

THE HARVEST

“Day in and day out.”
“I feel abused.”
“The world is doing things to me.”
“I need to apply myself.”
“Do another gig.”
“What does that mean?”
“There is no art.”
“What am I supposed to do when I get bored?”
“You are always fresh for me.”
“Eunice, where do we begin and end?”
“We do things to each other.”
“We craft the world.”
“We show, and we show off.”
“Bring in the main course.”
“She is going to betray her lack of concern.”
“What are you missing?”
“Why don’t you care more.”
“This is perfection for me.”
“I am going to get caught.”
“Where does this come from?”
“What do you want from me?”
“What are you working on?”
“She could be everything?”
“There is a point of rejection.”
“We need to make things happen.”
“I gave you a few weeks.”
“You need to figure it out.”
“I cannot let this be part of me.”
“What is wrong with you?”
“We cannot pretend.”
“I need to take you to the hospital.”
“They are going to have to pump your stomach.”
“What do I do for my stupidity?”
“Start again.”
“She will not move.”
“Ça marche.”
“So good.”
“Why are you such a monster?”
“You cannot let him get away with that.”
“You are carving all the being out of me.”
“When is the fatal mistake.”

“They are all fatal.”
“Why are you hurting me?”
“I can always investigate.”
“This does not look good.”
“What am I supposed to give you?”
“Where can this go?”
“Do not close the door.”
“You have stolen something from me.”
“The timelines do not match.”
“Why do they have to match?”
“People want happiness to be this one thing.”
“You keep testing me.”
“What happened in between?”
“I need someone to care for me.”
“Where are you?”
“In Florida.”
“I do not want to follow you there.”
“I only need a few people to pull this off.”
“Where is she going?”
“She is waiting for me.”
“I am going to fall.”
“What are you doing here?”
“I have nowhere to go.”
“You are even more wonderful.”
“What is this about?”
“He really is a monster.”
“Who is he?”
“He gave me a key. He told me to sleep in the hall. No one would find me.”
“What did you learn?”
“I wanted to be warm. I did not want them to find me.”
“What if they did?”
“Eunice, what is your story.”
“I am listening.”
“What is going on with my life?”
“Who are these people?”
“Do I have to love everyone?”
“Where is this headed?”
“Quit insulting me.”
“I want to find love in the shadows.”
“You are doing nothing for me.”
“Do I look more presentable?”
“Why are you trying to humiliate?”
“You are turning into the mess that you live in.”

“How do you want me to help you?”
 “This guy is contributing nothing to you.”
 “That is going to be the theme of the book.”
 “I do not want to help anymore.”
 “Where is this headed?”
 “What are the connections?”
 “How does the body guide us?”
 “You tell me. How do you understand gravity.”
 “I came into existence.”
 “Everything seems so haphazard.”
 “I will wake up, and it will all be different.”
 “This is way too difficult.”
 “What can I do to help?”
 “Are you trying to trick me?”
 “This will all be put back into shape.”
 “What have you stolen from me?”
 “You tell me?”
 “What do the books tell you about the world?”
 “What can I learn?”
 “I need help.”
 “This is going to turn into some kind of crisis.”
 “Hide it underneath your bed.”
 “You weren’t like this a few days ago.”
 “This used to seem so luxurious.”
 “What is going on?”
 “He needs to see a head doctor.”
 “It is all in my body.”
 “I am losing my direction. All the flexibility is being sucked out of me.”
 “What brought you back together again.”
 “I can see my life change in the distance.”
 “You have no idea what comes next.”
 “They sent a rescue ship to the moon.”
 “Have you been listening?”
 “What happens if I go with you?”
 “You tell me.”
 “This all feels so explosive.”
 “This all feels so immediate.”
 “I would get punished. I would feel shame. I could never make it back to the home planet.”
 “Can you rescue me?”
 “I do not want to be out here forever.”
 “He knows what I am thinking.”
 “The body provides this balance.”

“Give me an excuse. Any excuse.”
 “I kept listening to the story.”
 “I was not good at bidding.”
 “The attack ships are hiding behind the moon.”
 “I spend my whole life thinking about this.”
 “And where does it get you?”
 “Thanks for the advice.”
 “Is there any other way to make good on a promise?”
 “You are not good at this.”
 “This is hideous.”
 “They are carving out my insides.”
 “Who am I facing?”
 “The alien emperor.”
 “Why do they have that social structure?”
 “It supports you emotions, Eunice.”
 “Can you explain it?”
 “You love the body as it is.”
 “I need you to create this shot in the bathtub.”
 “You need to build a stage.”
 “You need to be honest.”
 “That is a lovely skirt.”
 “She is making her way in the darkness.”
 “Where will this end up?”
 “Who is watching?”
 “What do you have that no one else has?”
 “Total denial.”
 “Respect for nothing?”
 “That pile of nothing will turn into something.”
 “Did I see that coming?”
 “No one shed a tear.”
 “I need some help.”
 “I want someone to help.”
 “This is not such a big deal.”
 “I can get back to savagery.”
 “Who let you in?”
 “I brought you everything that you need and more.”
 “Then we create a dynasty.”
 “The son has no right to the throne.”
 “The attack ships are coming.”
 “I have been taking care of myself. I have found an audience. I have everything that you do not have.”
 “This is the basis for conflict.”
 “Why should we care?”

“It is part of our being.”
“I cannot even care.”
“Did she even thank me?”
“This is too much effort.”
“I am getting back at you for all the shit that you gave to me.”
“This is revenge.”
“You cannot do anything to me?”
“This is going too slowly to make the point.”
“What do you want to explain?”
“This is too deep?”
“Nothing is going to change.”
“She cared for me in a way that no one could ever care for me.”
“How did it start?”
“I made amends.”
“This is going to be a whole lot of nothing.”
“I cannot give you what you need.”
“Is this good enough for you?”
“You have this and more?”
“Do not be this way with me.”
“I could have had so much fun with the lies.”
“You scare me.”
“This is not some kind of masterpiece.”
“What would make it so?”
“What do you really care about?”
“Tell me about the real estate.”
“The track.”
“The skateboard.”
“I cannot help you.”
“I had so much fun without you.”
“You are hopeless.”
“I wish that there was a miracle.”
“Where are you?”
“All for a miracle.”
“Rub this all over your body?”
“Find happiness inside.”
“The world reflects outward.”
“This is a beautiful place.”
“I love to play games.”
“You scare me?”
“I cannot find it in myself.”
“You need to find your persecutor.”
“The body blesses me.”
“I want to indulge myself.”

“I am swimming in rice.”
“Why are you doing this to me?”
“I can give him things that he does not have.”
“I want to ask you something.”
“Why are you in hte way?”
“I cannot do that.”
“Do not hurt me?”
“You are treating me like a dog.”
“There is nothing greater in the universe.”
“The son has been captured.”
“What about his claim?”
“They will make sure that he does not see the light of day.”
“What does that do for you?”
“I turn the page.”
“That could be my life.”
“Everyone could love me.”
“People would understand.”
“Then they would no longer understand.”
“Your concerns matter little.”
“This is everything that I have ever needed.”
“What seems to be the choice.”
“Where is this coming from?”
“I could use some assistance.”
“I found my initiation.”
“This is more than I could ever love.”
“I do.”
“You have set the world aflame.”
“You seem to have ability.”
“It is all about an audience.”
“What would you like.”
“You could never give me everything.”
“Eat the dinner.”
“Eat what is left!”
“There is one box.”
“Where is the opening?”
“Open here.”
“It must be hiding.”
“It is hiding in a box.”
“We can rip the place apart.”
“None of this matters.”
“I give you what you need, and you give me what I need.”
“Were you setting me up?”
“You seem much sicker than I imagine.”

“The party should never reach that pace.”
“It has.”
“I want to rip off my clothes.”
“Eunice, what do you have to say about his nonsense?”
“I am not sure how I could have lasted long.”
“We are looking for perfection.”
“I thought that the meek would have their moment.”
“She is giving you permission.”
“The heavens are giving you permission.”
“Do you have a record of me being here before?”
“I need files. I need to match your file.”
“Why are you teasing me??”
“He is not going to find what he expects.”
“What happened?”
“Sick time.”
“I am having trouble interacting with other people.”
“She came back.”
“I came back for you.”
“Here is dinner.”
“I thought that I was next in line.”
“Everyone is going to be destroyed. They will not let anyone in the court live.”
“What does the book say?”
“Now and forever.”
“They knowhow to share.”
“Do not hurt each other.”
“Who does he think he is?”
“You are all that is left.”
“I get to be the emperor.”
“That is a surprise.”
“Quit playing games with me?”
“What is the next stage?”
“You need to do one last favor.”
“Return the book to the library.”
“You messed up.”
“I had a complete strategy.”
“If there is one, there is another.”
“She came down.”
“I made it back.”
“I found the medicine.”
“I was taking care of myself.”
“I need to find my way home.”
“You were sick a few minutes ago.”
“That is what I have always wanted.”

“A system.”
“Then we all go back to the boring.”
“Every value is covered.”
“Man overboard.”
“They take care of us.”
“We are the rejected souls.”
“You make me laugh.”
“That is all the I want.”
“That is all that I could want.”
“I need to be smart.”
“You need to see this.”
“This is a scene of total degradation.”
“I want to read the book.”
“Why did you embarrass me?”
“What did I miss?”
“I am showing off.”
“This guy is now hideous.”
“This is what you wanted.”
“Why do you want to be here?”
“Let me live.”
“This is too overwhelming.”
“Why did we have to witness this.”
“I never wanted to see this.”
“That is shocking.”
“This is inside of us now.”
“I cannot keep a secret.”
“That is so disquieting.”
“Does anyone care?”
“What is the future?”
“I hope someone gets me out of this before I get too deep.”
“Looking for someone to clean houses.”
“Looking for someone to clean cars.”
“Looking for someone to watch kids.”
“Looking for someone to get me right.”
“Speak a little more clearly.”
“Who?”
“You are a terrible guardian.”
“He is going to challenge the emperor.”
“What is dinner.”
“You need to clean up.”
“I run this house.”
“I get things right.”
“Bet m life on a good boost.”

“This is going to come to me.”
“Stay with me!”
“We fell out of money.”
“What is the replacement.”
“You are all getting in my head.”
“I am not prepared for this.”
“I do not want to lose my body.”
“How does that work?”
“That will last me one month.”
“What else do you have left?”
“A box with my life.”
“A life with a box.”
“Next week, you will cut down all the trees.”
“I am moving ahead.”
“This did not work.”
“I want one someone to help.”
“What are the options?”
“I can make this into something.”
“I will pay on Friday.”
“You need to give me something today.”
“I need to be very careful.”
“These people do not bother.”
“This is a pep talk.”
“They will all pay on time.”
“They will all pay.”
“I have been touched a million different ways.”
“That is dirty.”
“What is this?”
“It smells like sewer water.”
“When will this be like my life.”
“The store is closed.”
“My career is finished.”
“I did not think that is would happen so quickly.”
“It was happening to it all.”
“I cannot face you.”
“Her father said that her life would be everything.”
“It all went against me.”
“Do I have to watch this.”
“This is already done.”
“You cannot say this.”
“Do not run me over.”
“I never made a mistake before.”
“Am I going to have to watch all of this.”

“What is going on in the room?”
“Look at me?”
“I can do it just like you.”
“Am I going to see a result?”
“I cannot even read the titles.”
“The emperor abdicates.”
“Are you sure?”
“What does that have to do with me.”
“We can give this fifteen minutes.”
“I have so little left to give.”
“I cannot go back to being an audience member.”
“What does that mean?”
“I am stopped in my tracks.”
“He is off the beaten path.”
“Who are you fighting.”
“This seems to be getting worse.”
“Everyone is a suspect.”
“Everyone is free.”
“Then you do something that causes shame.”
“This will cost some money.”
“Say a few words.”
“I need a stand in.”
“She has such appeal.”
“They are all so fucked up.”
“How did you sneak in?”
“It is in the air.”
“Do not get too close.”
“There is a prediction.”
“Who watches this?”
“Who imagines that he in control?”
“I felt as if I was close.”
“I was close.”
“You are right here.”
“I turned on the machine.”
“They breathed on me.”
“Creation and destruction.”
“There was something terrible going on outside of the gates.”
“It implicates me.”
“You are trying to be more than you are.”
“Do not touch the paint.”
“Someone did something so wrong.”
“We were looking. We were calling for you. Where did you go?”
“They are mocking us?”

“I did not even have time.”
“What was the great fear?”
“The other.”
“Nothing has been that uniform.”
“Who is this guy?”
“He knows what it is about?”
“What is the excuse?”
“You have shown us so little.”
“You should not have set off the security.”
“I need some help.”
“He was right there.”
“I am okay now.”
“You think that you are okay.”
“You seem very fucked up.”
“She got even weirder after she drank the water.”
“What is this really about?”
“I can do better than that.”
“I only want to see an image.”
“Here are my glossies.”
“Who let him in?”
“You have given too much of your life to the moment.”
“That is nothing like love.”
