

**THE ADVISER**

“I want to enjoy this.”  
“What are you going to do to hold our life together?”  
“How am I surviving?”  
“You tell me.”  
“What do you call this?”  
“What is the exchange?”  
“I do not even like this guy.”  
“You need to work with him while you can.”  
“What is the trade off?”  
“You have been chosen.”  
“This has nothing to do with my job.”  
“Give me two pieces of the cake, and charge it to my account.”  
“We are going to be in two different places.”  
“Where should I start?”  
“Quit asking questions, and start making choices.”  
“This is what I have been hoping for.”  
“Who else is here?”  
“I cannot look.”  
“Do not look!”  
“He is getting too close.”  
“It could be worse.”  
“Where did you come from?”  
“I was in the car. Then I knocked at your door.”  
“I have already finished all the possibilities.”  
“I want an appointment.”  
“Are these actually your skills?”  
“This never works out like you expect.”  
“This is too much.”  
“Who are the friends?”  
“That is my tax accountant.”  
“Find me.”  
“How does that work?”  
“Do you want to play along?”  
“I thought that this was not going to be a problem.”  
“This is going to escalate.”  
“What is in this for you?”  
“This is impossible.”  
“I cannot join in.”  
“Who is dressing you?”  
“These are no longer my children.”  
“They never were.”

“This movie is becoming too complex for me.”  
“Why did you let me in there.”  
“The evil is all around.”  
“This is silly.”  
“That does not work for anyone.”  
“We are all going to throw away our money on this shit.”  
“Ginny, you need to marry this guy.”  
“He is not even looking at me.”  
“I need some supernatural intervention.”  
“People act as if they have extensive skills.”  
“I am so fucked up.”  
“I am going to do something that I do not want to do.”  
“The guys have shown up.”  
“Who showed up for me?”  
“What is your objection?”  
“That is my song.”  
“I can give it all to you.”  
“It is all pouring out of me.”  
“This is not pretty.”  
“This is early in the show.”  
“Sit down on my bed.”  
“What do you want, Ginny?”  
“Revelation.”  
“How does the body give you what the mind will not allow?”  
“I am going to flip inside out.”  
“This could be my future.”  
“Ginny, I can buy you a farm.”  
“What am I going to do on a farm?”  
“I am afraid to look at the screen.”  
“What do you call that?”  
“Can you share part of yourself?”  
“That seems unfair to me.”  
“What do you really want, Ginny?”  
“Something that tastes good.”  
“I got lost.”  
“That is impossible.”  
“They want my flesh.”  
“This is beyond.”  
“You are not very helpful.”  
“This is not going to work.”  
“I am drawing the line.”  
“What are you draining?”  
“I need to get home.”

“What do you call home?”  
“Are you kidding?”  
“We could share ourselves.”  
“You could have my house.”  
“I need more than that.”  
“We are getting too close to each other.”  
“My heart rate is going up.”  
“What is the exchange?”  
“That is perfect.”  
“You have made me love you.”  
“I am going to be better.”  
“I have a plan.”  
“The animals are talking to me.”  
“That is nothing new.”  
“What animals?”  
“You need to get out of yourself.”  
“I felt the damage.”  
“I can give you more for less.”  
“This is a fair exchange.”  
“I had no idea that this was going to end up like this.”  
“Who are all these people?”  
“Give me my space.”  
“Get out of my bed.”  
“That was part of the contract.”  
“You have violated the contract.”  
“You are going to get a refund.”  
“This is monstrous.”  
“Get over here now.”  
“I am not so tolerance.”  
“The tolerance is going to another place.”  
“There is no help.”  
“I have crossed over into another realm.”  
“Who are these people?”  
“Does the body allow such things?”  
“I want a divorce.”  
“I am not part of any of this.”  
“I am not laughing.”  
“How can we ever be real with each other after this?”  
“You gave them the license.”  
“Connect to my life.”  
“You told the world that you know.”  
“This is never going to be free,”  
“That is the end of this.”

“Cast them on the street.”  
 “There is a leader.”  
 “We feel guilty.”  
 “There is a guilty one.”  
 “What does the puppy say?”  
 “It is going to cost a little extra.”  
 “How does this feel?”  
 “We have new remedy.”  
 “They are trying to use candy to control my behavior.”  
 “This is not going to work.”  
 “How do we ever get clean?”  
 “When did this get started?”  
 “Who are you?”  
 “That is your ding dong nonsense.”  
 “NO!”  
 “I need to get out of this.”  
 “This is something perverse.”  
 “I want to go where someone understands me.”  
 “I have so many parts that I can make work.”  
 “Is this art?”  
 “I need more structure.”  
 “Tell me that you love me.”  
 “This guy is trying to own me.”  
 “He is talking about a partnership.”  
 “I am not looking for a boss.”  
 “What do you want?”  
 “This is total bull shit. You are telling us that we are free. But you are trying to control us in all these new ways.”  
 “That is so awful.”  
 “Who has the map?”  
 “The pleasure seekers.”  
 “Do you know how to have pleasure?”  
 “I do not know how to make myself happy.”  
 “This is so ridiculous.”  
 “I need to sleep my own sleep.”  
 “This was an interference.”  
 “Are you going to pay me to disrupt my life?”  
 “Are you pretending to be like this? Or are you really like this?”  
 “I need to take care of the baby.”  
 “Who is taking care of this?”  
 “Let me do a substitute.”  
 “What else is there?”  
 “That is not fair.”

“I give up.”  
“I cannot work like this.”  
“I knew that they were going to do this to me.”  
“Ginny, Ginny, Ginny.”  
“You make me disappear.”  
“I no longer like my life.”  
“How do people become like this?”  
“They give too much of themselves to someone else.”  
“I am calling all that back.”  
“There are two different organizing principles.”  
“Sit down, and be yourself.”  
“This is too much personal investment. I did not get much back.”  
“That is the summit.”  
“Then I got torn apart.”  
“You look so good.”  
“What do you eat?”  
“There really are people like this.”  
“You could take more chances.”  
“They all feel so free.”  
“They still have to work on Monday.”  
“Everyday. They will not let me be free.”  
“You lost my money.”  
“I can get it back.”  
“Confess.”  
“That is all that I want.”  
“He found her too.”  
“I know this. I cannot see how he knows.”  
“This is ridiculous.”  
“Why did you do it?”  
“I had a weird idea in my head.”  
“I know the whole show.”  
“Keep eating.”  
“That does not give me any answers.”  
“I feel so bad.”  
“What do you want to show mother?”  
“Nothing that she hasn’t seen.”  
“Are you looking at yourself?”  
“This is more than I can stomach.”  
“Ginny, what do you think?”  
“I am listening to you.”  
“I need to understand.”  
“You are seeming all creepy.”  
“What is your problem?”

“I do not need to listen to this.”  
“Who are you?”  
“I do not need another parent.”  
“He takes away all my energy.”  
“Get out.”  
“That is impossible.”  
“What are you doing?”  
“I am doing human chemistry.”  
“That sounds nasty.”  
“How do you want things to change?”  
“Who is going to watch the kids?”  
“What kind of money are you working for?”  
“That sound almost impossible.”  
“Is this what I am getting?”  
“I have skills.”  
“I know all about that?”  
“The ascent is coming.”  
“Someone is trying to control my chaos.”  
“How can I find myself?”  
“I do not want to exchange.”  
“That is too much giving.”  
“Why are you so critical?”  
“Ginny, you figure it out.”  
“What else can you do?”  
“I am on the verge of changing things.”  
“Do I have to enjoy this nonsense?”  
“What are the boundaries?”  
“How is that going to work?”  
“That is an extra performance.”  
“This will not work!”  
“You do not understand.”  
“Where is this headed?”  
“There are too many question.”  
“How does that work for me?”  
“Are you kidding?”  
“That is impossible.”  
“Where can anyone get this?”  
“Take me to court.”  
“You are pushing this on me.”  
“That is not fair.”  
“How does that happen?”  
“There is a visitor.”  
“I am not looking for this conversation.”

“What are the alternatives?”  
“Tell here to take the elevator.”  
“We do not have an elevator.”  
“We are flying.”  
“Let’s get a divorce.”  
“I was your imaginary lover.”  
“How does this happen?”  
“This is hardly fair.”  
“You need to work harder if I am going to work with you.”  
“We need more cash.”  
“This is not going to be fair.”  
“I am looking for a personal trainer.”  
“Do not scream at me! Never scream at me!”  
“I can take care of you.”  
“Do you think that I believe that shit?”  
“Where is the grand piano?”  
“How much does this place cost?”  
“We can make a deal.”  
“You are finished eating. Now, you can go.”  
“You are not unique.”  
“You’ve told me that before.”  
“Ginny, you are perfect.”  
“Perfect for what.”  
“Give me the spaghetti dish.”  
“I am hating this.”  
“I work at it.”  
“You must do this a lot.”  
“You are not very tolerant.”  
“How am I going to get the money?”  
“I am not looking for a comparison.”  
“How should I be?”  
“I have seen those gestures.”  
“What is this head gesture?”  
“I am not into your shit. I do not understand.”  
“We are all basic.”  
“Not really.”  
“I am having so much trouble hanging on.”  
“Take your shit, and try to take me to court.”  
“I love that stuff.”  
“This is the sweet day.”  
“She will fall for that shit.”  
“I want some poetry for tonight.”  
“This is a good place to end it.”

“Look at me! Love me.”  
“I am going to follow you. You understand.”  
“You are a weird person.”  
“Then you get to the other side.”  
“What did you get?”  
“I am so over this. Be a little more patient.”  
“You are telegraphing your bull shit.”  
“I am getting too close to something I will never understand.”  
“How can you talk about it?”  
“Was it that easy?”  
“This is where my life really exists.”  
“I like myself like this.”  
“Ginny, you need to be yourself.”  
“I do not even know who you are.”  
“And how is that going to work for you?”  
“I do not know you.”  
“I have no choice.”  
“I am way ahead.”  
“I was sure that we were working together.”  
“That looks delicious.”  
“Someone took time to prepare this.”  
“Just drink your own piss.”  
“He understands every moment of the revelation.”  
“Where is this going?”  
“That appears to be impossible.”  
“I can design it for you.”  
“Green is the color.”  
“We need to talk to you.”  
“No humor.”  
“I can make it all possible.”  
“How does that work?”  
“Who is paying?”  
“This is hideous.”  
“This is art.”  
“That is hardly true.”  
“Do not interfere.”  
“I am taking the children.”  
“This will not work.”  
“I cried and cried.”  
“This will not work.”  
“I am taking care of baby child.”  
“She is going to get candy.”  
“Toys and candy.”

“I did not want to see them.”  
“Are we really going?”  
“There is a place.”  
“Do not complain.”  
”Ginny, this is for you.”  
“What do you really do?”  
“I get in deep.”  
“How does this work?”  
“This is not a fair exchange.”  
“She is losing part of herself.”  
“You are strapped in.”  
“This is absolutely perverse.”  
“The body is free.”  
“I am the director.”  
“You are making me act in ways that seem contrary to my being.”  
“Ginny, this is for the art.”  
“I am not an artist.”  
“The world cannot be a work of art. This is a lack of understanding.”  
“What are you doing with this?”  
“There is money for all of us.”  
“She is moving faster.”  
“I know you.”  
“You need to see me now.”  
“I do not know which words go along with those gestures.”  
“Look, but do not touch.”  
“We are all being embarrassed.”  
“This is nonsense.”  
“This is more exploitation.”  
“This is more nonsense.”  
“They are praising the nonsense.”  
“We need to get Jenny back.”  
“Someone pushed me.”  
“This will look great in post.”  
“What did we do wrong?”  
“That is a little mean.”  
“We will all be reduced to our old lives.”  
“More shit.”  
“I cannot look at this.”  
“We are a team.”  
“I can save you.”  
“There will be sanity at the end.”  
“Get the shot.”  
“They are all involved.”

“There is not separate point of view.”  
“He is not wearing a safety belt.”  
“This is not working for me.”  
“What the hell is going on here?”  
“That is hideous.”  
“Do not stop.”  
“Call the fire department.”  
“Get dressed.”  
“How did that happen?”  
“He was playing a silly game.”  
“No one comes back from that?”  
“Do I get my money?”  
“He is looking at me.”  
“There is nothing for you in this.”  
“I am going back to the country where everything is simple.”  
“Are you a chicken or an egg?”  
“I work to live. I do not live to work.”  
“Crack the egg.”  
“I have escaped.”  
“Did you learn anything?”  
“This is only the beginning.”  
“Where will it end?”  
“There is not enough love to see you through this.”  
“I thought that you were going to clean up.”  
“I am all wet.”  
“I am tired of serving you people.”  
“How does that work?”  
“We can turn this into a product.”  
“You are my product.”  
“What is he actually offering?”  
“Character suggestions.”  
“Is that all that we get?”  
“I find this really boring.”  
“I can do that for you.”  
“That will not work for either of us”  
“It gives me what I need.”  
“What did they take from you?”  
“Is this someone that I want for myself?”  
“I cannot solve this.”  
“This does not make me happy.”  
“There are only a few players still part of the show.”  
“What is going on?”  
“I have no idea.”

“I never have an idea.”  
“There are alleys.”  
“This is a step to a step.”  
“What did you offer?”  
“Straight to video.”  
“That is no longer an option.”  
“You make your own rules.”  
“That will not work here.”  
“They took my money.”  
“I did not think that this would work.”  
“I went to a group meeting.”  
“Did it work?”  
“Scream at the screen.”  
“That is not going to work for me.”  
“How is that going to work?”  
“The walls have ears.”  
“That is not good for either of us.”  
“After that, where is your point of view.”  
“I spend my time watching you.”  
“We are going to remodel your room.”  
“That is not teaching me a thing.”  
“He must be brilliant.”  
“Can you pay for this?”  
“Turn around, and look at me.”  
“I do not want to be part of your story.”  
“What is missing from the show?”  
“Can I touch one?”  
“I need to touch them all.”  
“He is offering me an alternative.”  
“Come to my new place.”  
“They asked me to leave.”  
“It is not what we thought.”  
“We are closer than it seems.”  
“We all start in the same place.”
