

**A FLESH WOUND**

“This can be viewed as the last chance.”

‘Do you have heart?’

“You need to come closer.”

‘That is a sign of improvement.’

“I needed to see that.”

“That is too tight.”

“Come this way.”

“Is this really working?”

“Does it ever?”

“It does sometime.”

“What do you have?”

‘A lot of desire.’

“She should not.”

“Ginny, who comes next?”

“The wardrobe consultant.”

‘I am not seeing what I need to see.’

“Who ever does?”

“And this original.”

“What are the points of detour?”

“There are alternative methods.”

“That was a disaster.”

“How do we work on the problem?”

“I am the problem that we are working on.”

“Do not leave your bed.”

“She is an angel.”

“Incredible”

“Did you even complete one episode?”

“She knows candy.”

“My life got stolen for this”

“Do you see what you like?”

“Come back to me”

“This will be easier.”

“This has nothing to do with you.”

“What are you looking at?”

“None of this is getting me any closer”

“Don’t say anything.”

“I am being eaten alive.”

“Were did she go?”

“Where did you go?”

“If I can get this far, I will be accepted.”

“Why does that even work?”

“I do sales.”  
“I do!”  
“You have to be more assertive.”  
“Clean up the mess.”  
“This is too rural for any kind of resolution.”  
“What is the objection?”  
“The myth.”  
“I am going to dig deep.”  
“Money works for me.”  
“You really are out of touch.”  
“None of that works.”  
“This could be simple.”  
“Without any instinct.”  
“Sheer will.”  
“The bird watcher.”  
“I have never seen the alternative.”  
“I need to sleep.”  
“The background is drowning me.”  
“How do you think that I can help?”  
“People have terrible motive.”  
“This is cutting me in two.”  
“That is how he described. He says it was all art.”  
“The eagle’s flight.”  
“The eagle is ruthless.”  
“The bird needs to eat.”  
“Show me some mercy.”  
“I am looking for an art.”  
“She is getting closer to the destination.”  
“What is the destination?”  
“Winter can be brutal.”  
“Everyone knows each other.”  
“I saved to get to this point.”  
“Some people will not accept that level of penury.”  
“What will you accept?”  
“This is a familiar story.”  
“Can you clean this puppy?”  
“What do you know?”  
“That is a giant puppy.”  
“This helps me get through the mess.”  
“I felt as if you were spying on me.”  
“I was signaling you.”  
“I didn’t realize that.”  
“They all realize what they want, which is a whole a lot of nothing.”

“Come this way!”  
 “I have found what I want.”  
 “Who would do this?”  
 “What do want Ginny?”  
 “No one knows what to want?”  
 “This is not a pretty tale.”  
 “I cannot relate to this.”  
 “Who would do this?”  
 “Who wouldn’t?”  
 “That is a false image.”  
 “They need to stop.”  
 “No one can sleep through this.”  
 “I only need one pretty picture.”  
 “Show me what you have.”  
 “I am going to leave it inside.”  
 “I will only try once.”  
 “That gives you so much leeway.”  
 “We are relating all too well.”  
 “This is a different time.”  
 “I have a lot to worry about.”  
 “I cannot help with this.”  
 “Who gives you your power?”  
 “Thanks for the gift.”  
 “How do you know this? How long did it last? Do you think that you can scandalize  
 me?”  
 “You are making me turn against myself.”  
 “She is already too far gone to pull back.”  
 “They all are.”  
 “Why is tomorrow going to be any different?”  
 “Each day is repeating.”  
 “You only have so many to chose from.”  
 “That is where we left off.”  
 “I am too upstanding.”  
 “Where did we leave off?”  
 “I need some connections.”  
 “She is closing shop”  
 “They are calling you back.”  
 “That is a different way of shopping.”  
 “How do you manage?”  
 “Do I know you?”  
 “He gave me the strangest look.”  
 “What have you figured out Ginny?”  
 “No one is going to guide me through this.”

“What were you hoping for?”  
“This is so bad.”  
“There must be somewhere that this is cool.”  
“I need to prance.”  
“You are a schmuck.”  
“I got is so right.”  
“The ads are distraction from my understanding.”  
“Is this really going away/?”  
“We all experience fear.”  
“It keeps getting better.”  
“None of this seems to be working.”  
“There are alternatives.”  
“Up there is everything that I want.”  
“She can give it to you.”  
“What is she missing?”  
“Ginny, what are you missing?”  
“I cannot help you.”  
“That is not going to do any good for any of us.”  
“How did you get this role?”  
“I stopped time.”  
“Nothing stopped.”  
“You can’t stay in one place at a time.”  
“How did this help?”  
“None of this helped.”  
“Are you harassing me?”  
“I found the answer.”  
“Did you have the clues?”  
“That is not giving me anything that I need.”  
“He wants to make it very clean.”  
“I am chasing something.”  
“Ginny, this will make you satisfied.”  
“Did you find the rope?”  
“It is cable.”  
“There are many identities.”  
“Try one.”  
“What does that say to you?”  
“Surrender.”  
“I want to try.”  
“It is going to make you sick.”  
“There are no other versions of happy.”  
“Leave it like this.”  
“This is not me.”  
“You pretended.”

“Ginny, you want them all to look.”  
“They are all looking.”  
“What do you see?”  
“It seems calm.”  
“Cruelty is a result.”  
“I will not be able to get it back.”  
“I am looking down from the top.”  
“There she is.”  
“She got away.”  
“She lit a fire.”  
“That does not work anymore.”  
“It just went up in flames.”  
“What is the flammable point?”  
“It is part of all of us”  
“You are trying to convey another image.”  
“You remind me of something.”  
“I remind everyone of something.”  
“I have already found so many solutions.”  
“None of this works”  
“This works for nothing.”  
“Nothing works.”  
“Where is your muse costume?”  
“I know someone just like you.”  
“This is the perfect time.”  
“I have known perfection.”  
“We are one-on-one with perfection.”  
“I do not want to go home.”  
“What is wrong?”  
“He is waiting for you?”  
“What is this?”  
“This helps me to be myself.”  
“I cannot slow down.”  
“None of us can.”  
“You were staring at me in the mirror.”  
“Your body is transforming.”  
“I know what I want to do.”  
“You want to kiss.”  
“Who is this guy?”  
“You remind me of someone.”  
“Of course, I do.”  
“Some things will not change.”  
“This is difficult to stay like this.”  
“We are not moving very far along.”

“That is how it is meant to be.”  
“I feel as if I have forgotten something very important.”  
“You have.”  
“I am looking at you.”  
“Who is watching?”  
“That is the new mystery.”  
“It is not as bad as it had been.”  
“This is so very good.”  
“Very good”  
“I want one for myself.”  
“Give him a little taste.”  
“That seems fair.”  
“And you are hiding?”  
“Not really.”  
“I need the connection.”  
“I need the abundance.”  
“What is he really offering?”  
“What do any of them offer?”  
“Ginny, be honest.”  
“Show off.”  
“What am I revealing.”  
“They came back.”  
“We need more.”  
“Ginny.”  
“Flash on and off.”  
“This is dramatic.”  
“We are on the verge.”  
“I am here to protect this.”  
“You are the only one who can.”  
“What is the secret?”  
“That is going to make a big bang.”  
“Do not move.”  
“You are too crazy to believe.”  
“You need to realize when to move on.”  
“There has to be another way.”  
“There are millions of risks.”  
“I just need somewhere to touch down.”  
“They were more amenable.”  
“Who is blessing everyone?”  
“This could be me.”  
“You are wearing her clothes”  
“These are my clothes.”  
“This is my new style.”

“Where does this lead?”  
“I want someone to notice.”  
“What are they noticing?”  
“Everything is boiling?”  
“This is the next level.”  
“What is this song?”  
“I am sure that I know it.”  
“I want someone to know and touch.”  
“I want an ability.”  
“You can touch the universe at all points.”  
“You cannot diverge.”  
“Have you found breath point?”  
“I am running out of breath.”  
“I want someone to love.”  
“Someone perfect.”  
“I cannot help but destroying.”  
“Is this the secret?”  
“Who said that I was here?”  
“Your fingerprints are everywhere.”  
“I was there earlier.”  
“Am I a suspect?”  
“I was there for a visit.”  
“That is impossible.”  
“There is dirty everywhere.”  
“What is the primitive element?”  
“I have figured out he mystery.”  
“We can’t get any closer.”  
“I can do everything that you can and more. I have rhythm.”  
“I can feel it.”  
“I am going to solve this.”  
“Let the ice melt.”  
“You tell me.”  
“I know her.”  
“She knows a lot of other people.”  
“I am not going to get any taller.”  
“Wear heels.”  
“What is this really about.”  
“You could change the bag.”  
“Where could I hide it?”  
“It is out in the open.”  
“You know as much as I do.”  
“Which means that you know everything. Tell me everything that you know.”  
“This is worthy more than your life.”

“You have to know this.”  
“Can you trust her?”  
“What skills do you have?”  
“I can open a can.”  
“I can count to a million.”  
“I am not going to move.”  
“We can work together.”  
“This is a further point of exploitation.”  
“What are you asking me?”  
“You are giving me a creepy look.”  
“Who was this guy who stopped by?”  
“This is another level of stimulation.”  
“They stopped by to see your friend.”  
“Who is there for me?”  
“I know where this ended up”  
“That is a pretty scene.”  
“I need to solve the puzzle.”  
“She took care of me.”  
“Tell me what is the next piece.”  
“The one that ties it all together.”  
“What do you need?”  
“Love.”  
“I do not have what you have.”  
“Who opened the can?”  
“That is bad stuff.”  
“Are you shocked?”  
“Let it loose.”  
“Tell me who is behind it all.”  
“You can get wild.”  
“What is going on inside of me?”  
“Someone else is taking over.”  
“Now is the time!”  
“Now is the time.”  
“She has a star.”  
“The star fell to earth.”  
“What makes the world like this.”  
“How did you pull yourself together?”  
“Where will you perform?”  
“It was always me. I did away with her.”  
“I had so much more left.”  
“You didn’t finish. You quit.”  
“What are the variations?”  
“There needs to be a place to perform.”

“Ginny, you make me feel guilty.”  
“This is just the beginning.”  
“Ginny has to go home.”  
“Touch me everywhere.”  
“The universe folds in on itself.”  
“How did you reach this point?”  
“This was always you.”  
“You need a restaurant.”  
“This has to be a place of worship.”  
“They are all struggling.”  
“It is all complete.”  
“She offers what they all require.”  
“Who is celebrating her style?”  
“The stylist.”  
“These are so many alternatives.”  
“What do you give these men?”  
“A sense of identity.”  
“What do you get?”  
“I am a designer.”  
“What are you creating?”  
“Brain power.”  
“How does that work?”  
“Each variation means something.”  
“I knew that you would take it this far.”  
“We are facing each other as we once did.”  
“We are not the same person.”  
“You can be her for me.”  
“And what will you be?”  
“Who is lighting up this place.”  
“There is one more day to get this right.”  
“They are blessing all of us.”  
“You can say that you accomplished something.”  
“These are the people that hurt.”  
“What is the objection?”  
“This is the core.”  
“Do you have a core?”  
“I want someone who can pretend.”  
“This is not something that you would do at home.”  
“They are children.”  
“They are versions of myself.”  
“He is inside.”  
“You invited him in.”  
“I wanted him to leave.”

“This is only an excuse.”  
“That is all that I need.”  
“This is a script.”  
“An instruction manual.”  
“Be more assertive.”  
“That will not work.”  
“He is totally insane.”  
“How long can I wait?”  
“You are not a good investment.”  
“What do want to tell me?”  
“There was a big noise.”  
“That was frightening.”  
“The alarm went off.”  
“The noise made it sound really crazy.”  
“Who is left?”  
“I am not trying to interrupt.”  
“Let me get your fingerprints.”  
“There is is a pink hue.”  
“I want to pretend that it is not as bad.”  
“Your tears are a dead giveaway.”  
“How can that be?”  
“She is waiting for you.”  
“Ginny, come back to the room.”  
“This is moving so slowly.”  
“You could be a little more honest.”  
“I had no idea.”  
“That is expensive.”  
“The veil is dissipating.”  
“A lemon twist.”  
“Do not force me to say something that I do not want to say?”  
“Did she come her often?”  
“There was a time when she was always here.”  
“Where did she end up?”  
“What was she reading?”  
“Did you ever see her?”  
“Do you mind if we talk?”  
“Am I afraid of the resolution?”  
“Do not make a scene.”  
“My food is crawling all over me?”  
“That could work.”  
“What is the objection?”  
“I only have a little to work with.”  
“What are you working with.”

“This seems silly to even bother.”  
“I want to get inside.”  
“I am going to knock”  
“This is a fear.”  
“What are you afraid?”  
“You can be so mean?”  
“We all have that trait.”  
“The rat ate it all.”  
“They are jumping tonight.”  
“They are all around.”  
“They got inside.”  
“They are chewing hard.”  
“This could not have been better.”  
“What was that sone?”  
“And where does that go?”  
“They have got what they want.”  
“That is not fair.”  
“Tell me what you know.”  
“Do what you need to do.”  
“Take whatever you need.”  
“That will be enough.”  
“I am not leaving.”  
“You are over your depth.”  
“I am drowning.”  
“This will close.”  
“What do you want to tell us, Ginny?”  
“Tell us, Ginny.”  
“I cannot get you back.”  
“She is back.”  
“She is wearing the coat.”  
“Where did you get it?”  
“From the rats.”  
“You are squirming.”  
“I am not sure what you want to tell me.”  
“You are getting too close.”  
“That could have been fun.”  
“Give me my room key.”  
“We gave your room to someone else.”  
“You learn things about the home planet.”  
“We cannot stay open much longer.”  
“Is this what you are offering?”  
“Everyone is risking much more.”
