

THE BAD TURN

“I am not looking for sympathy.”
“He is.”
“I cannot go along.”
“They are only pulling one thing.”
“What would he say?”
“Eunice, what is the problem?”
“I should have acted.”
“None of that worked.”
“You are getting in my way.”
“I cannot relate.”
“We are not supposed to.”
“Where does she get off?”
“She drifts in a haze.”
“I was sure that you would make it in.”
“That makes zero sense.”
“What has made any sense?”
“Who are you chasing after?”
“You can stay in the room?”
“I do not have money for room service.”
“I left you some groceries.”
“This is the beginning of the same kind of fairy tale.”
“Are there fairies?”
“There are uncertainties.”
“How did you get in here?”
“I was assigned to room with you.”
“This is my new aunt.”
“I am a space traveler.”
“Take your hand off mine.”
“I do not want to watch.”
“I only want this to end.”
“This will end pleasantly.”
“I will blackmail you.”
“This is not only bad. I seem to be repeating this.”
“Which is worse?”
“They will never destroy this place.”
“This is a lot of walking.”
“I need to walk off the bull shit.”
“Eunice, did you fuck up that much?”
“I need a new guide.”
“We have made progress.”
“Who do you want to talk to?”

“We will charge your room?”
“I only want a warm body.”
“I came back.”
“Do I know you?”
“I want to give you some advice.”
“Why did I get left here?”
“Why did I get left in this life?”
“You need to ask different questions.”
“That was going to be a whole lot of wonderful.”
“You need to learn how to live in the many nows.”
“How should I do that?”
“The force field passed over your body.”
“I wanted to eat pistachios.”
“I did not want to leave the room.”
“Who wants to leave the room?”
“I cannot safely go much further?”
“Can I join in?”
“You are on borrowed time.”
“I cannot hear a thing.”
“What are you cleaning up?”
“All the mess.”
“I need you to describe your life. Describe your place.”
“If I get hit, I do not want to hear from you.”
“What are you doing to yourself?”
“A new me awaits.”
“Did you really eat that much?”
“I have seen so many variations of you.”
“I cannot go back.”
“What is in the bowl?”
“This is good.”
“You look thin as a rail.”
“I feel healthy.”
“What are you telling yourself?”
“Don’t follow me! Don’t think about me?”
“This was not about me.”
“This is a perfect life.”
“That is terrible.”
“You should have never lied to me.”
“We all make promises to ourselves, and that leaves us vulnerable.”
“This song is going to do it for me.”
“My doctor told me that this would quiet me down.”
“There has to be another way inside.”
“I want to quit feeling pain.”

“That is existence.”
“I want a higher existence.”
“I want the girl with the lollipop.”
“Come to see me.”
“I am moved to INACTION.”
“That sounds like a dinner date.”
“This is your song.”
“I need someone to rescue me from my shit.”
“Roll over.”
“Launder.”
“I have forgotten all the shit.”
“I want to be inside.”
“What are you going to show me on the inside?”
“This performance is a big nothing.”
“This is just sick enough.”
“I want to ask you a simple question.”
“What are you looking at?”
“Who do you look up to?”
“You are not going to stop my involvement.”
“Who is the guy?”
“I still cannot peel away the haze.”
“He had a lot of work to do.”
“I have been here before.”
“In a terrible way.”
“Couldn’t you do this differently?”
“This is a special meal. I have spent a lot. A lot just to be here.”
“This is more than I can imagine.”
“This is a good place to begin.”
“Where are we now?”
“Are you good with a map?”
“I could give you things that no one else has ever had.”
“I cannot deal with much more of this.”
“He gives me the super creeps.”
“What are you doing in there?”
“I can save her.”
“You found her for me.”
“This is so disgusting.”
“Please disappear quickly.”
“What a pity!”
“I cannot be bothered.”
“What is inside you.”
“A rat on a treadmill.”
“The itch.”

“That is how it starts. Then it goes to curiosity.”
 “What do we lack?”
 “What do we always lack.”
 “Call a nurse.”
 “This is getting gloomy.”
 “Go off on your own.”
 “What is your fear?”
 “That I needs admiration.”
 “Do you get paid to perform?”
 “Money is the only performance.”
 “Didn’t we meet?”
 “I could pull tighter.”
 “What is your objection?”
 “What did you say to me?”
 “Don’t you remember?”
 “I cannot remember your shit.”
 “This could have been some crazy shit.”
 “I am clumsy.”
 “I am a competent shopper.”
 “Are you a professional?”
 “You make a fool of yourself, then you spend the rest of your time trying to make up for the shit.”
 “Who is this guy?”
 “He likes to play someone who has no scruples.”
 “Throw the scruples.”
 “Where is this going to end up?”
 “How did that happen?”
 “Why are you such a creep.”
 “It comes with the territory.”
 “I could use some cream to help with itch.”
 “I could use an itch to help with the cream.”
 “You have to go.”
 “You are monopolizing my perceptual field.”
 “It is all the sucker.”
 “Licker.”
 “Lick it up.”
 “I am looking at dinner dishes.”
 “We will answer this in the morning.”
 “What are you remembering?”
 “What did you want to say to me?”
 “I do not have the catch.”
 “The cash.”
 “I am out of money.”

“I lost my ticket.”
“She thinks that people will do her a favor.”
“You gave me everything that I need.”
“I do not have what I need.”
“I gave her what I needed.”
“And you were sure that you would see her again?”
“How did it get started?”
“I got clean.”
“The world made me pure.”
“How is that helping me?”
“He is going to need to keep this up forever.”
“It does not work that way anymore.”
“How do you survive?”
“We would like to talk to you.”
“There is not much there.”
“How did I get here?”
“What you have there?”
“A good place to begin.”
“I do not have the technology.”
“Then you give up.”
“You give up.”
“That is where I hang out.”
“You need to go about your life.”
“You need enough life to go about.”
“How much did you spend for a taste?”
“She showed him everything that she knew.”
“You owe me one.”
“Where have you been all this time?”
“I can give you the world.”
“Where is the double?”
“The smile is everything.”
“This is hardly a fair exchange.”
“You only have to give a little bit of your life.”
“She is a child.”
“That is not so. I have too much experience.”
“What is the objection?”
“They have chosen me.”
“I need to learn how to dance.”
“And that is going to do the trick.”
“This is not good.”
“What is the temptation?”
“A job.”
“I have the body.”

“I deserve this.”
“You are trying to destroy the both of us. Who are you?”
“I am the cook.”
“I am a rice dish.”
“The mushrooms give it a taste.”
“You are drinking the flower water.”
“All the nutrients have been taken from you.”
“What is really going on in the background?”
“This is the story in the story.”
“I did half of what I needed to do.”
“What was on top?”
“I have been there before.”
“I am going to have to spend a fortune.”
“We are fortunate.”
“She needs to give more of herself.”
“The writer has a lot to learn.”
“What are you learning?”
“I saved love.”
“What did you do in the interim?”
“I let the decay come over me.”
“Can we say no?”
“Can we say forever?”
“What is waiting for me?”
“Where does your money come from?”
“Who gives us the sun.”
“I am going to learn more about you.”
“You call yourself a cook.”
“This is not how we do it.”
“We need to get closer.”
“There is so much that you are not telling me.”
“Tell me something.”
“Tell me something.”
“It all ends the same way.”
“He acts as if he knows more.”
“Are you old enough?”
“They stopped asking.”
“Who is doing this?”
“It only matters what we are seeing.”
“I needed to take more of a risk.”
“What is afterwards?”
“This is all exaggeration.”
“I want a better life for myself.”
“What does that mean?”

“We all want something that we cannot have.”
“What is that smell?”
“That is hopeless.”
“How can we manage?”
“I want a role.”
“He is a free man.”
“What is the objection.”
“You are all experts.”
“You should have stayed with the toys.”
“Betrayal is in your future.”
“No one is venal enough for betrayal.”
“Eat the cookie.”
“We are too close for words.”
“Not close enough for dinner.”
“What did we leave out?”
“What does he bring?”
“He is the ultimate observer.”
“And this is art.”
“He will not offer a thing.”
“We are looking for twists in time.”
“Intersections in space.”
“Explosions in the heart.”
“I guess that is all over.”
“Show me more of yourself.”
“There is a another way of seeing tihs.”
“This cannot be more than it is.”
“I am scandalized.”
“This is the scene that will destroy all of you.”
“I should not be watching this.”
“You have no idea what is next.”
“This is not good for you.”
“You are so good to me.”
“I forget to take something that I need.”
“You hurt me.”
“That was not a mistake.”
“A medical error.”
“You remind me of someone.”
“I cannot take it further.”
“We are going over old wounds.”
“Do you wish that this was you?”
“What do I need to do?”
“Is this some kind of team?”
“What is this all about, Eunice?”

“It is going to go further.”
“You are going to be part of this.”
“You are an optimist.”
“What can that mean?”
“They all bring the same ingredients.”
“A taffeta skirt.”
“I need a little help.”
“What is this about?”
“Who is staring at me?”
“I appreciate the alternatives.”
“Who is doing to hunting?”
“I need something for the sauce.”
“This is all gravy.”
“How will this end up?”
“Where are we going?”
“To get dessert.”
“I am feeling turned on.”
“There is standard procedrue.”
“I am part of the procedure.”
“I do not want to feel as if I am being used.”
“She wanted to do something to you.”
“All that matters is the stew.”
“Fish stew.”
“Cannibal stew.”
“What are you trying to take from me Eunice?”
“Do you know what this is really about?”
“I do not want to think about it in the morning?”
“When else should we think about it?”
“You are just close enough.”
“Do you see what I am looking for?”
“We are going to start again?”
“Do not cheat me out of what I need!”
“I have enough to make the grade.”
“I am a bit of a monster.”
“You have food all over your face.”
“What is the problem?”
“How am I any different?”
“I face the evil that is inside.”
“Can you stop?”
“You are using standard descriptions.”
“What do you have there?”
“I have all the toys that I need.”
“How far are you willing to go?”

“I can risk my livelihood.”
 “I can risk my fortune.”
 “He has to be three sheets to the wind.”
 “I cannot deal with this vibrance.”
 “It is happening to me.”
 “Did you, or did you not?”
 “How did you find me?”
 “How did you realize that I would go along.”
 “Do have nothing better to offer?”
 “If they do it to others, they will end up doing it to us.”
 “What is the vibrancy?”
 “You gave me away, and now, you want me back.”
 “This is getting beyond me.”
 “Are you asking me to reveal?”
 “There is not enough to reveal.”
 “Are you trying to hurt me?”
 “I do not break like that.”
 “The fire seems to be everywhere.”
 “I am going to have to challenge you.”
 “I cannot combine.”
 “Then you have to subtract.”
 “Where have you been?”
 “I have been soiled.”
 “Are you a sick person?”
 “That is not good enough.”
 “You are going to have to prove it to me.”
 “Have another helping of stew!”
 “This is not going to turn me on.”
 “Who got rid of the rabbit?”
 “We have so many questions of you?”
 “I have been here before.”
 “That is not who I think it is?”
 “I do not want to play.”
 “Who is this guy?”
 “Who are you pretending to be?”
 “How did you get like this?”
 “Eunice, what made me like this.”
 “I believed that this was an extension of my sotry. All the goodness. All the deep
 caring.”
 “What is flashing?”
 “There is another side to this.”
 “Who holds the deed on the property?”
 “I am getting skittish.”

“This is my stop.”
“What do you really want to know?”
“She is from a perfect family.”
“Where did he disappear?”
“It does not hurt me.”
“I cannot stop.”
“What is wrong with you?”
“What do you want to do?”
“I want to taste the secret sauce.”
“That is very taste.”
“There are so many things that I want to tell you.”
“That is all that matters to you.”
“This is monstrous.”
“Who discovered you?”
“There is so much shame.”
“We only have a little while before it is all done.”
“I could use a little more.”
“This is so hideous.”
“What does the dummy say?”
“Bet everything that you have.”
“Take no.”
“I can make up for his deficiencies.”
“I can do it with my eyes close.”
“I am going to have to show it all to you.”
“I am being twisted around by my desire.”
“You lack the satisfaction.”
“Are you going to fill in the details?”
“Where is he now?”
“It does not make any difference.”
“You are nothing but a tool.”
“I would give everything that I have to have everything that I need.”
“Boo hoo!”
“It is the fish dish.”
“It was rice and a gravy.”
“Do you have the heart?”
“You need to pass this off as nothing.”
“You need to find my wife.”
“I cannot betray my principles.”
“He needs to demonstrate that he is weak.”
“I did not know that I was dealing with a monster.”
“After you have nothing left, you have nothing left.”
“Is this how you treat people after you have become bored.”
“How much are you paying for space?”

“How much do you want me to pay.”
“That is everything that I have always wanted.”
“Where do we begin?”
“I want everything that goes along with emptiness.”
“I want your life.”
“This could not be more wonderful.”
“Where did that come from?”
“I want you to show some caring.”
“Who are you trying to attract.”
“We all want to attract the flies.”
“It is not as a bad as it seems.”
“Quit complaining.”
“She didn’t mean to mess you up.”
“What is missing.”
“This is humorous.”
“Eunice, how far will you go?”
“I am going up the tower.”
“I am going to catch the attack ships.”
“They want peace.”
“The universe wants peace.”
“We all want what we cannot have.”
“What is missing?”
“There is more work to do?”
“We do it on real people.”
“Make notes.”
“This could be me.”
“I do not want to leave.”
