

SEEN

“I am watching the clock.”
“You are much further along than I expected.”
“Why did you destroy everything? How am I ever going to get you back?”
“People who are bitter about their situation.”
“She is on the same train.”
“I missed that.”
“Are you fucking kidding?”
“We are going to the top.”
“There is no director here.”
“She could do it.”
“The house cannot be sold.”
“She has the ring.”
“She is not going to part with that ring.”
“You are the genius here. You are going to sort it all out.”
“What do you know that no one else knows?”
“I can hold my breath.”
“I have seen that before.”
“What is in there?”
“I can put all the pieces together. I can describe the thrust.”
“And we wait all that time.”
“I had this.”
“Who is watching?”
“I thought about you.”
“THE KISS.”
“The design.”
“Who is thinking about me? How will that accelerate my life in a real way?”
“These are two different ways of thinking about the same thing.”
“You hate us.”
“We are the talent.”
“There are more talented people, who go along with the mix.”
“That is not going to work for much of anyone.”
“Hospitality and belief. What is that good for?”
“I do not want to waste my time.”
“I have done this before.”
“I am not a bank. Borrow the fucking money. This is not a loan.”
“I will so fuck you up.”
“Who is waiting on you?”
“You could be so perfect.”
“You were not. You could not be.”
“Do you see the difference?”
“We all see the moments work against us.”

“I am not doing that.”
“We are going the same place.”
“The witch has the oven open.”
“What is any of that about?”
“You cannot sell your consciousness.”
“You can try.”
“You can try.”
“I wasted so much.”
“Did you even hear it? Do you people get it?”
“You have bet all your money on this one pony.”
“It all boils down to some one thing.”
“Hang in there.”
“I do not believe that you have it.”
“My guy is an entertainment attorney.”
“This is not entertaining.”
“What am I doing this morning?”
“Why is this worth my time?”
“It is very worth your time.”
“Pulled the baby from the mother.”
“None of that.”
“And that will work.”
“You need to say no.”
“This is not much of anything.”
“I was so close.”
“She is not even here.”
“There are friends.”
“Do you know what I am thinking?”
“You are not always a nice person.”
“This is perfect for now.”
“I can talk back.”
“Others see it differently.”
“It is all the same.”
“I am asked to leave.”
“I had this so down.”
“We will get to her another day.”
“Are you kidding?”
“He is your secret Santa.”
“That is really awful.”
“You run out of options very quickly.”
“I TELL MYSELF SOME REALLY CRAZY STUFF BEFORE I GO TO WORK
TOMORROW.”
“This guy is laughing.”
“He laughs at all his own jokes.”

“This is some collective laughing.”
“That will change everything.”
“I do not care.”
“That described nothing.”
“Go out on a good note.”
“They picked up that guy who was harassing you.”
“What about the property?”
“If you show it, then it is nothing to see.”
“What are we looking for?”
“A special insignia.”
“Who in here knows what it is?”
“That turns me on.”
“She knows that you know.”
“She is under contract.”
“What does that mean?”
“She is going to tell you nothing.”
“Try that shit.”
“What is really important, no one cares about.”
“And you are going to put me in a cell.”
“I need some serious help.”
“Take a bow.”
“I fell down.”
“There are going to be no other variations.”
“We are going to try again.”
“Do you know what I really think?”
“You are the perfect one.”
“We change the words.”
“We try one more time.”
“Slam the door.”
“Can I use that?”
“And you told him.”
“What is going on at the meeting?”
“Do you have the minutes?”
“What do you want?”
“This is how I wanted my life to go?”
“It is all about the bones.”
“They are describing it in different manner.”
“Someone could adopt an alternative role.”
“The sandwich or the salad.”
“There is still the same decision-making pattern.”
“Are you used to this?”
“It only took a few days.”
“That is all that matters.”

“Love me.”
“You already loved me.”
“What do you really love?”
“An explanation.”
“And I am not included in the explanation, so I need to go my own way.”
“How many disciples?”
“Which right?”
“Do you see a pattern?”
“That is called revenge.”
“And you have what you want.”
“That is called revenge.”
“Where did you buy this shit?”
“At a mall.”
“No one even knows.”
“No one knows.”
“Try to dance around it.”
“Who else is waiting?”
“How long have you been working?”
“How long did it take you to work on this shit.”
“I want to know what is written on each page.”
“And we close out another trip. This vacation was much longer.”
“And where does this go?”
“Someone needs to explain to someone else.”
“He is opening another restaurant.”
“At the end of the day, do you know what I am going to say?”
“That you are shit?”
“Is that an explanation?”
“You are always two steps behind.”
“An incomplete book like every other gesture here.”
“You are not appreciating the magic of our character.”
“What is missing?”
“A body.”
“I think that I have this right.”
“I am trying to forget.”
“What did you put in my dinner?”
“Who am I forgetting?”
“Who?”
“I am trying to get over so much.”
“I am not in the rescue business.”
“Who gets rescued?”
“More bull shit.”
“I am at work. I watch the clock.”
“One more connection.”

“Where am I going?”
“Those are different things.”
“There is never any rescue.”
“You are doing better than you know.”
“Today is your day.”
“And they are contributing.”
“Extra days at the shop.”
“I do not want to be mean.”
“Be mean.”
“MEAN.”
“Explain.”
“The explanation is going to kill you.”
“It is.”
“You are going to need to find it.”
“You are going to need to find it.”
“Find it.”
“Finish it.”
“It works.”
“I want on thing.”
“What it seems to be.”
“I could dress the part.”
“Which part?”
“This is how we really live it.”
“I cannot look much longer.”
“Tell me about the sister thing.”
“I get it.”
“Tell me what you need.”
“Could you do it?”
“You are a genius.”
“You have the same elements, and you put them back in the wrong order.”
“A reverse Humpty Dumpty situation.”
“A terrible situation.”
“Did they read my mind?”
“The had it ready.”
“It was remarkable.”
“I will take it.”
“They poison you at that place. It is some kind of cult thing.”
“I love the mashed potatoes.”
“That makes no sense.”
“You are no longer waiting for me.”
“You pretend to be something.”
“I get to something.”
“She has a lot of friends.”

“She is my only friend.”
“Things have really got messed up.”
“Layla was here yesterday.”
“It is not her story.”
“I am going to trip one more time.”
“That explains it.”
“It is the feeling that I get when I get the feeling.”
“You are here.”
“Show me a map.”
“You are here.”
“I cannot explain where you are going to take this.”
“Take it where it needs to go.”
“I need one person who really get this.”
“When God tells me to?”
“What?”
“I heard the bell ring.”
“I knew to show up.”
“I had this planned.”
“How do they make this a go?”
“You are not going to take a collection anywhere else.”
“How much money is involved?”
“You can pay in advance.”
“Some online collection.”
“This is your fault.”
“You trusted me.”
“Are you dealing with a crisis?”
“We have a different crisis.”
“How far did you stretch it?”
“How do you make money?”
“I tell people how to feel good about themselves.”
“He understands.”
“Where have they been?”
“You could change it all.”
“How many hours do you want me to work so that I will feel good about myself?”
“She saw it.”
“I want one more try.”
“Try on your own.”
“I am doing my best.”
“Who is helping?”
“That is impressive.”
“What will get me interested?”
“My best buddy.”
“Do you hate yourself that much?”

“What are you thinking?”
“I want some one thing that works.”
“This is good for all of us.”
“You are watching the clock.”
“The law doesn’t care.”
“Who does care?”
“This hardly makes a difference.”
“I only need to see one scene.”
“This is true love.”
“I believe it.”
“Do you even know where you are?”
“I am not sure if there is a place for me.”
“PLACE.”
“You could finish.”
“FINISH.”
“Why are you looking?”
“That could be what I like?”
“I want you to like me.”
“Why?”
“What do you do?”
“I am fishing for compliments.”
“Why?”
“I am so done.”
“And that makes sesne..”
“At one time.”
“I saw that movie.”
“So did everyone else.”
“And everyone else.”
“All of you.”
“That is why this is pathetic.”
“We do not care.”
“I hear it one way.”
“And that really makes an important difference.”
“Do you understand how this works?”
“This one place.”
“That will never do it for me.”
“For me.”
“It is time to leave now.”
“I would if I could.”
“I want to get this right.”
“Get this right.”
“Do you only need to show up?”
“None of that works.”

“I understand.”
“You could make it mean something for you.”
“The sneer.”
“I am not as good at this as I seem.”
“Make the move.”
“This goes in the trash.”
“That is genius.”
“This could be real.”
“Could be.”
“Pretend.”
“I am.”
“What goes on in there?”
“The circus.”
“That is so fucking boring.”
“Of course, it is.”
“Honey, you really work hard at this.”
“Yes, I do.”
“I can tell.”
“I better leave before Lancer turns me in.”
“And I once cared.”
“You are so on to something that never was when it was all on.”
“One more bite.”
“You have taken this on far longer than I believed possible.”
“Will I learn from that?”
“No one ever did.”
“That is that.”
“You are trying to destroy my fun.”
“How else do you want to see this?”
“I can be saved at any moment.”
“Do you really believe in yourself?”
“Are you still working?”
“You are cut off from your dreams. There is no other way to see this.”
“How do you know this?”
“Do I know anything?”
“You need to make this mean something.”
“I am trying.”
“Do not believe anyone else.”
“I know what the planet looks like.”
“I am part of the rotations.”
“Where is this going?”
“What happens when we escape?”
“What is in there?”
“You have to make this work for you.”

“This is my lawyer.”
“Do you lack confidence?”
“I don’t understand any of this.”
“What is hidden?”
“What is hiding?”
“Why didn’t you stay here?”
“I wished that you could understand.”
“Have a glass of lemonade.”
“That is a welcome contribution.”
“I am not in the room.”
“This is a real estate seminar.”
“Who is the boss?”
“It does not seem the same way from far away.”
“And you have put your money on this.”
“I have bet all my money on this.”
“I am not going to give up that easily.”
“But you do give up.”
“We all do.”
“There was a time.”
“I am coming back.”
“They call this peanut gallery.”
“It is never what you think it is.”
“You believe so much.”
“No one is going to surprise you.”
“Different paths.”
“Didn’t the police pick you up.”
“I never did anything wrong.”
“This once meant something.”
“They are all waiting for me.”
“Do you know what is really happening?”
“I know all too well.”
“I was surprised.”
“We are at the same church.”
“What does any of that mean?”
“I can’t pretend.”
“You and I are in the same position.”
“I am on a slow boat.”
“I am the slow boat.”
“I have devoted too much of my love to this moment.”
“Take it.”
“And we close that book.”
“These are exaggerations. You’re life is not going to change. You rent is not going go down. You are going to have to work a lot harder to make any money.”

“There are different ways to see this.”
“I need to concentrate.”
“What does this have to do with me?”
“I want to write a book for you.”
“This is not as easy as it seems.”
“I have other concerns.”
“You don’t love me any more.”
“Is this the love that I really want.”
“Do I need to hear about this anymore?”
“It will stick with you all your life.”
“Do you even know the truth?”
“The kittens think that they can control this.”
“I have faith in my game.”
“That will not be good enough.”
“I do not want a rehash of my life.”
“Take it for what it is.”
“I have one goal in mind.”
“Realize it.”
“I am going to have to leave.”
“I leave with a little more hope.”
“There are those who do not know.”
“Are you ready to lead us out of darkness?”
“I am aboard the raft.”
“Some days, I am the sea.”
“I am the sea.”
“The world is getting heavy.”
“He will bring you back before you get too far out.”
“I cannot remember any of this.”
“It is going to be a long night.”
“Then it will be over.”
“And I will be back.”
“Then it will be over.”
“And I will be back.”
“This is a good explanation.”
“There was a time that this meant all the difference.”
“You should have stopped at that point.”
“I did.”
“Now, you seem brilliant.”
“Who did you learn from?”
“The kitten.”
“Single purposed people.”
“People who know a great deal but pretend that they don’t.”
“That was wonderful.”

“This is even worse.”
“Are they going to give me drugs.”
“He is not okay.”
“They are screaming outside the facility.”
“Why should I bother?”
“The world is about to go up in smoke.”
“He is giving all of himself to this moment.”
“Let us imagine that what you see is worth more than it is.”
“Few people getting better.”
“I know something for sure.”
“This is a birthday.”
“This is a bachelor party.”
“This is committee.”
“This is collective action.”
“What can be done?”
“For our life or for my life.”
“Are you trying?”
“I was great at this?”
“Then it is very tight.”
“Share.”
“I am watching, and I am trying to figure it out.”
“See it for what it is.”
“All good.”
“I will be arriving soon.”
“I own this.”
“And you are having fun doing this.”
“We all submit.”
“Not gracefully!”
