

IN THE VICINITY

“Eunice, do you really understand the effort to move the whole family to Mars?”
“Is that actually under consideration?”
“You mess up in one place, and you need to head to the next.”
“There are things that help me to understand myself better.”
“I know everything about you.”
“Did you find my notes in the margin of the book?”
“Do you want to discuss them?”
“I had hopes.”
“I could buy and sell things.”
“I could breathe.”
“I saw the doctor.”
“Cut away.”
“What is his dream?”
“Where is the promise.”
“What is possible?”
“I took whatever was mine.”
“Eunice, you cleaned out the place.”
“We started to go deeper.”
“Where do you work?”
“A four-leaf clover.”
“This is a crossroads in our relationship.”
“You don’t give me anything that I can’t find on my own.”
“What are we looking for?”
“Contact from another planet.”
“There is no such place.”
“I want to give you a purpose.”
“The fries are good.”
“I am only a consumer. I want to give the world something.”
“What is the something?”
“It all comes back to me.”
“Hold on to the card.”
“I need to make some purchases.”
“You end up with the same thing over and over again. Sure, you will get it wrong.”
“I made a mistake.”
“I have too much body in the show.”
“I need some help. My life has not gone the way that I hoped.”
“The smell of a burger.”
“That is enough to give me everything that I expect.”
“Expect to be loved.”
“Why are you doing this to me?”
“Do you not like your job?”

“How could I love my job? It is a 120 degrees in there.”
“Have a potato.”
“What is the complaint?”
“Duh!”
“I only want to be loved.”
“That is not amounting for much.”
“What have you made with your passion?”
“Big eyes.”
“It is not all that it is cracked up to e.”
“I could be devoted.”
“This is all in the now.”
“I stay over and what does it amount to?”
“Random acts of kindness.”
“Change along the way.”
“I know that guy.”
“He is looking at me?”
“Eunice, what is your worry. Reg is no longer around.”
“He does not even notice me.”
“Are you going to race away?”
“I need to get touch with you.”
“Road rage.”
“The mask.”
“What have I become?”
“Do not make a silly mistake.”
“I was prepared for this.”
“I need a garden hose.”
“I got it right.”
“You are following me.”
“There is too much me in the moment.”
“That is terrible.”
“This is not pretty.”
“I am not that good.”
“Join on in.”
“You are now part of the family.”
“Did you expect that I would show you something?”
“Protect yourself.”
“We can be friends.”
“Get a job.”
“Eunice, I work. I use my brain. I do not sweat.”
“That was so much fun.”
“You are destroying the house.”
“Who is the freak?”
“What do you want to tell me?”

“What is this about?”
 “This is a freak show.”
 “This is crashing down on you.”
 “You are the expert in a room.”
 “Where is this going?”
 “This is going to get messy.”
 “That is good enough for me.”
 “We are going to have to break laws.”
 “I am not that kind of guy.”
 “I do not want to be touched.”
 “You are not good at this.”
 “What do you want?”
 “Your money or your life.”
 “Some people you cannot trust.”
 “Who did you give me to?”
 “What is the split?”
 “How did I end up here?”
 “I have a business call.”
 “What do we do next?”
 “We could read some literature.”
 “What are we reading?”
 “This is silly.”
 “Here is my car.”
 “Why are you so difficult?”
 “What do you want me to tell you?”
 “I want you to find where she is.”
 “Eunice is right here.”
 “I am the boss.”
 “There are rules.”
 “Where does this come from?”
 “You look great.”
 “How did you find me?”
 “I do not let things happen to me.”
 “Sorry.”
 “You are softening me up.”
 “What is the soft part of me?”
 “It’s not just the body. It is all the associated beliefs. I have so many associated beliefs.”
 “There are remedies.”
 “I parked in the wrong place.”
 “Reg, you are a prick.”
 “Are we breaking up?”
 “There is smoke in the distance.”
 “There is only way to succeed.”

“To fail marvelously.”
“How do I get out of this?”
“We need to switch places.”
“There are ways to help yourself.”
“No police.”
“Do not touch me.”
“Who is talking?”
“Reg, you are a prince.”
“Reg, you are such a mean person.”
“Let us be fair.”
“That could have been my life.”
“It wasn’t.”
“Here, is the money.”
“How do I drive out of here?”
“That is what I am looking for.”
“He is an awful person.”
“Another buddy boy?”
“There is only one.”
“What do you admire?”
“You pretend to be something that you are not.”
“I do not have much to share.”
“I need a door in.”
“I need to be led away.”
“That could have been my show.”
“I know more about you than you know.”
“This is going to cost so much money.”
“I need your help.”
“I am melting in your arms.”
“How long does this continue.”
“Be very, very careful.”
“Get down.”
“They are going the wrong way.”
“This is a real mess.”
“Do not try to do me in.”
“I need to obey the only law that matters.”
“What law is that?”
“Do unto others.”
“Do you have a tax accountant.”
“I am a tax accountant.”
“Do you have naked taxes?”
“Where does this end up?”
“Where is the lesson?”
“Is there a lesson?”

“I want to come out of here on top.”
“I am on top.”
“I have everything that I need.”
“My life is changing.”
“Change away.”
“There is only one way to succeed.”
“Do you have reservation?”
“Are you going to pop the question?”
“Why do you hate me?”
“What is free?”
“Why is he sneaking like that?”
“I am going to need your help.”
“Let me listen.”
“Give me food.”
“The food is good. It gets me in the mood.”
“What kind of job do you have?”
“I want to come out on top.”
“Just join me in a celebration.”
“That is not going to work.”
“You lost the only thing that matters in your life.”
“I can give you the truth.”
“Reg, you do not know what the truth is.”
“They towed my car.”
“It is out front.”
“Love is on the back burner.”
“Bring me some rolls.”
“This is a coincidence.”
“We are related.”
“I need to get out now.”
“This is embarrassing.”
“We could share so much.”
“I have a friend meeting me here.”
“Where did you go?”
“It that a placement?”
“The took my life from me?”
“You can get another one back.”
“Do not pretend that you are making the world?”
“How do I get it back?”
“You have done so many things wrong.”
“I only want to get one right.”
“Which one?”
“We are headed towards the ends of the earth.”
“Here are flowers.”

“I keep trying to break down the barrier.”
“Reg, you are not good for me?”
“It is not like you think.”
“Who is trying to get in my head?”
“I think that I see what I like.”
“I need to work on it.”
“I am working on this summer thing.”
“Where do you keep the money?”
“He is freaking on me.”
“How does that work?”
“Rub me down.”
“There are smooth spots in the galaxy.”
“That is not what I need to hear.”
“What do you need to hear?”
“I am not a big fan of that shit.”
“You do not understand.”
“This is a memorial.”
“I always come back to the same place.”
“I am coming back.”
“This made everything change.”
“Give me a little at time.”
“That is not enough.”
“Reg, you have no rhythm.”
“It is never as bad as it seems.”
“Quit being prick to the world.”
“How do I get centered?”
“This will all end up in the same place.”
“They want it more.”
“We have it good.”
“I know what to do.”
“We need to take something.”
“What are we taking?”
“How does the universe work?”
“On frequencies.”
“I need to escape.”
“You never have enough time.”
“These are simple things.”
“How did you ever hang on?”
“This seems like my fate.”
“The kids are having a birthday party.”
“I was sure that I was close.”
“That is not what I am looking for.”
“Who long does it take to get ready?”

“I do not have much money left.”
“I need to waste some more of my life.”
“I want to stay with you.”
“Through thick and thin.”
“There has to be a better way.”
“What is that?”
“Why do you pay?”
“I want you to give me a little more life.”
“I need a room.”
“I cannot give you the information.”
“We cannot tell you what you need to know.”
“Tell her that I am here.”
“Ring up every room. Knock on every door.”
“You need to get me in there.”
“That will not work.”
“Where are we going next?”
“You are interfering with my greater mission.”
“It is all about touch and go.”
“This is amazing.”
“She is up there.”
“Reg, are you following me.”
“We are coincidentally in the same place.”
“I need to get out of my life.”
“I cracked.”
“I cannot find love.”
“You are turning into some kind of freak.”
“I am not going to do anything wrong.”
“I need ice.”
“The ice man cometh.”
“This is a real freak show.”
“I have all the ice that I need.”
“You are burning hot.”
“There is one more stop.”
“We can wait.”
“Call me.”
“Bring us together.”
“We are forever.”
“We are everywhere coincident.”
“I want all of this and more.”
“This cannot be corrected.”
“Rub this cream all over your body, and you will be healed.”
“I will be like you.”
“You call it pleasure for me to twist my body like a pretzel. What is really in it for me?”

And I keep thinking if I like things in the right way that I will be liked in the right way.”

“Eunice, who is putting ideas in your head?”

“That has always been your goal.”

“Am I really here?”

“Eunice, you are here.”

“Who else is with us?”

“That is the question of the day.”

“Reg, you are trying to be multiple people.”

“We have to play this out.”

“What good it is for either of us.”

“How long have we been here?”

“I know how to talk cost.”

“You are missing what you need to get what you want.”

“I cannot live my whole live thinking about giving you pleasure.”

“Should I look close, or should I go long?”

“What do you about?”

“Where is this headed?”

“What do you want me to tell you?”

“This is such a pleasure.”

“That does nothing for me.”

“What do you want? I can give you what you want.?”

“Reg, you are really working me.”

“There are alternatives.”

“What alternatives?”

“I know where to look.”

“Everyone is on a different path.”

“Your path is no closer to mine.”

“I am doing you favor.”

“Show your face.”

“I am looking at you.”

“Fess up!”

“What is this about?”

“Some things you need to take on faith.”

“I am not as lovely as I seem.”

“None of us are.”

“You got scared.”

“This is a story driven by fear.”

“I have been waiting to talk to you.”

“Are you the one?”

“They are here together.”

“How can you be more assertive?”

“He is not the one.”

“This is becoming hilarious.”

“This is not a pleasant way to start.”
“There is more noise.”
“I am going to have to take time out explaining it to you.”
“There is one challenge for tomorrow.”
“Only one.”
“No one can hear anything anymore.”
“What are you trying to tell me?”
“We will talk again.”
“This was so embarrassing.”
“Who is doing this to me?”
“We do it to ourselves.”
“I am the one.”
“You haven’t been seeing me.”
“Who sees anyone?”
“I will help you through the accident.”
“Where did it end up?”
“Working in a cubicle.”
“Working at home.”
“We could call pleasure a form of work.”
“We spend all this time looking for the pleasure center.”
“How much time do you spend doing your work?”
“What should I think?”
“I wanted to make life right for you.”
“You could be a little better at this.”
“You feel better about it, but nothing changes.”
“I am getting this all wrong.”
“What would right be?”
“Something without you.”
“You do not mean that.”
“My book is trying to teach me an important lesson.”
“I am just beginning to make the world change.”
“None of this makes a difference.”
“This will take a long while.”
“What are you trying to convince me.”
“I need another job.”
“You did what you did.”
“Reg, you always make excuse.”
“We like different things.”
“Do not ruin yourself?”
“There are millions of different forms of the same thing.”
“There is a way to pull this out.”
“You could tell your story differently.”
“What was that?”

“I need to run away.”
“This was not smart. You are ruining everything.”
“This is not a compliment.”
“What would make you feel better?”
“Someone has to save the organization.”
“This is a blessing.”
“Respect yourself.”
“Where will that go?”
“You have to leave.”
“I have been saved.”
“The mix is curdling.”
“I am here to save you.”
“You are getting too close.”
“I can turn you on.”
“Reg, you are destroying me.”
“I could never trust anything like this.”
“I like the suit.”
“You make these promises. And all the promises have promises.”
“Where did this start?”
“We have choices.”
“We have personalities.”
“I need to be different with myself.”
“What got this started?”
“I will not be mistaken.”
“We are stuck in a forever now.”
“I will see it.”
“She left.”
“Where is Eunice?”
“She took her book.”
“No one is going to bother me here.”
“I still need to come to a solution.”
“Keep running, Reg.”
“I was sure that it was you.”
“This is a love thing.”
“I am going to get you.”
“Get me. You understand nothing.”
“I need to hide.”
“I am hiding here.”
“We are hiding together.”
“We can do hiding things.”
“She is right there close to us.”
“The book tells me how it happens.”
“We have very different goals.”

“Where are we stopping?”
“Do not leave me?”
“Reg, you don’t really care about my feelings.”
“I work for everything that I have .”
“He runs fast.”
“He works at it.”
“He is going to injure himself.”
“I need to do something.”
“The water is dirty.”
“You make me feel dirty.”
“We do things for pleasure.”
“He will get lost.”
“Let him go.”
“They need to all let go.”
“Where is the winner?”
“There is none.”
“There needs to be an end.”
“We are here to rescue you.”
“You ran and hid.”
“I am willing to admit to my offenses.”
“There is only one way to make this work.”
“He took what no one could take.”
“What is in there?”
“You should not have ordered the chicken.”
