

SHOWING OFF

“This is still a little upsetting.”
“You keep pushing things.”
“There are those who want to watch.”
“They see their participation as a matter of time.”
“I got everything that I wanted.”
“I am glad that you reappeared.”
“Am I good enough?”
“We are all good enough.”
“This is one of those who is prepared.”
“Do not look at this.”
“You are revealing something that is better left hidden.”
“There is a remedy.”
“What is still in there?”
“These are various levels of sickness.”
“The recovery is making me feel worse.”
“There is no getting any closer.”
“Do not turn the switch?”
“Who is making this work?”
“I am still wearing my clothes from yesterday.”
“What is going to get you moving?”
“I need to resolve this.”
“She made every decision right.”
“There is not sufficient reward.”
“I am going to get out of here.”
“What is in the glass?”
“More interruption.”
“Her shoes match his.”
“There is no way to get out of this.”
“Do you believe?”
“In a dangerous freaky kind of way.”
“You need to make the move.”
“I am controlling the mess.”
“How does that work?”
“Keep it on track.”
“There is only one point of entry.”
“You have to give a little more if you want to get.”
“I don’t care who you are. Do me right.”
“The equations will not work out.”
“The children are watching.”
“Fade to black.”
“Mother is telling you what to do.”

“She went to the bathroom.”
“He has completely given in to temptation. He is unwilling to fight for anything more.”
“She is giving us everything that we need.”
“She has found a way to make it out.”
“You need to spend some more money.”
“That is not nearly enough.”
“There is going to be a controversy.”
“I took my medicine. And it make me act weird.”
“You need to quit this.”
“The inorganic is becoming organic.”
“You were a bad girl.”
“You are going to need some resources.”
“We are playing a game.”
“I will take care of you.”
“Is that what you want?”
“You are getting as boring as fuck. I feel as if we are learning nothing.”
“This is a special night.”
“Keep writing.”
“He is coming back.”
“Where did he go?”
“Do things look better at home?”
“He recovered?”
“Do we share enough words to take care of all these problem?”
“I do not have the same panorama.”
“Someone could tell you that you fantastic.”
“I glad that you did not interrupt my view.”
“We are all seeing the same thing.”
“This is the place where we all escape.”
“There are different ways out.”
“I only need to get to tomorrow.”
“There is nothing surprising in this show.”
“What is this thing.”
“This is our world/”
“I have no prospects.”
“Live in the now.”
“Make this our now.”
“That looks great.”
“Where do you want to go?”
“I am the rat in the house.”
“This is going to end badly.”
“The fiction is good enough for both of us.”
“One of us has to make the move.”
“The fiction does it for us all.”

“How is that?”
“This is a tracking shot.”
“I have bought what I need.”
“I have loads of gifts.”
“This day was coming.”
“He had got what he needs.”
“My back up has left me?”
“This is what you have that holds you together.”
“Nothing is found.”
“The money had my name on it.”
“Don’t break my heart as if it is glass.”
“Are you going to jump in and save me?”
“No one can do that?”
“Give me a hand.”
“I am gratified that you came.”
“It was a boligation.”
“She is obligated.”
“She is lighting up like a Christmas tree.”
“He turned on all the lights.”
“You better think about this.”
“This is so much shit for you.”
“You need to quit.”
“How can I?”
“I am clean.”
“I have a new job.”
“That is what you call happiness.”
“I can see the matches.”
“Do you have other opportunities?”
“I thought that I was getting what I needed.”
“You did. But she faded into a wisp.”
“That is good enough for the both of us.”
“Who was that?”
“Is that all that you have inside?”
“There was a time.”
“I faded into these images.”
“Keep smiling.”
“That is getting you fucked up every time.”
“There is too much self in this.”
“Someone really listens to your shit.”
“How does that work?”
“You are the only one who can keep my attention forever.”
“This is the kind of balance that you need..”
“Get me a drink.”

“You were all here.”
“I am going to pour it all down the drain.”
“I think that I see us together.”
“You are good at remembering the past.”
“Who did this montage?”
“It was what I was thinking about.”
“Do you want to watch sports?”
“I want to make up at sports.”
“Where did she go?”
“She went to the bathroom”
“She needed to rearrange herself.”
“He could have played this better.”
“He did not realize that he had competition.”
“He was courageous.”
“She got out on her own.”
“He was too expressive.”
“She is taking much longer than expected.”
“She will come back.”
“That is an appealing image.”
“Where have you been on me.”
“She offers him a million perspectives.”
“What are they revealing to each other?”
“So much of the now.”
“He failed.”
“He needed assistance.”
“He is the assistant.”
“Leave this life.”:
“I tried.”
“I keep coming back to the same thing.”
“Why are you willing to trade what you have for something that you can never have?”
“She is not coming back.”
“She is coming back to a lot of nothing.”
“He is a really daring time.”
“I need to get a final glimpse.”
“We both need to prepare ourselves for the obvious lull.”
“Are you crazy?”
“You continue this for me.”
“We do have enough time to finish.”
“This will take long enough for both of us.”
“Here is the deal. I give you what you want. Then you give me what I want. Then I take
back what I gave you.”
“That seems fair.”
“We will move this along.”

“We will have to be more convincing.”
“What do we both share?”
“We are going to race.”
“I raced the other day.”
“That was a challenge.”
“I gave in.”
“I gave up.”
“You are facing me.”
“Did you write it down?”
“You sound like forever poetry.”
“I cannot claim my rightful place in the scheme of things.”
“People look just as formidable.”
“I am being pointed in multiple directions.”
“You took a dive.”
“There has to be a better way out of this.”
“She is still taking up the rear.”
“I am a child.”
“I am going back to childhood.”
“It shows me my present in a whole different way.”
“I need to interact with some professionals.”
“Where is this going to end up?”
“At least, I can hear what is being said.”
“That is not going to do it for either of us.”
“I am your impediment to getting any further ahead.”
“I am condemned to eating pizza in my apartment.”
“Can you even pay the rent?”
“Do you have a method?”
“I can watch this in the car.”
“They know that I am here.”
“I am glad.”
“What do you have that I do not have.?”
“A push.”
“A nudge.”
“I have arrived.”
“We are waiting.”
“It is a children’s book.”
“It is a cook book.”
“That is not going to go anywhere.”
“I am sorry.”
“What is your future?”
“That is a beginning.”
“I love your style.”
“I owned the world.”

“Give it up!”
“There is another door.”
“That is hardly enough.”
“This does not balance.”
“I need to go somewhere and complete.”
“Let me tell you all about my life.”
“Who is writing this?”
“Chandelle has a vision.”
“Just say that you are sexy.”
“Invade his accounts.”
“What are you looking for?”
“The origin of the origins.”
“The curl of the universe.”
“I have the key.”
“He will never get to me.”
“They will not get to me.”
“You cannot take something that you never had.”
“That is her life.”
“At least, I can hear.”
“At least, it is me.”
“I want a classic life.”
“You cannot celebrate unless you have worked.”
“That hurts.”
“What do you want from me?”
“I was not looking for cash.”
“I was trying to explain a loss.”
“Her work is developing into something creative.”
“My emotions give me an in.”
“I miss you. You emotions can buy me time,”
“How does that work?”
“It is not going to work like that.”
“Let me sit across from you.”
“What can you get for me?”
“Give me a hug.”
“What do you have there?”
“If you went away, in a good way, you would be worth so much more.”
“This is worth another meal.”
“I can store up.”
“Are you trying to blackmail me?”
“What do I know.”
“There is a secret.”
“You need to taste the cake.”
“I want you to let part of myself trickle down.”

“And that is going to give you the benefit.”
“How does that work?”
“What are you doing with your life?”
“There must be some real genius here.”
“What can he do?”
“You are going to get too critical.”
“I need to pull off masks.”
“How did that happen?”
“I need to get inside the organization.”
“What do you need to tell me?”
“What is this worth?”
“He needs to impose his view of history.”
“His emotions.”
“What is this really about?”
“He is trying to overcome my interest.”
“She is so dramatic.”
“Is that really working?”
“I do not want to watch that.”
“That is better than best.”
“Make them interrupt you.”
“Make them end it for you.”
“That is what I want.”
“What is he giving you?”
“He makes me feel good about myself.”
“This is not affecting me.”
“What do you need to tell me.”
“This has already reached on past the point of no return.”
“Who is this cat?”
“A wild one.”
“A tiger.”
“How far have you gotten already?”
“I can open the file. I can see inside.”
“What does dadd want to know?”
“We can laugh.”
“I can catch up with you.”
“I need two steps to get out of here.”
“What have they been hiding from me?”
“He must have this down well.”
“He does it better than real.”
“You are screwing with me.”
“I have gas in the tank.”
“I am going to take it from the top.”
“She wants to go.”

“She wants a part.”
“This is more bizarre than you know.”
“I do not need boss mode.”
“Play boss mode.”
“What do you need to advise me?”
“I am searching.”
“She is becoming a beast.”
“Do not interfere.”
“What are your prospects?”
“I cannot say.”
“This is not about prospects.”
“I need to get deep inside.”
“There is a inside to the inside.”
“Someone has been hiding.”
“I am on.”
“The file is open.”
“This is called embezzlement.”
“This is pushing buttons.”
“I turned in the forms, and I got the credits.”
“This was not yours to take.”
“I need to leave.”
“You will be found out.”
“I need to discover the truth.”
“What is really going on?”
“I need eight minutes.”
“Every day is a new story.”
“Three thousand new stories.”
“How did you make it here?”
“I found a plane.”
“You do not have a ticket.”
“I am glad that you are such an important person.”
“You are going to get caught.”
“You still can’t do much.”
“I can find love.”
“How did that happen?”
“That is impossible!”
“There is another half to this.”
“I need to see this.”
“Give me a close up.”
“What makes you like this?”
“You are everything that I want.”
“He is an artist.”
“Are we going to work together?”

“Are you working with a snake?”
 “What is this about?”
 “This is some sneaky shit.”
 “Do you want to join all the lines?”
 “This is a lively exposition.”
 “You have gone off the rails.”
 “What is in it for me?”
 “Where can you make this work?”
 “Who is he working with?”
 “Are you kidding?”
 “They sent me.”
 “That is impossible.”
 “This will work.”
 “You need to be more active.”
 “You failed.”
 “Are you kidding?”
 “You are not really good at this.”
 “This is not as interesting as you think.”
 “I cannot stop.”
 “Quit interfering!”
 “Why are you saying that about me?”
 “Do not betray me?”
 “I do not need screaming in my ear.”
 “This is more than I can imagine.”
 “You have been tagged.”
 “This will not change anything in the world.”
 “This could not be more perfect.”
 “What is the future?”
 “Give it a couple of times.”
 “Is this the crisis?”
 “I am not sure if I want to accept life as it is given to me.”
 “The book contains some wonderful alternatives.”
 “None of that shit works for me.”
 “We were almost there.”
 “There is a spy in the house.”
 “This is not going to work.”
 “The spider is going to reveal everything.”
 “You are going to have to explain how I got here.”
 “There are a lot of things in our lives that have changed since we have last seen each other.”
 “You need to save.”
 “Language is becoming seductive.”
 “Why are you interfering?”

“I need to turn down the heat.”
“Where was this going?”
“This is not what you think. I have a problem.”
“What is your excuse?”
“I am trying to build a wall between me and my problems.”
“We don’t dance well together. Nothing else will work in the space.”
“We can offer deduceable romantic illusions.”
“What does this come down to?”
“Come to me.”
“There is not enough for us to share.”
“You are interfering with my happiness.”
“This is not working out well.”
“Work it out.”
“That is not as simple as it seems.”
“You are acting as if this all occurs in one room.”
“That is the faith house.”
“We are in the faith house.”
“We are faithless.”
“I am casting off a sheltered existence.”
“I am visiting.”
“We are going to invite you in.”
“Taste a cookie.”
“Taste the dough.”
“What is of essence?”
“I know where that is?”
“I can give you an apartment view.”
“That does not work like that.”
“I do not want to drown like this.”
“This cannot go anything for human kind.”
“Is this a cult?”
“What seems like an in.”
“You have a great haircut. You seem as if you unique.”
“Loveliness will not help.”
“She is a leader.”
“I cannot even catch up.”
“Where are we?”
“In a home for wayward frogs.”
“Hop, hop.”
“My genius has left me.”
“I need a single line.”
“The inside is going to be as important as the outside.”
“Show me a better part of yourself.”
“I can give you chemistry.”

“You need all the parts working together.”
“We do not work like that here.”
“His name is *fuck off and leave me alone.*”
“How did you get here?”
“I do not want that kind of fun.”
“You are letting go of the treasure.”
“That is impossible.”
“I am taking that apart.”
“I only want to have fun.”
“Is this a real investment? Is this real pain?”
“These are not real dollars.”
“You need to be honest.”
“We could just sleep out here.”
“Really!”
“Everything that she say is a lie.”
“You have robbed part of me already.”
“We have a little time to make this right.”
“You need to add hours to the hours.”
“Is that all that it takes?”
“I do not like this role.”
“There are others.”
“How did you get ready for this role.”
“I got a physical trainer.”
“How do you work it out?”
“I am going to feed you alcohol.”
“What do you want me to do?”
“What keeps you going?”
“This place does not cost that much.”
“You only have to play the role.”
“Make it distinctive.”
“You have many variations.”
“We need coverage.”
“What makes you good at doing this?”
“I give myself to nothing, and I get nothing back.”
“Who were you in the first exposition?”
“What did he have that no one else had?”
“You seem to be a little good at everything.”
“That is not enough good at what you need.”
“This is the weakness in the heart.”
“What caused the bruising?”
“What are you doing with your time?”
“This is a bad imitation.”
“You are too aggressive for me.”

“Where did you get the costume?”
“Where are you taking me?”
“Somewhere I can earn money off of doing nothing?”
“Have you worked on this?”
“I am this!”
“This is like everything else in my life.”
“How is that?”
“What are those cutting marks?”
“Am I supposed to love that?”
“We are cleaning up the mess that you left?”
“Are you controlling this?”
“You are going to need a little more?”
“You are not going to get the house back?”
“I could have negotiated.”
“You are so perfect at showing a little bit of nothing.”
“Do you have money on this?”
“I can stay until the end.”
“We can go to them, but they cannot get to us.”
“I can be even better at this.”
“Did you dress for this?”
“I am dressed for this.”
“There is a rehearsal.”
“I stop hearing what the world hears.”
“Where were you before this started?”
“I was gambling.”
“I was creating freedom with my body.”
“They took the pound of flesh.”
“And I looked so much better.”
“Where are we know?”
“I saved.”
“What is going on in there?”
“We can pretend?”
“That is not a very good version of sanctity.”
“Sanctity could make this her story.”
“We were everywhere.”
“The exaggeration.”
“How does that work?”
“Are you paying for this stuff?”
“Did you get flowers?”
“I have some flower for you.”
“That is all that we have to ask.”
“I am going to go to the end.”
“I couldn’t love this any better.”

“There is a rescue program.”
“I was the one who got left at work.”
“What are you chasing?”
“Who are you chasing?”
“I am going to make this solid.”
“Where does this happen?”
“It really matters little.”
“What else have you been doing?”
“Does any of this matter?”
“Do you want to leave? What will it take?”
“Where did that come from?”
“We barely know each other.”
“What did we get in exchange?”
“How can I keep you?”
“How can I really keep you?”
“I cannot be kept.”
“You could be a target.”
“Is this a real question?”
“This is the fun.”
“That does not matter.”
“No one can reach what I have.”
“I fell down right there.”
“Who is going to pick me up?”
“Blood brothers.”
“What did I leave out?”
“That was the deal.”
“You have control.”
“This is just for now.”
“I am going to provide you with something lasting.”
“We are not lasting people.”
“What does that mean?”
“You can go home soon.”
“I am trying to go back.”
“It is not the same thing.”
When nothing happens, I make it happen on my own.”
“How does that work?”
“You focus!”
“You get aggressive.”
“You give it eight hours.”
“There are real houses.”
“And these are the places looking down at the world.”
“I had so much.”
“The bad days bought me some great time.”

“I have already solved the mystery.”
“What do you have left?”
“What do any of us have left?”
“We are getting closer.”
“This is what you look like to everyone else.”
“Someone tuned the life out of it.”
“That is not going work for either of us.”
“He promised to give me everything that you never could.”
“What is that going to do for the both of us?”
“He is trying to get in our way.”
“Get a hammer.”
“What did you ever care about? What do you want to tell the world?”
“I know real love.”
“I have given the world something real.”
“I have found the skill.”
“That is what the world has given us.”
“This is what the world has put in our hands.”
“Let us bless it.”
“Let us bless this worl.”
“Don’t you want a little more?”
“I do not know how to get ahead. The world is breaking me down.”
“That is me right there.”
“I cannot go back. I cannot save that much of myself.”
“What do you want me to say?”
“Pretend that we are loved.”
“You have to give the world something unique.”
“Tell me everything. Sell me in a few minutes.”
“I can just walk away. None of that will matter.”
“None of that will matter.”
“The song has arrived.”
“You give the sugar and the flower.”
“What do I need to understand?”
“I am not even good at this.”
“I can show you the wonder of the world.”
“Give me a moment.”
“I never saw the monument.”
“You need to make the performance into something more characteristic.”
“What do you really know, darling dear.”
“I started way ahead.”
“I can’t ask. I need you to figure it out for you.”
“What are you so creepy with me?”
“No one is waiting for this.”
“There are moments.”

“They are both hunched over trying to do the numbers.”

“Get on the plane.”

“I will find something else.”

“Take the long way back.”

“You have found another level of perfection.”:

“That is another cycle.”

“There is an alternative.”

“Just show me something that works.”

“And you are betraying me for this. What do you think that I am doing while you are away?”

“This could not be better.”

“We are doing this.”

“Everyone is doing this.”

“We all want a small cut.”

“I want just a little more.”

“You cannot get out.”

“This is you.

“It is almost closing time.”

“That will be extra for the ketchup. That will be extra for the sauce.”

“You need to bark.”

“Do you understand the role of proof?”

“What about profit?”

“Where is it oriented?”

“How can we keep going?”

“We need to make sure that we have not fucked things up.”
