

SPACED OUT

“I need to teach you about physics. There is no place to escape yourself.”
“What is the challenge?”
“Friend or foe.”
“None of this stuff is clear.”
“Who is really driving?”
“We cannot stay like this forever.”
“What did you want to tell me?”
“He was a monster.”
“That did not do any good.”
“Do not move?”
“I understand it perfectly.”
“Shit.”
“The space between them.”
“They are everywhere.”
“That is not possible.”
“This is too real.”
“Keep me in your heart.”
“This seemed like something infinitely important, then it turned into nothing.”
“I need to get to work.”
“I was wearing nothing but a bathing suit.”
“Reg is going to teach me about the universe.”
“I think that I know you.”
“I have to go back.”
“These are silly things that I do .”
You will get caught.”
“Circumstances are you going to force you in the same situation again and again.”
“Reg understands about the projection into space.”
“I do not want to hear this.”
“I am looking for the key.”
“This is not happening.”
“This is happening.”
“We could get out of our car.”
“We could walk.”
“There are different ways to describe this.”
“To bang it.”
“There are alternatives.”
“It got worse.”
“Who has all the dough.”
“Get it to me before the day is out.”
“That is what I love.”
“This is going to be part of my life.”

“I am trying to smile through this.”
“Go smile.”
“I will be back at work tomorrow.”
“How did this happen?”
“This is a portrait of freedom.”
“Freedom to work.”
“How did I get posted like this?”
“This cannot be my life.”
“I need space.”
“That is too tight.”
“I do not eat.”
“Of course.”
“The stress wears me down.”
“I love what I see.”
“Everyday!”
“Wrap it up.”
“Where is this headed?”
“Someone is waiting for me.”
“I have fashion.”
“Did anyone ever tell you that you were trite?”
“I have a book. I have fans.”
“Do you have consciousness.”
“This guy gave me nothing.”
“Where do we start off?”
“You have the look?”
“You should have listened.”
“We threw the dice.”
“I could walk faster.”
“Do you even know where you are going?”
“I should have never been here in the first place.”
“Something smells terrible.”
“Existence.”
“We are sending all the junk in space.”
“We have all these hopes outside of ourselves.”
“Put this on!”
“This will make you feel better.”
“This will work for the both of us.”
“Just peel one off.”
“How is that even possible?”
“I do not have ideas.”
“This apartment is a wasteland.”
“Read the book.”
“I can tell you all about space.”

“I do not even want to pretend.”
“Is that all that you have?”
“I don’t want to do this anymore.”
“Reg, you make me feel as if this is something more permanent.”
“And it ended like that.”
“I am looking at the stars.”
“Give me a tissue.”
“We are all staying in one place.”
“None of that will make any difference.”
“We shouldn’t have had dinner.”
“Maybe, we can make something of your life.”
“What does that mean, Reg?”
“I did not sign up for this.”
“Where should I let you off.”
“They are coming to get me.”
“That will make me feel so much better.”
“That is funny.”
“How can you hold yourself together?”
“I only want to breathe.”
“You are so full of glee.”
“Are we going to revisit this?”
“You need to see this from another point of view.”
“This is going to fade.”
“You worked on this.”
“I cannot tell.”
“What does that mean?”
“Where do you go after this?”
“I head to work.”
“Turn the button on and off.”
“Act like they do in the real world..”
“I am watching from Mars.”
“Then you faded.”
“Sign this.”
“This is hidous.”
“Clean me up.”
“What am I waiting for?”
“I had almost figured it out.”
“These need to be saved.”
“How does that really work?”
“I make things happen.”
“I give, and you take.”
“The planets are going to collide.”
“That does nothing for me?”

“That will not work?”
“This is tighter than I can imagine.”
“Who else lives in this place?”
“Show me what you can do.”
“Can you destroy the world?”
“That is what they are trying to do from way out in the Milky Way.”
“I want to teach you about perspective.”
“That is my world without anyone else there.”
“This is imaginary.”
“You need to get the perfect look.”
“None of that matters.”
“Reg, we are orbiting.”
“That is not technically an orbit.”
“Do you want to dance?”
“He thinks that he understands the world.”
“I cannot crack the shell.”
“I am sharing.”
“How does this work?”
“I do not want to leave.”
“I am all plastic.”
“How do they make bodies on other planets?”
“Like a drive thru. They take orders.”
“I will take anything and everything that I eat.”
“I need you to keep in a volitional state.”
“Imagine this look.”
“What do I see?”
“I want this to be my life. I want to fail like this.”
“We all hope.”
“Nothing will change.”
“We move along parallel courses.”
“How did we end up here?”
“Where are you hiding?”
“There is nowhere to hide.”
“Why do you need extra money?”
“Extra fun.”
“I want to fake it.”
“I never met anyone to fake it with.”
“I was too good at getting good at it.”
“There has to be a way to fix it.”
“Use some tape.”
“Do not let this get destroyed.”
“That is the last step.”
“It has been destroyed.”

“I did it right.”
“I could have been so good at this.”
“I do not need advice.”
“I need advice.”
“I got rid of all the shit.”
“You changed your hair.”
“I let myself go natural.”
“What kind of natural is this?”
“I do not want to go out.”
“What did you give me? Reg, you are destroying my ability to think on my own.”
“I still cannot get to the resolution.”
“I cannot get there.”
“Where will end?”
“We will end?”
“Do not stop.”
“Reg, you make me feel as if I am better than myself. Then you take it all away.”
“This is what guys want.”
“I am forgetting.”
“I cannot stay this forever.”
“I want to get rid of all the shit.”
“I should not have drank this.”
“It is some weird kind of medicine.”
“Who knows?”
“He has everything that you do not.”
“I am going hunting.”
“The hunt occurs all the time.”
“This is from a planet of hunters.”
“Led by a female warrior.”
“Why can’t you be more respectful to me?”
“Here take a guide.”
“There is Reg, there is his bull shit, and there is me and you.”
“Thanks, Reg.”
“I need to get home.”
“Do we wait like this all the time.”
“I am lost in a traffic jam.”
“Where are you?”
“I know how to get you back to your life.”
“I made a big mistake.”
“You are so lovely.”
“You need someone to give you a gentle touch.”
“I do not want your shit to mess with me.”
“Give me one more chance.”
”You made me stop.”

“How is that going to work?”
“I need a little more creativity.”
“Where does this start.”
“She has something to give.”
“I give it, and what else do I get.”
“I want this to be my work.”
“You are working too hard for inspiration.”
“Reg, you are not a good influence.”
“I wanted to explain some scientific shit.”
“This was so useless.”
“Where did this go?”
“Baby is going running.”
“Wow!”
“I am tanking.”
“I need a a shower.”
“I will get better.”
“You are too deep inside.”
“What do these shapes mean?”
“They have been here before.”
“Is this the center of the universe?”
“Do not be so silly!”
“I never thought that I would end up like this.”
“You did.”
“He needed to make one good decision.”
“Who thought this?”
“What can I trust?”
“Who can I trust?”
“So much has changed.”
“We want to get away by getting back to where we started.”
“I read this to think about something else. I do not want to focus on my job.”
“I owe so much.”
“Each moment is a step.”
“We figured out a resolution.”
“You need to get one more thing.”
“Find me a pony.”
“Find me a pony.”
“There is a pony solution.”
“This is the next step.”
“She can play so many roles.”
“I will pull them out of the shell.”
“I want to crunch.”
“You are everything that I have ever wanted and more.”
“I have woken up.”

“To love and power.”
“Who is minding the store.”
“Reg, you think that you are something that you are not.”
“I need to watch, but I cannot satisfy.”
“This is work.”
“I am alive.”
“I am more alive than I could ever be.”
“I need to cut in.”
“I need to get you drinks.”
“DRINKS.”
“You are taking liberties with my life.”
“You are good at cynicism.”
“What else can you do?”
“We still have time?”
“That is not going to work.”
“There is a lot of time left.”
“Stay on the beaten path.”
“No wonder my kids had no skills.”
“They were following in your footsteps.”
“They said that I did not have to leave the room.”
“Who is in there with you?”
“I had a moment.”
“This will come back.”
“It will be a long night.”
“There is so much to do.”
“I want something else.”
“How is this going to work?”
“This will guide me towards the resolution.”
“What else can you do?”
“I am going to have to return to the galaxy.”
“She is waiting.”
“There is always a possibility in the stars.”
“You had a philosophy.”
“I do not want to do this anymore.”
“This is a lonely planet.”
“I really do not feel it.”
“I have other things to do.”
“What is your life about?”
“What do you have to share?”
“I have nothing else to share.”
“To share.”
“I get busy.”
“I want to taste it.”

“Did you wash.”
“How did we end up here?”
“Do you want to do something else?”
“That is death to me.”
“That keeps me alive.”
“Do it quickly.”
“there will be an answer.”
“We are way beyond that.”
“You need to make a list.”
“I need total calm.”
“I am moving on.”
“I realize what caused the problem.”
“It will be fixed.”
“He is the unbearable bear.”
“How does that work?”
“That is on the surface?”
“I am surfacing.”
“Wow, this is really involved.”
“I never had a chance.”
“You could have done some good things, but you did them badly.”
“The show comes by.”
“Where did it end up?”
“In memory.”
“I like to remember.”
“That is ridiculous.”
“You have been doing this for years.”
“What else do you have?”
“I need to get to the next level.”
“This is not teaching me anything.”
“This is hideous.”
“Reg, I love everything that gave me.”
“I need to stop this quickly.”
“Where is this going?”
“I cannot even think about this.”
“Put it all in the bank.”
“Where is it headed?”
“Are you taking a chance?”
“Who are your friends?”
“Who is influencing you?”
“This is so disgusted.”
“What is your problem?”
“You do not give me the opportunity to be myself.”
“We were much further along.”

“We went back.?”
“You have two parallel lines.”
“Keep moving along.”
“This is going to be a big deal.”
“There are choices.”
“None of this is going to work.”
“It is not like it seems.”
“Baby had a solution.”
“What happened to baby?”
“Read the damn book.”
“We had closed the book.”
“Then you asked me to read from a page.”
“The home planet is in trouble.”
“I need to explain things to you.”
“We do not have enough time to explain.”
“Jump on in.”
“We have alternatives.”
“You can join in.”
“Expand the horizon.”
“Are you kidding?”
“Are you inviting me inside?”
“This is not legal.”
“We are doing it anyway.”
“Show me your face.”
“What am I not seeing?”
“Who are you waiting for?”
“Did you pick me out?”
“I am not the one.”
“What do you do when she shows up?”
“Reg, you have an answer for everything.”
“This is not going to end up in any kind of solution.”
“They figured out something worthwhile.”
“We can have class right here.”
“You are always trying to tell me things.”
“There are too many people in this bus.”
“I want to switch lives.”
“I am back for more.”
“I am back.”
“That is everything that I have always hoped for.”
“We are loving this.”
“Then the world unfreezes.”
“We can get out of here.”
“We do not have to be who we say we are.”

“We cannot be who we say we are.”
“What are you trying to teach me?”
“I brought you something.”
“We are not working.”
“No one is working?”
“Come closer, sweetheart.”
“Reg, you cannot control me with your emotions.”
“How did you get in here?”
“There was no one waiting?”
“This is all that I have.”
“I need this for savings.”
“You are pushing me along.”
“She is not coming.”
“She is never coming.”
“Reg, why did you tell me to be here?”
“I need to make money.”
“I need to learn how to love myself.”
“You said that you were waiting.”
“I want wine.”
“Drinks.”
“Doughnuts, doughnuts, doughnuts.”
“You cannot eat your way to happiness.”
“I got a role.”
“I need to get back to a friend.”
“I am glad that you finally arrived.”
“Come save me!”
“This is not goo for either of us.”
“The planet is about to explode.”
“Jump on the ship.”
“There is no room.”
“Can I wait any longer?”
“That will not work.”
“I need to change.”
“He is signaling.”
“Reg is trying to tell you things.”
“None of that ever works.”
“This is not my fault.”
“Do not pry!”
“Reg is everyting that he seems to be and more.”
“This is more.”
“I know that scene.”
“I know that look.”
“I do not want to stop.”

“No one wants to stop.”
“I have reached my destination.”
“There is something that I need from you.”
“That will not do.”
“Give me another chance.”
“I do not work by chances.”
“I do not want to go backwards.”
“We already have.”
“There are other ways.”
“Reg, quit lecturing me.”
“What do I need to know?”
“This is so uncomfortable, but we keep doing it all the time.”
“We can make you look wonderful.”
“I hope that he appreciates what you give him.”
“I never get what I am promised.”
“Keep the song going?”
“That is very imitative.”
“You are my angel.”
“Of course, you are.”
“The planet has phantoms not angels. Read the book more closely.”
“The passion creates illusions.”
“Our lives create illusions.”
“Reg, you are controlling.”
