

**THE IMPROMPTU**

“Has anyone told you that you are vain?”  
“This has to be wonderful.”  
“I have been waiting all my life to become part of the entanglement.”  
“I am just as boring.”  
“This is therapy.”  
“Give me a few more minutes!”  
“I feel as if all the life is being sucked out of me.”  
“Where did you learn this?”  
“I feel doomed.”  
“How long have you worked here?”  
“Only for little while.”  
“I could do this on my own.”  
“They are both closer to something.”  
“Interruption.”  
“Why are you always getting in the way of my life?”  
“You are taking my French fries.”  
“We are cutting close.”  
“She is closing the door.”  
“Who is doing this for me?”  
“Where did you start?”  
“Send pictures.”  
“Where did it start, and where did it end?”  
“I wish that you could be more articulate.”  
“I have professional needs.”  
“What does that come from?”  
“Take a few more minutes.”  
“Can I come along?”  
“What is the problem?”  
“What is always the problem?”  
“There is an alternative.”  
“I do not want all this confusion.”  
“I am way beyond this.”  
“You were very generous then I started to depend on your generosity”  
“Do I even care?”  
“What is this?”  
“I am not cooperating.”  
“Do you ever accept responsibility?”  
“That is not what I would call you.”  
“This is a complete waste of time. I thought that I would be a better reader”  
“Can I join in?”  
“I thought that I was part of the show”

“This is an exclusive connection”  
“Where is this headed?”  
“This is awkward”  
“Ginny, this is all awkward”  
“You are going to have to take to someone with authority”  
“You still have ethical responsibility”  
“To whom.”  
“There are too many things to think about”  
“We are going to have to resuscitate.”  
“You were someone fantastic.”  
“What did I miss?”  
“You can be Mr. Wonderful.”  
“What are you telling me, Ginny? I don’t know who I am”  
“Who has changed the accommodations?”  
“We need to start right here.”  
“This is where we begin.”  
“I cannot bother with this.”  
“You need to be on the same page as me”  
“I am on page one”  
“Ginny, this does not seem to be generating.”  
“This is for you.”  
“He is finished with you”  
“Where is this going to end up?”  
“I am good at my job.”  
“There are million of people, who are good at what they do.”  
“What kind of cake?”  
“Put some icing on this.”  
“I know her”  
“What is this about?”  
“There is another door.”  
“The body is making it for me.”  
“You are everything.”  
“You are such a loss.”  
“I am on a boat with him”  
“Get to him.”  
“Give him what he needs.”  
“I imagine that I am in the middle.”  
“How is that possible?”  
“Who is working with me?”  
“This is a team.”  
“What happened to my loveliness?”  
“Ginny, I assumed that I had it all.”  
“What is missing?”

“This will make you happy”  
“We are counting down.”  
“The dress says it all”  
“It is a jumper.”  
“What do you want to know?”  
“I could be in the middle of the both of you”  
“I could tell you what you need to know.”  
“We have a perfect understanding.”  
“You and I.”  
“I lost a bet.”  
“You could find a life.”  
“Do not persecute me.”  
“We all reach the end of our rope.”  
“Why don’t you take me anywhere?”  
“We are everywhere.”  
“This is not a story.”  
“What do you want to reveal”  
“This is the heart of a champion. Ginny, can you be a champion?”  
“I can be what you need me to be.”  
“Where did you get the money?”  
“He wanted me to star in my own movie.”  
“Where do we start?”  
“We see things differently.”  
“I see vanity and stupidity”  
“Let me relax.”  
“I came to visit”  
“Who is paying for this reality?”  
“She is.”  
“Where are we?”  
“I know this place.”  
“I am lucky!”  
“They insulted me.”  
“That is not going to work for any of us.”  
“Do you get money for this?”  
“You need to get in my house.”  
“I have too much sympathy.”  
“We need to keep moving ahead.”  
“Where does this end up?”  
“This is going to crash.”  
“CRASH!”  
“Home.”  
“We live in different places.”  
“I have arrived.”

“These are a series of snapshots.”  
“What do you see?”  
“Ginny, what do you want me to notice?”  
“I am looking at you”  
“This is fantastic.”  
“This could be my life.”  
“Touch all external points.”  
“The bases.”  
“Do not abandon.”  
“Someone needs to talk to you.”  
“The Director”  
“What are you directing?”  
“This is too much love in one location.”  
“None of them understand.”  
“You are too mean”  
“Who is coming your way?”  
“That is too much fashion in one place”  
“Ginny, what do you want to show me.”  
“I am never hungry.”  
“I cannot be satisfied.”  
“None of that will work.”  
“We both need to let go.”  
“How do you keep smiling through the sorrow”  
“This place is becoming a mess.”  
“Find me a clean place.”  
“Where are you headed?”  
“I am melting.”  
“I want you to turn me on.”  
“I don’t know how to turn off”  
“I am trying to find her in a different place.”  
“Where does this go?”  
“I love the costume.”  
“Some people love the pure physical connection.”  
“How can I change it?”  
“What is the alternative?”  
“Here is the script.”  
“Does not work.”  
“The caring option.”  
“They have eaten.”  
“There are a few minutes left to equalize everything.”  
“All is in place.”  
“You need to get to work.”  
“I do not need to see this.”

“What is the alternative?”  
“You can get all this for free.”  
“This is the inside of all of us.”  
“Too much for anyone.”  
“She does not like this.”  
“Ginny, how can we make it work.”  
“You need to stop. You need to let go.”  
“I want advice.”  
“Do you ever reach that level of consciousness?”  
“I am there.”  
“This is wonderful.”  
“We are moving.”  
“Get in the car. We are going for a trip.”  
“How can you get the cake and eat it too?”  
“I wish that the rest of my life would be just as much fun.”  
“We are doing an x-ray”  
“I feel incomplete.”  
“Eat different breakfast cereal.”  
“You need to change it.”  
“What is the alternative?”  
“What do you want me to do to improve?”  
“The licorice messed with the system?”  
“I am looking for a better way of doing the daytime.”  
“We all make mistakes.”  
“There is time in between”  
“Change it all!”  
“What is the choice?”  
“Change for someone else.”  
“This is a fair exchange,”  
“Take a few minutes.”  
“Take charge.”  
“I ma charged.”  
“I have become part of another story.”  
“I want you to answer for this.”  
“There is only one choice.”  
“That hurts.”  
“Someone is interrupting my happiness.”  
“You are being mean to me.”  
“I do not need your intercession.”  
“That is the only thing that is going to work.”  
“I have made a decision.”  
“I needed to turn in my chips”  
“How did that work?”

“There are always new currencies.”  
“Which one are you using?”  
“Good faith.”  
“Learn to love what you have.”  
“How could I not?”  
“You are still a good body.”  
“Where does this come from?”  
“I have a mess on my hands.”  
“I am being watched.”  
“What do I get?”  
“That did me in.”  
“Come back.”  
“I am relating to the world as a whole.”  
“Am I just watching this?”  
“Are you ever?”  
“There is so much combustion here.”  
“You are only at the beginning.”  
“I am not sure what to start.”  
“Why should I even bother playing along?”  
“We are investors.”  
“Ginny, are you keeping track?”  
“There are all the best things that I love.”  
“How does that work?”  
“This is so unreal.”  
“Who is running this?”  
“That is valued at way more than it is worth.”  
“We will all play together.”  
“You have already gone down that road.”  
“I need a SUMMARY”  
“Who are you asking, Ginny?”  
“I need you to meet Ginny.”  
“Someone needs to bless me.”  
“How can I change this?”  
“I am not responsible.”  
“What do you want to ask me?”  
“There is only one goal.”  
“There are so many options.”  
“This will be fantastic.”  
“I am being ripped in two”  
“I do not want to go in the house.”  
“You are better than a doctor.”  
“Give me a little more.”  
“How does that give you control?”

“I do not have an option”  
“Join me for dessert.”  
“What is left?”  
“Give yourself to the universe.”  
“I am at cross-purposes.”  
“What gives him that right?”  
“I have given you all my life. What do you want from me now?”  
“He is a helper.”  
“They will do some work.”  
“There is no alternative.”  
“The cookie is worse than the doughnut.”  
“Do not abandon me!”  
“You got what you wanted.”  
“I know that you are a creep.”  
“I will not do it again.”  
“We all make mistakes.”  
“He is not helping you.”  
“What am I supposed to do?”  
“Ginny, what do you want to be told.”  
“Who would tell you?”  
“This does not cause healing.”  
“Is that the seesaw existence?”  
“It sucked all the love from me.”  
“That is a spicy cake.”  
“I want a piece”  
“I cannot be everywhere.”  
“Reality rescues us from our silly fantasies.”  
“I love your hair color.”  
“Where does this end up?”  
“You are on the spot.”  
“You so boring”  
“You want everything for yourself.”  
“That is not a milestone.”  
“Where do we end up?”  
“Everyone tolerates this guy”  
“Ginny, is this everything that you want?”  
“Is everyone happy?”  
“I just want to be happy for once.”  
“I am going to quit my job.”  
“Amusement is a risk.”  
“This is going to be fun.”  
“Where is this going?”  
“Rescue me!”

“I cannot answer for you.”  
“Why would you give yourself to someone like this?”  
“This is part of my character”  
“That was excellent.”  
“Take him off my hands.”  
“Make this easy.”  
“Do not look back.”  
“You will find an alternative.”  
“I can transform you.”  
“Give the book.”  
“Who is coming through the door?”  
“Is he practiced?”  
“We are going to set you free?”  
“Who was controlling me?”  
“We are back at stereo one.”  
“How does that work?”  
“How does that not work?”  
“What do you believe?”  
“I thought that you were going to offer me something.”  
“A lasting spiritual connection.”  
“A lasting physical sensation that implies something more.”  
“That is only an impression.”  
“I don’t know who that is and why she is calling me.”  
“My head is a million different places.”  
“You are taking advantage of your silliness.”  
“You want me to be wise.”  
“I have other places that I can go.”  
“We can everywhere together.”  
“You didn’t answer the phone. Are you still in love with me?”  
“I don’t want to be hideous.”  
“Where am I going to go?”  
“You are destroying me?”  
“Are you kidding?”  
“That is how it works out.”  
“I am striking out.”  
“This is getting into my soul.”  
“Can we be friends?”  
“I am watching them.”  
“That isn’t going anywhere.”  
“How long are we going to be here?”  
“Do you miss me?”  
“Are you on the street?”  
“I was sure that this was your favorite.”

“I am exploding.”  
“We can still hang out.”  
“Can you make this any better?”  
“That is one thing that we all know.”  
“What do you care about?”  
“This will make you better.”  
“Will not work.”  
“I saw your picture.”  
“I have a few questions.”  
“I love your poetry.”  
“I got a new teddy bear.”  
“How does that work?”  
“I wish that was my dream too.”  
“It could be”  
“You hurt me. I cannot get over it.”  
“Let is forget about all that.”  
“Lives are not like that.”  
“I would have welcomed a new friend.”  
“It is all leaving me.”  
“What did I just eat?”  
“No problem.”  
“Who waits until the end?”  
“The end.”  
“I want to pay for the inexpensive version.”  
“You cannot leave me”  
“Reverse psychology.”  
“This is not what I expected.”  
“Everyone is so in control.”  
“We are going to need to take something to forget about this.”  
“A big celebration.”  
“Be kind!”  
“What is your interest?”  
“I would have some salt caramel.”  
“I would listen to your answer.”  
“Stay with the fish dish.”  
“That is not going to work for either of us.”  
“Do you mind if I interrupt?”  
“Why are you staring at your plate?”  
“Where will this end up?”  
“You can feed me.”  
“Who is the feeder?”  
“Is there a way inside?”  
“What do you do?”

“I am becoming intensely bored.”  
“That seems like nonsense.”  
“I know that will work.”  
“You are freaking me.”  
“How is that possible?”  
“Different gestures would work in different ways”  
“Whatever that works.”  
“Use more words.”  
“I am moving towards the end of the world.”  
“Stop now!”  
“That is a great balance.”  
“Where do I go from here?”  
“The sickness is coming upon me.”  
“Will that take care of the emptiness?”  
“I did not even see this.”  
“Are you kidding me?”  
“This is going to end up in a cataclysm.”  
“Take a breath.”  
“You need to move a little faster.”  
“This is all your fault.”  
“It was my fault.”  
“I was saving. Then I spent it all.”  
“That is a little perverse.”  
“What do you want to tell me?”  
“You need to back off.”  
“What just happened?”  
“What kind of mistake did I make?”  
“I could do that by myself.”  
“I got a special vision.”  
“How does the body allow this?”  
“This is an impossible connection.”  
“I do not want to stop”  
“Shira, this is too much.”  
“I cannot explain it.”  
“This is more than reality.”  
“I am not allowed to play this way.”  
“The machine shut down.”  
“You went somewhere that you shouldn’t have”  
“I had no idea it would be like this.”  
“I gave you what you needed.”  
“You are becoming a bad person.”  
“Ginny, are you over me.?”  
“Who is Ginny over?”

“You are a monster.”  
“Ginny, forgive me.”  
“You just curled back into yourself.”  
“I need an advertising.”  
“Someone is out to hurt me.”  
“You are very impactful.”  
“I am going to get destroyed”  
“I am going to laugh.”  
“How is that?”  
“Sorry that I took so long to get back.”  
“What did I do wrong?”  
“I didn’t hurt myself.”  
“I need to balance it all out.”  
“I can’t get even.”  
“Who are you?”  
“Someone who can explain a little better.”  
“You made a discovery”  
“I have been thinking about it.”  
“You went all weird on me.”  
“Did you come her to hurt me?”  
“This is worse than can be imagined.”  
“How is that?”  
“Do not throw me around”  
“What is the problem here?”  
“What did I do wrong?”  
“What is the suggestion?”  
“Let us have some truth.”  
“We could do this in public.”  
“How did I make a mistake?”  
“I needed to learn how to save.”
