

**PLATINUM**

“This is court-ordered therapy.”

“It is all in black and white.”

“This is a dream in itself.”

“Everything in the world can be divided into two camps.”

“I am trying to follow your logic.”

“A lot of it is based on belief.”

“What is being represented?”

“What do you want to see?”

“Fun suff.”

“I am awaiting your criticism.”

“If I see something is wrong, I need to speak up.”

*“He is a fucking loser. He does not care for himself. He works as a driver. And he has abandoned his dreams.”*

*“Bad things happen.”*

*“Worse things happen.”*

*“Can I explain myself?”*

*“Are you seeing naked pictures?”*

*“Am I going to get sued for disturbing someone’s privacy?”*

*“It is all taking place in your head”*

*“Who are you working with?”*

*“The surveillance state.”*

*“They can see into my head.”*

*“Someone has learned all the words.”*

*“That is a state of mastery.”*

*“I am a great reader.”*

*“What do you see?”*

*“I need some advice.”*

*“You becoming entangled in shit.”*

*“And what is your inherent risk?”*

*“Do you have a vision?”*

*“Why are you wasting your time with a loser? These are all losers.”*

*“What are you working on?”*

*“I am creating a map. I am enhancing my memory.”*

*“What alternatives are available for you life?”*

*“This is not going to change a thing. You need some people who are already invested in the system. Then they will make proposals for change.”*

*“Are they going to be riding horses?”*

*“They are going to have statues built to them.”*

*“How do you want to look?”*

*“Mounted.”*
