

BY THE BOOK

“Are you booking me?”
“I have rights.”
“What are rights?”
“You can be a bad person.”
“That is all a little crazy.”
“I don’t know what this is about.”
“Do you even know the difference?”
“This could have been my story.”
“What can clean up the mess?”
“What can clean?”
“Sorrow is not going to cut it.”
“I could get the scene right.”
“What are you looking at?”
“They stole the scene from me.”
“Are you epic?”
“What are you asking?”
“Reg, what makes you tick?”
“What makes you?”
“I am taking steps.”
“That could have been my step.”
“We can balance.”
“That will never get made.”
“Do the scene right.”
“She is the head freak.”
“Are you looking at me.”
“I could do it right.”
“You should not even be here.”
“This is where we start.”
“Come with me.”
“You are a man of few words.”
“I have a book inside me. If you want, you can try to get it out.”
“I am going to try.”
“These are all people with dreams.”
“Come on in.”
“Come to me lover.”
“This is very simple.”
“This is down the street from the street.”
“I will wait for your call.”
“I need to leave a little earlier.”
“I feel total peace.”
“It is different day.”

“She is splurging.”
“This is my password.”
“How do I get in?”
“Who paid for this?”
“Who is this cat?”
“What piece do I get.”
“I know this guy?”
“You are not a nice person.”
“Where does this end?”
“A few people knew that he was off from the beginning.”
“I like beginnings.”
“Reg, you are such a closed book.”
“How much am I spending?”
“This is not gourmet.”
“Do you know what the danger is?”
“We will all be dangerous.”
“No one is interested in this.”
“This is your turn.”
“This is lovely.”
“Reg, you are persecuting me.”:
“That could have been something horrendous.”
“Reg is a reader.”
“What are you reading?”
“Where do I start?”
“You are not going to be in the story.”
“I am connecting the dots.”
“I am rewriting history.”
“I never got what I wanted.”
“This is generally shit.”
“Why do you think that I get a place?”
“Because I do.”
“We can end this a little earlier.”
“I am a good person.”
“How did the kid get in here?”
“She fell down.”
“Eunice fell down.”
“There is so much that I want to tell you.”
“You will get better.”
“Next year.”
“Take this.”
“There is no place for you.”
“Wake up, Reg.”
“Eunice, I need to sleep.”

“You gave so much of yourself to me.”
“What is left?”
“Who did this to me.”
“You cannot always blame someone else.”
“I am blaming you, Reg.”
“How is that?”
“Romance works that way.”
“It should not have ended like that.”
“There is too much of my life in this story.”
“That little fact.”
“This is my close up.”
“You are ruining my life.”
“How can you say that?”
“Do you want to watch this with me?”
“He hurt me in innumerable ways.”
“That is fair.”
“We are partners.”
“Partners in love.”
“You are destroying me, Reg. You know how to make it hurt.”
“Can we really be friends?”
“How can lovers be friends?”
“I don’t want you ripping at me.”
“This is where I want to end up.”
“This should not have happened this way.”
“Tell me, Reg.”
“You start kissing me, and I melt like butter.”
“You are destroying them.”
“Just clean the dishes.”
“I was there.”
“I want to be an expert.”
“It could have gone differently.”
“I do not want this to be about me.”
“I do not get it.”
“This is hurtful.”
“I cannot take this.”
“Take this for what it is.”
“There need to be a balance.”
“I want to learn.”
“This is going to be tough. I do not want you to destroy things.”
“There are two parts.”
“Glue them.”
“Reg does not love you.”
“Reg does not.”

“He is into power games.”
“Who is still left?”
“A few bad power games.”
“I am learning a skill.”
“I put together thing that do not belong together.”
“She is asking for me.”
“I cannot be an angel.”
“What is Reg forcing me to do?”
“The scene is ready.”
“They keep coming.”
“Noone wants to see this.”
“I cannot help.”
“This never happened.”
“I can get you for goddess territory.”
“I need your help.”
“You need to help.”
“Monster man.”
“We were all nightmarishly crazy.”
“We have the scene.”
“I have never felt so shitty.”
“Take one of these.”
“Face me.”
“Reg, you are a shit.”
“You are turning me into something hideous.”
“We all end up like that.”
“We look for something to destroy.”
“I could not have worked better.”
“I need to join in.”
“Who has inspired you?”
“Where do we start?”
“Put our lives together.”
“Why do you try to be so intimidating?”
“I used to have the hang of it.”
“You are a total freak.”
“You are hurting me.”
“I want to get to the end?”
“I am interested.”
“We have time.”
“We can stop in the middle and continue later.”
“It is nothing that you did.”
“You are a monster of a man.”
“You are making me this way.”
“Never say that, Eunice. I do not understand.”

“We have these ideas inside of us. And we need a way to get them out.”
“How does that work?”
“The mouse leads the way.”
“Turn me on.”
“How do you do it?”
“What do I start with?”
“He was cruising.”
“I am getting nothing but close ups.”
“That is too much of me.”
“Why are you manipulating me, Reg?”
“When do I get to leave?”
“When do I call it a crime?”
“This used to make a difference.”
“These are all substitutes.”
“Reg, you treat me like shit?”
“Do not blame me for my life?”
“What is going on in there?”
“This is more real than the real thing.”
“This is horror.”
“They were all into horror.”
“It was eating at my soul. The love ate at my soul.”
“She still thought that she had a future.”
“She did.”
“Wonderful.”
“I wasn’t sure if you’d appear.”
“What do you want to see?”
“I loved you from the beginning.”
“I was everywhere.”
“I have something for you.”
“What did you have?”
“A whole lot of forever.”
“And that is your excuse.”
“People get these excuses to mess with each other.”
“That is just a cause.”
“What got me up there?”
“This is a party scene.”
“Where did this start?”
“Howlong have you been doing this?”
“That is impossible.”
“I want something from him that you could never give me.”
“Flash.”
“Reg, I want to find myself.”
“Here is what is left.”

“There is nothing left.”
“Someone was taking care of you.”
“The story is full.”
“What else do you have?”:
“Pretense.”
“Reg, what makes you so cruel. Why do you think that this is going to go on forever.”
“I need some help.”
“Where does the help go?”
“What are we waiting for?”
“This is a great pile of crap.”
“Eunice, I am teaching you about culture.”
“That is not enlightening me?”
“This is the revelation.”
“I could have got this done sooner.”
“It is all done.”
“I am here.”
“She is really no one special.”
“Where are you going without me?”
“I want to be a bit of everybody.”
“Where are the shadows?”
“Can you make this end up differently?”
“This is all a big tragedy.”
“I am on top of this.”
“I cannot deal with your yelling.”
“I am a genius.”
“You have been called.”
“Are you going to lecture?”
“I know what I am doing.”
“We want to be famous.”
“Reg, you are notorious.”
“We are at the end.”
“I don’t need someone telling me how I should be.”
“What do I need? Do you even know who you are?”
“I have a book.”
“I need to pick up where I left off.”
“That guy is one creepy monster.”
“That is not going to work with me.”
“Let me read your book out loud.”
“This is not going to last.”
“You can give me your eyes.”
“Reg, you always know the right thing to say at the wrong time.”
“Where is this going to end up?”
“Someone is going to say know.”

“You are freaking.”
“That is not right.”
“You can burn that feeling out of you.”
“Where should I look.”
“I found a winner.”
“How did you lose your mark?”
“I assumed that you were something that you weren’t.”
“I want a life for my own.”
“What should I do?”
“This is not right.”
“I can’t do everything that you say.”
“You are doing your best to manipulate me.”
“There is an emphasis on the curls.”
“You have no idea what I am willing to do.”
“Did you see me?”
“I cannot suffer with you.”
“Who is responsible?”
“I need to protect you.”
“I need to have a life for myself.”
“I need to have myself back.”
“She wants more from her life.”
“We all want more.”
“You are setting me up.”
“Reg, this is all your fault.”
“The body come down to this.”
“The book explains it all.”
“I am supposed to take you somewhere.”
“I need to apologize, I thought someone was following you.”
“It was the aliens.”
“The home planet it keeping tabs on me.”
“Why do you want your life to be so normal?”
“This is how it needs to be.”
“Who is in control?”
“Does anyone understand.”
“The monster is inside.”
“Melt him down to his basic elements.”
“He is doing what I want him to do.”
“This is where it started.”
“I need to get out of here.”
“How can I make it right?”
“There is someone who wants to see it another way.”
“I have made it perfect.”
“Who is paying for this?”

“Reg, what are you giving to me?”
“I cannot even see what I am supposed to see.”
“I need a body, which lasts and lasts.”
“You do not even know what is happening here.”
“I cannot stop.”
“This is not going to end well.”
“I put so much money in this.”
“That does not matter.”
“I am showing you everything that I have.”
“There has to be another way.”
“There is another entry point.”
“Do you know who you are?”
“This is a murky sea.”
“Then I woke up.”
“It all made sense.”
“The house went on fire.”
“We are meant to be like this.”
“You are the chosen one.”
“I was only around for the ride.”
“This is a blessing.”
“You need to take a victory lap.”
“You are acting as if you are tougher than everyone else.”
“I want to be tough.”
“You were great!”
“You are going to the ends of the earth.”
“You cannot force me.”
“The romantic illusion predominates.”
“Reg, you have replaced my quest.”
“You are going to need to be stronger than this.”
“That is all that we want.”
“Is there anything that you want that you cannot have?”
“Reg, why are you so cruel.”
“I am sure that we are still in the city.”
“The city closed down.”
“You are an original.”
“I want to be an original.”
“You need to study the book.”
“It is an adventure story.”
“My body is not an adventure.”
“You took something from me.”
“I have cracked the doughnut hole.”
“How did you do that?”
“I was not looking for symbolism.”

“She wishes that her life could mean more.”
“Eunice needed to understand the role of destruction.”
“Who was driving?”
“Why were you running away from me?”
“We could get you to do aother curtain call.”
“What did you take from me?”
“Who was persecuting me.”
“What did you want, but you could never get.”
“There is something that you need to hide.”
“Where did it end?”
“What have you been doing?”
“I have been hiding in a basement.”
“We are not connected.”
“She made mistakes.”
“Some things seem like everything at the time.”
“Reg told me what books to read, and he mocked me if I did not see things his way.”
“Pull down your skirt.”
“Someone go and get him!”
“You destroyed me.”
“There are alternatives.”
“You just play it safe.”
“What is next?”
“You tried this before.”
“Why are you still a creep?”
“I feel as if there is no other way to be.”
“Do not threaten me.”
“You are not being threatened.”
“What is this about?”
“Just go you way.”
“Please share.”
“They are all lock in together.”
“How is the locking?”
“Go to the ends of the earth.”
“I only get older.”
“This is the blessing.”
“I only get blessed.”
“If you can’t eat it, then you must defeat it.”
“The cheery cherry.”
“Where is that going?”
“I cannot watch the rest.”
“Who is making this happen?”
“I want to present a different ending.”
“I need to study this.”

“I need to make this better.”
“You are stealing from others.”
“What do you have that no one else has.”
“You are back in the show.”
“What do you have there.”
“I can make it different.”
“How can that be?”
“Where is the original?”
“In my fridge.”
“That was tasty.”
“I have everything that you want.”
“Reg, you are my disease, not my cure.”
“I need to see it here.”
“I need you to show me everything.”
“I need you to find an everything for me?”
“This is wild.”
“She is back with us.”
“Eunice does not have the staying power.”
“Where is she hiding?”
“The home planet.”
“The emperor is using her as a hostage.”
“These are a million days in the center of nowhere.”
“You have been here all this time.”
“Who are you with?”
“I am everything, Reg, and that is why you persecute me.”
“Look at the shoes.”
“He is looking at the ankles.”
“I am tracking the angles.”
“That will not work.”
“This is a faded angel.”
“You cannot put it back into smooth sequence.”
“Do not look for something that you cannot find!”
“What is the essence?”
“Reg tried to turn me into a monster.”
“What is this all about?”
“I am greater than the show.”
“I am blessed.”
“You cannot make up something that has nothing to do with you.”
“Exaggeration is not performance.”
“I hate my job.”
“Do you hate yourself hating your job?”
“This does not amount to much of anything.”
“The heavens are going to open.”

“You needed to solve the problem.”
“This is bedlam.”
“He will allow us to leave.”
“That will not be soon enough.”
“I want to go down the same route.”
“I need to see it now.”
“Reg, what do you want from me.”
“I am probably going to die here.”
“That is not your best side.”
“I want to hide what I had.”
“Are you justified?”
“I think that I know.”
“I have found the atom.”
“She is beyond that.”
“She has so much shame.”
“Where did it start?”
“They did it better.”
“I need spiritual elevation.”
“That is not happening for either of us.”
“Read the book.”
“I will tell you what I need.”
“I need to remind you.”
“You need to get something for me?”
“There are so many variations.”
“She cannot do it.”
“Eunice, what do you have there?”
