

**THE WONDER CHILD**

“I do not have much left.”  
“This is not my fault.”  
“Are you trying to blame me?”  
“Someone changed the balance.”  
“Is there more that I can do?”  
“I have missed all these opportunities.”  
“Don’t you have a place to start?”  
“Where should I touch down.”  
“This is lovely.”  
“Where are you hiding?”  
“I left it for you.”  
“It always comes back to the same place.”  
“Where does the water come from? Who brings the food?”  
“I want to get clean.”  
“I cannot participate.”  
“What are you making?”  
“She is so fool of fear.”  
“You are going to need some guidance.”  
“I want your help.”  
“This is too good to explain.”  
“Nothing more to share. I needs you to figure this out on your own.”  
“One of these values works.”  
“It all survives.”  
“I am the guilty partner.”  
“This is not the best place to wait.”  
“She will not come back this way.”  
“She is waiting there for you.”  
“Someone else will be doing the job.”  
“I feel as if I know you.”  
“The swordfish.”  
“What is the problem?”  
“What is wrong with her?”  
“Have you ever thought that you were ripping out my heart?”  
“What is there to explain?”  
“How did that work?”  
“I can no longer count.”  
“I have been doing so many things wrong.”  
“None of this constitutes an identity.”  
“We are stuck in this together.”  
“Who are you?”  
“Someone must care for me?”

“I am going to give you everything that I need to be myself.”  
“That is not jam.”  
“Eunice, give me a name.”  
“There is magic coming.”  
“I need to leave.”  
“I gave you my whole life.”  
“I want more.”  
“We never got the chance.”  
“What did they take from us?”  
“I need to tell you the truth about my life.”  
“No one care.”  
“I think that was can start a fire.”  
“I have something that I can give you.”  
“Give me the truth.”  
“Is there an alternative?”  
“I can give you breath. I can give you life.”  
“This is not supposed to go on like this.”  
“I need an intercession.”  
“This is not going to work.”  
“I set this up to make you confess.”  
“You need to confess.”  
“There is a way out of there.”  
“There will be a cure.”  
“Where can I find you?”  
“This is not going to do it.”  
“What is being said?”  
“This is not my fault.”  
“The book told me things.”  
“Please, help me. Give me another story.”  
“What did you confess?”  
“Do not say a thing.”  
“Who brought you here?”  
“Who is in there with you?”  
“This is a spatial thing.”  
“I can take over for you.”  
“This is all that I want to do.”  
“That could be everything for me in one version of my life.”  
“Which version is this?”  
“I was sure that we were all done.”  
“Who is interfering?”  
“I need my own place.”  
“Give this to the good people.”  
“What is this about?”

“I can put it all together.”  
“I haven’t been right for a long time.”  
“I cannot fix it.”  
“You have special powers, Eunice.”  
“This is not enough.”  
“Why is he so upset?”  
“This is where you will end up?”  
“What did you find there?”  
“This will hurt you.”  
“That was hideous.”  
“We need to switch places.”  
“Who can love Eunice?”  
“This is all physical. This is the physical now.”  
“What are you looking at?”  
“You want me to do something for you.”  
“I am not like you.”  
“This is so hideous.”  
“I want to make it clean.”  
“How does the law even allow this?”  
“Eunice is this what made you the way that you were.”  
“I need to resolve this.”  
“She is moving too fast.”  
“I don’t want to let this continue.”  
“There are laws.”  
“He has a defense.”  
“We can hold hands.”  
“I got caught.”  
“I have figure out the problem.”  
“We have to come to a decision.”  
“What are you doing?”  
“This should have been over”  
“You cannot stop it from happening.”  
“This was the evidence.”  
“What is your complaint?”  
“This is too depraved to make any sense.”  
“I couldn’t do it.”  
“I wanted to be your friend.”  
“Eunice does not allow friends.”  
“She has some kind of magic hold over you.”  
“They are still talking.”  
“I need a blessing.”  
“This is not a story.”  
“Tell me who you are.”

“I will never know who I am.”  
“Will they come and get you?”  
“Eunice, you are taking advantage of who we are.”  
“We will never let it end”  
“I only want to sleep.”  
“Wake up, honey!”  
“You were all here, and now you are gone.”  
“You were hateful with me.”  
“There needs to be alternatives.”  
“You will be punished.”  
“You give me breath.”  
“You take it away.”  
“Love should not work like that.”  
“I cannot give you what you do not have.”  
“What else is there?”  
“All the lovely life after that made no difference.”  
“Come back, Eunice.”  
“Eunice has so many things to share.”  
“What do you want to know?”  
“Where is she waiting?”  
“This is the beginning.”  
“There must be alternatives.”  
“I needed to show more concern.”  
“I do not want to go down that road.”  
“I cannot change this.”  
“I can change this.”  
“Turn it on all the way.”  
“This is so hot.”  
“I cannot come back.”  
“There is no revision.”  
“I expected that you would be a little more than this.”  
“What do you want from me?”  
“You took it all from her.”  
“What did you leave for someone else?”  
“There was a time when you were not such a shitty person.”  
“Where did I make my first mistake?”  
“Why did you spend all you winnings?”  
“Who am I dealing with?”  
“Why are you blaming this on me?”  
“Eunice, explain what is the source of shame.”  
“That was bad influence.”  
“I don’t want to talk about this anymore.”  
“I need to say something to you.”

“I have done a follow up.”  
“I wasn’t sure if this would bother you.”  
“You cannot save me.”  
“Burn what you cannot salvage.”  
“It is not like you think.”  
“I made some silly mistakes.”  
“Who is playing with me?”  
“You are doing some wild shit.”  
“Do not go any further?”  
“How did I get this far?”  
“These are the mistakes that I have made in my life.”  
“That is not going to do it.”  
“How did I end up in this no man’s land?”  
“Who tried to take my place?”  
“This was not supposed to be that bad.”  
“Are you some kind of blessing?”  
“I can only take so much of this.”  
“Are we going to negotiate?”  
“There were good times.”  
“There are only these times.”  
“How would you describe that, Eunice?”  
“He was a real piece of work.”  
“Who lets you stay here like this?”  
“This is a bunch of set pieces.”  
“I have seen this before.”  
“When will this end?”  
“He really believes this total bull shit.”  
“They all start the same way.”  
“They are getting worse.”  
“Are you unhappy?”  
“That escapade cost a lot of money.”  
“Who paid?”  
“The gas man.”  
“I need some familiar stimuli.”  
“What is this about?”  
“You jump in and out of different people’s lives, and you imagine that this gives you a complete identity.”  
“Who buys up all this stuff?”  
“The minister of culture.”  
“What do you want to say to me?”  
“You have had a shitty day at work, but things are only going to get better.”  
“The night is about to end.”  
“Make it happen in the now.”

“I have made so many mistakes.”  
“What have you been doing?”  
“I need to get out of this.”  
“I thought of this as a science.”  
“What are you giving me? What are you ever giving me?”  
“I have been doing this too long.”  
“I need to take off my face.”  
“They are two sides of the same coin.”  
“What is the other side?”  
“Take a letter.”  
“Fuck this shit”  
“I am hating my boss.”  
“What would a wizard do?”  
“He would make him disappear.”  
“I do not do cold calling.”  
“Can I interest you in alligator meat?”  
“Can I interest you in a time share?”  
“I want to find a place that I can bring a man.”  
“You have been in some nasty stuff.”  
“This is for reputation.”  
“What are you doing to remember me?”  
“This is a moment of total revelation. And you are holding back so much of yourself.”  
“I have been watching you all night.”  
“You are only giving me part of yourself.”  
“Get out before you do something really crazy.”  
“I live on happiness.”  
“That makes no sense, Eunice.”  
“There has to be a potion.”  
“What is the issue?”  
“This is my home away from home.”  
“No one will give me what I need.”  
“No one will bless me.”  
“What did you used to have?”  
“I can’t get back to my life.”  
“You need to change the strings.”  
“This is the only thing that matters.”  
“You still not understand me that well.”  
“You work at this.”  
“This is all me.”  
“I do not want to leave.”  
“I do not have any food prepared.”  
“We could live off of our hunger.”  
“That is not going to take us anywhere.”

“What holds you together?”  
“I am giving too much of myself.”  
“I need to get out of here before this means something more.”  
“Where do you work?”  
“Where do you work?”  
“Withdraw the money.”  
“I am going to need this.”  
“We could take care of this.”  
“Is there going to be someone there?”  
“I need to look for one thing.”  
“This is scary.”  
“What happened to me?”  
“These rats were crawling on me.”  
“That is a dream.”  
“What does it mean?”  
“Who truly loves you.”  
“I have something left.”  
“I am losing the balance.”  
“There is something missing.”  
“You are missing.”  
“Give me what I need.”  
“There is another world.”  
“There is so much to worry about.”  
“Get me all the cash.”  
“How does this work?”  
“I do not need a history of my family.”  
“Where do we end up?”  
“Have another salad.”  
“That is not going to be enough for anyone.”  
“Why are you squirming in place?”  
“I need to finish this completely.”  
“This is going to be a long weekend.”  
“This is a long life.”  
“We are trying to be fair with each other.”  
“This has turned into an ordinary story.”  
“What have you done with your time?”  
“What kind of job is this?”  
“How does this match with your time given?”  
“She acts as if she enjoys this.”  
“Of course she does.”  
“Who are you looking for?”  
“I have been through this before.”  
“Are you seeking some kind of punishment?”

“This is a gift.”  
“I want to know who you are.”  
“Who are you?”  
“You snuck up on me.”  
“Is that what is going on between the two of you?”  
“One of these values should work.”  
“You will either love it or hate it.”  
“Do not forget what has to be done.”  
“There needs to be a mediation.”  
“Who is the negotiator?”  
“What do you want to know?”  
“What did we leave out?”  
“This was not a good way to go.”  
“Can I taste some of that?”  
“Fill me up.”  
“I will do this everyday.”  
“The work is weighing on me.”  
“Eunice, what is the work?”  
“I am translating the book.”  
“What language?”  
“From an alien language to English.”  
“How does that work?”  
“I need to find the words inside of me.”  
“I do not want to go back to this.”  
“Bring a friend.”  
“We need to do this together.”  
“I never thought that my life could not be so much fun.”  
“I need to find someone who understands me a little better.”  
“Blessing.”  
“This will not make you feel any better.”  
“How have you been doing all day?”  
“I found my own version.”  
“How does that make you feel better.”  
“I need to get to part two.”  
“What are you telling me?”  
“What am I really seeing?”  
“How does this work?”  
“I do not like it like this.”  
“This has to be the cure.”  
“It is not.”  
“You cannot give me what I need.”  
“Eunice you want to be the queen.”  
“I want another line of work.”

“How did we end up like this?”  
“This could have been me.”  
“Keep in touch.”  
“Where is the touch?”  
“Where is the human concern?”  
“This needs to be solved.”  
“This is not easy.”  
“Chuckles!”  
“That teaches me nothing.”  
“Change the words that you see on the screen to describe your emotional state.”  
“Can anyone do this right?”  
“Put on the special glasses.”  
“That tastes really good. Can I have another?”  
“Take the whole box.”  
“I feel fortunate.”  
“Where is this going to end up?”  
“In a wonderful place.”  
“This is my wonderful place.”  
“You need to cover this.”  
“You cannot come in.”  
“This place is haunted.”  
“Watch me.”  
“Take your shit.”  
“I care so much.”  
“This could have been my life.”  
“Something went wrong here.”  
“There was a different balance.”  
“Press the button.”  
“Where is the button?”  
“That is not how we solve things.”  
“What is the best solution?”  
“I need this finally to be my life.”  
“Finally.”  
“What did I forget?”  
“That is not a legal maneuver.”  
“What just happened?”  
“I got tricked.”  
“How is that?”  
“You have your money. You have your honor.”  
“What have I given the world?”  
“None of that matters?”  
“We need some more singing.”  
“What song do you want to hear?”

“You are taught what to believe. You are taught to wait in line.

“What do you want me to believe?”

“When you are inside, you cannot get out.”

“I have a method.”

“This is sleek.”

“What am I eating?”

“I know the face.”

“What are your dreams for the future?”

“Whatever I can get by with!”

“Dig in.”

“You need to change the oil.”

“I am using peanut oil.”

“It really made a mess.”

“Slide it off.”

“We can hold hands.”

“We can obey the rules.”

“We can smile.”

“Tell me what it looks like.”

“How do you survive?”

“This place is packed.”

“Quit trying to exploit me.”

“I am no longer waiting.”

“I am busy.”

“And I am not.”

“What is in the basket?”

“Keep talking. You are turning me on.”

“I want to join in.”

“This is too fantastic.”

“I need assistance.”

“Here, take my morning.”

“You have been chosen.”

“I can increase the volume.”

“How much are you willing to pay?”

“Do not hurt me?”

“What would the wizard say?”

“He would advance me in time.”

“We all need to be quiet.”

“This is another day of silence.”

“Do you think that anything will ever change?”

“Who were you before?”

“What kind of life did you enjoy?”

“I need to warn you about this guy?”

“Is he some kind of wizard?”

“I cannot help you under these circumstances.”  
“That could never be me.”  
“I am cutting deep.”  
“I am sorry if I hurt you.”  
“What is this?”  
“I am being stretched.”  
“Who is there?”  
“I am not ready to give myself.”  
“The universe is asking me for help.”  
“How does this work?”  
“You have to take care of it.”  
“This is friendly fire.”  
“Neither of us is saving for anything.”  
“There is no answer.”  
“This is what I have been dreaming about.”  
“That will serve.”  
“How do these guys get it done?”  
“They give all of themselves.”  
“What was that shit?”  
“We are balancing all these absurdities in our lives.”  
“Where do we land?”  
“I tell myself that I am improving.”
