

**MINIMAL FEAR**

“I’m really doing this.”  
“There is no shame.”  
“This is going to be fantastic.”  
“How does the game start?”  
“You give me a color, and I will tell you everything about your life.”  
“Everyone is interrupting each other.”  
“What are you afraid of me saying?”  
“I feel as someone is trying to slow me down.”  
“How are you going to be able to finish it all?”  
“I will start with the oysters.”  
“Start with whatever you please.”  
“It is all being interrupted in one way or other.”  
“How is that?”  
“That is not really happening. It is just a tag.”  
“How is that?”  
“It is an enticement.”  
“I am counting the French fries.”  
“They are accelerated time.”  
“How is that?”  
“I am enjoying the next bite more than the last.”  
“I am caught up.”  
“She came back.”  
“What do you need to tell me?”  
“I am looking for a role model.”  
“Is someone following me?”  
“What do you do with your time.”  
“You can help us.”  
“I can solve it for you.”  
“What are you trying to tell me?”  
“This needs to be solved.”  
“All this stuff needs a solution.”  
“I do this all the time.”  
“They stole the secret to my life.”  
“Someone is trying to destroy my reputation?”  
“How are they doing that?”  
“They have discovered critical details about my life.”  
“What is your true fear?”  
“This is not going to end well.”  
“There has to be a way out of here.”  
“The solution way.”  
“I am good at solving things.”

“You are good at smiling.”  
“This could not have been you.”  
“This is the end.”  
“There will be some bad things happening.”  
“How did that happen?”  
“A few people got pushed.”  
“They tried to come back.”  
“There has to be consequences.”  
“This is not as is really happened.”  
“How do you want to revise?”  
“I am in the inner circle.”  
“What is inside that?”  
“Numerous ways of getting together.”  
“That was a bad connection.”  
“This needs to be stopped.”  
“I came for a solution.”  
“She told me to have a potato chip.”  
“I cannot help you.”  
“I come to help you.”  
“That is still not going to do things for either of us.”  
“This is a valuable contribution. She is coming to me.”  
“She found the trap door.”  
“You are making it seem so much more interesting than you think.”  
“How would that be?”  
“I can solve any problem.”  
“There is only one way to solve this.”  
“I want to succeed.”  
“Who brought you here?”  
“That is the word that I wanted to know.”  
“This is not going to succeed.”  
“That is very impossible.”  
“Tell me what you need.”  
“How do you want to say that?”  
“Our emotions do not occur on the one.”  
“There is so much decay around here.”  
“I will make it happen.”  
“There are three million possibilities.”  
“You will never be able to touch me.”  
“She is ready to display.”  
“How long did you work on this.”  
“The work is ahead of us.”  
“There is another combination.”  
“She is controlled by the fries.”

“We have the next possibility.”  
“I cannot see well enough. But I can see the solution.”  
“It is an angle.”  
“An angle.”  
“Human contact.”  
“We have lost once again.”  
“There is a rivalry.”  
“What are you working on?”  
“Who is paying for this?”  
“I need to understand each one of the agents.”  
“She is a lonely agent.”  
“We will give her a word.”  
“We will bless her.”  
“A message in a fortune cooking.”  
“A sweet message.”  
“I cannot get the escape velocity on this one.”  
“I did not follow.”  
“You were nicer than I could imagine.”  
“There is something scandalous in this.”  
“There is a slamming of the door.”  
“He has been accepted.”  
“What would you like to know?”  
“There are classifications.”  
“Do what you need to do!”  
“That is next to impossible.”  
“There is a hold, and you can jump in it.”  
“That is hardly true.”  
“What did you win?”  
“The machine.”  
“I cannot do this in my head.”  
“I will be talking to the boss.”  
“This will be one-on-one.”  
“What can you do for me?”  
“Let us get sandwiches.”  
“This is a crisis.”  
“You cannot say that.”  
“I do not need any interference.”  
“This is going to result in something absurd.”  
“The ding dong beyond the ding dong.”  
“That does not work.”  
“Who is she?”  
“The one with the key.”  
“She made it out of wax.”

“She is a spy.”  
“That could really end up in a terrible place.”  
“Who gives you the right to do that?”  
“That hardly seems like fair.”  
“There is someone waiting for food,”  
“She is going to offer some crazy illusions.”  
“Touch the angle.”  
“You are a weird character.”  
“There are no intersections.”  
“This is the kind of test that I am looking for,”  
“You better figure this out quickly.”  
“Now, they are doing everything expected.”  
“She likes to obey orders.”  
“Who let her in here?”  
“She is an expert.”  
“That is not going to solve it for anyone.”  
“Everyone has their own solution.”  
“She cracked.”  
“We lost our way.”  
“Bring me the help that I need.”  
“You are taking longer than expected.”  
“She is floating on air.”  
“She needs to understand the little people.”  
“I wish that I could make it happen.”  
“Sit her down.”  
“She is fantastic.”  
“She does everything that is needed.”  
“Who are the little people?”  
“Those how I am watching.”  
“I have the solution.”  
“That is impossible.”  
“Pencils down.”  
“She disappeared.”  
“That is impossible.”  
“You are making the rest of us nervous.”  
“I was trying to destroy you.”  
“What does that mean?”  
“These are the winners.”  
“That is never going to happen.”  
“It is happening from the East.”  
“The famous wind from the East.”  
“How does it work like that?”  
“I am being followed?”

“That is hilarious.”  
“I want to learn the story.”  
“There is another level.”  
“She was supposed to offer an understanding.”  
“What does it smell like?”  
“I know that he likes it.”  
“You will love this.”  
“We will fade into each other.”  
“Through touch.”  
“The surfaces cannot touch.”  
“They have enough touching.”  
“She was going to bless me with everything that I needed.”  
“Did you quit?”  
“You want to tell us something.”  
“What are you doing to instead?”  
“We need you.”  
“And you have a castle.”  
“We are going to eat sandies together.”  
“You are destroying me.”  
“I see myself in you.”  
“That is amazing.”  
“Let us complete the task.”  
“The more we learn about ourselves, the less that we know about ourselves.”  
“I cannot help you.”  
“This is not working.”  
“What are you trying to say?”  
“You are jumping ahead.”  
“That is not what is going on.”  
“We cannot join in.”  
“There is something dark going on.”  
“The angels are floating right past me.”  
“We are ourselves.”  
“That is not going to work for us.”  
“I need the fries.”  
“The winners are there to be winners.”  
“I was sure that we had an answer.”  
“That is hardly going to happen.”  
“There is another solution.”  
“We have the flywheel mount.”  
“How does that work?”  
“I will find the Absolute.”  
“We have been there before.”  
“Don’t you think that I know that.”

“You cannot come up with a solution without a solution.”  
“Give me your answer.”  
“A pile of corn chips.”  
“The snack destroyed the meal.”  
“We are going to have to consult.”  
“I have an alternative answer.”  
“This is not a love connection.”  
“What is it?”  
“It is a complex solution to a simple problem.”  
“We are touching, but we cannot feel a thing.”  
“I brought you here to do a job.”  
“How is that supposed to work?”  
“I have a can of sardines.”  
“That is not going work.”  
“We all have that little thing inside of us.”  
“You came here for that.”  
“What did I miss?”  
“The angel problem.”  
“Angels on the pin.”  
“Angels manifest.”  
“Angels, we have heard on high.”  
“What is the accusation?”  
“Where is this coming from?”  
“That is impossible.”  
“Say what you want to say.”  
“That is cutting a little close.”  
“One of you are involved.”:  
“I am going to do it.”  
“We need to accelerate.”  
“I cannot eat more fries.”  
“You had the doughnut.”  
“Do you want to join?”  
“What do you want to tell us?”  
“This is not going to work out how you think.”  
“I can open doors.”  
“I need to fight back.”  
“How is that going to work?”  
“What are you going to tell me?”  
“Love me because I am loveable.”  
“I am leaving the body for now.”  
“This is nothingness.”  
“We are friends now.”  
“I do not have to share.”

“Where is this?”  
“That is hilarious.”  
“I get it.”  
“I am going into the solution.”  
“How does that work?”  
“Find the piano!”  
“Hilarious.”  
“I found the solution.”  
“What is that all about?”  
“I love you.”  
“You cannot say that?”  
“Ding Dong!”  
“How does that accommodate our needs?”  
“Who is behind this?”  
“We cannot share.”  
“We do not share.”  
“We need to calibrate.”  
“There is the quick void and the empty void.”  
“I can be what you need to to be.”  
“This is so silly.”  
“It was never going to happen.”  
“Give me time.”  
“This could take days.”  
“This is imminent defeat.”  
“There is another side.”  
“One side will win.”  
“What is the real fear here?”  
“The super truth.”  
“This will never end.”  
“This is in anticipation of something amazing.”  
“I am sure that I make a mistake.”  
“You need another vacuum tube.”  
“It is in my life.”  
“It is not what you think.”  
“Do not take from mewhat I need.”  
“This is the fear.”  
“We are coming in.”  
“There is only one way in.”  
“This is the meeting of the minds.”  
“We need to start at square one.”  
“Just give me a mint.”  
“We are the only ones who are going to succeed.”  
“We need a sandwich.”

“She asked for the rice dish.”  
“She is wearing the rice dish.”  
“A paper dress.”  
“We need to share.”  
“Where did we leave off?”  
“At the love connection.”  
“What does that mean?”  
“She is living in the real world.”  
“You need to anticipate.”  
“We can take twenty more minutes.”  
“I would say forty.”  
“The mind did this to the body.”  
“That cannot help in the best way.”  
“I do not want to take a risk.”  
“I already have he savings.”  
“Where can this go?”  
“Something is missing.”  
“I need you to cover for me.”  
“What do you need to tell me?”  
“What are you about?”  
“We can pretend.”  
“There needs to be time.”  
“I can give myself to you.”  
“That is not going to help anyone.”  
“Shit!”  
“Do not treat me as if I do not have an inside.”  
“Could she solve the problem?”  
“That is not going to bless us.”  
“That is corrupt.”  
“That is daft.”  
“That is impossible.”  
“We do not share.”  
“We cannot pretend.”  
“Make it happen.”  
“There has to be a solution here.”  
“What are you doing in your spare time?”  
“That is not humorous.”  
“I cannot stop with me.”  
“Why did you really do it?”  
“This is moving too fast for either of us.”  
“I did not imagine myself like this.”  
“It is being taken away from me.”  
“This is something that I could never have.”

“What is the problem here?”  
“Are you bribing me?”  
“She knows.”  
“She cannot stop.”  
“This is absurd.”  
“This is interfering with my story.”  
“You need to do some silly things. Then you need to admit contrition.”  
“I like how you ended this.”  
“I am a little anxious.”  
“I cannot imagine this.”  
“We need to come up with a clear collision.”  
“There are walls.”  
“We need to start again.”  
“She has a solution.”  
“Who does?”  
“I do not need a distracton.”  
“I am going to destroy myself.”  
“I need to ask a serious question.”  
“That is not going to work for me.”  
“I need you to hit the heights.”  
“I want to find the balance.”  
“This is not going to work.”  
“Whew!”  
“This could not have been worse.”  
“The chairs are all empty.”  
“Where is this going to end up?”  
“She cleared the memory.”  
“I need your help.”  
“I have another question.”  
“This is going to go out of sorts.”  
“What can you tell me of this?”  
“She has to know something.”  
“I solved the problem.”  
“What is this?”  
“We all want a balanced world.”  
“We solve imbalance in a balanced way.”  
“Who is she working for?”  
“She needs to be protected.”  
“We have our solution.”  
“It is in the body.”  
“We did it.”  
“What comes next?”  
“Tennis.”

“The balls is moving too fast.”  
“Use jelly doughnuts.”  
“You are all covered in jelly.”  
“This is the messy part .”  
“I know what I want.”  
“A baker’s dozen.”  
“Never leave me.”  
“Take one of my breakfast treats.”  
“I know what you are waiting.”  
“You need to be off. Then you need to use Visagenics to get back to the basics.”  
“We have done more than we could ever imagined.”  
“There is another thing that needs to be done.”  
“They know what is going on.”  
“I am one step beyond.”  
“We win the battle, but we lose the war.”  
“There has to be a solution.”  
“I wish that I had a solution.”  
“Skip the jelly doughnut.”  
“This is a chess game.”  
“Where is the feeling?”  
“This is a false equivalence.”  
“That works for no one.”  
“I wish there was another way.”  
“The sandwich king.”  
“The mustard came and went.”  
“What do we do now?”  
“I cannot be with you anymore.”  
“This is a story of mercy.”  
“Where are we headed?”  
“You need to deliver a ful blow!”  
“How will we work this out?”  
“There can be no revelation.”  
“There is only one way to make it work.”  
“This is a moral disorder.”  
“We are each invested.”  
“We need to find out why.”  
“Who are you?”  
“Where did you find me?”  
“I have not come with a new understanding.”  
“There is another building.”  
“Who is the disrupter.”  
“I have found him.”  
“Face.”

“To face.”  
“We cannot be friends.”  
“I found it.”  
“What do you need to tell me?”  
“I found the rat.”  
“Dispose.”  
“That is hardly a deal.”  
“It is not like you think.”  
“How else are you going to stop me?”  
“This is hardly balanced.”  
“The is all going to get worse.”  
“Are you following me?”  
“Who is in there?”  
“What is this?”  
“My life is crashing all around me.”  
“Are you blackmailing me?”  
“Where does this all start?”  
“I am not really like that.”  
“That is a whole different story.”  
“You are going to have to be very quick.”  
“This seems hopeless.”  
“I need to break the cookie.”  
“Speak up!”  
“Why have you ruined my life?”  
“I am protecting you.”  
“The mammals are at it again.”  
“This is going to be perfect calm.”
