

RESCUE PET

“I still do not feel like myself.”
“You are identifying with the book.”
“You are a hero.”
“I want to join in.”
“You showed me something that really means something.”
“It cannot last just for one day.”
“Do I know you?”
“My name is Reg.”
“That sounds familiar. I imagine meeting you.”
“We never met.”
“Why would you think that I love this?”
“I saw your book.”
“Fantasy adventure.”
“Whose fantasy?”
“I know you.”
“You can explain things about yourself.”
“I do not want to be here.”
“I am not looking for an explanation.”
“This is a terrible place to start.”
“These are the things that you always loved.”
“I have abilities.”
“I can barely see in here.”
“I thought that the lighting was romantic.”
“Is that what it said in your book?”
“I thought that you have some kind of vague ethical commitment.”
“The book has a code. I have a code.”
“I try to do the right thing.”
“We came in here together.”
“You are a freak.”
“I am trying to protect civilization.”
“Why did you start kissing on her.”
“Where are you going to end up?”
“I want to be touched.”
“Touch never means that much. You need to develop your preconceptions.”
“How does that start?”
“I have dreams like everyone else.”
“I end up in the same place.”
“Someone is hitting me around.”
“You will improve.”
“That is what they told me years ago.”
“None of this is real.”

“Do you have anything that will help me to relax?”
“Is it in a pill form?”
“Do you think about anything else?”
“I like to party. I never want it to end. And that is what a civilization is. You never have to come down.”
“Did you have a good family?”
“Where are you relaxing?”
“Want me to show you something? Want me to reveal something?”
“Did you take money from my room?”
“Who is the kid?”
“I am going to watch all of this.”
“I planned every step along the way.”
“I need to distill that moment of pleasure.”
“Who did it to you?”
“Who did it for you?”
“I can be that way with a lot of people.”
“I can be equidistant.”
“What else is there here?”
“Do not stop?”
“Reg, you are doing a million things to try to destroy me.”
“How much do I have for food?”
“You need to work more.”
“Who are you watching?”
“I am sorry.”
“What is inside?”
“What are you so angry about?”
“Reg has a limited number of emotions.”
“He wants to punish you.”
“You stole all my shit.”
“This guy thinks that he is the law.”
“Life changes.”
“The sun is going down.”
“The sun is coming up.”
“I need to time.”
“What is your fear?”
“I want to use my deck.”
“What is your objection?”
“She is happier.”
“He controls her dreams.”
“Treat me better.”
“You are scaring me.”
“I am not being mean to you. I am telling you the truth.”
“Eunice, where did you find this guy?”

“I need to see some pictures of you dancing.”
“What are you asking me?”
“We love pleasure too much.”
“Should we enjoy fear?”
“Why did you leave the house?”
“You need to be more careful, baby.”
“I do not want you to be nice to me anymore.”
“Why do you let this Reg character say all these mean things to me?”
“Do you have everything that you need?”
“How did the world all get taken apart?”
“That may patch it all together.”
“I hope this will be simple.”
“This is the whole body.”
“You want one person to believe.”
“Tell me that you believe.”
“This really scares me.”
“We could have started back then.”
“Who are these two?”
“They are victims to the pleasure center.”
“How did you get so free?”
“I do not want to be any different.”
“Are we bonding.”
“I cannot hear a single word.”
“There is much extraneous noise.”
“Reg feels very powerful.”
“This will not last all night.”
“This is a medium close up.”
“This is all you.”
“I need to get closer.”
“We need to dissect.”
“What is the story?”
“Anything that I say to be right.”
“Do you have a friend?”
“You have everything that I need and more.”
“You are making the biggest mistake of your life.”
“Life should be better than this.”
“This turns me on.”
“I like to watch.”
“This fills me up with the right mix of good and bad.”
“I got nothing.”
“You are letting these guys get in your head.”
“I only want the flow.”
“What does that mean?”

“It is all part of human recognition.”
“Nothing will change.”
“I am back to being who I am.”
“All the money in the world will not help.”
“I do not want to go.”
“How can I explain yourself? What does she mean to you?”
“I am so full of your shit.”
“That isn’t how you felt earlier.”
“I got what I wanted.”
“There is a battle in the desert.”
“I need to be heard.”
“This is all more efficient.”
“What is the choice?”
“I cannot be saved.”
“What am I supposed to say?”
“Reg, you can be a real jerk.”
“I want more than insults. I am looking for understanding.”
“They finally got me right.”
“This is working better than anyone imagined.”
“Money is not going to do this.”
“I want to reach the center. I need to be understood.”
“I cannot be free.”
“Where do I start?”
“I want to make noise.”
“This is all yours.”
“If I die, I give it to you.”
“That is not what I want to hear.”
“We are not supposed to go down like this.”
“What were you thinking about?”
“You were cheating. You got caught.”
“Everyone know what this is about.”
“I am now in the party zone.”
“Am I living or dead?”
“I have become one of the characters.”
“I am no longer on this earth.”
“Eunice, you are going to get so far out there that you will not be able to come back.”
“The room is spinning.”
“I am taking much longer than I expected.”
“I will become clean.”
“How much are you paid for this work?”
“Where is this going to end up?”
“Which time?”
“We have a lot of time.”

“Come back?”
 “What do you do at home?”
 “I want a guy who understands.”
 “You want a new language.”
 “I have rhythm. I danced around my apartment.”
 “We need to sit down with this.”
 “Who is going to complain?”
 “It is something different.”
 “Face me.”
 “That does not do it.”
 “That does not do it for either of us.”
 “Why does it mean to have a surrogate?”
 “I do not have to give all of my love.”
 “There will be others.”
 “You are committed to me.”
 “You believe in some kid of transferable love theory.”
 “I worked to get the right pose.”
 “I am going to be able to sleep.”
 “This will be better than you can imagine.”
 “Who is am?”
 “I eat, I watch television, and we make love.”
 “That is not enough for either of us.”
 “You are insulting me?”
 “None of this matters.”
 “I like cool clothes.”
 “I love the look.”
 “Who interrupted to look?”
 “Who made it work?”
 “What is this about?”
 “We are trying to be something that we are not.”
 “I took the chain.”
 “I took the surplus.”
 “Where is this headed?”
 “Get a replacement.”
 “I can pay you back.”
 Reg ran all around the apartment. Eunice half-expected him to destroy something.
 “He left everything as it was.”
 “You look great.”
 “A kiss would complete it.”
 “I want you to be more than this.”
 “I am a great reader.”
 “I wish that I could be like you.”
 “I have everything that I need.”

“We can share.”
“This is getting scary.”
“You can leave now.”
“I am the wizard.”
“You are supposed to be more than that.”
“Look what you have done now.”
“This is not your name.”
“What is this really about?”
“One of us is a thief.”
“What do you want to know?”
“You are such a thief.”
“Does that make you look great?”
“We are trying to transform ourselves.”
“This would look so perfect.”
“This looks so perfect.”
“They have a new look.”
“It is fashionable.”
“Let us complete.”
“What else do you know?”
“You are making me feel so much better.”
“I loved the dinner.”
“This was great spice.”
“There is kissing.”
“There is a rice dish.”
“You messing with it all.”
“What is in there?”
“I want to change something about myself.”
“Is it the color, or is it the origin?”
“This is when you start to freak.”
“You are sure that it is going to be perfect.”
“I worked all night. I helped to clean the place.”
“The guy tell you.”
“I cannot overcome Reg.”
“I need to help you. I need to teach you.”
“This is going to be a wonderful place.”
“There has to be some way to make it work.”
“This is the perfect machine.”
“I have so much pain.”
“I cannot back.”
“It needs so much more.”
“I am getting it together.”
“I am trying to escape.”
“I have figured out something.”

“Why are we starting now.”
“What makes this work.”
“This is great stuff.”
“This is a freak show.”
“Scary show.”
“I am going out the window.”
“I have to give myself the shine.”
“She has it all.”
“There is more than the body.”
“I feel so much more pain.”
“We are richer.”
“Spend quickly.”
“None of it is worth anything.”
“They are moving all around.”
“That could be me.”
“I do not recognize a thing.”
“I could use one hours.”
“Who is the freak?”
“He is playing a game.”
“How can you trust him?”
“I am going backwards.”
“A cocktail in a wine glass.”
“Tell me what do to, dear.”
“Reg, you can be a pain.”
“When did you get in?”
“This is dragging too much.”
“I go around and around in the same way.”
“Do you like the pose?”
“It is still the job. The shitty pose. The same thing again and again.”
“Who taught you that look.”
“She is going to explode on me.”
“That is not going to work.”
“This makes me feel that I am way more than me.”
“That would do.”
“Any of this would do.”
“I have to do some work.”
“Reg, I need to work on the universe.”
“What has he been working on?”
“Where did I start?”
“Who else is in here?”
“Are you a child?”
“There was so much fantasy.”
“I cannot even remember you.”

“The emperor defeated the wizard.”
“Reg, this is science.”
“There are still resources.”
“Where does this start?”
“What is in the bottle?”
“How does the truth serum work?”
“Take an additional five minutes.”
“I like how you used to be.”
“You are pretending.”
“I want to move in space.”
“I am twisting around the home planet.”
“You need a clear path.”
“I will sleep.”
“Are you prepared for this?”
“There are three steps.”
“I need to get involved.”
“You escaped, but I am going to have to go back there.”
“YOU ESCAPED, BUT YOU ARE GOING TO MAKE ME GO BACK THERE.”
“What does that mean?”
“What is in the bottle?”
“I am early.”
“I need a solution.”
“There are multiple ways to do the problem.”
“What does Reg know?”
“You only think about one thing.”
“What one thing.”
“PLEASURE.”
“I am different.”
“Double Pleasure.”
“Where does that go?”
“Movie of the week.”
“This creates this hollow inside.”
“We are soul to soul.”
“This is bull shit.”
“All the blood is flowing out.”
“This is all that matters.”
“This is going to be dangerous.”
“Wear the safety belt.”
“Reg is pushing me.”
“Do not let him do that.”
“What is he teaching you?”
“I do not know were I am.”
“I do not want to be alone.”

“There is a freak show.”
“She is going to be all out of vital fluids.”
“He is keeping track.”
“I need something to bring me down.”
“Let me be natural.”
“Where are you?”
“Close.”
“I need to stay awake.”
“This is a constant party.”
“You have done it again.”
“How is that?”
“I need resuscitation.”
“I need to get you to a hospital.”
“I need you to puke it up.”
“This is a terrible way to think about existence.”
“Stay with me.”
“You have everything that I need.”
“Eunice, you are so melodramatic.”
“He is messing with you, Eunice.”
“Who is this guy?”
“When is this ending?”
“They will ask us all to leave.”
“Reg, I need to be alone.”
“With this guy.”
“They gave us a free look.”
“This will not help.”
“I am so turned on.”
“I am so turned off.”
“I am never getting what I want.”
“I know the story.”
“This is nothing that I expected.”
“This is our future.”
“I cannot go back to your shitty past.”
“I need to hide all the evidence.”
“The evidence is too real for me.”
“What would you do if you realized that you had the power to change your life?”
“I am not trying to steal from you.”
“What is going wrong in this house?”
“I needed to meet some new friends who helped me with my dreams.”
“Where is this coming from?”
“I don’t like the way that your personal life looks.”
“I need you to come help me right now.”
“Is this what my life is going to look like?”

“I cannot do a thing.”
“What do you do with your time.”
“I couldn’t hear what is happening.”
“I did not want to be treated as a servant.”
“Tell me what I should do?”
“How am I going to survive?”
“We have good times, but it not good times all the time.”
“How do you even survive?”
“This has nothing to do with me.”
“No offense.”
“None taken.”
“What were you expecting from me?”
“There is nothing else but this.”
“You should not give so much of yourself to one person.”
“I was already here.”
“I was here already.”
“I cannot solve all this.”
“I designed this costume.”
“Finish this off.”
“Where is your head?”
“Why am I like this?”
“We are going to develop our life.”
“Turn this on.”
“Who is making this happen?”
“I want a resolution.”
“I move this stuff.”
“I love you. I want to love you.”
“Why are you interrupting me?”
“Are you trying to scare me?”
“This is so strange.”
“What is your objection.”
“We destroy ourselves.”
“What is this about?”
“I find this funny.”
“I do not want to be part of any of this.”
“Are you blaming me?”
“We are not supposed to be this way.”
“We learn. We change ourselves.”
“This doesn’t matter for much.”
“What are you telling me now?”
“I want to find a way to get away from you, but, Reg, you have something that I want forever.”
“Things have changed.”

“What did I do wrong?”
“I have found someone, who I can blame.”
“I am not saying any of this”
“Who is this creepasaurus.”
“He is everything that I need to deal with and more.”
“Sleep is not going to do it.”
“This is the beginning.”
“Eat the snack.”
“Why is life like this?”
“You tell me, Reg.”
“Why are you hanging on?”
“You flush the stuff, and you will need to cover it.”
“You need to leave now.”
“What is this about, Reg?”
“What do you expect is going to happen?”
“I am lost.”
“You need to quit.”
“Quit what?”
“Quit what?”
“You are ignoring me.”
“It can’t be fun all the time.”
