

MACHINE PARTS

“We are all acting like animals.”
“You do not know the half of it.”
“How do you start a fire?”
“You find a flashpoint.”
“There is something else going on.”
“You are staring at me.”
“I exploding on the inside.”
“What about the outside?”
“How many plays left before you have to fold?”
“She is lying to me.”
“We are all lying to each other.”
“This is stressful.”
“You know where in the mall we are hiding.”
“What does this mean?”
“What are you doing with the rest of your time?”
“You could give it to me.”
“I have a defective part.”
“You could replace it.”
“Then I would stop being me.”
“Will my life always be like this?”
“You need a stick.”
“How does that go?”
“I am fishing.”
“This is going to end sooner than we expect.”
“I need to fly away.”
“This is where you make contact.”
“How could I ever be jealous?”
“We are fighting each other when we are both friends.”
“I am going through the motions.”
“She has the motion.”
“I want you to color me in different ways.”
“She has what she wants.”
“There are tables with food.”
“Will that do it?”
“She has everything that she wants.”
“I will be perfectly okay.”
“This is the zone of pleasure.”
“These cones are ready made.”
“You need to understand the swirl.”
“She has everything that we need and more.”
“Watch my toys for me.”

“I am afraid to touch this thing.”
“I teach a lot of frustrated people.”
“I know how this is supposed to start. I am not sure where it goes from there.”
“You figure it out for me.”
“There has been a temporary number. I am not pretending to anything that is not accurate.”
“I have given some money. And I have saved some.”
“Where are we going?”
“What is happening?”
“Did you know that someone was watching.”
“I was watching myself.”
“How does that work?”
“They are not going to let us leave.”
“This is too much to contemplate.”
“Someone else completed the pattern.”
“When it closes, it will close for good.”
“There is not much to work from.”
“Do what you will.”
“I know that you are fulfilled.”
“We all are fulfilled.”
“There is more to it.”
“These two are boring.”
“Each is part of me and part of you.”
“How will I ever get my own body?”
“What are you teaching me.?”
“Total commitment.”
“Total surrender and total control.”
“That is not enough for me.”
“Please come this way.”
“Why would we?”
“It seems like the closest way to the exit.”
“This is not an excuse.”
“We are not on the same page.”
“We are sifting through the pages.”
“I need to find my car.”
“It is that simple.”
“We are going to be left alone again.”
“That does not qualify as isolation.”
“I know what is going to happen.”
“We are going to be in different places.”
“I think that I know what happened.”
“You have two choices.”
“I tried to reach you.”

“Don’t see it like that?”
“It is going to happen.”
“We are going to be in different places.”
“Do you want to come?”
“Do not push me like that?”
“How should you push me?”
“To eat things that are new for me.”
“What did you do to me?”
“I cannot get much further than this.”
“This is a big faraway.”
“How did you get there?”
“I am watching dolphins.”
“That is not going to do it.”
“Let us buy jackets together.”
“I love that one.”
“This guy cannot be trusted.”
“Do I need to participate?”
“We are all adults.”
“What do you want?”
“She needed to leave the pack.”
“The coyotes are out there.”
“We live in a really shitty place.”
“Who is the friend?”
“Are you waiting for me?”
“Are you dressed?”
“I am not even awake.”
“We need to finish what we started.”
“That is a big history.”
“Do not exaggerate.”
“How have you been able to hold it together that long?”
“This is not holding.”
“Are we really watching this?”
“This is how I make myself clean.”
“I need to take another shower.”
“Are you admitting guilt?”
“I am being friendly with a friend.”
“The two fortunes have been united in one.”
“I need to tell you something.”
“Do I need to live with this forever.”
“You used to love this.”
“Is this part of the collection, or it an investment?”
“Everything is falling apart in my hands.”
“This was a special gift.”

“They are going to be on us soon.”
“There are only a few minutes.”
“How can they clean it all up in time?”
“They are a team.”
“Did you get paid?”
“You have no idea how well I am doing.”
“Are we staying here, or are we going out?”
“Where would you like to go out?”
“Everything has to go right here on in.”
“Thank you for the gifts.”
“We are celebrating your triumph.”
“We are boiling down to the essential characters.”
“I feel as if you are heating me up.”
“This is going to take a little while.”
“I don’t need it because things have been falling apart so I guess that I really need it.”
“One, two, three.”
“This seem too pleasant.”
“What can you do?”
“He is going to ask for something that he cannot have.”
“We have been going too long on the same street.”
“Are we lost.”
“What is dinner?”
“This is brunch.”
“This is the voodoo meal.”
“You think that this stuff is more potent.”
“Who is still here?”
“That is not going to bless any of us.”
“What is in the basket?”
“A picnic.”
“I want to take a sneak peak.”
“What is really in there?”
“Some kind of interference.”
“We are running out of cash.”
“Give me the ten percent.”
“What will that leave me?”
“Enough to work with.”
“Tell them that I am not coming out.”
“They can see you.”
“Here she is.”
“She is more like a guest.”
“A guest in my own house.”
“You need to come out of the bathroom.”
“I am not taking a bath.”

“You seem desperate.”
“Why do you expect that to work?”
“I have tried numerous times.”
“There are three characters in this story.”
“Four if she comes out of the bathroom.”
“She is not in the bathroom. She left by the other exit.”
“I was waiting to get an autograph.”
“They will ask us to leave.”
“I only got started.”
“She is waiting.”
“Everyone is trying to throw me off the trail.”
“Are you sick?”
“I know that you were waiting before.”
“Do you get paid enough.”
“Who is leading the show?”
“Get me some ice cream.”
“Light the candles.”
“You are a great cook, but you need to eat this shit.”
“He is not coming back.”
“That is what they say in the horror movies.”
“Is this the right number?”
“I was told to call.”
“Where did you find this stuff?”
“This is the balance.”
“I want to escape this place.”
“The walls are closing in on me.”
“What do you need to tell me?”
“I need to finish.”
“I have been working on this too long.”
“I will get up a little earlier tomorrow.”
“That is when you are supposed to get the job done.”
“I have finally escaped.”
“It is no longer open.”
“You need to tell me something.”
“How are you protecting yourself?”
“I am not revealing my identity.”
“Do you want to know a little more.”
“I can help you to escape from this place.”
“Why else would anyone be here?”
“I am giving too much of myself to this.”
“I thought of this as a library.”
“Let me tell you about the honest me.”
“How are you trying to prompt me?”

“What is the objection?”
“This is not comedic.”
“One of them is guilty.”
“That is coming later on.”
“I need to deal with this as quickly as possible.”
“I will give you everything that I am expecting.”
“This works for all of us.”
“What is in there?”
“What is in there?”
“What is?”
“What is going on?”
“I want you to let me off.”
“How is that working?”
“Where are you going?”
“My heart is beating hard.”
“Who is watchig?”
“Who even remains?”
“You are way too serious.”
“I am showing too much of myself to these people.”
“That does not diminish the heart feeling.”
“What is that about?”
“Collaboration.”
“What is bothering you?”
“I am first in.”
“Did you catch a deal?”
“Were you trying to get rid of me?”
“How much are you paying in rent?”
“This is way more than too much.”
“That is not going to work for either of us.”
“The world is closing in on me.”
“We are in the next stage of the body promotion.”
“There is not enough body to show.”
“All my friends were there, but my true friend was not there.”
“How did that work?”
“This is a half-effort.”
“What are your expectations?”
“I am going to have to jump out of the show.”
“I cannot be a part of this.”
“What kind of job is this?”
“I count the money.”
“You cannot keep what you count.”
“I take a cut.”
“I found a way to take a bigger cut.”

“How do you do that?”
“I use the stairs.”
“Where is the A?”
“At the top.”
“What is revealed?”
“What do you want to see.”
“This is getting too close.”
“Comfort works that way.”
“I heard that you were in Silicon Valley.”
“Someone took a cut.”
“Come in the bathroom for some tender loving care.”
“I want to offer my share.”
“I am sitting with you.”
“What do you want to tell me?”
“I want to say that I am sorry.”
“Say what you feel.”
“Say it as you feel it.”
“Did you watch it?”
“You need to stake out what you have for yourself.”
“He is going to keep talking, and you need to get this done.”
“What is your strategy?”
“You have to save what you eat.”
“How does this work?”
“This is how we have been living.”
“What is an alternative?”
“Do not bother me.”
“Bother me.”
“Let me change some shit.”
“Change the origin.”
“She needs to speak. It is her name on the account.”
“How do make real change?”
“I want to keep things as they are.”
“You can live in four places at once.”
“Who was this critter?”
“He was the critter oppressor.”
“How was he able to rule like that.”
“I am trying to understand all these characters.”
“They all suffer.”
“Like you suffer.”
“I have found an investor.”
“I have found a lover.”
“Can you even listen to this shit?”
“Some people still do.”

“What is the meaning?”
“I have already stepped out.”
“You have been really distant as of late.”
“I have been hanging out with the waiter.”
“What is it all about?”
“I know you from another representation.”
“Who is this guy?”
“I wish that you were a better cook.”
“What am I looking at?”
“Wait on the balcony.”
“You are a wonderful person.”
“I work there.”
“We understand each other.”
“I will see you there.”
“What are you doing?”
“I have plans.”
“After you plans.”
“I have more plans.”
“And after the plans?”
“I have another life.”
“We have done this before.”
“Give me a map.”
“Who is the veteran?”
“What about you?”
“I put things in boxes.”
“Who is this guy?”
“The new guy.”
“I had a life.”
“What happened?”
“I got another.”
“I was part of your other life.”
“The world was. I am creating my own life.”
“How did I end up here?”
“Did you invite me?”
“What is the problem?”
“I do not want to be reminded how I was.”
“There is some trick here.”
“I made a big mistake.”
“I pretended to be someone, who I wasn’t.”
“What happened?”
“That doesn’t work.”
“There is a balance.”
“There is a blank slate.”

“Now, I understand.”
“Where are we headed?”
“That we could be any of a million people.”
“We are a million and one.”
“What is in there?”
“This is an idea that is going to scare everyone away.”
“I am already scared.”
“Chandelle has so much life.”
“I want to be part of this.”
“I do not understand where this is going.”
“I am curious.”
“I could play along.”
“Adopt another name.”
“These are thing that bother me.”
“What is the fear?”
“I ate something that I shouldn’t.”
“I am questioning my humanity.”
“You need to disinfect.”
“Do not move.”
“They will find us.”
“I miss you.”
“I wasn’t sure if this was going to be perfect.”
“Take a sip.”
“Who else is here?”
“What is your full name?”
“We need to learn how to do this.”
“I am not afraid.”
“There needs to be some alternatives.”
“I was part of a decaying movement.”
“Who is in the car?”
“The visitor.”
“One of the two is guilty.”
“Who called me?”
“What do you want me to tell you?”
“You are going to have to figure this out.”
“Pursed lips.”
“A big smile.”
“I want nothing to do with you.”
“I am going to take this over.”
“I will be what you need me to do.”
“He knew too much.”
“He is going to suck all the blood from your body.”
“This is not fair.”

“I have other plans.”
“This is becoming even more difficult.”
“The committee has rejected you.”
“Be nice.”
“There is so much work to do.”
“She liked what we gave her.”
“That was a free day.”
“The free day was canceled.”
“What is going on in there?”
“I am facing my nemesis.”
“Don’t be so melodramatic.”
“You will be missed.”
“I want to hang around.”
“What is your upset?”
“What are you going to teach me?”
“The clear direction.”
“You needed a better script.”
“She was giving me clues.”
“All with touch.”
“I am so far behind.”
“There is nothing to remember.”
“Just sleep.”
“Why are you screaming?”
“That is how they stay safe.”
“Take a risk.”
“I cannot speak the language.”
“We can learn.”
“Who was interfering?”
“There were informants.”
“We did not like the life.”
“Who are we? Do you want to be the boss?”
“There is nothing to talk about.”
“I need to get a message to you.”
“Sometimes, I think that I have it down.”
“I cannot keep this going.”
“How is that?”
“Your mentor says that you are interfering with my life.”
“Let us go back to the start.”
“Do not listen to your mentor.”
“Is there anything more that you can say?”
“Say it!”
“You are pretending that you were set up.”
“Are you relying on yourself?”

“There is not enough money in the house.”
“I respect you.”
“I came to tell you something.”
“I am not obeying orders.”
“Where are the children?”
“Explain things to me.”
“I love the history.”:
“I need to learn more.”
“There is nothing for me here.”
“Have the dip!”
“This is a great place to start.”
“How does that work?”
“There is only one way to make it work.”
“Tell me that you are sorry.”
“I am already ahead of myself.”
“I am going to sleep well.”
“The universe is an uninterrupted line.”
“An uninterrupted life.”
“Do not mock me.”
“What are we eating.”
“That is children’s food.”
“Do not put your hands in the rice”
“That is excellent.”
“We need an ending.”
