

EUNICE

“Do you want to sample the spicy dishes?”
“What is giving everything a rose hue?”
“That is the prison outfit.”
“They are orbiting the home planet.”
“What do they hope to find?”
“What do they lack in their estrangement from self?”
“How does that work?”
“No one is willing to give a clear answer.”
“I can no longer help myself.”
“She couldn’t either.”
“Are you ready to orbit?”
“How does that work?”
“Every day she cleans the floor.”
“It is always dirty.”
“That is not the point.”
“This is my food and my house.”
“We want to get ahead.”
“That is what we save.”
“The streets do not move forward.”
“Everything is a confusion.”
“I need to leave this place.”
“You remind me of someone.”
“You need to give of yourself.”
“That is the point of the story.”
“Here she is!”
“Has she made contact.”
“She is blessed.”
“They all are.”
“Who said that the party needed to stop?”
“Eunice, you tell me. I am stuffed.”
“Are you telling me that you cannot stay.”
“What is in it for me”
“The touch.”
“I am ill.”
“The food was excellent.”
“It is the same story.”
“Are they going to send a landing party?”
“The ship is docked.”
“The ship is now a sitting duck for the enemy force.”
“He has found you.”
“We are all meant to be found.”

“Do you want to taste some spicy dishes?”
“It is all pretty much the same.”
“What is next?”
“Some kind of spell.”
“Does he come back?”
“He wants the recipe.”
“She does something to me.”
“Let me see the book.”
“I wish that I did not need to stop.”
“This is a show stopper.”
“I know where we are.”
“We all do.”
“This is where you pretend to be something that you are not.”
“Tell me, Eunice.”
“The book guides me.”
“Touch me everywhere.”
“I am saving all this.”
“Where is the house?”
“Near the bridge.”
“That is a good selection.”
“Do you know how to read this?”
“It was always you.”
“I only wanted to get free.”
“You have everything that I need.”
“I need to operate”
“Can we replace what was missing?”
“She knows.”
Are you frightening someone?”
“They all say that to me.”
“Do you have the remedy?”
“You could not be more perfect.”
“Can I give you a ride”
“There is too much mind in this.”
“Will we ever make the home planet?”
“There are few options.”
“What can give you me?”
“They said that you can give me everything.”
“Where did this end up?”
“I can play the game.”
“She is going to poison your drink.”
“What are you saying?”
“Do not interrupt me!”
“You’re not as good as you think.”

“There is one more monster in the show.”
“Thank you for everything that you did.”
“You led us to her.”
“You are the missing link.”
“What are you saying?”
“I have been watching you.”
“You are the crazy one.”
“I have been watching too long. And little has changed.”
“What do you expect to change?”
“Our lives.”
“Are we really involved?”
“That is how you would put it.”
“The story is slowing to snail’s pace.”
“What do you have there?”
“I need something to give it all a little push.”
“The event.”
“There can be not more events.”
“He is a mystic.”
“He is offering me a transcendent experience.”
“Where did they end up going?”
“I need to clean it all up.”
“There is magic in your future.”
“I am not looking for such possibilities.”
“What is really there?”
“I ripped the skin.”
“I can fix it.”
“You act as if you can fix anything.”
“I have been here before.”
“That could ruin your life.”
“I want see a little more.”
“Do I have to stare straight ahead.”
“I could light it.”
“Is it already on fire?”
“How did you manage that?”
“I am the manager.”
“I take the bones out.”
“I have compassion.”
“Save one for me.”
“I am an empath.”
“How do you know Eddie?”
“Eddie is not part of this exposition.”
“We are all members.”
“You have leftover points.”

“It all rolls over.”
“What is he getting?”
“We have known each other a long time.”
“Do not move your head.”
“Time to get out of here.”
“You need an early start.”
“Someone has to buy that stuff.”
“Let them eat cake.”
“I am falling over myself.”
“Is that for an advertisement?”
“The two of them are brilliant together.”
“The earth is shaking beneath my feet.”
“What is the result?”
“Where do we start?”
“From the healing.”
“You cannot heal yourself.”
“The home planet can give you what you need.”
“How do you know that there is a home planet?”
“This is the origin of the universe.”
“This is the beginning of the system.”
“This is the yawning of opportunity.”
“Will this clear up the problem?”
“You need to see someone.”
“I am sure that is what I need.”
“Someone will pay for this.”
“The doctor is here all the time.”
“Where is the doctor?”
“The body can be reshaped.”
“Like the planet.”
“You are a participant.”
“I can’t get out of myself.”
“You need to demonstrate more control.”
“How am I supposed to do that?”
“This is drifting all around.”
“It could have been handled.”
“What about the optics?”
“Will E. Last understands all that.”
“He lasts and lasts.”
“Until he goes off.”
“An idiot is still burning in the desert.”
“Everyone knew what that was about.”
“They were going to stop history.”
“This is not doing any of us good.”

“Move it along.”
“I had a purpose.”
“The purpose had a purpose.”
“It should be complete.”
“It will be complete.”
“Make sure that I have the right one.”
“This will take a while.”
“This is basically shit.”
“They sent a flare off the orbiter.”
“It reached its target.”
“We used to share so much.”
“Do the math.”
“How much did I spend?”
“Have the snack.”
“But it now.”
“Do they clear it out?”
“Who wants to pay full price?”
“Everyone is paying!”
“All the time.”
“I am doing a crossword puzzle.”
“First time.”
“Last time.”
“What is the puzzle?”
“All the mediocrity is free and clear.”
“This is all free and clear.”
“I need you to give me some time.”
“I am running around.”
“We are not going to have the time.”
“We have all the time in the world.”
“I am being timed.”
“I hate that laugh.”
“This is what he is made of.”
“Ha ha!”
“She has all the fields filled in.”
“Why are you here?”
“I give her what she needs.”
“The attack ships have been cornered.”
“We are going to need more emotional awareness.”
“They have you waiting at clinic.”
“There are two options.”
“I cannot move.”
“This is a place to die.”
“Someone will make a mistake.”

“They have taken all the power.”
“Roses are red.”
“What is left?”
“How many little tastes do you need?”
“That short term promise goes all the way.”
“There is one last card in the deck.”
“I think that he wants that card.”
“He want that card.”
“Sure he does.”
“Who is there?”
“Wake up, and feel better.”
“She walks up the stairs, then she laughs.”
“That is all that I want for now.”
“I did not complete my work.”
“Eunice is going to help me to complete some assignments.”
“What is the alternative to the attack ships?”
“How did it happen to you?”
“What did you know in those days?”
“How far I was from an actual solution.”
“I am more than sure.”
“Then it all starts to act weird.”
“That is the only thing that matters.”
“Thanks for the gift.”
“I cannot explain it.”
“Everything has to come from me.”
“That will not work.”
“Tell me what to say.”
“This is horrendous.”
“We need a resident critic.”
“He is going to do wardrobe.”
“Lovely smile.”
“Are you flirting with my fiancé?”
“I simply helped him get the stain off his shirt.”
“Eunice, you want to serve him some tasty dishes.”
“What is left?”
“Have a corn dog.”
“That is so amazing.”
“The end.”
“There needs to be some alternatives.”
“I refuse to see it that way.”
“No one really cares anymore.”
“This is only a few months into this shit.”
“No one can fix this.”

“Things are shaking back and forth.”
“What do they call this?”
“Who invited her?”
“That is Eunice. This is her house.”
“Eunice, what do you want now?”
“All the variations are pretty much the same?”
“This is a feather in your cap.”
“You do it better than anyone else.”
“Can you do that funky dance?”
“I am not going to dance on the table.”
“I want the spice.”
“Who is this little twirp?”
“The beginning of the show.”
“Time for revelation.”
“I barely have time to live.”
“Any of these variations will do?”
“Let this solve the problem.”
“I guess that it is working.”
“It is working.”
“This is just off the assembly line.”
“I cannot get ahead of myself.”
“You can deform it any way.”
“Can you feel the pulse?”
“It is going to the top.”
“He has nothing to recommend him.”
“What do you feel?”
“A new identity.”
“He is not even all there.”
“He is trying to attach himself to you.”
“He is trying to incite you.”
“I need you to support me.”
“What is the objection?”
“We need some technical assistance.”
“I am genuinely ill.”
“Who let this guy in here?”
“This is going to be a shake down.”
“She has great powers.”
“Tell me about her great powers.”
“What can you do to make things move ahead.?”
“I can concentrate.”
“Eunice, we need to retire to the dark room.”
“I cannot be responsible fo all the damage.”
“Where is your head?”

“What do you want me to tell you?”
“This is too much for all of us.”
“One of us has to go.”
“Eunice, who is this guy that you brought home?”
“Someone who is hungry.”
“I know more than you know.”
“Do not interrupt me.”:
“I gave something, and I got nothing back.”
“I do not want anything to change.”
“You have not moved ahead.”
“We will return.”
“I am so afraid.”
“I do not have time to worry about this.”
“Why are you blaming me?”
“Eunice, I need you to make me feel better.”
“Give me more space.”
“You need to pull out your check book.”
“Is there savings?”
“She is giving with every part of her body.”
“She needs to give more.”
“That is all in good order.”
“Who is she?”
“What can she do?”
“You need to read this.”
“I have read it.”
“I have lost the time line.”
“Here, catch this.”
“Now, he seems to be a wonderful person.”
“He is all here.”
“Like a coconut.”
“Where does this end?”
“I have a broken branch.”
“The birds are flying.”
“All of a sudden, he seems wonderful.”
“How do afford the real estate?”
“How will that ever work?”
“I have the job.”
“This is not going to go anywhere.”
“I am going to regress you.”
“That does not work with the rules of the universe.”
“The fleet crashed on the home planet.”
“How did they make that mistake?”
“What about the universe?”

“He is one wonderful guy.”
“Someone to take advantage of.”
“You are not helping.”
“Eunice dims the light.”
“I cannot read in this light.”
“What are you fighting for?”
“Results.”
“This is not something that I am going to get up for.”
“I am all wet.”
“Have a tasty treat?”
“I am saving for your spicy dishes.”
“I surrendered to the moment.”
“The planet is multi-faceted.”
“What does that mean?”
“How can the attack ship can make its venture?”
“You need to wear this.”
“What is that?”
“The silver will protect you?”
“What are you doing?”
“Trying to get back yesterday.”
“That is a nice sweater.”
“Where is the conflict?”
“What did we miss?”
“We are looking for the same thing over and over again.”
“Are you kidding?”
“What am I getting out of this?”
“A misguided belief in your ability to transcend.”
“I cannot even hear what you are saying.”
“What are you doing to yourself?”
“The movie is not over.”
“What are you telling me?”
“Are you firing me?”
“I love what I see.”
“Do you love those who see you?”
“Do you want a meal?”
“I am being given oxygen.”
“I am not going to do this anymore.”
“What are you drinking?”
“This is going to explode.”
“You caused it.”
“Eunice wants everything to mean something.”
“Why do you hurt?”
“Who are you with?”

“Where did you find me?”
“She wants a complete meal.”
“Eunice asked me to leave.”
“What was her objection?”
“Where did she get the job?”
“She is in advertising.”
“She gives her body.”
“She likes production.”
“We all have this.”
“What are the terms?”
“I turn against my owl life.”
“This place is a mess.”
“I cannot succeed.”
“You need to give me more.”
“The meal is all over me.”
“I can find someone who cares for me.”
“The care only lasts for a short period of time.”
“I need to see a doctor.”
“How does that work?”
“Take an extra taste.”
“I do not like the noises that you make.”
“I left the radio on.”
“Eunice, what is happening in the book?”
“I hear water dripping.”
“You cannot write fast enough.”
“Eunice, you are not a fast reader.”
“She will gratify.”
“What cannot I not give you?”
“I am not a better reader.”
“You made the early shift.”
“How do you keep this job?”
“There is not much to it.”
“There are some alternatives.”
“I can help you.”
“Have a peanut butter sandwich.”
“You promised gourmet food.”
“I am sick.”
“That was tasty.”
“Start the car.”
“I am not driving you home.”
“You need to give a little more.”
“They are all watching.”
“I am interrupted.”

“You need to finish.”
“They are orbiting the planet.”
“This keeps me going like a machine.”
“What is the advert?”
“I like you the way that you are.”
“You need to complete in the morning.”
“I want more stimulation.”
“Read another book.”
“They all end up the same.”
“Someone needs to save the fleet.”
“What is the interest?”
“What is the science?”
“Give me a new method.”
“She can draw faces.”
“She can solve problems.”
“This is going to be a long ride.”
“Do not stay in the car?”
“What is this about?”
“Someone is watching you.”
“I have a promotion.”
“Who promoted me?”
“I love the series.”
“Read this book. It will help you.”
