

WORSHIP

“I am a working guy. And I don’t want these twisted ideas influencing how I think about myself. I know what I like and what I don’t like. It is that simple. I am not looking for a compromise. I know what I want.”

“What have you figured out after everything?”

“That I know who I am and what I like.”

“That is good.”

“That is really good.”

“Is this about your identity?”

“I do not think about myself that way. I answer to my name. I sign my checks. I pay my taxes. It is that simple.”

“It is that simple.”s

“What were you in for?”

“Someone complained aabout me.”

“That always seem to happen.”

“Where is this going?”

“Where do you hope it goes?”

“Does he think that he is coming back?”

“He has sharpened his wit.”

“Will that be worth it?”

“What is your team?”

“This will shake things up.”

“That looks wonderful.”

“I need so much time off.”

“I need someone to sing me a lullaby.”

“We need to be further ahead.”

“I have been here before.”

“You can ask one thing.”

“Do I need to do this shitty job?”

“Someone has to.”

“Not me.”

“And you quit on your friends.”

“What is that about?”

“And my whole life is one big performance.”

“You are not getting anything done.”

“Too much pride.”

“That will not make you feel better.”

“Too much pride.”

“What should I be looking at?”

“This is your special day.”

“I keep getting closer.”

“He is so much closer than he needs or wants to be.”

“What is for dinner?”
“This needs to be completed.”
“Should I call?”
“I have so many questions.”
“Do you lie?”
“I lie when I need to.”
“Watch this.”
“Who is this?”
“What is behind this?”
“This is valuable.”
“He is bringing me another car.”
“Do not take that from me.”
“I want to help.”
“This is about more than a party.”
“When do you smile?”
“Stretch out.”
“I need to take a chance.”
“Take a chance.”
“A mix of hot and cold.”
“That is not specific enough.”
“Not peaceful.”
“And that is going to be something important.”
“Watch this for me.”
“Watch me.”
“You told me that you wanted to tell me about your job.”
“Tell me.”
“I am here.”
“I am here.”
“I have a plan.”
“So does he.”
“Do you want more than that?”
“We will eat.”
“There will be a hell of a mess.”
“Put down the newspaper.”
“That will work.”
“What are the options?”
“Do not move.”
“There is only one door.”
“You have blocked the other.”
“This is not worth much of anything.”
“You will forget.”
“I won’t be able to do much of anything else.”
“Should I have been nicer?”

“No one can be any nicer.”
“They needed to take care of that.”
“You will get destroyed for that.”
“I am not drunk.”
“I fell out of my chair, and now I am down here.”
“Really all the way down.”
“Work does not allow me to be good friends.”
“What do you know?”
“What do you know?”
“You need to know what I do.”
“Did you make the meal?”
“I made the meal.”
“I am an albatross.”
“I have forgotten everything.”
“We have cheat sheet.”
“You are still going to have to do something.”
“That is not going to work for you.”
“You can return for a consultation.”
“He got what he wanted.”
“He can stay at home tomorrow.”
“You can complete the puzzle.”
“We will be home in on time.”
“That is where you need to get things done.”
“They have been looking at my resume.”
“Did you get job?”
“I can barely stand up. I am not going to get much of anything.”
“I need this.”
“We all need it in one way or another.”
“How do you hold on?”
“I breathe deeply.”
“Let us complete the question.”
“I am the equation.”
“That is nothing.”
“That is too perfect.”
“Is it planned?”
“Let us say that is is worked on.”
“That was once lovely.”
“Three years.”
“Who is counting?”
“I am trying to focus.”
“You are all over the page.”
“Did you pay for this?”
“There is a rhythm.”

“I am feeding you ideas.”
 “No one is guilty.”
 “You get a good jury.”
 “You rig that shit.”
 “Do I care?”
 “All these feelings are mixed.”
 “And you get a kick.”
 “This is all you.”
 “I cannot remember any of this.”
 “Can I come to the party?”
 “I need this.”
 “He needs this.”
 “Do you understand how quickly this is going?”
 “I save money.”
 “How do you do that?”
 “What is the source of your complaint.”
 “I am eating at myself.”
 “Where does that come from?”
 “I am at home in my bed.”
 “What are you feeling bad about?”
 “Is he leading you home?”
 “And that works.”
 “I have it if that is what you want.”
 “I want whatever you are offering.”
 “I thought that you were a cook.”
 “I am a bartender.”
 “And you are full of yourself.”
 “What are you saying?”
 “You do not understand those around you.”
 “Why tonight?”
 “I will turn this into a win.”
 “Do not blame me for this.”
 “Blame me.”
 “Where does that work?”
 “This does not take care of it.”
 “You can come back.”
 “Why does that do it for you?”
 “Take me back to the beginning.”
 “That does not function.”

Perhaps, this guy was misquoted. He could be a more understanding person. But he might have made mistake. Or someone might have misquoted him.

“We could get miracles, but we are going to have to work together.”
 “That is going to be successful.”

“They call that falling on a grenade.”
“Is that how you got this job?”
“I told them that I could tell jokes.”
“What else do you offer.?”
“I am tired of pulling you out of terrible situations.”
“I can make it really bad for you.”
“Did you cast out the poison?”
“It could be a better life, but you are going to have to take some steps.”
“I do not want to take steps, and I do not want to work with someone else.”
“Just keep repeating bullshit.
“That is what got me in trouble.”
“Ring the alarm.”
“What is the secret?”
“Why are doing this?”
“I get it.”
“And this one night becomes one forever.”
“I wanted it to mean something.”
“I cannot keep doing this to myself.”
“You are making your own problems.”
“Where did the friend go?”
“She is hurting.”
“We do things that we do not want to do.”
“That is called the job.”
“They rejected you.”
“The fun welcomed me.”
“You are still working.”
“Who knows?”
“That was the beginning.”
“Where did you start?”
“You make me nervous.”
“I am your date.”
“Get me a drink.”
“Walk on.”
“That will not work for me..”
“You are asking me so solve this.”
“We are different kinds of people.”
“Let me know what you really want.”
“And this is going to move some real estate.”
“She is back.”
“This is a career move.”
“I am experiencing water poisoning.”
“Better than alcohol toxicity.”
“I am broken.”

“There is not much to break.”

“THERE IS NOT MUCH TO SATISFY.”

“Let me get my groceries in peace.”

“That could have been me.”

“Are you feeling sorry for me?”

“What is this place?”

“It all seemed correct.”

“This is very funny.”

“You are prepared.”

“I am not going to try to predict when the challenges appear.”

“Fix it.”

“I do not want to look.”

“Too much, too shallow.”

“You can drwon in that much water.”

“You would not know.”

“I need to talk to the coach.”

“Do not think about it.”

“Tow the line.”

“Are you kidding?”

“What do you want? Do you want to hide your past completely?”

“Or you are immersed in that same shit.”

“I see.”

“What?”

“The job gets you to say things. Or you are not on the job, and you are doing everything that you can to forget that shit.”

“There is not that much here.”

“Are we going to dig?”

“Give me the dip.”

“What does that mean?”

“How did you get in?”

“This is a song.”

“What is that?”

“It is all rhythmic.”

“I will give you everything that you want.”

“That is so wrong.”

“What do you share?”

“We share our lives.”

“I live to work.”

“Where did that come from?”

“You need to save your place.”

“Save it.”

“This is for you.”

“There is not other way to explain.”

“You are going to have to do the work.”
 “We planned.”
 “I helped.”
 “I am not leaving my room.”
 “I wondered.”
 “Who is going to be there at the end?”
 “Is there trouble.”
 “I AM GOING TO DO SOMETHING TERRIBLE.”
 “It is the job.”
 “Why are you watching me?”
 “Why are you getting in the way of what I want to look at.”
 “This needs to end here.”
 “We have not even started.”
 “I am not like this.”
 “Where can I go and hide?”
 “The bus stops here.”
 “This is way up in the wilderness.”
 “There is so much cheap stuff available.”
 “That is more than I can afford.”
 “Oh, shit.”
 “Where do you happen?”
 “I get here ready to go.”
 “Is this all your life?”
 “I hope not.”
 “None of this is neutral.”
 “You are no longer on the rid.”
 “WE ASKED HIM TO GET OFF.”
 I was not ready to leave.
 “This is the end of the beginning.”
 “These things are not equal.”
 “I am pissing blood.”
 “This is a better deal.”
 “Someone will love you.”
 “Shit. Out of my head.”
 “Where did he go?”
 “Everyone gets tired of you.”
 “It is the job.”
 “I live for love.”
 “I love to live.”
 “He will tell you that he has it. You will tell yourself that he has it. And you will really have it. Is this the shit that you want?”
 “We like the same movies.”
 “Do you like watching that lifeless shit.”

“What truly turns you on?”
 “I live to sleep.”
 “The book is over.”
 “Shit.”
 “There is too much noise.”
 “This is more than work.”
 “I calculate how much of myself that I have to give.”
 “Then you get bitter.”
 “Who said that I am bitter?”
 “Break me out of here.”
 “They said things about you.”
 “I want to hold on to this.”
 “I am holding.”
 “You are going to have to do something if you want a better result.”
 “Hang from the ceiling like a vampire bat.”
 “That is the only thing that works for me.”
 “I told you this in confidence.”
 “And I confidently told the world.”
 “DAMN!:
 “I am rolling on the ground.”
 “Pick me up.”
 “There is a lot more to go.”
 “I come to like it, then it changes.”
 “You are all involved in some kind of voodoo.”
 “Do they have your permission?”
 “We are way beyond that.”
 “You have done enough damage.”
 “Should I wait.”
 “All these guys have confessed to me.”
 “This is the only thing that I can think about.”
 “Some things are really funny. And there are important things that you should not joke
 about.”
 “I need a ride.”
 “I am very close.”
 “What do you have in there?”
 “The stuff of life.”
 “I have been away on vacation.”
 “That would be important to me.”
 “You are going to give yourself a test.”
 “I feed myself.”
 “I have seen it happen.”
 “I can teach you right here.”
 “Why do you hurt me so?”

“Keep moving.”
“I looked for it.”
“Then I got upset.”
“This is genius.”
“I got left.”
“Ask that guy over here.”
“Ask that guy over there.”
“Ask that guy over there.”
“I got in a question tree.”
“There is an answer.”
“I am brilliant.”
“Can you even play a tune?”
“I am going to be better tomorrow.”
“You are going to destroy my gig.”
“You were going to help me.”
“You helped yourself.”
“Two helpings.”
“Do you believe?”
“There are other emotions.”
“Try this one.”
“What are you saving for?”
“Something so massive.”
“You work here.”
“What does that mean?”
“You do work here.”
“Right here.”
“Eat this.”
“I will have another helping.”
“She said that I would be manager.”
“After what you said, you may not have a job.”
“What did I say?”
“Did I drop some money.”
“This is my hiding place.”
“This is my hiding life.”
“Do not leave on me.”
“Oh, hell.”
“Is that going to work for you?”
“I get one more try.”
“Run.”
“That is not working fast enough for me.”
“That is awful.”
“We keep settling for less.”
“That is what I said, and now I am getting punished for that.”

“Love should not be punishing.”
“You are not giving enough of yourself.”
“You need go undersatnd the currency that we share.”
“People like different things.”
“You can make a comparison.”
“Everyone will not like this.”
“I will.”
“Participation therapy.”
“Bite me.”
“What does that mean?”
“I am the oxygen person.”
“She will return.”
“That is sufficient.”
“This is better than that. I know how to break your down to the bone.”
“I do not like the starting point.”
“I identify.”
“Someone.”
“I work too hard to get fired.”
“This is what I need.”
“What is my part in all this?”
“You are an anesthesiologist.”
“You are going to get sued over this shit.”
“Polish that apple.”
“Do you feel as terrible as I do about this?”
“We are melting down to the bone.”
“Do you think that I could abide with that?”
“Where does this go?”
“Back to class.”
“I can make that last play.”
“You are going to get arrested for your shit.”
“And that is good for you.”
“This is ridiculous.”
“Will I get free?”
“You have one more chance.”
“I need a shower.”
“That will not wash off the blood.”
“What kind of person are you?”
“I saved up.”
“I am going to need to use the tools that I have.”
“I have a little focus.”
“I am very serious about this.”
“All the shit in my life intersects at one moment.”
“There is still a lot to do to sort it out.”

“In and out.”
“We will come to a resolution.”
“No more stories.”
“I am supposed to like that.””
“Like it.”
“This is a different kind of vibe.”
“They will do the rest.”
“Do not destroy.”
“Zap.”
“We are on different wavelengths.”
“I am trying to explain these forces.”
“I want to participate.”
“What do I have to do?”
“Not so close.”
“Did you follow me?”
“This needs to be more effective.”
“I do not want to wreck your balance.”
“She gave me what I needed.”
“More oxygen.”
“I am feeling claustrophobic.”
“This is your job.”
“That does not mean that I like it all the time.”:
“I am sorry.”
“I do not want to end up in the street.”
“They dump patients in the street.”
“What does that mean?”
“She will love me for what I am.”
“Some bones covered with blues.”
“Where were you?”
“And this is supposed to be good.”
“Where do we differ?”
“We do.”
“You will hate me after this.”
“I made it up as I want along.”
“I can get it to the right people.”
“Who else is helping?”
“I ordered delivery.”
“It is all too slow.”
“And that is supposed to work.”
“This could be valuable.”
“This is valuable.”
“BOOM!:
“Who wants to know.”

“That is where I get my shit.”

“What is that about?”

“Good times.”

“I will take that.”

“To the bank.”

“There is nothing in that account.”

“Why are some people so evil?”

“They have nothing better to do.”

“I can be healed.”

“They accused me falsely.”

“I have the right parts.”
