

THOUGHT CORRIDOR

“Kiss me, and I will have the perfect awareness to change the world.”

“You have no idea what amazing is.”

“I am back in the city.”

“You are manipulating me.”

“I will complete this tomorrow.”

“Do not play the headache option on me.”

“I can see the top of the world.”

“I made a little change.”

“Look me in the eye.”

“What is your truth?”

“Where is this headed?”

“Who is controlling the money?”

“What happened to you?”

“I do not want you to contradict me.”

“I am pulling tighter.”

“They will tell us to leave.”

“What is the basis for the excitement?”

“We are reaching multiple awareness.”

“I found a way in.”

“You gave me a key.”

“This needs to be understood.”

“Who has the money?”

“Who are you kidding?”

“You were a go between.”

“What is in a safe?”

“Why do you deserve this.”

“What is in the inside?”

“How is that possible?”

“That is out and out theft.”

“How can you say that?”

“I am going to turn you in. I have total control.”

“I have been outplayed.”

“That is all that I want.”

“The image of trust.”

“Who is the guy?”

“I cannot take you back.”

“You do not understand what we are fighting for.”

“This will not last in perpetuity.”

“I am not going to melt for you.”

“What are you hiding?”

“A fundamental truth.”

“You have no idea what happened to me.”
“We have an hour to make this right.”
“That is not what is happening.”
“Do not believe him?”
“This guy is not in control.”
“YOU ARE NOT A BAD PERSON.”
“You have no idea where this is headed.”
“What am I doing?”
“I love you.”
“That will not rescue me.”
“Someone would be crazy really to love you.”
“I know how I am leaving.”
“What have I done?”
“He left me flowers.”
“Let me back in.”
“We are going to work together.”
“We need to get to the bottom of this.”
“They are working together.”
“She is becoming more complete.”
“What was left out?”
“You need to understand how this works, or how it doesn’t work.”
“This is the downside of mediocrity.”
“Do not leave.”
“I have lost the trail.”
“Do not worry about what you have lost. Think about what you have gained.”
“We have found the truth.”
“How did you get her to act like that?”
“A twisted script.”
“What is this really about?”
“How does that work?”
“This is a big happy family.”
“Where did that come from?”
“That is not going to happen.”
“When will I hear the truth?”
“Is this a blind trust?”
“Are you kidding?”
“Who did the messing?”
“That is nearly impossible.”
“It is more than it used to be.”
“This is an even more ridiculous way to end.”
“You have to dance on the table.”
“This is worse than you can imagine.”
“How do you feel?”

“You are not reading this properly.”
“Do not let go.”
“What is this about?”
“Do I get to sing?”
“Is this my song?”
“Eat the marshmallow.”
“What is the truth?”
“Where does this end up?”
“This is worse than ridiculous.”
“There is the Agency. Do not forget what they are doing!”
“What is really going on?”
“He is insipid.”
“That is ridiculous.”
“I could not relate.”
“He is all tied up into a ball. He is pulling harder.”
“I do not have a lot of money.”
“You can survive with an exercise of the will.”
“These are two variations of certainty.”
“Do you have food for all of us?”
“I am thinking about miracles.”
“You are going to need an extra basket.”
“This will end up soon.”
“I have a pizza business.”
“This is going to work out.”
“I can’t take it.”
“Get it cleaned up.”
“He is going to end up in the hospital.”
“Allergic reaction.”
“Can I take a peek?”
“That sounds good.”
“Take the book, and love me forever.”
“This is going to excite both of you.”
“This is not a partnership.”
“That will not work.”
“What can you do for me?”
“I do not need you interrupting.”
“This is all getting in the mix.”
“She wants to get in on my new life.”
“Should I call back?”
“Do want a cone or a pie?”
“Apple-flavored.”
“Do you have a new job?”
“We are both on the up and up.”

“I cannot get it back.”
“You are spiraling down, and I am trending.”
“I need to meet you again.”
“What did you get in return?”
“I see a future.”
“I scared the monster away.”
“This is America. Free opportunity for all of us.”
“I need to learn.”
“I need to discover a method.”
“We are closed down.”
“What did you pay?”
“We can both work together.”
“I make it funny, and you make it work.”
“Let me hop inside.”
“You are the best thing that ever happened in my life.”
“Why are you dissatisfied?”
“I spent the money.”
“Let me tell you what you need.”
“Road trip.”
“I will come up here.”
“This is going to be some crazy stuff.”
“This is a partnership.”
“What do I get?”
“Is the spaghetti sauce ready?”
“They stole everything that I own.”
“I am laughing.”
“We are both in this together.”
“That is going to destroy me.”
“Keep your eyes on the road.”
“That is not efficient.”
“Do not knock on the door.”
“Who are you?”
“Are you kidding?”
“Where did you find this?”
“At the far end of the world.”
“That is not going to work.”
“What are the variations?”
“This is too difficult!”
“It better be better.”
“They will ask us to leave.”
“We have something wonderful in the repertoire.”
“Is this working?”
“I am alive.”

“Where does this end up?”
“We need to get out of this place.”
“She is guiding us to the ends of the earth.”
“You need to answer.”
“Who is driving?”
“The digestive system.”
“This is hardly the fastest way to our destination.”
“I am going to knock on the door?”
“I need to borrow some cash.”
“Do not eat the cookie.”
“That could be me.”
“She is knocking on the door.”
“Can I come in?”
“What is my name?”
“There are too many active guys.”
“What is going on in there?”
“Do not stop?”
“Are you looking in the mirror?”
“I am looking at a video feed of your room.”
“That is sort of illegal.”
“You signed a release form.”
“Where will this end up?”
“I can tell you the truth.”
“I tried.”
“I drip ice cream over my body.”
“What is going on in there?”
“You need to give me a little credit.”
“We could push this along.”
“It does not work that way?”
“What do you identify with?”
“I would rather stay there.”
“This does not turn me on.”
“This hardly works.”
“Where is this heading?”
“This is not responsible.”
“What do you need do?”
“I am destroying my act.”
“Are you kidding?”
“Hop on the bus.”
“This is hideous.”
“We are leaving.”
“Where is the lizard going to end up?”
“Use a trap.”

“I am not good at this.”

“I want to take care of this.”

“This is one-on-one.”

“Who is doing the kissing?”

“What are your fantasies?”

“How are you going to describe me?”

“Did you ask me for permission?”

“Do you have anything better to do with your time?”

“I will never be complete.”

“You are so over the top.”

“I am starting to like you, and all that you can talk about is that woman who used to be your love.”

“This is an introduction to self-denial.”

“I have this down perfectly.”

“Where did you come up with this?”

“You revealed something terrible about yourself.”

“Everyone is carrying around something extra.”

“What do you have with you?”

“My provisions.”

“That could not be better.”

“I got it.”

“I love how you make it a go.”

“That is a little too loud.”

“You have to pay.”

“This is your invitation to leave.”

“You needed to be a little further ahead.”

“There is a reward coming.”

“This is going to happen again.”

“How is that going work?”

“You need to add sparkles.”

“That is going to work.”

“We need to keep this going.”

“That is a wonderful look.”

“She is about to say the word.”

“How do the creative stones work?”

“It is a partial map of the universe.”

“Was this just for show.”

“You have a few minutes to decide.”

“How are we going to complete the journey?”

“You are going to have to sleep in the car.”

“We have seven more minutes.”

“This will result in a sale.”

“That is impossible.”

“How much money is in the show?”
“What is the upset?”
“Where are you going to go?”
“What is this really about?”
“We are both pleased.”
“I am converting to money.”
“This is going to be impossible.”
“I only want to eat the doughnut.”
“We are not right for each other.”
“What is wrong?”
“You look great.”
“I have succeeded.”
“You love destruction.”
“We need to move this further along.”
“What is the upset?”
“I did not know that you were that important.”
“We all are.”
“You need to see the movie.”
“I am watching it online right now.”
“Does it make you excited?”
“That is freaky shit!”
“That is impossible.”
“What do you get in return?”
“I get to forget things.”
“He found me out.”
“He has a great memory.”
“We can do this again.”
“I only want to feel good about myself.”
“And that does the trick.”
“The tricks are difficult.”
“Are we going to keep the dance going?”
“She is going to keep playing.”
“What are you really looking for?”
“I want to create a new version of myself.”
“I am becoming obsessive with sweets.”
“Did you find what you wanted?”
“This does not do it for me.”
“I am going to take doubles.”
“Is this you?”
“Do you have all of it?”
“Did you find a solution?”
“That was what was going on.”
“How is that possible?”

“You have convinced me.”
“I did not realize that they had the formula.”
“You have reduced me to nothing.”
“I cannot pay for this.”
“That is impossible.”
“I need to clean up.”
“Where is my computer?”
“I threw myself off.”
“I hardly feel comfortable.”
“This is not going to work.”
“Where is my show?”
“They showed us something.”
“I keep losing my direction.”
“This is all for the final step.”:
“This is scary.”
“I gave so much of myself away.”
“I will not be able to get it back.”
“I want sounds.”
“I want to complete.”
“How does that work?”
“This is major screaming.”
“I need to clean all of this out of the system.”
“We have to go back.”
“That makes me feel wonderful.”
“Did I leave part of myself back there?”
“Are you waiting for me?”
“You need to give me back everything that I lost?”
“We need to call.”
“I love that song.”
“Fill up all the space.”
“That is cruel.”
“You should have never have asked.”
“We are going there.”
“Are you kidding?”
“This is going to end up better than we can know.”
“I want to be part of the show.”
“I want more.”
“How is that even possible?”
“Where do I need to hide?”
“In the bathroom.”
“That seems fair.”
“You owe us money.”
“I am a participant.”

“Tell me how you got it started.”
“You are a professional.”
“You are the last and the best.”
“I have used the calamine lotion.”
“This could have been funnier.”
“I broke down.”
“Try it again.”
“Give me a second chance.”
“There are no second chances.”
“Where do we go?”
“Did you give me my computer back?”
“Here it is!”
“What did you do to me?”
“That is hardly fair.”
“That is not going to happen.”
“We all have a show.”
“Do not say that about me!”
“This is going to end up fantastic.”
“I would hug you until the end of time.”
“I found a solution.”
“Get it together.”
“Where is my fucking legacy?”
“Are you kidding?”
“Oh shit!”
“We are going back.”
“That hardly works.”
“We need to find a way.”
“We are taking hostages.”
“We can go back.”
“Here take my body.”
“This is going to turn into a rocky road.”
“Fuck it!”
“Make the call.”
“Someone found it!”
“How did you get in the story?”
“You shouldn’t dive in those waters.”
“I was never here.”
“You were never here.”
“That took a lot out of me.”
“Next week is going to be the perfect escape.”
“Who is she?”
“We are all done.”
“We got there too late.”

“What is your pitch?”
“Do not come near me?”
“This is not the time.”
“There is another option.”
“I hurt everyone that I knew.”
“Why are you here?”
“Who knows where I am?”
“I am coming apart.”
“What do they want to know?”
“You were a great help.”
“They are going to ask about me.”
“I understand.”
“Have the lemon treat!”
“Who is there?”
“I need to get my stuff.”
“It was better than you know.”
“What is that about?”
“You are kidding?”
“What is there?”
“This is for you.”
“That is nonsense.”
“That is really funny.”
“This is impossible.”
“I will go to a coffee shop.”
“I will wait.”
“That is funny.”
“He cracked in two.”
“Shit!”
“I need to get out of here.”
“I am not part of this.”
“Finish it off.”
“Let me take a few more minutes.”
“Take all the time that you need.”
“Why do you even expect to resolve anything?”
“That is not really allowed here.”
“Do what you will.”
“Turn this into money.”
“I got left here.”
“Bye! Bye!”
“You gave me a sign.”
“Do you need to hear more?”
“That shit really hurt.”
“Take a breath. The pain will pass.”

“Don’t think about it, honey.”
“This is inside my soul.”
“I cannot wash this off.”
“I worked for shit.”
“This will never get anywhere.”
“We need to get out of here.”
“Dig a hold, and put it in.”
“You can work for him.”
“There is a settlement.”
“How did they get my money?”
“Go the school.”
“You need to pass the test.”
“Are there other tests?”
“Loads of tests. Different ways to succeed.”
“I hear this is a real shit hole. I can make it clean.”
“Do you want to be loved? Do you want to be tempted?”
“These children are simple.”
“Are you simple?”
“I work all the time.”
“I know how to fix it.”
“You are not going to fix me.”
“This is all done.”
“I want to be clean like you.”
“Put on a suit.”
“I am coming for you.”
“You are on a list.”
“Someone will miss me.”
“I found the source of your problem.”
