

HEART HELP

“I gave too much of my heart”
“There was a method.”
“I could confess.”
“It bursts all through the body.”
“That is not a body.”
“That never works.”
“I brought you a gift.”
“Who said that you could come here?”
“I needed to see you.”
“You who?”
“Where are you?”
“I am being spied on.”
“Do you think that there is a place for us?”
“I am beyond that.”
“Do you want to give with your heart?”
“I do not have enough to give.”
“I have a job to do”
“Are you spying on me?”
“You brought me flowers”
“Someone brought them.”
“Where is that headed?”
“You seem to lack something.”
“I cannot give you everything.”
“There are no opportunities.”
“We could start again.”
“We both have taste.”
“We could just stop.”
“What is on the inside?”
“That never works.”
“You are good at forgiving.”
“I guess that you’ll forgive me again.”
“I cannot solve this.”
“Where does this go?”
“You need to pay for this.”
“I know what this is all about.”
“None of this ever works for me.”
“I shouldn’t have come.”
“There are so many places to lose yourself in the city”
“Are we working together?”
“I was going to come around.”
“I am so sorry. I need some time to get over all the shit in my life.”

“I want someone to care.”
“Who will ever care.”
“I am looking for product.”
“Let me help out with all this shit.”
“Where do find these characters?”
“I lost your number.”
“Where have you been?”
“How have you been trying to change things?”
“I will be right over.”
“I need to give you something.”
“You cannot come into my life.”
“Who is this guy?”
“I do not have the energy.”
“That does not work.”
“I needed to get away from you.”
“Who are you?”
“You cannot make things right.”
“That is all good. But I have a better life now.”
“Who are you talking to?”
“I closed the book.”
“It has only been a week.”
“The butter melted.”
“I want to lying to end.”
“That can work.”
“This is hideous”
“I need to eat.”
“Do not listen to him. There has to be more than nostalgia.”
“There are flowers.”
“There has to be more than flowers.”
“I guess that you are having fun.”
“That is how it has to be for you.”
“There are not a lot of options.”
“I do not know where to put these emotions.”
“People are looking.”
“What do they see?”
“Don’t you have something else.”
“I am going to plant a garden.”
“Plant without me.”
“I will.”
“I am going to run off.”
“With whom.”
“It is not like that.”
“We are not getting any better with each other.”

“What else can I say? There is that part of me that I hide from myself to protect it from you. But I end up hiding it from myself.”

“What was that?”

“That is a little nasty.”

“Get it done!”

“What is the goal?”

“We go our separate ways.”

“We think about our emotions.”

“You have been processed.”

“The camera has been turned on.”

“I cannot deal with another day with you.”

“Without you.”

“Who is watching.”

“This could provide an alternative.”

“I am so sorry.”

“This was supposed to be private.”

“It never was.”

“Come up for air!”

“You are such a creep”

“Who are you?”

“I want to be everywhere.”

“I do not want to leave.”

“Who is this guy?”

“What do you want from me?”

“I left my phone beneath my friend’s bed.”

“I can pick it up for you.”

“Of course, you can. You can do a lot of things for me.”

“Where does my satisfaction start?”

“We are going to make a deal”

“I think that this needs to work more efficiently.”

“You need to know that you are wonderful.”

“I am working on that.”

“This is going to be important for you.”

“Ding-a-ling!”

“Is this a holiday?”

“I get a reward today”

“I think that I have found a great love.”

“Continue telling yourself that.”

“I am.”

“What do you have inside? What is better for either of us?”

“How can I know?”

“Is that glass?”

“That is plastic.”

“That is flesh”
“Why are you trying to interrupt?”
“I need to be somewhere.”
“I made a offer.”
“Where is that headed?”
“A lot is about to change.”
“It is in the brain. The genetic milk shake.”
“I need to get out of here. As long as it works for the both of us”
“The world cannot match your expectations.”
“What do you want?”
“Give me a little more time”
“I feel great.”
“You are in the middle of something.”
“You are the middle of something.”
“I need a better connection.”
“Everyone understands that.”
“I need to inform you.”
“Whatever you say.”
“What is really bothering you?”
“You are so mean to me”
“How does that change anything?”
“It does.”
“This was eye-opening.”
“Why are you still here?”
“Put everything back the away that you found it.”
“Someone takes all the juice.”
“You say something, and you give me time to think about it.”
“What are you thinking about?”
“Nothing that you would understand.”
“How did he get inside?”
“He needs to go to the hospital.”
“It feels so much worse?”
“It was worse.”
“Who is he?”
“The stranger.”
“I did not ask him in.”
“I am in many different spaces.”
“He just went a thousand places on me”
“I need to separate myself from these forces.”
“This is the final move.”
“You are balancing all the dimensions”
“All the dementia.”
“I will finally escape from your gravity.”

“How does that work?”
“I will get dragged in the water.”
“I want what you have.”
“That is taking away from what I need.”
“What I need for now.”
“I want to be part of the perfect now.”
“He is coming up to see me.”
“Is this collateral, or is this liability?”
“Who said that now?”
“He is trying to explain too much, and he does not have much to explain it with.”
“I despise the guy.”
“I was sure that we were much further along.”
“It is still raining.”
“Can you explain it?”
“This is going to be more than a little unusual.”
“How does this work?”
“I wanted to complete myself.”
“Why are you bothering me?”
“I know who you are.”
“You used to be some kind of doctor.”
“He lost his license.”
“Make it work in any old way.”
“How is that?”
“I do not want you to be part of this”
“Clear it up.”
“How do I do that?”
“That will make things better.”
“She was waiting right there.”
“No one was waiting there.”
“All doors are closed.”
“I wanted to teach you.”
“You don’t need words.”
“These people have all been abandoned by time.”
“How is that?”
“Go through the list!”
“Are you done?”
“What constitutes an apology?”
“Do you have to give back what you gained?”
“Who dispenses justice?”
“What did I do wrong this time?”
“I am watching you all the time.”
“We are watching each other.”
“That is not going to work for much of anything.”

“I have developed my personality.”
“What do you need to tell me?”
“This is going to take a long time.”
“Did she get back what she lost?”
“Ginny, are you willing to risk that much of yourself?”
“That is cold.”
“I am a good guy.”
“Who is your good guy, Ginny?”
“There are too many questions and no clear answers.”
“You have found a wonderful person.”
“The world is smooth.”
“Everyone loves her.”
“That is how works in such mysterious ways.”
“What is coming afterwards?”
“There are always new possibilities.”
“Where is this headed?”
“I have always wanted you.”
“I was sure that we were much further along.”
“We can’t be any further along.”
“So be it.”
“Love is like a greeting card. You open it, and the rest of your life is a romance novel.”
“There are ups and downs.”
“I am trading.”
“Cannot be better.”
“I only want to sleep.”
“Is this a job?”
“I cannot be that carefree.”
“How did you get that name?”
“Have you been window shopping?”
“Here are you meal tickets”
“Welcome to the blur”
“Here is the project”
“Clean the floors.”
“I have arrived.”
“Get her to sign the contract.”
“Have I been here before?”
“Yes, but under better circumstances.”
“I can give you everything that you need.”
“AND I CAN TAKE IT AWAY!”
“What do you have there?”
“I am in a different place.”
“Give me back my soul.”
“This is called hope.”

“I bring it back to you.”
“Eat a cookie.”
“Give me my hot chocolate.”
“There is an inside and an outside of the soul.”
“I am watching you.”
“What do you want to know?”
“How that hurts.”
“That is the pain of hell.”
“I will be raised from the dead.”
“Who will save me?”
“There is no way to come back.”
“This is hideous?”
“There is extra life.”
“You are going to make me get sick.”
“You will be hear soon.”
“That is sad.”
“Do not stop me.”
“There are rules.”
“Swallow this.”
“This will not help.”
“How did I get to this place?”
“Do you mind if I stare?”
“I am shaking.”
“This is a turn on.”
“I am not sure what I should think.”
“Ginny, what should I think about.”
“What does baby do in the morning?”
“I am scared of myself.”
“This will lead to self-manifestation.”
“What is that about?”
“That is going to fall apart.”
“I have a different version of manifestation.”
“What bird is that?”
“They did not sew me together right.”
“This will make you feel like a million.”
“Has she found her dinner companion?”
“These are twp versions of the same sacrifice.”
“Who is here?”
“Your visitor.”
“I was visited.”
“I fell apart.”
“What do you do when the world is not staring?”
“I am not part of this world.”

“I have lost my power.”
“What do you do?”
“Who are you praying to?”
“You do not need any protection.”
“Have a chicken wing?”
“You can be saved.”
“I cannot even ask.”
“I will feel better in the morning.”
“Do you have a few moments.”
“This is impossible.”
“Can I play along?”
“They have left the world.”
“Who is left.”
“Everyone has made a promise.”
“This is a goal for something else.”
“What did I hear?”
“I am not leaving as long as I am on to something more important.”
“I need to add up all the partial counts.”
“What do you need?”
“What is the final stage?”
“What is your last name?”
“Are you trying to figure out my numbers.”
“Let me go.”
“I never want to get off.”
“This is beautiful.”
“I want to win.”
“Where will this end?”
“Do not mess it for the both of us.”
“There are alternatives.”
“Push it over.”
“We all do it the same.”
“Will E. Last wants one more chance.”
“Are you crying inside?”
“That happens all the time.”
“I am dying.”
“This is the last day of my life.”
“We will raise you from the dead.”
“What do I need.”
“Where does it itch?”
“Where am I headed?”
“I am not looking for lies.”
“Glass breaks.”
“I love it all.”

“Where does this end?”
“In a junkyard.”
“Keep the songs going.”
“I got inside.”
“Can I see your identification?”
“I am writing the story.”
“I come with reflections.”
“Ginny, come rescue me.”
“I need a stretcher.”
“This is terrible.”
“No one can down that much tequila and live.”
“Where am I now?”
“Come along to the Promised Land.”
“Are you a junkie?”
“There is jam everywhere.”
“What am I becoming?”
“No one can stop me from going this far.”
“Stigmata.”
“The threads are not holding together.”
“I am here to stop this.”
“I want some more.”
“Those are sugar pills.”
“You are my angel.”
“I know everything about you.”
“You need to bring me to the ends of the earth.”
“Cross over the bridge.”
“What do you have?”
“The itching will not stop.”
“You need to keep on.”
“Why does everyone have too much sweetness?”
“Ginny, I am done.”
“What is this about?”
“Hold me up.”
“You cannot mess with me.”
“They are in a pack.”
“Everyone goes along.”
“One touch good, two touches bad.”
“I went off the deep end.”
“We all do it.”
“He didn’t thread the needle.”
“You have a hero.”
“How does that work?”
“Where do I exist?”

“Does this hurt?”
“Hurting is part of growth.”
“Where does this end?”
“This does not end.”
“Who is watching my purse?”
“This is not some kind of paradise.”
“I feel sick?”
“This is a real world thing.”
“Why is that shit working?”
“Thank the teacher.”
“Do not touch my body.”
“Where is the soul handle.”
“This does not help anyone.”
“That does not offer a solution.”
“Who is helping me?”
“Who is taking me to the mountain?”
“Do not look down.”
“The season is changing.”
“You had a costume change.”
“Did the deed.”
“Turn the lights on and off.”
“What are you afraid of?”
“I thought that you were going to give me a breath mint.”
“I have waited all my life for this.”
“I cleaned this for you”
“It takes time to love.”
“How did it end up?”
“Tell me more.”
“It takes time.”
“I need to find the way to make you connect to the spiritual relaxation.”
“What do you want?”
“It takes time.”
“There is a song.”
“What is the song?”
“I am falling apart.”
“This is what I need.”
“This is what I have always needed.”
“Where is the lemon pudding?”
“What do you have for the people?”
“This should have lasted all night long.”
“Bingo!”
“No one else can share.”
“You seem to be so much more than you are.”

“It is always like that.”
“I need more of the pills.”
“I need more of the spills.”
“Hello, can you hook me up?”
“Why did you come back?”
“I had no choice.”
“Ha ha ha!”
“Here is you money.”
“How was it?”
“You had another costume change.”
“I had enough for four nights.”
“What do you want to see?”
“I need to see the inside.”
“I need a little less.”
“I need a little more.”
“This is the last ride”
“This is the last roast.”
“I got punished.”
“All of it is fake.”
“She is waiting in line.”
“Here is your plate of cauliflower.”
“What did you do with your time?”
“That is pretty weird.”
“Keep on.”
“This is shame.”
