

**NEEDY**

“Has this been solved?”  
“What I loved, I now hate.”  
“This is my revelation.”  
“Have you prepared yourself for the case?”  
“Where are the reasonable people?”  
“At a house of worship.”  
“I like to be worshiped.”  
“What is that about?”  
“I am trying to describe the case.”  
“That is too complex for me.”  
“How did I get like that?”  
“I am not here to participate.”  
“He sees what he wants.”  
“A meal.”  
“You need to interrupt me.”  
“I only need to get out the door.”  
“I missed the turn.”  
“Better or worse than a meal.”  
“We are in gourmet territory.”  
“What is the politics?”  
“There are different rules.”  
“Is there a parking lot?”  
“Have you been there before?”  
“Do not complain?”  
“There are more parts.”  
“What kind of incarnation is this?”  
“I have arrived on my own.”  
“I could act differently.”  
“That would still bother me.”  
“What do you want to know?”  
“And you believe that is going somewhere.”  
“You present it as a magic trick.”  
“I am only describing what I see.”  
“I do not want to see that.”  
“Everything that I had went to shit.”  
“Are you all together?”  
“I am starting over.”  
“I am learning a method.”  
“This is going to shit.”  
“We need to work on this.”  
“Fantastic.”

“Come to me.”  
“I will be right back.”  
“I cannot go any further.”  
“He gives me what I want.”  
“Are you kidding?”  
“I like to watch.”  
“Are you an action figure?”  
“What is the heart of the action?”  
“How can this be any kind of game?”  
“This is a series of crises.”  
“Huh?”  
“I need to focus.”  
“I hope that works.”  
“It is almost there.”  
“Finals.”  
“What else is involved?”  
“He trained you well.”  
“There is a manual.”  
“And you get maximum satisfaction.”  
“He was going to lead me to the river.”  
“I am going to have to break the hold.”  
“That hurt.”  
“You need to loosen your grip.”  
“I do not even want to work for that.”  
“Why are you back this time?”  
“I could use it for a few days.”  
“This is my problem.”  
“I cannot predict.”  
“I do not even try.”  
“That is all that matters. You have been designated a consumer, and all your behaviors have been circumscribed.”  
“I am only interested in one thing.”  
“I am done.”  
“And that is supposed to work.”  
“You have no idea what I am saying.”  
“What did you lose?”  
“My integrity.”  
“That should work.”  
“That does work.”  
“I do care.”  
“Who will fulfill your wishes?”  
“The look, the smell, the attitude.”  
“Who is hunting?”

“And that makes you a willing victim?”  
“I am looking for an alternative.”  
“There are other ways to go.”  
“And that fucking bores me.”  
“You pay for a place to get away.”  
“What is happening to my world?”  
“When is this supposed to end?”  
“You cannot really have that talk.”  
“I wish that I could.”  
“I could fill it all in.”  
“I am an expert.”  
“There are no experts.”  
“You think.”  
“You did not read this.”  
“What else is available?”  
“How do you want to present yourself to the world?”  
“I am doing well.”  
“I am trying to find some kind of balance.”  
“You could pay now.”  
“Where would that take you?”  
“It would destroy me.”  
“What is in your price range?”  
“I want something that is going to hold me together”  
“You need to work a lot more quickly.”  
“These are things that truly matter.”  
“The price of tea.”  
“I love the glue.”  
“That is the only thing that will ever matter.”  
“Can I join in?”  
“I do not see it that way.”  
“Who is helping you?”  
“I want someone who has her own way of understanding things.”  
“Are you going to fix a flat?”  
“I need to fix the machine.”  
“And this really sounds new.”  
“It is new for me.”  
“This is a gang decision.”  
“I needed to take the law in my hands.”  
“Who are you working with?”  
“What does it take to make all these things a go?”  
“I want a simple person.”  
“You remind me what matters.”  
“A turn on.”

“I need to sleep.”  
“You are so junked out.”  
“What is the foundation?”  
“Geology.”  
“I only need one person.”  
“Different movie.”  
“What is the starting point?”  
“A greeting card.”  
“I didn’t see any money in there.”  
“I am not doing enough.”  
“I am falling apart.”  
“I need to fast.”  
“I am trying not to eat.”  
“I try to explain it to you. You do not want to understand.”  
“How to be seen.”  
“How to stay hidden.”  
“I want to pretend that I know.”  
“That feels so good.”  
“I ate the wrong thing.”  
“I do not want to describe it that way.”  
“Fill out the ticket.”  
“He is watching.”  
“You will get what you need.”  
“I will get around to you soon.”  
“Get around.”  
“This is open for you.”  
“You have been invited.”  
“This is saved for you.”  
“I have other friends.”  
“I have a different purpose.”  
“What is the purpose of life?”  
“To eat ice cream.”  
“I have completely changed.”  
“I care.”  
“I used to care.”  
“This is the caring part. And this is the forgetting part.”  
“I forget.”  
“I need to think about that.”  
“You are trying to come alive.”  
“Life and learning.”  
“That is so good for me.”  
“That is all that I want.”  
“How does that force zero in.”

“There is only so much time left.”  
“I am very much involved.”  
“Where have you been?”  
“I cannot tell from one day to another.”  
“Where things happen.”  
“Where I am?”  
“How did you make that happen?”  
“That is all that seems to matter.”  
“That is what you said before.”  
“That seems hopeless.”  
“I could explain the forces in different ways.”  
“And what do you care about.”  
“We are going to bring you the fear that you deserve.”  
“There are goals.”  
“I am not all aboard.”  
“I need to again feel as if I am involved.”  
“Have one on me.”  
“Who else is involved?”  
“I barely know who you are.”  
“Who are you?”  
“I am keeping my eyes on things.”  
“This is good for the both of you.”  
“Is that some kind of love thing?”  
“The focus become more intense.”  
“Hocus pocus.”  
“Different things.”  
“What got this going?”  
“This was everygthing.”  
“This was nothing.”  
“Who know?”  
“What is important?”  
“I trusted you.”  
“That was very valuable.”  
“You people are not working with me.”  
“I should have moved quicker.”  
“They were important things.”  
“I was way too slow.”  
“Have you worked it out?”  
“What would that mean?”  
“Who is here to help?”  
“This guy is a professional.”  
“That means more money.”  
“What else is here?”

“It is all about the now. The look and the words. It all connects together.”  
“I needed more of a head start.”  
“And what are you telling me.”  
“You really don’t understand.”  
“And people are going to care.”  
“I care.”  
“Why would anyone bother?”  
“What works here?”  
“I work.”  
“Who forced you to be here?”  
“I have a lot of needs.”  
“WhT is missing?”  
“What do you want that no one else wants?”  
“There is a collective understanding that is not manifest at this moment.”  
“And you finish. Are you finished?”  
“We are back to making little breakthroughs.”  
“I am way too far beyond beyond.”  
“You are locked in.”  
“That is not going to work for much of anything.”  
“Add some content.”  
“Something to eat.”  
“You have arrived.”  
“There is not point untouched by this force.”  
“How does that work?”  
“Where is the resistance?”  
“Who can say no?”  
“How can I stop?”  
“Should I wait?”  
“Is there any kind of rescue?”  
“Fashion.”  
“Who are you working with?”  
“Where is this taking you?”  
“Is there some kind of brake?”  
“The universe does not work that way. All ins and out.”  
“I want something more organic.”  
“Fashion.”  
“I have been thinking about you all night.”  
“And what did you do differently?”  
“This is not enough motivation to go very far.”  
“I have completed all this.”  
“Take it for what it is.”  
“This is the guide.”  
“I need something more.”

“A circuit.”  
“This is an organic way of expressing our need.”  
“What do you need?”  
“I know what to ask for.”  
“Strawberry lemonade.”  
“Where is the contradiction?”  
“I have been here before.”  
“Impossible.”  
“And I am supposed to laugh.”  
“I am not laughing.”  
“He is running this.”  
“That is a life.”  
“I wake up.”  
“Shit.”  
“This is really going to go off on its own.”  
“Who is helping?”  
“Some photographer.”  
“I do want to give advice.”  
“What did I miss?”  
“Where is this headed?”  
“To the couch.”  
“You have those kinds of problems. :”  
“I don’t know what I have.”  
“Everyone wants a simple answer.”  
“I want to leave.”  
“You can answer all my questions.”  
“About to give it a push.”  
“I have everything for you.”  
“I will see what is next.”  
“This is all going to work for you.”  
“But it no longer works for him. :”  
“I cannot stay in the room with you.”  
“I end up being the guy who needs to leave. :”  
“You need to leave.”  
“You are ignoring me.”  
“YOU ARE IGNORING ME.”  
“Me!”  
“What are you waiting for?”  
“A celebration.”  
“This is going to work for you.”  
“Damn.”  
“Damn.”  
“This is not going to work for you.”

“More like a disease.”  
“A pamphlet.”  
“The beginning of a social revolution.”  
“Indoctrination.”  
“These imposters are no better than their masters.”  
“What is that about?”  
“She can explain.”  
“She can’t. She needs to come down.”  
“Have you already figured it out?”  
“I will take the cure.”  
“I will take the nail.”  
“This is risky.”  
“You are showing too much.”  
“A follow spot.”  
“With nothing to see.”  
“Close your eyes.”  
“I can still see it in my brain.”  
“I do not want to be around it.”  
“What is your dream?”  
“He knows better than I do.”  
“I want one of two things.”  
“She is waiting.”  
“I will get to you.”  
“You are so out there.”  
“You better make this worth your while.”  
“I did.”  
“Should I have done it that way?”  
“That is not how it works.”  
“I was waiting for love.”  
“I got something that I did not want.”  
“The ice cream melted.”  
“I do not have time to wait for that.”  
“Do you have some blues?”  
“I think that I need a conversion.”  
“I want to visit.”  
“You are no longer allowed in here.”  
“I need you to finish the story.”  
“You cannot step out of your world to get into your life.”  
“I am turned on.”  
“What is that about?”  
“A heart attack.”  
“A hiccup.”  
“Shit.”

“Are you watching?”  
“I am waiting for one thing.”  
“Thing.”  
“Thought.”  
“This is a combination.”  
“How is that even possible?”  
“It works.”  
“That is really going to work.”  
“I do not want to end it like that.”  
“Can that be worth it?”  
“He has scored.”  
“That is all that he wanted.”  
“Who is he working for?”  
“He is responsible for his own internal states.”  
“That is a different thing.”  
“I could get there by similar means.”  
“That is admitting my total inability to get anything done.:  
“I could be your reader.”  
“You need to care for me.”  
“It is even more urgent.”  
“I am going to go hide somewhere.”  
“They are hiding.”  
“There is room for another explanation.”  
“And then you start to think. At least, that is what you think.”  
“I am substituting menu items.”  
“Chew on that.”  
“That is so wonderful for you.”  
“It works.”  
“I do not like it that way.”  
“I only care about one thing.”  
“There are things that I do not even grasp.”  
“And are you going to have what you need?”  
“That is how it affects me.”  
“More words.”  
“Are you talking bad about me?”  
“I am talking about you.”  
“And that is supposed to affect me.”  
“I want that to turn me on.”  
“Press one.”  
“Crazy.”  
“Do I have to pay for this?”  
“It is not really worth it?”  
“I can get it done here?”

“I did not even know that you cared.”  
“Do not leave your place.”  
“Where is this going to end up?”  
“Keep thinking about it.”  
“I am losing my direction.”  
“Too much closeness that is not much good of anything.”  
“I closed the book.”  
“What is in there?”  
“Remedies.”  
“You cannot fix anything without fixing yourself.”  
“I am not going downhill.”  
“I understand.”  
“We have been doing this all our lives.”  
“Then you can learn to stop.”  
“No, I have to spread myself out against the sky.”  
“I am all there.”  
“What is still on the earth?”  
“A few remnants.”  
“New clothes.”  
“I hurt.”  
“I have thought about this.”  
“I get it now.”  
“You need to treat me well.”  
“I never want to end like this.”  
“IF I WAS GOING TO END LIKE THIS, WHAT WOULD THAT REALLY MEAN?”  
“YOU WOULD SLEEP THROUGH THE WORST SHIT.”  
“I AM JEALOUS.”  
“I felt as if I had zeroed in on my only truth.”  
“What is that?”  
“Something that burns in me.”  
“Nothing can affect me like that.”  
“I will understand it.”  
“I am no longer in my body.”  
“The words disrupt any effort to creat a sustained desire.”  
“Then there is something there.”  
“Ask LANCER. She has created all this shit.”  
“Bring me back.”  
“Is she still here?”  
“We are deep.”  
“We are very deep.”  
“You are the only one who can do this right?”  
“How can we make this happen?”  
“Get someone else to pay the freight.”

“What does that ever mean?”  
“This is going to be tough.”  
“I am pushing things.”  
“I have gone to the limit.”  
“This is the only thing that matters.”  
“It is theological.”  
“What is the Godhead?”  
“We are all hurtling towards a star death.”  
“What is going to work for you?”  
“I want to be there.”  
“The force is everywhere powerful.”  
“I am so turned on.”  
“All this energy fades.”  
“ALL THIS ENERGY FADES.”  
“That is more than wonderful.”  
“Do I need to cross over to some other place?”  
“Then it is so mundane.”  
“A box of Saltine crackers.”  
“This is coming your way.”  
“This is all you.”  
“I do not have it all together.”
