

LIBERATION CANDY

“What did I lose in this adventure?”
“What am I looking at?”
“A reflection.”
“What am I missing?”
“I broke it.”
“What are you talking about?”
“I cannot participate.”
“I am doing too much.”
“Give me some popcorn.”
“What is missing?”
“Where am I headed?”
“What do you do on your off time?”
“Do not bother me.”
“Am I causing a problem?”
“We could be having fun.”
“There is too much information.”
“Hello!”
“Who gave me the key?”
“Where will this end?”
“I am not really like this.”
“Who else is at the table?”
“What mistake did I make?”
“These are various kinds of errors.”
“I am not like this.”
“Why are you doing this?”
“I have been moved by patterns.”
“I want to learn from the experts.”
“Expertise is an illusion.”
“What are you taking from me?”
“What does this cover?”
“You can make extra.”
“You can work extra.”
“It all stopped.”
“I could not move.”
“She is there with me.”
“She is everywhere with me.”
“What did I do wrong?”
“You never sought independence of personality.”
“Takes this from me!”
“When did you let him in?”
“I stayed too long.”

“This was some weird kind of interruption.”
“I saw you.”
“I have been watching you.”
“This is not supposed to break.”
“You are still pretending to be something.”
“Looks like you’ve got what you want.”
“What could that be?”
“I will be able to sleep soon.”
“I have a new visitor.”
“This is an excellent decription of the world.”
“What is this about?”
“Where have you been?”
“What is bothering you now?”
“What do you want from me that I cannot give you?”
“I have finally arrived.”
“You said that you would be here.”
“Why the costume?”
“You said it would be them party.”
“I never thought that you would really do that.”
“That could be a crime.”
“What is the altitude, and what is the latitude?”
“You have been playing me.”
“You have no idea what playing means”
“Where is this taking place?”
“I can give you a map.”
“I am afraid that I am going to fall.”
“What if I do not get the job?”
“You will get the job.”
“This is all automatic.”
“What did I lose?”
“The air came out of the balloon.”
“I do not want it explained like that.”
“How then?”
“To whom then?”
“That makes me feel so wonderful.”
“Shock mount!”
“How does that work?”
“Concentrate.”
“A circuit is blown.”
“I want you to pose for me.”
“You cannot come in.”
“It is pretty bleak to begin with.”
“It is endlessly bleak.”

“How did you escape?”
“She is looking presentable.”
“I do not have to think about school.”
“They are all so involved.”
“You cannot sleep here.”
“You match.”
“What is the definition of a match?”
“We are working on this together.”
“It does not happen like that.”
“You really messed up.”
“How did I end up here?”
“We share nothing.”
“This will give you a jolt.”
“Where did you find me?”
“Where do you want to be found?”
“I can do the rest.”
“What am I smelling.”
“I want to become part of your social experience.”
“How do I make it out of the enclosure?”
“This is not a performance.”
“There is so much more to share.”
“When did I first here that word?”
“I do not want to participate.”
“I want to be able to explain it.”
“I am back the beginning.”
“You had a role in my former life.”
“Hold on.”
“What are you saving?”
“Do you know the way?”
“You are such a cynic.”
“Is that a fashion?”
“Someone has to make it happen.”
“What really happened in your childhood?”
“This is adult work.”
“You need to learn to count on your own.”
“What are we trying to figure out?”
“I can catch you on the next go around.”
“What are you going to give me?”
“Everything that I have.”
“I do not want to help.”
“I can come back.”
“Quit acting like a child.”
“Who is the child here?”

“That hurt.”
“There are remembrances of pain.”
“I am taking care of myself.”
“This is sublime.”
“You have one more chance.”
“I will take that chance.”
“This is all that I have to bring.”
“Is this practical, or is it a decoration?”
“I have something new that I need.”
“What is that?”
“Someone dripped something in my food.”
“What is the full name?”
“This is for comfort.”
“This is part of the image.”
“All these places are pretty much the same.”
“There is a long hallway.”
“I would never do that.”
“What are you pretending?”
“Emotions that I could never have.”
“You show it, and you take it back.”
“I never wanted to joke about things like that.”
“Do you have everything that you need?”
“Everything is absent.”
“We are all absent.”
“This is all that you will need.”
“This is coming in loud and clear.”
“Did you plan this?”
“Who said that you could come in?”
“I didn’t think that you would notice.”
“This is so little of little.”
“He is still not going to like me.”
“This stuff never works.”
“It is going to work.”
“This is a different thing.”
“I know where this happened.”
“I only want to change my look.”
“How is that going to end up?”
“Someone needs to stop you.”
“I do not enjoy this look.”
“It is not working for me.”
“How did this get so bad for me?”
“I am not like the others.”
“You can combine these parts in different order.”

“Are you blaming me?”
 “Why is this a blame thing?”
 “How else can you express yourself?”
 “I think that I know it.”
 “This is too much.”
 “Do you want me to play along?”
 “Who do I look like?”
 “How does this work?”
 “There is an inside and an outside. And it makes this motion.”
 “What do you remember?”
 “SOMEONE PICKED ME OUT.
 “It does not really go like that.”
 “This is not part of my repertoire.”
 “You are taking advantage of a bad situation.”
 “Let me out of here.”
 “I have given up too much of myself.”
 “I am not getting much back.”
 “Why are we like this?”
 “There is no contour.”
 “When did he come in?”
 “Should there be a punishment for these thoughts?”
 “None of this can be right.”
 “I need to get out of here.”
 “You should have never been in here.”
 “This is a time to stop.”
 “Stop all of it.”
 “Only a few interruptions.”
 “I gave everything to this.”
 “There is another door.”
 “It took a while to get here.”
 “I want to be clean again.”
 “You have interrupted me.”
 “I need to step off.”
 “Who created the color scheme?”
 “Where should we hide this?”
 “This was meant to be special.”
 “When did he even care?”
 “I am going to have to spend the rest of my time trying to clean up for your stupid choices.”
 “What are you telling me?”
 “What do you expect to get out of this?”
 “That is not going to be good for either of us.”
 “Do I have to eat this?”

“This is not going to be an improvement.”
“Where is this anger coming from?”
“Do we have to look at this?”
“We have broken through.”
“I wish that I never had to look at this.”
“This is real.”
“Who is protecting you?”
“Did you like our performance?”
“I was sure that it was real.”
“You could have destroyed more shit.”
“Where does this stop?”
“You are going to have to defend your values.”
“What is this all about.”
“I can help to give you what you need.”
“Do you think that you are better than I am?”
“You are trying to embarrass me.”
“I am glad that you make yourself look good.”
“Where is the action?”
“On the street.”
“You cannot control it.”
“Are you going to get the cash?”
“What is your objection?”
“I cannot get this right.”
“What do you want out of this?”
“This is supposed to be a blessing.”
“There is something that I do not understand. What are you pretending to be?”
“This is not a continuation of my life. What is going on?”
“Who is watching me?”
“There is no remedy here.”
“I am stuffed.”
“Who dressed you?”
“Where does this begin?”
“What did you do wrong?”
“I forget to eat a banana.”
“Have the pudding?”
“This will cost you.”
“I am going to make a mistake.”
“You can be a little friendlier with me.”
“What is the source?”
“I made an offer.”
“What was that about?”
“This will not result in a reply.”
“You could be friendlier.”

“I have nothing more to say.”
“There have been interruptions to my life.”
“I have come to an end.”
“How does that happen?”
“What kind of life is ahead of me?”
“How are you accelerating these values?”
“Each one has a set of associated possibilities.”
“Possibilities mean possibilities.”
“Who is your new friend?”
“My possible friend.”
“What patterns do you see in human interaction?”
“I was waiting for you.”
“Where did you find perfection?”
“How does that work?”
“Is there a punishment coming up?”
“What would constitute a punishment?”
“I do not want you to pretend about something that is not true.”
“How does that work?”
“Where does the light come from?”
“In the inner heart.”
“What is there?”
“Who got you ready?”
“Should I be making notes?”
“That is a tragic way to end.”
“I do not like the story.”
“You are leaving something important out.”
“What do you need to tell me?”
“Tell me.”
“What am I even part of this story?”
“You are acting like the perfect person.”
“She is a writer.”
“What kind of name is this?”
“Thank you for taking care of me.”
“This is amazing.”
“I did not even know that this place existed.”
“I do not want you to interfere.”
“This is my life.”
“I am making a decision for all of us.”
“I was told that I should not interrupt.”
“Who else is involved?”
“I needed to be quick.”
“What is the objection?”
“That is not a bad as it seems.”

“We all have another side.”
“I am not looking for an objection.”
“Do people really live like this?”
“This makes no sense.”
“It makes all the sense in the world.”
“I need to quit while I am ahead.”
“I am saying things that I should not.”
“What kind of voice are you giving me?”
“Who is serving this meal?”
“Who made the meal?”
“Do you have any complaints about the service?”
“You made me hide in the shadows.”
“Where else could you have hid?”
“I feel as if I am coming apart right before your eyes.”
“Why are you be so emotional?”
“What is the choice?”
“How do we do this?”
“How do we not do this?”
“Do you remember me?”
“I want everyone to watch the show.”
“What are in the books?”
“What should be there?”
“There is a flaw.”
“You didn’t not give this enough of a chance.”
“What should I have done?”
“I am not a part of this.”
“You are every part of this.”
“Where am I supposed to look.”
“You tell me.”
“Something is messed up here.”
“I have too much invested in this game.”
“I am making money off of myself.”
“How does that work?”
“We are on the same spacecraft.”
“We are in different streams.”
“What can I tell you?”
“You say the same thing to everyone that you meet.”
“My imagination is getting the better of me.”
“How does it work?”
“It works in so many ways.”
“I need to rush back.”
“Rush back.”
“We have both got hung up with bull shit.”

“It is not as bad as it seems.”
“How would you know?”
“Any form of touching will not help.”
“How do you make this work?”
“This should be easier for you.”
“This seemed so important.”
“Appearance has made all the difference.”
“I am afraid that I am not getting this right.”
“Don’t worry about that.”
“We will have a partner.”
“I cannot identify with any of this.”
“Are you going to answer?”
“What is the social reality?”
“I am awake.”
“I need to understand all the options.”
“I have this pain. You know a pain. And you can help me to get rid of it.”
“This is part of my fantasy.”
“I am looking at a representation of myself.”
“There are only so many variations.”
“When do I become completely human?”
“Give me the chopsticks.”
“Why am I even here?”
“Don’t you have some kind of career?”
“What are you doing with your life?”
“This is going nowhere.”
“What is the where of nothingness?”
“I am part of this.”
“Where does this end up?”
“I am doing so much counting.”
“It is getting hot in here.”
“Should I be staring or touching?”
“What do you want to see?”
“What are you telling me?”
“You have more power.”
“That is chemical.”
“I only want to do my thing.”
“Thing.”
“What is a thing?”
“Where did you find me?”
“You are walking one hundred miles.”
“I only wanted this to work.”
“It will work.”
“Where are you when we are not together?”

“Refresh.”
“I cannot do a thing.”
“I am completing this myself.”
“I need some new words.”
“Which ones work?”
“That hurt.”
“It was only a thought.”
“That is how it begins.”
“How does it end?”
“Where it begins?”
“Take a cut.”
“I want to take a cut.”
“Are you kidding me?”
“I want you to see the bed.”
“They have come to get me.”
“This is a great deal.”
“What did you leave out?”
“I am levitating.”
“This is really funny.”
“This will bless us all.”
“We are not listening to you.”
“There is one hour left.”
“That is exhausting.”
“What do you want to know?”
“What do you need to know?”
“That is not going to work.”
“You believe that you have a major power.”
“Where are the empirical results?”
“What did you bring to the table?”
“The table.”
“Go faster.”
“Where is this going to end up?”
“That does not seem ready.”
“I studied acting.”
“Who is going to join in?”
“What is missing?”
“Who wants to play?”
“You ask the same food questions again and again.”
“It is all a part of the past.”
“We have a method.”
“Do you want me to stare?”
“Chose this one.”
“Do you have a script?”

“What are you asking me?”
“Where have you been?”
“I am fighting my way out of a paper bag.”
“What are you doing when we are not together?”
“Can I join in?”
“I do not want to ruin this?”
“I was sure that there would be a wonderful resolution.”
“I am getting sick.”
“You rescued me.”
“No one believes your shit.”
“What do you really want to know?”
“I cannot make that work.”
“What are you doing with your time?”
“You are everything that I expected.”
“There are so many flavors.”
“I feel as if I am hitting a wall.”
“The burger will set you free.”
“Give me what you left out.”
“Who else is with us?”
“There are so many complications.”
“I do not want you watching me all the time.”
“I need to close the door.”
“What did you just find?”
“You have so many options until you don’t have many options. That is what they call the waiting game.”
