

BANNED

“That means even less to me.”
“I can hear the voices, and they are telling me what to write.”
“Write away.”
“Why are you searching for oranges?”
“It is elemental.”
“Stick to the books.”
“Did you take the test?”
“Everything seems so automatic.”
“Why does that work?”
“Two things.”
“We can fix the face.”
“How do you do that?”
“Get me to do things that I want.”
“And you are terrible.”
“Come and see me.”
“These are the repercussions.”
“That is how we live it.”
“You remind me of someone.”
“Why is that work?”
“I got caught.”
“I explained it.”
“It could not be better.”
“I like the noise. It’s better than the silence.”
“Sometimes.”
“Is there anything here that is going to be better for me?”
“WHAT ABOUT ME?”
“I can make you love me.”
“Take away my shit.”
“Tell me that story.”
“You stole my blender.”
“I still have it.”
“No one realized that I was hiding stuff in that blender.”
“Clean the blade.”
“Crunch.”
“That is all that matters.”
“Can you manage this?”
“You are going to have to pick up some steam.”
“They only give you one thing.”
“This needs to matter.”
“And that is affecting.”
“Who else is left?”

“I will take what is there.”
 “You help me get close to the source.”
 “Are you that kind of person?”
 “Will any of that interest me?”
 “That is what I need more than anything.”
 “You need to get a little closer.”
 “Under other circumstances, you would be clumsy and lacking in social skills. You know how to tell people the same shit every time.”
 “What is the issue?”
 “You gave me too much of too much.”
 “How did you learn where to go?”
 “I could smell the decay.”
 “I have been doing this longer.”
 “That will work on every level.”
 “Now, we come to the real conversation.”
 “Do you feel as if you owe me something?”
 “I need to get out of here.”
 “You do not want to tell a killer that he is killer.”
 “What else do you have?”
 “I can make it through the night.”
 “And what about the day?”
 “I have a default position.”
 “There is no goal here.”
 “I would take it all.”
 “I was not invited.”
 “You showed anyway.”
 “What happened to the real conversation?”
 “You added the powdered sugar.”

ORDER

“I got my order in for the body that I like.”
 “Are you really working with this guy to guarantee what your dreams?”
 “What is my choice?”
 “What is anyone’s choice?”
 “I fell asleep.”
 “Who will confirm that I got things right.”
 “You are just in time.”
 “That is what they call it now.”
 “They didn’t even have a jack in my car.”
 “You will work it out.”
 “How do they escape?”
 “What do you want to know?”

“Everything tht you don’t.”
 “There is a place where this all makes sense.”
 “Solitary.”
 “The collective.”
 “Who will help out?”
 “Non one wants to assist.”
 “That is a perfect match.”
 “I will think about it a long time.”
 “It is a different time of day.”
 “You can leave with your knowledge.”
 “She was going to teach me the rules of the game.”
 “Jill is afraid that you are going to use the game for your own benefit.”
 “We do not suffer in the same way.”
 “I do not want o pretend anymore.”
 “Pretend, Jill.”
 “I heard an echo.”
 “You can ask.”
 “This is not homework.”
 “What is the distribution?”
 “There is wheat, and there is coal.”
 “They still cough it up.”
 “That is something pretty big for this place.”
 “You could have always gone deeper.”
 “Is this a spatial relationship?”
 “What are you wondering?”
 “Who let us in this place?”
 “You are going to have to take a beating.”
 “That is not how I want to see my life.”
 “The feeling will pass.”
 “I need to close the door on you.”
 “You needed to do a better job.”
 “You need to speak in a clearer fashion, and quit thinking that your gestures are going to do the trick.”
 “Are you going out to the car?”
 “I need to get up early for work.”
 “What does the game teach?”
 “This could not be better.”
 “Do we need more than a simulation?”
 “We need the real thing.”
 “Oh hell, I will take what you have.”
 “There will not be a book.”
 “There is a book. But it is turned in a complete opposite direction.”
 “There will be complete breakdown.”

“How has this been working before?”

“I give you food, and you give me answers.”

“What do you want to know?”

“What can I trade this in for?”

“What happened today?”

“Jill, I need you to explain this.”

“This is today. Jill is in the midst of an explanation. The simulated experience has advantages.”

“I want you to tell me what happened to you today. Do you like your job?”

“I love it.”

“I assist in making the system hold together.”

“What is the system?”

“The banking system. The legal system. The economic system.”

“I have arrived.”

“You have a great deal to tell me.”

“Now, I truly understand.”

“We all knew.”

“I reformed.”

“You’ve got all that covered.”

“They are covering you.”

“I am covered with paper.”

“I am going back to what I need.”

“You can’t talk to me in a mature fashion. There are always these veiled threats. That has everything to do with the games that we have been playing all along.”

“This is not okay.”

“You have taken away the only thing that truly matters to me.”

“I am not a participant.”

“None of that registers with me. I don’t want to seem as if I am unsympathetic. But I have no sympathy.”

“I am trying to explain what she can do with the available tools.”

“This is not about the infinite.”

“What is it about?”

“The here and now.”

“There is too much now.”

“Are we going to excavate?”

“Jill, I am doing everything that I can to assist you in conveying what I am about.”

“I cannot go any further.”

“I play by rules. I get people to be sympathetic with me.”

“I was there for you.”

“I was no longer there for myself.”

“There is another show.”

“I am no longer there for myself.”

“Do you want me to hate this?”

“Hate it.”
 “How did you get this?”
 “Admit it.”
 “I am in the there and then.”
 “That is going to be so terrible for me.”
 “That was years ago.”
 “They are after me.”
 “Are you going to give me what I need?”
 “A reading.”
 “He scored it.”
 “Jill does that to help with the game.”
 “The game does not need help.”
 “How does this differ from an actual social situation?”
 “It obscures the actual economic effects. So we only see part of the picture.”
 “The house.”
 “This is not a house question.”
 “What is your social commitment? You are seeking accuracy. You have achieved it.”
 “Another few contestants, and we will have established the odds.”
 “This is not in my favor.”
 “Jill, can you assist with a fairer distribution.”
 “Soon takes a long time.”
 “You have all the time in the world. You need to make a break.”
 “It is not like that.”
 “What will she do when she finds out what is really occurring?”
 “She will turn on all the lights.”
 “She will change the lighting plan.”
 “She has changed it.”
 “This can be something real.”
 “This is real.”
 “Who assumes the liability?”
 “In games, there is no liability.”
 “You have damaged my mind.”
 “I want to retreat.”
 “And that goes to something.”
 “Ask the source.”
 “You got what you want.”
 “Honey, let me play this game.”
 “It is never going to happen again, Lancer.”
 “You can get the names right, but that is no guarantee of success.”
 “She has no idea.”
 “Does anyone?”
 “I can’t remember his name.”
 “Lancer will remember.”

“That is supposed to help.”
“You have been warned.”
“I am fighting an uphill battle.”
“Things will be all right.”
“There will be a complete explanation.”
“Who will offer that?”
“In my heart of hearts, I know.”
“Are you getting it?”
“I only need to sleep.”
“I am going to cry.”
“I am not. I want my money.”
“This is the money.”
“No one understands.”
“They could.”
“How did you manage that?”
“We decreased the available words.”
“Introduce us.”
“That is coming.”
“Who does what?”
“I only reflect how the world wants to see me.”
“Yesterday’s shit is today’s masterpieces.”
“I am sidelined.”
“Was there a moment when you had it?”
“I am trying to understand the descent.”
“We found your drugs.”
“I am not very good at the math.”
“Give me a chance to explain it.”
“There were numerous day to explain it.”
“That really is going to take me somewhere.”
“Meet me back at the place.”
“You are in total denial.”
“That is my nature.”
“This is not thebest. It is only your decision what is the best. When it is averaged out, it is not worth a damn.”
“You can wrestle the alligators.”
“There are none here.”
“We could bring them in.”
“Here, they are.”
“I will fight them all.”
“Does that even appeal to me?”
“It does.”
“I have everything that I will ever desire.”
“You have a trash receptacle.”

“I have been planning all week for this moment. And it is turning out nothing like I expected.”
“All effective.”
“Jill is going to reveal.”
“She will be transcendent.”
“Crystal clear.”
“No solutions.”
“That is permitted.”
“We can have a naming contest.”
“You are exaggerating.”
“That is the exchange rate.”
“I know where to get that fixed.”
“Where?”
“Cannot be fixed.”
“Jill, what goes next?”
“You give me a better identity.”
“I have doctor’s orders not to go anywhere.”
“There is someone for everyone.”
“Is this a meal ticket?”
“We could combine all that shit.”
“What happened here?”
“I can improvise.”
“Who will notice?”
“There is a scandal here.”
“What went wrong?”
“Am I watchong your dog?”
“I do not want to saty here anymore.”
“I am paying for you apartment.”
“Does this stuff ever work?”
“That is never going to turn me on.”
“I have a different role to play.”
“You cannot really call your life a role.”
“I could play the role of a wife.”
“Hold my hand.”
“This wil get worse.”
“I thought that I was doing badly.”
“You need to go outside of your comfort zone.”
“What do you wnat to see?”
“That will never work favorably for me.”
“I only need a stronger motivation.”
“How did I end up in such a terrible situation?”
“That is all that it takes to make you excited.”
“Do not stare at the screen too long.”

“One day, you do not show up for work.”
 “I am running out of ideas.”
 “You could ask me.”
 “And I am thinking about that.”
 “I am going home to recharge.”
 “Did they ask you back in?”
 “This marriage is over.”
 “You are going to have to make some bad movies. But you are moving towards a positive resolution.”
 “What is your issue?”
 “I see what I want.”
 “This is an expression of who I am.”
 “Really? How does any of that work?”
 “I am a different person on different days of the week.”
 “That answers nothing.”
 “Play a role.”
 “How does that have any effect on the economic development of America?”
 “I am sure that you are wondering about something that you can never have.”
 “Think about the immediate challenge.”
 “I need more of a purpose.”
 “The secret for changing the world.”
 “We do not want him here.”
 “I needed to listen to him last week.”
 “This is all up to you.”
 “I am in a training program.”
 “Will they help to improve your mathematical skills?”
 “This is all that I need.”
 “Who wants to help?”
 “We are going to have to collect a lot of pennies.”
 “I am being torn in different directions.”
 “What are you trying to say?”
 “Give us all what we need.”
 “Where do we go next?”
 “You should shut things down.”
 “This would have been perfect.”
 “I do not even know here.”
 “Go back there”
 “That is going to work.”
 “What did you do to yourself?”
 “It is only part of the game.”
 “Do you want to get more serious about your job?”
 “I need to get serious about my career.”
 “What are you contributing to a better world?”

“I will get to that.”
“I think that I know and understand you.”
“Those are the only things that I know and care about.”
“I am here to enjoy myself.”
“Where is this headed?”
“What are you about?”
“Is this something edible?”
“Do you have a purpose?”
“I am try to run out of my life.”
“I do not have the time for that.”
“I have been there.”
“I have been there.”
“I am there.”
“There.”
“Where are you from?”
“Where do you want me to be from?”
“Who is paying for this?”
“I need to get off the phone.”
“I want to explain this.”:
“And this works for you.”
“I am designing an audience.”
“We need to leave.”
“You are pouring your heart out.”
“Tell me that it matters.”
“I need a solution.”
“This guy is good at that.”
“I want that for once and all.”
“Now, we are giving up too much to get too little.”
“What words will work?”
“A bunch of work words.”
“All that mattered onec.”
“It did not give me anything that really mattered.”
“What is the undercurrent?”
“They rush these currents through your body to help you get over whatever ails you.’
“What does ail you?”
“I cannot solve any of that.”
“I can do public relations for you.”
“Why is that even needed?”
“You struck my fancy.”
“I really messed this up.”
“You are messing up so much.”
“You would be more conscientious.”
“Why can’t you give all of yourself to me?”

“Is this an actual question, or just a question for the role?”
“That does not work for m.”
“We can show you a little.”
“What more do you want?” “
“I am going to have trouble keeping up with you.”
“Do you think that I want to take a look at that?”
“I am teaching skills.”
“That will never be enough.”:
“Stop by, and you can share.”
“I am not that good with machines.”
“What can you do with macaroni?”
“What kind of thoughts do you have?”
“I send birthday greetings to my daughter.”
“How do they treat the animals?”
“There is not enough of a risk here?”
“What do you do at home?”
“Take care of myself.”
“You could keep writing.”
“That will not make much difference.”
“That is a lot more expensive than it is worth.”
“Do I want to be reminded?”
“And that is going to turn me on.”
“What is the alternative?”
“Did you raise a pulse.”
“Get it done.”
“That is clean.”
“That is going to slow you down.”
“I was hoping for a complete description.”
“All that I want is for you to show a little more concern.”
“I am so close to a deal.”
“You always say that.”
“Once this is done, you can leave.”
“This is so finished.”
“How are you doing?”
“I assumed things that were not true.”
“Where did you end up?”
“I made a serious mistake.”
“I want something else.”
“Something edible.”
“The perfect food.”
“You are going to need to handle the subject matter deftly.”
“Show me some balance.”
“I have a lot to consider.”

“Consider.”

“What are you doing?”

“Trying to do a miracle.”

“I am willing for anything.”

“This is eternal life.”

“Bathe in the waters.”

“This is another screen.”

“What other screen are there?”

“I have way more than I need.”

“I need to tell you something. I am not who you think I am. I have gone through stages in my life. I am not even the same person.”

“I do not know what that means.”

“You need to be able to eat the incredible answer.”

“What is that about?”

“There is a memory deep inside.”

“Can I get a ride out of here?”

“I was where I wanted to be. But I needed to get out of here.”

“Call me your wife.”

“I do not know a Quate.”

“She was at our table. She ate the hard-boiled egg.”

“I do not eat eggs.”

“Who else was there?”

“Sami. What do you know?”
