

OUT OF DARKNESS

“You cannot come here.”

“I do not want you here.”

“They are all over.”

“I am trying to make a way for myself.”

“That is what everyone says.”

“I do not want to know anything else. I only want to watch and obey.”

“It is not that simple.”

“Make it simple.”

“This has been going on for too long.”

“Do you have any other skills?”

“This is how I expect to reach the others.”

I wanted this blessing to last for the rest of my life.

“This is too much intersection for me.”

“Add the tomato sauce.”

“I have taken the remedy.”

“You are scaring me.”

“I need to gain control.”

“I think that we have a serious problem.”

“Where can we get the water?”

“We can do this all night.”

“I feel like a rat in a cage.”

“What is your complaint?”

“Do you want me to go along?”

“How do I discover what I need?”

“You need love.”

“How did I end up here?”

“You wanted a vacation.”

“What am I running away from?”

“I surrendered to the world.”

“That would never be me.”

“I want to buy something.”

“Who brought me here?”

“This is not a blessing.”

“Did I work to get here?”

“Give me the fruit dish.”

“How does that work?”

“You are doing this for the family.”

“This is a perfect geometry.”

“Do not rebel.”

“They are going to catch me.”

“No one ever escapes.”

“There is no escape.”
“Who are you?”
“Your escort.”
“You are going to need to eat.”
“How did I get here?”
“What is this place?”
“I have not lost my mind.”
“This is not fair.”
“I need to warn the world. There are taking away your right to say no.”
“Lea, what is the great fear?”
“I do not want to be reformed.”
“What are you afraid of? You are not some kind of rebel. You have what you want.”
“That is not friendly.”
“I want to separate from myself.”
“Tell me about the money.”
“Money will not solve anything.”
“You need to sleep longer.”
“This is not going to change things for me.”
“Am I a prisoner in my life?”
“What would your friends say?”
“I need to give up.”
“I am the one who blesses the world.”
“How does that work?”
“Why would you expect that I would like this?”
“What is the relationship to creation?”
“What am I creating?”
“What did they take away?”
“Where is this headed?”
“I want more kitten fluff.”
“What is that about?”
“They are asking.”
“We are cleaning out the bad spirits.”
“That is not going to do it for any of us.”
“Who is your rival?”
“What do you want to teach me?”
“I feel as if I am my own worst enemy.”
“Are we working together?”
“I am splitting in two.”
“We each take half.”
“Which half do I get?”
“I was sure that would work.”
“I need to get a little closer.”
“Where is the point of escape?”

“Where we all touch.”
“I lie down in the bed.”
“This is not good for any of this.”
“That is not good for you.”
“I want rescue.”
“There is none here.”
“I am shaking inside.”
“I am becoming dependent on these sounds.”
“How does that fare?”
“It always happens this way?”
“You need to come back to life.”
“We are going to take from you?”
“What do we believe?”
“We all have offending parts.”
“You need to fly.”
“Where do we go.”
“What is the interruption?”
“What did I do wrong?”
“This is a standard.”
“I will never reach it.”
“You need to break the mold.”
“Who will love me.”
“You will not be loved.”
“You said that we could take an extra five minutes.”
“What destroyed the connection?”
“Something is going wrong.”
“This should be working.”
“What did you find?”
“We both have the same burden.”
“Where do I know you from?”
“I can save you.”
“How do you do that?”
“You are truly alone.”
“This unbelievable.”
“Where is this going to end up?”
“How are you going to hold up?”
“I do not want a savior.”
“What else can you know?”
“They are watching us?”
“What do they see?”
“Where did we disappear?”
“We are all here.”
“That will not work.”

“It will work for me.”
 “There is someone who wants what you have, and she will take it all.”
 “Those who you love are there to betray you. They promise what they cannot deliver, and they leave you dependent on their beliefs.”
 “Don’t you ever touch me again.”
 “I trusted you, and you betrayed me.”
 “What can you do in the time remaining?”
 “I knew you.”
 “What did they take from me?”
 “Nothing that you will not miss.”
 “They will make you believe anything.”
 “I am looking for one person who might understand.”
 “I am not real.”
 “It is you again me.”
 “This is good or you too.”
 “Eat this.”
 “I ate too much.”
 “I cannot even move.”
 “Am I number one?”
 “How does that happen?”
 “Bring me the butter tart.”
 “Are you being honest with me?”
 “What has happened in all that time?”
 “Who dressed me?”
 “Who dressed me?”
 “That is not going to make any difference.”
 “She is not going to do it right.”
 “Who is going to inspire me?”
 “No one wants me.”
 “That does not happen.”
 “This is the longest day.”
 “We need to change.”
 “Who is telling me this?”
 “It is as crystal clear as a glass of water.”
 “What is the basis of the rebellion?”
 “Something broke the machine.”
 “Why do I love you so much?”
 “He is going to betray you.”
 “I work up there.”
 “Eating and working are one.”
 “I am testing the food.”
 “What have you figured out?”
 “I can live forever.”

“We need to go after her?”
“What are you telling me?”
“Quench my thirst.”
“Eat the mushroom.”
“I am part of a chemical evolution.”
“There are in my room. They are in my bed. They are everywhere.”
“Is it really worth it?”
“Run for it.”
“Where am I running?”
“How do you escape from yourself?”
“I need a new costume.”
“I cannot save the world.”
“Are you all in?”
“I have done some frightening things.”
“Do what you need to do!”
“No negotiations.”
“This world is mad.”
“You will be better soon.”
“It is impossible to succeed.”
“You have been appointed to change.”
“You have been appointed to change the world.”
“I am a monkey staring at the screen.”
“Does he know?”
“You need to run fast.”
“I am using everything that I have.”
“You do not have enough to work with.”
“The sky is going to fall out.”
“Who are these people?”
“We are seeing reflections of ourselves.”
“I do not want to consider what is happening.”
“What kind of work is that?”
“Work is more than pain. It is the authentic encounter with the universe.”
“There is more coming.”
“I am losing my focus.”
“I am without a focus.”
“Lover, look in my eyes.”
“Who are you?”
“We cannot reach that point.”
“I do not think that is going to be successful.”
“This is not surprising.”
“They have reached a decision.”
“What is it?”
“There is still sufficient time for deliberation.”

“We have done a good thing.”
“Lea, you do not know the difference anymore.”
“Do not contradict me.”
“There are four ways to escape.”
“I only want a little bit.”
“They are screaming at me.”
“You need to find me.”
“They are screaming.”
“We can go there together.”
“It is all done.”
“I am waiting for you.”
“There is not one here. You have done this yourself.”
“You are going to have to leap.”
“Make me strong.”
“This is hideous.”
“This is how it ends. You face the last manifestation of the self.”
“I need to have gone so far beyond that point.”
“They have us.”
“This will make it work.”
“She is now in the web.”
“Where is the spider?”
“She is sitting down beside her.”
“That cannot be.”
“They have got me.”
“No one can escape this last stage.”
“What is really happening?”
“Give me my just desserts.”
“Where will that take you?”
“Let me loose!”
“Lea, you lose.”
“What do you really know?”
“I cannot stay like this forever.”
“You need to say no!”
“That does not work for any of us.”
“Who are you?”
“The liberator.”
“How does this happen?”
“Where will this end up?”
“How do you pass the test?”
“I am melting.”
“I needed more integrity as a human being.”
“There is one more try.”
“What did I leave?”

“Thank you for helping me to see myself.”
“The power is not eternal.”
“This is the last stage.”
“The earth hates itself.”
“Do not hate me.”
“This is going to be a long night.”
“We must work together.”
“How did you escape?”
“I pretended to be myself.”
“Why do you think that he can be trusted?”
“That is how they design the body.”
“That is not going to work.”
“How does this resolve?”
“You can only trust yourself.”
“Do it on your own!”
“I cannot give you what you really need.”
“We must set sail.”
“I need you to teach me.”
“Do not believe his tears.”
“And they mad it home.”
“What shall we do?”
“Love ourselves.”
“We shall.”
“This is a good deal.”
“When will this end?”
“You cannot let it end.”
“How is that?”
“You want to look perfect for the world.”
“Here is the equation.”
“It is never perfect.”
“It works in this space.”
“They will find us.”
“They will bless us
“This is ruthless.”
“You can’t take this seriously.”
“Run! Run!”
“Where do I go?”
“I cannot make it work.”
“This is the last step.”
“Explode.”
“You are so good.”
“On the count of three.”
“It will just be a minute or two,”

“How do we dispose of the mess.”
“You did the job.”
“As we always do.”
“This is some cheap ass solution.”
“You take over.”
“Wonderful!”
“Wonderful!”
“That could not have been me.”
“ME!”
“That is all that you know.”
“Disappear in yourself.”
“Lea, it is wonderful.”
“I am alone.”
“We are all along. It is part of our being.”
“It was not supposed to be like this.”
“He is behind it all.”
“I need to escape from myself.”
“That is hardly fair.”
“The accident awaits.”
“What just happened?”
“That is the only thing matters.”
“He took something away from me.”
“I need to do a thorough cleansing.”
“I am heading back to the beginning.”
“What do they call this place?”
“I need a greater blessing.”
“He walks in the room. They are waiting for him . He has a job to complete.”
“You cannot control my past.”
“He is there to get in your mind. He gets in your head by getting into the body.”
“Let me have my past.”
“Is it pure?”
“Where did it begin?”
“What did I do wrong?”
“Tell me, Lea. You are my judge.”
“Even if this as a little different, you would not have a place.”
“Were are we going?”
“I think that I can play the part.”
“Who is running the table?”
“I do not want to act like a loser.”
“Do you think I can help?”
“It hit the spot.”
“This is where I can get perfect.”
“Look at the balance.”

“He has a lot working for him.”
“You are good at explanations.”
“My head got in the way.”
“I can lead you.”
“We need to be led.”
“A little caring.”
“I do not have what is needed.”
“That is not going to work.”
“I made a joke.”
“You did not laugh.”
“I am working on working over.”
“And how is it going?”
“When do they all come in?”
“You need to have more cards to play.”
“This is not part of my show.”
“Who is paying for the rest.”
“She figures that she has a chance.”
“No one really has a chance.”
“How does that work?”
“Do you remember me?”
“The pair.”
“It is not what you think.”
“He is about to confess.”
“Look in his eyes.”
“What is pretending to be?”
“He is trying to control other people.”
“How does that work?”
“There is another location.”
“This is all over my head.”
“We were doing so well.”
“You needed to wake up earlier.”
“This looks wonderful on me.”
“I am missing a step.”
“Get to me.”
“What is the skill.”
“You are doing me wrong.”
“One false move.”
“We did this before.”
“It worked this time.”
“What is the origin?”
“This cannot work like this.”
“This cannot happen again.”
“I realized that it was all me.”

“We can be so close.”
“You need to confess.”
“There is a missing scene.”
“It all makes sense.”
“How did that happen?”
“Who paid?”
“The family.”
“This is deeper than that.”
“That is happening to me naturally.”
“Peel back the layer.”
“How is that possible?”
“What offered me a portal.”
“We cannot go much further.”
“He wanted to force you to do things. He created a new story for you. And everything else became automatic.”
“Someone wants to hurt you.”
“You.”
“This is all about me.”
“You reach a point when you cannot trust anyone,”
“You are everything to me.”
“You say that to everyone.”
“How did you get this to work?”
“You admit to a love that never existed.”
“It is all scripted.”
“She is too good at the confession.”
“I no longer feel like myself.”
“Can you open the door?”
“I need you to open the door.”
“The house does not have doors. You are either inside or outside.”
“This was the beginning.”
“There is not way to make this work.”
“What did you do wrong?”
“How did it work?”
“This is next to impossible.”
“He wants total liberation.”
“It does not work that way.”
“I do things with my hands.”
“I felt so clumsy.”
“They ask for the body back.”
“What are you seeing?”
“I do not what to quit.”
“I am getting ready.”
“I do not want you to hate me.”

"I need to be strong."
"Where does this end?"
"I have a double."
"I will go to the ends of the earth."
"This will work."
"I was sure that someone could do this for a lot cheaper."
"Is there something that you need to tell me?"
"Where am I now?"
"I love the look."
"Something is not going to work out."
"How does that work out?"
"Where did we start?"
"At the end of our rope."
"I want to see the words."
"I miss you."
"Who is talking?"
"Is this a slow burn?"
"What do you really want?"
"Something marvelous."
"What is this all about?"
"I am not going to play."
"I cannot mess up."
"I have a good life."
"Sure, you do."
"Tell me what you want."
"I do not want to visit the sad place."
"I can help."
