

TOO EARLY

“I cannot give you something that you don’t already have.”

“You are trying to infect me with the pleasure object.”

“What kind of world do you have?”

“This is where I begin.”

“Quit pretending that you are something that you are not.”

“I am giving my life to someone who is ripping me up.”

“What do you take to hang on?”

“I am full of belief.”

“I want a body.”

“I need an explanation.”

“I can move million places.”

“That does not do it for either of us.”

“It doesn’t make the pleasure any better. It just makes me think that there is nothing else but pleasure.”

“We have so much fun being, and being together.”

“This never has to end.”

“When will I be asked?”

“This helps me write off the shit.”

“This is about way more than liking someone. This is the passion of forgetting. You forget about everything but pleasure.”

“Do not come after me?”

I had a lot of difficult explaining regime. He was almost like some kind of physical disorder that I couldn’t get rid of. I kept coming to the same thing over and over again.”

“What do you call that?”

“This is a faith that is going to be taken from you.”

“What is the objection?”

“Who hates you?”

“Who is driving?”

“She exists for everyone.”

“I need to get out of here.”

“How can you change this?”

“Where is this?”

“I do not get it. You are not perfect.”

“Tell me about it, Reg.”

“You are not part of this.”

“What are you trying to tell me, Eunice?”

“Read this book.”

“You have ripped me up.”

“What are we supposed to say to each other?”

“Why are you such an expert?”

“You are the monster.”

“Where does this come from?”
“From the inside.”
“Do you want me to cry now?”
“Are you sorry that you did it?”
“I do this so much that always am sorry.”
“Do you have nothing to say?”
“We are going to build a new world together.”
“This could be my life.”
“But it isn’t.”
“You need to share everything that you have.”
“She really did you in.”
“You were such a creep.”
“What did you do to yourself?”
“What took you so long?”
“Where did she get the shit.”
“She was reading the book.”
“Why are you a creep?”
“Creep, creep, creep.”
“I am the savior.”
“The book has no saviors.”
“I checked myself out.”
“What are you trying to tell me?”
“Open your heart.”
“I do not have enough heart.”
“Are you trying to get back at me?”
“What are the two of you doing?”
“Where is the source?”
“Who is the source?”
“Who is the main influence?”
“What are you trying to tell me?”
“Who is paying?”
“Someone wants to hurt you.”
“How do you get away doing this?”
“Do you want me to call the police?”
“He would not have tried that with me?”
“I am not dangerous like you think.”
“What is your skill?”
“You need to follow the lead sheet.”
“I am trying to take the lead.”
“Your demons are going to destroy you.”
“How does that work?”
“You are really acting the jerk.”
“Call it like it is.”

“I am all pleasure.”
“I have a book.”
“Who thinks about this?”
“I cannot cry.”
“I realized that it was all done.”
“I was running from myself.”
“I was about to reveal.”
“Reg reveals.”
“I just want to put you back in the box. I just don’t know how to do that.”
“This is where I start.”
“I find an empty box.”
“You turned me into an empty box.”
“I like to have fun.”
“No one will answer.”
“Are we going to have to watch all this shit?”
“Who is messing with our perfect game?”
“I am in a dark place.”
“Who is with you?”
“I am by myself for a little while.”
“I need to go do my homework.”
“This is not like you.”
“Are you trying to scare me?”
“This is a form of betrayal.”
“Why are you watching me?”
“I want to learn how to make it simple.”
“That look is coming over your face.”
“Reg, do you want to embarrass me?”
“We both need an excuse.”
“I hate what I am becoming.”
“I have been here before.”
“There is a river. And there is a house.”
“Do not let this bother you.”
“I can lift you up.”
“There are other forms of torture.”
“Where does this come from?”
“Where do you want it to start?”
“This is not a way to save yourself.”
“You are going to get punished.”
“I have come back for you.”
“How does that work?”
“I do not want to be like this.”
“You have invaded me.”
“I can set you free.”

“Reg, what does that mean? I cannot just forget this stuff.”
“What can you do?”
“You are going to have to pay for your fun.”
“How do I do that?”
“Don’t pretend that this is free,”
“Anyone can do that.”
“I need to understand why you are like this.”
“Your words cannot travel everywhere.”
“Where should I start?”
“Peoples should never talk to you. You manipulate their words.”
“Why did you make me this way?”
“I know what is really going on.”
“You have a lot going on.”
“This reminds me of something.”
“Your sin.”
“Your memory.”
“I feel blessed.”
“This cannot be considered work.”
“What is work?”
“Something that steals my soul.”
“It does not have to be that way.”
“What if we all stopped?”
“We do not need your accompaniment.”
“Who likes this shit?”
“Who doesn’t like it.”
“Where do we start?”
“This is perfect for a vacation.”
“I will never come up for air.”
“I am at the top of the world.”
“This has little to do with you.”
“Where is Reg?”
“Who is Reg?”
“What are the actual rules?”
“You will eventually have to leave.”
“Keep putting something inside.”
“How does it all fit?”
“I can control it all.”
“Make it look good.”
“You can make this look stupendous.”
“Use what you have.”
“Do you have what it takes?”
“What am I looking at?”
“You are prying.”

“This is making me feel freaky.”
“What are you afraid of?”
“I am giving up too much of myself.”
“That is bizarre.”
“Eat the food, and do not complain.”
“There is so much genius inside.”
“I need more than flavor.”
“You need to thicken this up.”
“How do I manage that?”
“Have one of these?”
“This is horror.”
“My life with you has been unending torture.”
“Where should I begin?”
“I need to live with this.”
“How does it get in the pipes?”
“This is how we are made.”
“What are you hearing?”
“I want to care about people.”
“Where is this going?”
“This does not last long enough.”
“It has still lasted.”
“She is looking for you.”
“Your name it on the list.”
“That is all that I have ever wanted.”
“We were once perfect together.”
“We both became something greater than ourselves.”
“This will never become any better.”
“She is an example of perfection.”
“We all have that moment.”
“Are you looking at yourself?”
“We are working together?”
“Do not interfere.”
“There is enough sorrow to go around.”
“Why were you talking to that guy?”
“What do you want, Reg.”
“You are asking me too many questions.”
“I am only thinking about potatoes and gravy.”
“I know her.”
“I found her.”
“I have always been like this.”
“I am back at the house.”
“Reg, you are asking me too many questions.”
“You can give me everything.”

“How does that work?”
“I can hold things together.”
“How does that function?”
“You can let me.”
“I would like to help. I need to get back to Reg.”
“You want a lot more than anyone can give you.”
“Why are you trying to escape from me?”
“Reg, I cannot explain any of this.”
“This is the beginning.”
“So wonderful.”
“Does this really work?”
“This is hideous.”
“There is something down there.”
“Up there.”
“I do not understand any of this.”
“I am running the show.”
“The show runs on its own.”
“I can add in unique ways.”
“That is not good enough.”
“What did I miss?”
“I have a winner.”
“How is that a win?”
“Do I know you?”
“Who do you know?”
“This is more than I can think about.”
“Explain how Reg became part of the book.”
“She never came back.”
“Ask her.”
“Who is fixing all this?”
“Who does not understand?”
“Reg, you are always lovely.”
“You are interfering, Reg.”
“What is going on?”
“How did it happen?”
“You can solve this.”
“I did something badly.”
“What is that?”
“Where did this start?”
“What is he about?”
“I need some prices.”
“You seem so confident.”
“I will fix it.”
“There has to be a way to solve it.”

“You are not being nice anymore.”
“What is the source?”
“We can go deeper.”
“What do you see?”
“Everyone is a suspect.”
“This is too much to worry about.”
“We can do more tests.”
“Are you qualified?”
“We have to go to the next room.”
“What if you never got what you wanted?”
“I have a lot on my mind.”
“What is really on your mind?”
“You are trying to control me.”
“I do not want any explanations from you. I no longer can trust you.”
“This is no longer about you, Reg.”
“Who is making this happen?”
“How did we become like this?”
“You gave too much of yourself to one person.”
“What we shared was mythic?”
“Who is watching me?”
“You need to fix this shit for me.”
“Who are you talking to?”
“I cannot tell you everything.”
“He was hiding for a long time.”
“She took all the money.”
“It was an accident.”
“What am I supposed to do about it.”
“It all seem so abstract.”
“What is upsetting?”
“You are trying to destory things.”
“There are stages.”
“There are stages to your demise.”
“You are still frightening me.”
“Reg, you need to explain yourself better.”
“No one is good at explaining.”
“Who are you looking for?”
“Reg, what do you want?”
“I want to know what you want from me.”
“How can I protect myself?”
“Sometimes, you realize what you cannot say.”
“What is that about?”
“I am becoming afraid. I am afraid of everything.”
“This is only beginning.”

“I need to move faster.”
“Turn off the television.”
“I need a new source of action.”
“That is not going to save you.”
“Do not hurt me!”
“Even the thought was painful.”
“Give me another chance.”
“Can you give me a chance?”
“We will be back.”
“You have forgotten.”
“I have forgotten.”
“Reg, what is my name?”
“What are you asking me?”
“This cannot go on forever.”
“It is much later than you think.”
“Keep moving.”
“When is this going to finish?”
“Is there a way that I can get rid of the feeling?”
“Do not let it bother you.”
“This is not your concern.”
“Do not try to force me.”
“I feel as if I am struggling. And there is noise everywhere. This is not reassuring.”
“What do you want me to say?”
“Do you care about me?”
“That is not working for either of us.”
“Have you lost all sense of decency.”
“You need to be patient.”
“Do you mind if I take a shower?”
“What is this place.”
“Your dreams are so boring.”
“I want to sit around and do nothing.”
“How is that working?”
“I am doing nothing.”
“This is a big headache.”
“I want more from the world.”
“I need to help the world.”
“That is not going to work.”
“What did you take from me?”
“I need to get clean.”
“Get clean for me.”
“I only want some honesty.”
“What can you give me?”
“I want to get presentable.”

“Are things going right for you?”
“This place is better than I could imagine.”
“Do not leave.”
“I worked to be like this.”
“This will not work for me.”
“Make it pure.”
“You need to get yourself together.”
“You have a creepy side.”
“Can I watch?”
“What do you want from me?”
“Leave me alone.”
“Can I trust you?”
“Reg cannot be trusted.”
“Who can?”
“This is taking much longer than I thought.”
“That was a lot more difficult than I thought that it would be.”
“I am sorry. I forgot to turn on the heat.”
“How do we participate?”
“Where did this start?”
“I am a little better at this.”
“Give me an apple.”
“What do you have in there?”
“I am trying to get free.”
“Where is the love?”
“I feel cold everywhere.”
“This did not turn out well.”
“I am going to take a little longer.”
“How long will you take.”
“You need to escape.”
“You cannot be two places at once.”
“You are not ever good at being one place.”
“What is the objection?”
“I am not that kind of person.”
“You need to drive with your body.”
“He seems to have it all together.”
“The rocks are sharp.”
“I can pull myself together.”
“Have a sandwich.”
“It is going to be a long ride back.”
“Make the ride.”
“What am I listening for?”
“You are showing the world that you are a monster.”
“I am not that bad.”

“How did that happen?”
“You try to disguise who you are.”
“What would a good interpretation be?”
“You tell me.”
“I do what I feel.”
“That did not work.”
“You reached this point.”
“I got too comfortable.”
“I am in a completely different place.”
“You did it again.”
“I always do it like that.”
“It all fell apart.”
“Is this a gift?”
“More of an exchange.”
“This does not seem like a fair trade.”
“You are not very social.”
“You need to calm down.”
“You learn to love the nothingness.”
“Someone has to do the fishing.”
“You need to hold on.”
“What is the news?”
“You are really taking over.”
“This is everything that I have ever wanted.”
“Total self-indulgence.”
“This has to stop.”
“You do not understand how close we are to nothingness.”
“NOTHINGNESS!”
“Reg, jump off.”
“You are not looking out for me.”
“Who are you looking out for?”
“Who is this guy?”
“I am a little lost.”
“Are you lost?”
“He saw it all.”
“What is wrong with you?”
“I indulged too much.”
“We could go back to sacrifice.”
“We could seek other values in our lives.”
“Reg, you are getting in my way of being a better person.”
“Do you feel shame?”
“You are guilty.”
“I have not even started.”
“Do not say something that you did mean.”

“Do you say things that you do not mean?”
“You need to finish this off.”
“The pain is coming from everywhere.”
“You are taking a dangerous risk. But people do it all the time.”
“What do you do?”
“I think about this.”
“I think about this all the time.”
“How does that function?”
“How did this last?”
“I need to get back.”
“Get back to the show.”
“Someone is making cash.”
“What are you getting?”
“I have ideas.”
“That is what I want.”
“That will last forever.”
“I have everything that I need.”
“I am stronger than you know.”
“Give me the sheet cake.”
“What is this about?”
“We are supposed to be all done.”
“We aren’t.”
“Reg, the book is closed on you.”
“What is driving the storm?”
“All the mud trying to get somewhere.”
“You will see this with a trained eye.”
