

GIVE MYSELF TO THE WORLD

“This is wonderful.”
“The same look again and again.”
“The stop sign.”
“That would be perfect for me.”
“I have already made a claim on the world.”
“There could be an alternative version.”
“What else is in there?”
“You could tell me everything.”
“I am working on that.”
“I hate that shit.”
“Tell me where to be.”
“What is in there?”
“Carry on.”
“After all that time, you can reveal.”
“It can be explained.”
“I have found the intersections.”
“There is another zero point.”
“That is what you want to believe.”
“That is all that is needed.”
“Don’t you know it.”
“You are in my way.”
“She is good at reading the signs.”
“Why does any of that work?”
“Is that you?”
“Do you want to get involved.”
“There is no more here.”
“Some random guy walks up to me and tells me about a movie that he wants to do.”
“That is all that I care about.”
“I need to calm down.”
“I have found someone who understands completely.”
“Do you have a mint?”
“What is that about?”
“We are going back to the place to read to each other.”
“I want something else.”
“I could go all the way.”
“YOU DID TELL ME.”
“He is tapped in.”
“You are so mysterious.”
“Do you want to talk about my money?”
“I want to talk about your life.”
“I do not use currency. I use the will.”

“How does that work?”
“Give me what I need.”
“I expect so much more.”
“And you get so much less.”
“Where are you all headed?”
“There is one mix.”
“Where did she go?”
“To a police line up.”
“I need another drink to make all this work.”
“Do I need to hear this?”
“I believed this.”
“Pop goes the weasel.”
“Then it bit me.”
“This is not fair.”
“Never fear.”
“This is the day to make the move.”
“It finally happened.”
“I am free.”
“You take that risk in a non-risky way.”
“What are you celebrating?”
“You gave me a knowing look.”
“I am known.”
“You need to leave the capsule.”
“I left.”
“I cannot breathe.”
“I cannot breathe.”
“I was watching closely.”
“That is not worth looking at.”
“Look at it.”
“You downed it all.”
“I have been downed.”
“There is no imagination.”
“Total realization.”
“I felt that there was hope.”
“You need to talk.”
“Who is the guide?”
“Where do you want to end up?”
“In historical enlightenment.”
“I will play.”
“You have not been asked.”
“I asked, and I was answered.”
“You are really bad off.”
“That is everything.”

“She knows it in her own way.”
“Mark that explosive moment.”
“What are you wearing?”
“What do you want me to wear?”
“The wedding garment.”
“A wedding in blood.”
“The devil’s ritual.”
“Get it all down.”
“Different ways of passage.”
“We need to do some grilling before bed.”
“Someone will ask.”
“Someone cannot ask.”
“You need to look the part.”
“”The run.”
“The grill.”
“The helplessness.”
“You cannot have what you do not have.”
“I am all magic to you.”:
“The girls are on the move.”
“I want to join in.”
“Danielle is brilliant.”:’
“She could get even better.”
“We are at the next form of cooking.”
“Eat uncooked out of the can.”
“What else is left?”
“Cheap shit.”
“That is so good.”
“I can be more coherent.”
“Where is this headed?”
“I am trying to protect what I have.”
“Do you want to know the truth?”
“Where did you come from?”
“A board meeting.”
“I am getting closer to an explanation.”
“The economy is going to hell in a hand basket.”
“Where is the basket?”
“Why does this work?”
“This will help you last.”
“Burn some sage.”
“What will that do?”
“It will make things more confusing.”
“There is no stamp on this.”
“Stamp it out.”

“What have you been thinking about all day?”
“Get rid of my enemies.”
“I wish that you would ask.”
“Have you ever listened?”
“Do you know what I really want?”
“There is not method.”
“Whatever happens happens.”
“I am getting what I want.”
“That is brilliant.”
“I am destroyed by more rebellious bull shit.”
“Where do we go?”
“Am I supposed to like that.”
“I need better work.”
“Power up.”
“Power down.”
“You are part of the show.”
“I am at the center.”
“Like a sun creature.”
“I can’t get comfortable.”
“You are going to wipe me out.”
“This is the next volume.”
“What is in there?”
“There might as well be something edible.”
“You will not last.”
“There is not much time.”
“Damn.”
“Walk all over me.”
“I cannot read that. Sound it out.”
“I missed that.”
“We are friends from way back.”
“Share with me.”
“You took away my understanding of time.”
“There is a lot to learn.”
“That is not going to be good for me.”
“Stuff this in the system.”
“Tomorrow will be everything.”
“You are too positive.”
“I would give you the world.”
“It is tawdry.”
“Follow me to the end.”
“I need to be honest.”
“I need to save what I have lost.”
“She is going to help turn you.”

“There is integrity here.”
“You give me a little bit.”
“I copy it all word for word.”
“There is too much glamor to need a book.”
“There are thoughts.”
“They are all returning to the same spot.”
“I am so afraid.”
“Afraid.”
“What am I getting?”
“A kitten.”
“Shit, shit, shit.”
“You are going to get kicked out of the competition.”
“I just need that for now.”
“There is a lot of time.”
“That is not helping.”
“More noise.”
“I have your money.”
“I have your life.”
“Do you have it?”
“I lost my head.”
“How did I know?”
“I was born to know.”
“How does life work our like that?”
“This is for you.”
“I need you to give me a ride.”
“I am getting attacked by killer bees.”
“What is that about?”
“I do not want to see any of this.”
“The world loves me.”
“That is planned out.”
“Do I make the cut?”
“You are the cut.”
“You needed to wait at home.”
“I pass out in the back of the car.”
“What kind of knowledge do you have?”
“I am making it happen.”
“What did they put in you?”
“The good stuff.”
“That is destructive.”
“I love it anyway.”
“She is still in the house.”
“This is some thriller stuff.”
“We accept thing that we should not.”

“This is worse than terrible.”
“How did you prepare for this?”
“Did you think about me?”
“I know what you did.”
“What are you talking about?”
“You retained a memory of me.”
“I wanted you to pull out the big guns.”
“This does not sound good.”
“Is that a key?”
“That explains everythig.”
“You do it.”
“You go this way.”
“I need to wait.”
“Wait.”
“There is no way to solve it.”
“What do you want?”
“I am waiting for a storm.”
“I want to leave teh body.”
“How much money is here?”
“Hide your face.”
“You talked about me.”
“I want to explain what I said.”
“You know whewre we are.”
“I am trying ot resist.”
“I am doing my best to resist.”
“Give in.”
“They all give in.”
“Did bad things happen?”
“The house is haunted.”
“What will explain it?”
“I am at the top of my game.”
“Take the shot.”
“I did.”
“Did you get points?”
“It bounced off the rim.”
“She quizzed me”
“Did you pass?”
“Don’t sandbag me. You need alcohol to forget what happened.”
“Shit.”
“This is not about me.”
“The radar has locked on.”
“I am breaking down.”
“Do you have what I need?”

“A pulse.”
“Combine the rest of the human stain.”
“Train.”:
“Why do you hate me?”
“Why do you hate yourself?”
“Read it all.”
“You cannot sort it out.”
“Out.”
“I know what makes that work.”
“Down for the count.”
“Do you care?”
“I do not know what you are talking about.”
“Good read.”
“I do not want to be here.”
“Let me crash at your place.”
“You have all the fun.”
“When I break it down to nothing, what is left?”
“Nothing.”
“Jokes.”
“We continue with people who care.”
“Did I just waste my time?”
“You are better at this than you know.”
“I have seen it from both sides.”
“Both of what.”
“That is so me.”
“Do you like the kitten.”
“MEOW!”
“Now.”
“You can be totally present in this moment. No supplements.”
“Where were you?”
“At the top of the mountain.”
“How did it feel?”
“Will they remember me?”
“They have you on file.”
“What does that mean?”
“Some kind of face recognition program.”
“I want to be someone else.”
“I can read lips.”
“Get me home.”
“Who is looking out for me?”
“I want soul to soul.”
“We do not have souls.”
“Give me, give me end game.”

“That is a half solution.”
“We need to break rocks.”
“We hold fast.”
“I get carted out in a garbage can.”
“Am I like that?”
“I am decaying.”
“She does not want to hear the explanation.”
“Who is looking out for you?”
“I have gotten caught again.”
“Change those shoes.”
“I am not looking for make up tips.”
“We have got this so wrong.”
“I am doing everything to focus.”
“I will make it home in one piece.”
“What is happening to us?”
“I cannot save anyone.”
“This is where I break down.”
“You cannot come to the house.”
“Do you really want that?”
“That is a few bucks.”
“Go to the office.”
“This is not a work question.”
“Wow!”
“I need to go to the rag shop.”
“How will that help?”
“I asked for something that I do not deserve.”
“I need to say a prayer.”
“Who do I pray to?”
“Stay for a while.”
“How will get around.”
“I was together.”
“I am even less.”
“I am in place.”
“I will be destroyed.”
“There is rebirth.”
“I want ti all.”
“Platitudes.”
“These are ripples.”
“How is that?”
“Long waves.”
“I am uncomfortable.”
“Is it like this all the time?”
“It is hurting me.”

“I was depicting something certain.”
“We could be in an empty room together.”
“Are you going to interrogate me?”
“I cannot clean up.”
“I need someone to help me to explain.”
“I do not want to destroy this.”
“We need more cash.”
“Is this a bowling alley?”
“What is the clear path?”
“All the lights are on.”
“We were embarrassed.”
“That did not help.”
“String together an explanation.”
“Pure.”
“The hot oil treatment.”
“I would hope for different management.”
“I am looking for a different program.”
“What else?”
“Do you hate me?”
“That is too much performance.”
“What can guide you?”
“That helps to create endurance.”
“They are all having this excitement. I want to be part of it.”
“Do not surrender your soul.”
“I need more work.”
“I am not watching closely enough.”
“We are closed.”
“Money to be made.”
“Money to burn.”
“It will take a theory to put together all the parts.”
“She knows.”
“I will be there.”
“Do I need five people to help?”
“They threw me out of my own party.”
“I only need someone to hold me together as I come apart.”
“And that will work.”
“You have lost your mind.”
“There are replacements
“Too much noise.”:
“I need this.”
“All the movement going in one direction.”
“Let me practice with you.”
“I am becoming a terrible person.”

“Who has the cash?”
“Where are the bank accounts?”
“I have tried to help you.”
“We come at this in different ways.”
“Twinkle, twinkle.”
“This needs to happen overnight.”
“You need to work at this.”
“That is too much sentimentality for me.”
“I had a chance.”
“Stay over.”
“You are the only one who wants to stay over.”
“I PAID FOR THE POWER BILL.”
“You have all that.”
“I am totally surprised.”
“I will adapt.”
“Then I cannot adapt anymore.”
“How dare you say that?”
“Do not delude yourself.”
“You are still going to destroy what you stand for.”
“Why does this work for you?”
“My friend.”
“Oh, my God.”
“I need more than this.”
“What do you have?”
“You are paying me.”
“There is a structure.”
“That is hopeless.”
“You are not included.”
“I could pretend in one way or another.”
“Another.”
“Crystalize.”
“I want to ask.”
“No, you don’t.”
“This is a horror show.”
“She will come back for rescue.”
“I have none of this.”
“I can dream about this.”
“That was planned.”
“You have been doing this all night.”
“I am compensating for a bad night.”
“A bad childhood.”
“A bad child.”
“I am going to do this.”

“Why did you do this?”
“Do not explain this.”
“We all reach a state of desperation.”
“That explains nothing.”
“Let us say that we brought everyone in one room. What would they want to understand?”
“You could be different.”
“What do you think?”
“You are way beyond hope.”
“You are going to ask.”
“I am not going to answer.”
“Are you going to torture me?”
“Lancer, what is going on?”
“You keep crashing the machine.”
“And what is left?”
“She gives you what you need.”
“You are very afraid.”
“You are very afraid.”
“It is the splatter method. But there are tracking methods.”
“We know who we are.”
“Shooting stars and sitting ducks.”
“This is love, but you do not listen.”
“They know hi.”
“I died a thousand times.”
“They picked me from the accident site and put the parts back together.”
“I will not get it.”
“I need someone to come with me.”
“How much do you survive on?”
“This is not money. This is grit.”
“Why does that work?”
“I have a reference point.”
“It could be all wrong.”
“I guess that he loves me after all.”
“After all.”
“It doesn’t take much.”
“I am good at this.”
“Does anyone want to know?”
“I need to sit with this.”
“I nailed it.”
“Baby, no one is laughing.”
“That was not supposed to be a joke.”
“You do it all the time.”
“Make it happen in one night.”

“Someone needs to give you the touch.”
“You destroyed me in one fell swoop.”
“It is already done.”
“Keep it going until it cannot be done anymore.”
“This is sadness.”
“This is the center of the world.”
“Nothing that I can worry about.”
“You did worry.”
“You ripped up a lot of paper.”
“They aksed you to go.”
“We have a whole new team for tomorrow.”
“Is that real?”
“I got tagged.”
“I am missing the crew.”
“How much des it take to build this set?”
“Ask Sebastian.”
“Reach up high!”
“What is actually happening?”
“Taking a swing.”
“You need to ask me.”
“I was initiated.”
“I will visit.”
“I come with a gang.”
“This is not going to be easy.”
“I know where I can put this.”
“Take it for what it is.”
“What do you return to?”
“I become something ill-fated.”
“I am working on it.”
“You wasted things.”
“Come back for more.”
“Did you get that?”
“I have a private plane and a Lambo.”
“I lost the only thing that mattered.”
“I need one more pose.”
“Back again.”
“Everything.”
