

THE EMPLOYER

“They were all required to complete a task.”
“Did they realize who was their employer?”
“They all were tall enough to make the team.”
“This is an industry team.”
“Who are we working for?”
“We are both looking at different ideas of INSTANT PLEASURE.”
“There is a theme song.”
“Ginny, you can sing it. It will be the break in your career.”
“These characters already have offers.”
“Is that all?”
“I can fill out an offer sheet.”
“That is the clean part.”
“I don’t even know what they look like.”
“They are all athletes.”
“You eat so well.”
“Is that all that I have to do?”
“This is not about lying.”
“You cannot blame these guys.”
“They are not as bad as they seem.”
“You need to run a race.”
“I cannot keep up with this guy.”
“He will not do this to me again.”
“This is a private event.”
“How can you make this happen?”
“What is your complaint?”
“What if you were Ginny?”
“That is not going to fulfill me.”
“This will not be successful.”
“Who is giving you words?”
“How are you trying to mess with my life?”
“Someone is still cleaning up your garbage.”
“You were voted off the island.”
“Is that how ancient society worked?”
“We need to go back to the beginning.”
“None of this is working.”
“We need to go back to the beginning.”
“This will go on forever.”
“This could be theological.”
“What do you want me to do?”
“What is the balance?”
“I need to see someone.”

“When does this end?”
“I finally know.”
“I can fix everything.”
“How is that possible?”
“That is too difficult.”
“Time to wake up.”
“There is something that I need to tell you.”
“Of course, you do.”
“Why was I not invited to the party?”
“Do you see what you are wearing?”
“You are not allowed here.”
“That is my favorite song.”
“Ginny, you are part of this.”
“It is a Friday night.”
“What is this even about?”
“We are misfits.”
“I do not want to be here.”
“What is that about?”
“You lied to me.”
“What kind of lie is there?”
“I need some help. I do not want it to go away.”
“No one has to see.”
“This is so good.”
“This can make you life right.”
“I can smell the garbage running through me.”
“You have nothing to worry about.”
“That is the nasty thing that I have ever tasted.”
“What is this really about?”
“A party that never ends.”
“I am glad that you are destroying my life.”
“I am going to make this exciting.”
“I am not a boss.”
“We don’t need a boss.”
“What have you been doing?”
“She stole my lover.”
“You need some intensive work.”
“That is hilarious.”
“It will turn out to be a disaster.”
“Do you want some assistance?”
“Ginny, I can do it for you.”
“This does not seem fair.”
“We are both a little lost.”
“This can be really fun.”

“How will this end up?”
“He is going to send Red Rover right over.”
“What is this really about?”
“Ginny, how is this upsetting the enjoyable things in our life?”
“I was sure that you knew what you were doing.”
“Do not let it touch the water.”
“Why are you so mean to me?”
“You need to demonstrate biological imperatives.”
“I need someone to take a peek.”
“I am going to make it happen.”
“What is going on out there?”
“This is the end of society.”
“I am trying to make conversation.”
“We do not have what is needed for life.”
“You need to enter through the front door.”
“Make your move.”
“Take breath.”
“Learn about what you need.”
“No one is laughing.”
“This is a special kind of game.”
“The sun is going down.”
“We will see each other again.”
“That could be my love.”
“Ginny, you are full of desire.”
“Why are you interrupting?”
“This is my time.”
“What made you such a tough guy?”
“I am going to call the authorities.”
“What is the object?”
“What is the objection?”
“You are really an artist.”
“I am going under.”
“What do you do with you time?”
“This is not what I am about.”
“I feel flattered.”
“We are collaborating.”
“What is the objection?”
“We did everything that we needed to do.”
“We are not repeating any of this.”
“Tell me when you kiss me.”
“Ginny, what is the secret here?”
“Wow, this is you.”
“Wake me up!”

“Wow!”
“My life is nothing.”
“Knock, knock.”
“Are you wearing a bunny costume?”
“How does that improve our lives?”
“He needs to act quickly.”
“This is the last day of the rest of life.”
“Is this your job?”
“How does that work?”
“So you are the bosses.”
“Who does the work?”
“I cannot get ahead.”
“This was a bad day.”
“Do not get too close.”
“We are already so close.”
“You seem sickly.”
“You can walk off.”
“Can we hug?”
“Are we working together?”
“I put things in plastic bags.”
“Do you have enough bags?”
“Are we destroying thing?”
“None of that works.”
“That is hideous.”
“I need to get out of here.”
“I am not good at this.”
“Who are you guys?”
“That is going to be detrimental to our health.”
“I want to feel as if the universe cares for me.”
“I know no more in the morning, and I feel a little sick.”
“Who are depending on?”
“Your friend is having fun?”
“He is with a fun person.”
“Ginny wants to be fun.”
“You are going down.”
“My friend is getting wild.”
“Why are you so hopeless.”
“Why doesn’t life give us a better playbook?”
“This is supposed to go on forever.”
“We need to dial up an alternative reality.”
“How did that happen?”
“They stole your everything.”
“This was so much fun.”

“How did this become so insane?”
“Take one of these.”
“They are working together.”
“I want something more. I want something to give my life more meaning.”
“What did you do?”
“That is unreal.”
“There has to be an alternative.”
“The monsters got it all.”
“How did we mess up?”
“Drink one of these.”
“We are going nowhere.”
“Let us go home.”
“We are deprived.”
“We will complete the show.”
“It is time.”
“We discovered your identity.”
“We are doing fine.”
“I have some more clothes.”
“They stole our things.”
“Let us complete this now.”
“That does not work for either of us.”
“That makes no sense at all.”
“That is going to destroy your life.”
“We have been doing a good job.”
“We are on track.”
“There is only one more thing to do.”
“They are going to cut out our insides.”
“I smell ketchup.”
“Why would anyone eat a ketchup Popsicle?”
“That is not even possible.”
“We need a redo.”
“Let me play.”
“This is going off the rails.”
“Jump up and down.”
“You are completely wrong.”
“A-B-C-D!”
“This is a game.”
“Ginny, you are a wonderful person.”
“I could have done this.”
“There is a reward.”
“You guys are wonderful.”
“I love you.”
“Guard what you have.”

“What is going on tomorrow?”
“We are going to court.”
“Ginny is going to court.”
“There is a way out.”
“We need to do voices.”
“You guys are amateurs.”
“We can do voice overs.”
“This can be a cartoon.”
“I am sorry that I messed it up.”
“Let this go!”
“Comfort will not do it.”
“I cannot be comfortable.”
“This is never going to be something.”
“Leave this shit behind.”
“I am going to get so sick.”
“You have destroyed whatever good was left behind.”
“Have another.”
“There is something inside.”
“There has to be a solution.”
“This is so funny.”
“I ran away.”
“What is this really about?”
“The winner.”
“He is the entertainment.”
“You are the entertainment.”
“I am creating the world.”
“Who is he chasing down?”
“I cannot look at you anymore.”
“Who are we looking at?”
“How did you get this job?”
“Tell me how much you want it?”
“I have been destroyed.”
“You were supposed to do your part.”
“You were once something fantastic.”
“You have everything that I want.”
“You need to make him pass out.”
“Is that a plot?”
“Where do that start?”
“You used to be a trusted person.”
“Who are you?”
“I cannot even figure it out.”
“It has to play out in my head.”
“It is playing out.”

“This is fantastic.”
“This will work.”
“This has made my life.”
“He is going to come after us.”
“That will not happen.”
“There is no alternative.”
“You slept through it.”
“I will rescue you.”
“I am with you.”
“I had a life plan.”
“Ginny was distracted.”
“Someone needs to make this happen.”
“The fun is only beginning.”
“We are giving too much of ourselves to work.”
“Wow!”
“What are you made of?”
“He passed out.”
“No one can do that.”
“Ginny, what do you want him to reveal.”
“I am everything.”
“This did not last!”
“Join in.”
“Do you realize that you have a problem?”
“This is an alternative Ginny.”
“All that I have is the now.”
“Let us finalize.”
“I am going to melt in the ocean.”
“Ginny, bring me to life.”
“How do I do that?”
“I am all the now.”
“And there is nothing else.”
“We are all special.”
“This is all risk and all reward all at once.”
“How does that work?”
“Do not quit.”
“Let the moment touch you all over.”
“I am Ginny. I am back to this.”
“Ginny, you are finding liberation in love.”
“Are you trying to break us up?”
“Are you trying to break me up?”
“This is really great stuff.”
“There is no way that we will ever be able to move.”
“That did not happen.”

“We are all together.”
“What happened last night?”
“You told me that you loved me.”
“I do not even know my own name.”
“You cannot leave.”
“You need to accept responsibility for your words.”
“Wait right there.”
“How can we do?”
“That is impossible.”
“We have everything that we need.”
“We can go over this day.”
“Ginny, Ginny, give me love.”
“There is no love in this story.”
“I am awake.”
“Someone needs to care.”
“She is the blessed one.”
“I love her hair.”
“They will all be there at one moment.”
“Who are the people looking at us?”
“We are back home.”
“You left him behind.”
“We are all left behind.”
“Read the rest of the announcement.”
“She found a reflection. She found a way out.”
“You brought me here.”
“There is more of us to go.”
“We cannot stop.”
“That is not what I wanted to see,”
“There was supposed to be more.”
“We slammed the door.”
“What is next?”
“We should have done this right.”
“I want to quit.”
“Are you a part of this?”
“Just be a little dynamo.”
“Why did I come back?”
“This is the best moment of my life.”
“She is coming close.”
“She dose not realize that I am calling.”
“I cannot do more than this.”
“You are staring back at your reflection.”
“You are my everything Ginny.”
“How does that work?”

“I have no idea.”
“You need to clean up.”
“This could be your magic day.”
“I am seeing it all from the inside and the outside.”
“I am taking back all the toys.”
“There is a place for profound liberation.”
“Slam the door.”
“Write it up.”
“Ginny, I need a recommendation.”
“This is not meant to be a solution.”
“Ginny says to live your life.”
“I am trying.”
“Why do I have to watch through this?”
“We are going to need an extra ten minutes.”
“What were you doing earlier in the day?”
“Take a picture.”
“This is the universe in reflection.”
“I need to explain the transformation.”
“We need objects to work together.”
“I understand the reflection.”
“What did I miss?”
“What was that?”
“This is too much.”
“My life should resume right now.”
“You always need something else.”
“What do we share?”
“Are you going to join up?”
“We are going there by car.”
“You need to speed this up?”
“It goes quicker when I am near the heat.”
“I am the heat.”
“The elastic broke.”
“There is no more love.”
“What are we sharing.”
“We are too early.”
“I only want one person who understands.”
“These are three different worlds.”
“How did that happen?”
“Stay on the phone.”
“I need you.”
“We need one more trip.”
“Give me your hand.”
“I have been waiting a long time.”

“This could mean something.”
“Something.”
“How can this honestly be the end?”
“We were promised a do over.”
“They will tell us to leave.”
“What gives you the speed?”
“What do you really want to say?”
“None of this has anything to do with me.”
“This is not good for you.”
“These are children. They can eat it all.”
“That does not do them good.”
“Keep us hanging on.”
“Ginny is fantastic.”
“Eat them all.”
“How did love reach this point?”
“I have a baby sitter.”
“You are an adult.”
“I cannot be on my own.”
“That is going to destroy my dental work.”
“I do not want to deal with the kid.”
“I am the kid.”
“How did I reach that point?”
“The kids cannot stop?”
“What is this place?”
“It is eternal sweetness.”
“What do you really care about?”
“I am the party clown.”
“This is super.”
“So tasty.”
“Can we keep the party going for a year?”
“How does that work?”
“I only want some cents.”
“That will not put us over the top.”
“I have dreams.”
“This is a hard shell.”
“Where have you been?”
“What are your expectations?”
“If you were here, you would already be ahead.”
“This is too rich.”
“Rub this over all your body.”
“That explains nothing.”
“We do not need interference.”
“I need to finish.”

“I do not want interference.”
“They had some bad days.”
“Whose family is this?”
“Ginny, what is bothering you.”
“Tell me about the family.”
“Keep going.”
“You need to volunteer.”
“Work is destroying me.”
“Pop the balloon.”
“I need someone to care for me.”
“I need to hide in the crawlspace.”
“Who are you?”
“Ginny, Ginny, Ginny!”
“What about the crust?”
“You never took a risk.”
“What risk should I have taken?”
“They destroyed you from youth.”
“That happened to so many of you.”
“This is only the beginning.”
“It is also the end.”
“Who will be in attendance?”
“Did they make something out of all the candy?”
“All the candy!”
“I have arrived.”
“I waited for you.”
