“There never was a place for me.”

“Tell me more.”

“I am cured.”

“How did you find me?”

“You are everywhere in the paper.”

“Why should we care about you?”

“Everyone cares.”

“We had a really bad day.”

“I was not around.”

“I knew it was going to get bad.”

“You waited around.”

“Bingo.”

“I can help you succeed.”

“How are we ever going to do it?”

“This could be me?”

“It always could.”

“I need to help.”

“Let me play the devil’s advocate.”

“Play away.”

“Can you make one more appearance?”

“This is not going to be as enjoyable.”

“What does this mean?”

“I could be down there with you.”

“This is not a romantic connection.”

“Are you a genius just like me?”

“Billy can do it all.”

“Who is he?”

“What can you do for me?”

“How is this happening?”

“Where is this going?”

“We are going to end at the dinner table.”

“I do want to make friends.”

“Open the door for all of us.”

“Have the bread sticks.”

“What is a bread stick?”

“Is this a common sense ethical question?”

“We need to succeed.”

“Bait the trap.”

“I am missing my calling.”

“You are too nice for me.”

“We are sharing dinner.”
“Eat the mashed potatoes.”
“That does not work.”
“This is going to be fantastic.”
“I have got everything that I need.”
“I am out of here.”
“What do I get?”
“No one believes this.”
“You are going to get shocked.”
“I want it all.”
“She is my reader.”
“You are hurting me in so many ways that I cannot explain.”
“What state is this?”
“The stateless state of mind.”
“What is the alternative?”
“I am asking are you human.”
“Thank you, father.”
“What is a human?”
“I got what I need.”
“Where is the resolution?”
“I am going to close the door.”
“I am so different.”
“I do not like what I am looking at.”
“This is your life.”
“What are the parts?”
“I need to finalize the process.”
“Here is the money.”
“Where is the fun show?”
“Is that going to work?”
“I can open the door.”
“I am the door.”
“You cannot go any further.”
“Who are these people?”
“I want to work on the project.”
“That does not work.”
“Where will you resolve?”
“In the ocean.”
“She can give you what you need.”
“Do the homework.”
“What can you offer?”
“Why are you so needy?”
“This is funny.”
“I am shaking all over.”

“Are you a responsible person?”
“We are all wet.”
“We have been fitting the parts together.”
“Is this a revelation?”
“Are we getting anywhere?”
“What is the next step?”
“Turn the rock over.”
“That is private.”
“Someone has to do this.”
“Take the bacon off.”
“Is there a flavor?”
“This is a joke.”
“I am not going to share.”
“Please share.”
“The fish are biting.”
“A helper is following.”
“How does this function?”
“The fish are still hungry.”
“Show me!”
“How is this happening?”
“You cannot do everything.”
“She is the leader.”
“We can be one one mind.”
“You are out of step.”
“What is in the corner?”
“Did you use all the toys?”
“Don’t cry about this.”
“These monsters are loose.”
“You are playing.”
“This is not legal.”
“This is going to backfire.”
“Who is flowing along the stream?”
“What do you want to say?”
“This is going to be impossible.”
“This is better than could be imagined.”
“You have to show a little more.”
“I can help you out.”
“This is not good for either of us.”
“It all ends us the same way.”
“I am not playing.”
“Why did this do it for you?”
“Heartache.”
“Where is this taking you?”

“Do you have any memory?”
“The darkness is everywhere.”
“Everyone is involved.”
“Watch, and marvel.”
“I am not getting the words right.”
“What do you want from me?”
“This will hurt the both of us.”
“I have been called by my name.”
“I want to get rid of the pain.”
“Community assist.”
“Get me a dinner.”
“That does not do it.”
“This is orbiting.”
“What kind of world is this?”
“I can no longer do this.”
“What are you doing?”
“How did you let this happen?”
“Someone is intimidating.”
“What did this costume do?”
“This is not a fair show.”
“The book closes.”
“I told him to stay away from the property.”
“I got away. But I went right back.”
“What are you tapping?”
“That does not do well to people.”
“This is not democrat.”
“I cannot be safe.”
“Close the door.”
“It has exploded.”
“Play the piano.”
“These people are so terrible.”
“Who invited him in?”
“He always got what he wanted.”
“Do these people get what they want?”
“I am sure that works for all of us.”
“Open it up.”
“What is in the box?”
“There is nothing left for you.”
“What did you get me?”
“Something that you could plug in.”
“We are not exchanging anything.”
“What do you do?”
“That is hardly possible.”

“What do I get?”
“Are you even human anymore?”
“What are you asking me, Ginny?”
“There is no place for you here.”
“Are you kidding?”
“You are not allowed to touch any of this.”
“That is not going to happen.”
“Better get out while you can.”
“I seem to know everything about you.”
“You are a special kind of person for me.”
“We need to cross-reference.”
“What is this all about?”
“I have nothing to do with this?”
“Do you have friends?”
“Do we all have friends?”
“I am not looking.”
“What is the objection.”
“Have you really been to any of these places?”
“I am everywhere.”
“Do not take my toy away.”
“What is the alternative?”
“They pulled a bone out of my face.”
“How is that even possible?”
“How can all these people fit at the table?”
“Do not touch my plate.”
“Make me a plate.”
“I should have said more.”
“This is a gift and more.”
“None of this makes me feel good.”
“That is not going to happen.”
“How do you know what is what?”
“What?”
“More raisins in the cookie.”
“I had the solution.”
“I quit sipping.”
“Who else is watching?”
“You are trying to create the rules.”
“How does that work?”
“Fear is fair.”
“Quit laughing. This is serious.”
“I need to be disinfected.”
“That does not happen.”
“Humor.”

“Night.”
“What is baby doll doing?”
“I am making mathematics.”
“How does that work?”
“Get out of my bed.”
“Baby bear is interrupting.”
“Where will this end up.”
“I have a lawyer.”
“Let me be myself.”
“You cannot make rules.”
“How can this even be fair?”
“This is frightful.”
“It does not work this way.”
“You need to shut up.”
“That is hardly right.”
“I do not want to get involved.”
“Go quickly.”
“Do you like what you have?”
“He slammed the door.”
“This does not seem fair.”
“That is silly.”
“I got away clean.”
“What is your hope?”
“That there will be more for my life.”
“I am ironing out the problems.”
“That never works.”
“You need to eat the evidence.”
“How do you do that?”
“This is so silly.”
“Sly.”
“I am breathing in that shit.”
“You will come to another resolution.”
“I have a cupcake for you.”
“What did I do wrong?”
“I found a friend.”
“I am behind it all.”
“I need to go back to my life.”
“There are other ways.”
“Join a club.”
“Be part of a support group.”
“Play more chess.”
“Your move.”
“I want to affect someone without being affected myself.”

“It seemed to be so much fun for a while.”
“Do not touch me.”
“Do you love me?”
“I am deep in the dirt.”
“Where is this happening?”
“I have found something that I always wanted.”
“A snack with crackers.”
“Do not leave right now.”
“What are you doing?”
“This will work for all of us.”
“What makes you feel happy?”
“Tell me Ginny.”
“Ginny loves these stories.”
“I cannot answer truthfully.”
“This is hideous.”
“I am embarrassed.”
“There are two many numbers.”
“You forget.”
“You get sweet.”
“You start over.”
“This is not my story.”
“That is a bad story.”
“You are not being honest.”
“I am part of the Saturn set.”
“There are different mores.”
“How are you staying focused?”
“There needs to be some form of caring.”
“That seems wonderful.”
“I love the crunch.”
“The crumbs are collected and creating further creativity.”
“There are so many questions.”
“What is the idea?”
“Dirty stuff.”
“Who is this?”
“How do you think any of this is okay?”
“You do what you have to do.”
“Give me the money.”
“I am better at this than you know.”
“This is an alternative.”
“I need to get better at this.”
“This cannot be fixed.”
“It turned into a monster.”
“What are you doing, baby boy?”

“What is the alternative?”
“Where is that going?”
“Who is behind all this?”
“It is broken.”
“It cannot be fixed.”
“This is who you really are.”
“It is called a revelation.”
“I have been saved from my life.”
“Do not do this. This is not good for you.”
“This is the origin.”
“You need to confess.”
“What is the business?”
“I do not want to look.”
“You are a perfect friend.”
“This is what happens after friend.”
“The needing ting.”
“I need some advice.”
“He is running the moment.”
“None of this is going to work for any of you.”
“I have the key.”
“I am going to get in there.”
“There is nothing in there.”
“How did he escape?”
“We are allies.”
“Who paid for this place?”
“We are descending.”
“What do you really want to say?”
“Repeat the same shit over and over again.”
“This is not working for either of us.”
“Who brought him?”
“What is this place?”
“That is not going to be good for either of them.”
“I will make a deal.”
“He destroyed it all.”
“Only one person can solve it all.”
“What is in the doughnut?”
“It is easier to get around here.”
“None of this works for either of us.”
“There is nothing else in our lives.”
“What else is here?”
“I am useless.”
“I cannot leave the house.”
“Where is this going?”

“You need to follow me.”
“Make money.”
“Do your thing.”
“This is richer than a doughnut.”
“What happens?”
“That hardly seems fair.”
“We can make something wonderful.”
“Do not run from me.”
“You owe me.”
“I cannot destroy this.”
“I feel better.”
“Who messed it up?”
“How does that work?”
“That is so impossible.”
“It is filled with jelly.”
“You need to go to the next level to win.”
“What is in it for me?”
“Who the hell do you think that you are?”
“Get me a burger.”
“Get me idea food.”
“I hope that works for all of you.”
“That is funny.”
“I need to complete this for you.”
“I expect an alternative.”
“How did I get to this point?”
“He drugged us.”
“That is impossible.”
“We are always aware.”
“We will find him.”
“How did you make it out of there alive?”
“That will not work.”
“I am here.”
“This is where you can remain.”
“This is a place.”
“I need toast.”
“Keep me safe.”
“We are on the same wavelength.”
“That is funny.”
“She cares in a nice way.”
“That is funny.”
“You are trying too hard.”
“Get thee to a nunnery.”
“How does that work?”

“What is the alternative?”
“Eating the porridge.”
“How does that work?”
“We got interrupted.”
“I need the money now.”
“What for?”
“I need another meal.”
“He is there.”
“We found him.”
“You cannot do that?”
“We are going to make it easy for you.”
“This is only the beginning.”
“I do not need you shit.”
“Could never be trusted.”
“There is another way inside.”
“That is not possible.”
“I am going to be misdirected.”
“That will hardly lead to a solution.”
“I was almost there.”
“That is impossible.”
“This could be easy.”
“Someone is moving to the beat.”
“You get fed.”
“How much can I eat? How will this ever work for me?”
“I need it to work for now.”
“Book closed.”
“Accounts.”
“Go bullish.”
“On what.”
“What are the alternatives?”
“That is not functional.”
“He has no alternative.”
“I can do what I need.”
“That is hardly true.”
“You need to prove this.”
“This was supposed to be functional.”
“You cannot get rid of them.”
“Can you try this on?”
“I feel electric.”
“That is not what this is about.”
“Are you sick?”
“That is not going to do it for me?”
“This is called purity.”

“It gets rid of your shame.”
“She is perfect.”
“He is afraid of spiders.”
“What is this about, Ginny.”
“I do not want to play.”
“How will that ever work?”
“Tell me the truth!”
“She got taken away from the game.”
“I want to see more.”
“Push, push.”
“I have figured it out.”
“You do not need games. You only need an outcome.”
“You have made me imperfect.”
“The poison apple.”
“That could have been so much more.”
“I am getting closer.”
“We can work together.”
“There is only a little while left.”
“That needs to be solved.”
“That is going against me.”
“What did I just see?”
“I did it all.”
“I need a way to get in on the excitement.”
“Tell the truth.”
“You are at a loss.”
“I have arrived.”
“He messed up.”
“I made it happen.”
“What made the crisps crispy?”
“Next time.”
“I trusted you.”
“I stopped it from working.”
“He did nothing.”
“You destroyed it.”
