

SHORT-TERM COMMITMENTS

“I am not doing this because I want to. I am being forced by the court to participate in this program. I need you to sign my card.”

“You have not been a willing participant.”

“I told you that I was forced.”

“And you have taken it out on the rest of us.”

“Tell me how it really is.”

“This is supposed to be good for you.”

“Victory is at hand.”

“I am not expecting anything great.”

“Where do I fit in all this?”

“I can go home now.”

“They are waiting for me.”

“They are not waiting for me.”

“It wasn’t too long ago that this was some kind of interference.”

“We win. We lose ourselves.”

“We are back at the beginning.”

“Where does this go?”

“I do the math.”

“So does everyone else.”

“And we wait.”

“What are we waiting for?”

“Love.”

“I do not like where this is going.”

“It only takes one thing to go wrong.”

“And I will take care of that.”

“I am going to apply myself.”

“And you tell me now.”

“Should I care? Should I bother?”

“I do bother.”

“A lot of scribbling.”

“I was not all there.”

“Then I was all there.”

“What about the ride home?”

“I am burning up.”

“I have burned up.”

“You could ask.”

“I was trying to reveal what was beyond it all.”

“And you felt immensely inadequate.”

“I did.”

“What is this guy’s name?”

“I am not sure if he is the guy that we have been thinking about.”

“You need to complete the drill.”
“That still does not make you a winner.”
“NO!”
“Have I been replaced?”
“You are unique.”
“I love all of you.”
“Are you going to be taking some nails?”
“There is a new technique.”
“If you can do miracles, jump down and take care of them.”
“I am not a clown. This is not a circus.”
“This never was a circus.”
“Admit your belief.”
“Tell us who you are.”
“What turns you on?”
“The meaning gets displaced.”
“What team are you on?”
“The one that does not care.”
“The one that cares too much.”
“You crowned it all and meant it mean something.”
“I could not go to my room and make it all work.”
“I am no longer that.”
“THAT.”
“What else do you have there?”
“I do it completely differently.”
“Go along.”
“Stop on the way.”
“What are your allegiances.”
“I am going back to my room.”
“I scream at the screen.”
“How could you be so stupid?”
“Are you judging me?”
“What holds us together.”
“There are different spellings.”
“There is a body of knowledge, which could help explain all this.”
“And you have it.”
“I can’t get it. I have forgotten my own name.”
“Is there an authoritative book? What does it look like?”
“I want to be known. I want to be seen.”
“Known, seen, and connected.”
“Hidden, unseen, and forgotten.”
“That is a big book.”
“There is another.”
“Is that a law book?”

“This is not something that you can see.”
“I am watching.”
“Is this willful blindness?”
“I need a glimpse.”
“I cannot be responsible for the world.”
“There is a book in which you take accountability for it all.”
“Nails and all.”
“I thought that you were offering another justification.”
“Somone love you.”
“I want it all to be there.”
“There.”
“Do not get entangled with my fantasy.”
“I COULD GO HOME.”
“How did this happen?”
“It was going to happen anyway.”
“You have really helped my social life.”
“We are back to business.”
“It is going to be like that all night.”
“And you add up all the nights.”
“And you have an explanation.”
“And that is all that matters.”
“And you are satisfied.”
“And that is all that makes a difference.”
“Laces.”
“Whipped sugar.”
“What once was solid.”
“He never had it or understood it.”
“I cannot take it for more than it is.”
“We did something.”
“And we are doing something different.”
“And it will change.”
“There will be an announcement.”
”This is the intersection point.”
“Make it quick.”
“I REALIZE THAT YOU HAVE IT OVER ALL OF US.”
“THE TASTE.”
“THE BUNDLE OF JOY.”
“You have to know what these things mean.”
“The road to the disciples.”
“And the next road.”
“I will be more assertive.”
“This is all up to you.”
“Let me watch from afar.”

“Do I want this to be more perfect.”
“A more perfect union.”
“When does it end?”
“Eventually.”
“Why is this important?”
“I said it was.”
“It was.”
“I can explain things to you.”
“Is it worse than it seems.”
“Ease up.”
“Are you trying to tell me what to do?”
“I am stripping it down to your actual abilities.”
“The last gasp.”
“Breathe.”
“THERE ARE SO MANY PEOPLE THAT YOU CAN RESCUE.”
“How does that work? I am not running a fucking cult.”
“You have everything that you need.”
“There is the principle.”
“I can be many places at once.”
“I do not want to continue on like that.”
“Continue.”
“And all your life is directed to that same thing.”
“Eat this.”
“My head is not right.”
“I want to read it.”
“What side are you on?”
“I do not even know.”
“This will take a lot longer than you know.”
“And am thrown into the same kind of thing over and over again.”
“It is going to take a long time before you know.”
“Devlin. Even after that, you go back to the way that you have been.”
“I came for you. I came to see you.”
“And what is that going to do?”
“Everything expected.”
“Devlin is used to temporary arrangements.”
“That was brilliant.”
“Where is the world headed?”
“To hell in a hand basket.”
“I can make lots of money from that.”
“Make it.”
“What am I supposed to say?”
“Collect the bones.”
“The collective.”

“The collector.”
“I do not want to interfere.”
“Amen.”
“Rescue me.”
“I am sitting in the back of the van.”
“Pay this guy. He will take care of it.”
“Are you the one to bet on in a race.”
“I am the race.”
“Do you see the thread?”
“I get in and out.”
“It is not a good time to buy.”
“Eat the profits.”
“There are profits.”
“What happens tomorrow?”
“No one even bothers with this stuff.”
“Some do care.”
“Do you care about yourself?”
“That is a miracle.”
“That is saintly.”
“Only a stage in the game.”
“What else is left?”
“A celebration.”
“Do not come this way.”
“And you rewrite everything.”
“You like to be in the way.”
“Should we care?”
“We are caring.”
“And we pretend.”
“Why are you holding on?”
“This is a deal.”
“And you give away your profits.”
“I get hungry.”
“There is no analysis.”
“You want to win.”
“Not too much.”
“Who else is coming along?”
“You cannot do this two weeks in a row.”
“All in a row.”
“I work it out.”
“Who else is here?”
“You bet a lot on this apparition.”
“Sit down. I need to talk to you.”
“This will never work out.”

“I get it.”
“This needs to be big.”
“This needs to be small.”
“I can taste it.”
“I can smell it.”
“I know that it is there.”
“It is all that matters.”
“It is a special weekend.”
“You are putting it all in one box.”
“I am going to be begging.”
“It no longer is about that.”
“The cattle market.”
“Why do I get reduced to that?”
“I had real skills.”
“What do you have now?”
“A lot of hurt.”
“What is your routine?”
“I give up.”
“I need to know.”
“That works for you.”
“I can recast.”
“We know how to have fun.”
“Someone is strategizing against you at this moment.”
“I cannot think about it.”
“You will wake up to it.”
“I am not there.”
“A lot of luck.”
“Do I need to watch?”
“That works in some places.”
“And it doesn’t in others.”
“What is the atmosphere that you are trying to create?”
“Do I have to deal with this all the time?”
“He takes it all.”
“It is between me and you.”
“There is nothing else.”
“And that works for you.”
“EVERYONE COMES TO SEE ME.”
“I know.”
“That never looks good.”
“I am chilling out.”
“They were never going to pick you.”
“I am chosen.”
“How does that go?”

“I want something else.”
“Take it for what it is.”
“I am going to find this entertaining.”
“It ends just like that.”
“I cannot take that risk.”
“I need to work very quickly.”
“You need to do the numbers here.”
“Where is the faith?”
“I can turn it. All my smiles becomes something else.”
“You are good at this.”
“It used to be good at this.”
“You do not have a grasp.”
“You are going to need to be quick.”
“What did you do to me?”
“I want an explanation.”
“That is going to destroy the whole night.”
“I eat guys like you for breakfast.”
“What does that mean?”
“And you have morality.”
“I do.”
“I have been called away.”
“You are going away.”
“I still plead my innocence.”
“You need to do the numbers differently.”
“I have counted groups.”
“Groups of groups.”
“This is the revelation.”
“The is the person who reveals.”
“Only one person knows.”
“I do not want to seem resentful.”
“You picked tonight.”
“I do not want interfere.”
“You are the point man.”
“And the bottom falls out.”
“They pull all their money out.”
“How long does this go on?”
“Until you win.”
“How can this be art?”
“A bow.”
“I always loved you.”
“She can show all of us.”
“All of us.”
“This will be you.”

“You will reveal.”
 “Maybe, this was not a good idea.”
 “This is a great idea.”
 “And who are you doing this with?”
 “You need to take the big guy.”
 “They are working together.”
 “They have no idea what they are in for.”
 “They really have enough cash to handle this.”
 “This does not work.”
 “I spent time getting it together.”
 “There are so many working parts.”
 “Working parts.”
 “Snatching defeat from the jaws of victory.”
 “This could go on a little longer.”
 “This could go on forever.”
 “This is about you.”
 “All you.”
 “There is a place for you guys.”
 “Right here.”
 “Why not you?”
 “No mathematical understanding.”
 “How did the day progress?”
 “I assume that we were further along.”
 “This is the worst.”
 “There is this moment when I believe. I look at what is going on, and I say what the fuck.”
 “What the fuck?”
 “Bam!”
 “What brings us all together?”
 “Contact.”
 “Belief.”
 “This is not meant for you.”
 “Quick reaction time.”
 “And you think that is you.”
 “I know how to pull my money out.”
 “What do we have in common?”
 “You do not understand.”
 “I got home, and I try to forget.”
 “How many days do I have?”
 “This guy is brilliant.”
 “She escaped.”
 “What are you doing, creep.”
 “I am nicer than you can imagine.”

“Go along to get along.”
“And then there was one.”
“Then language meant no difference.”
“I taste nothing.”
“End this.”
“I learned.”
“End this.”
“Caring.”
“All at once.”
“There is a contract.”
“Do not sign.”
“I do not want to lose the house.”
“They are stealing the signs.”
“There are so many things that go into a recipe.”
“Love”
“Flour.”
“And I am supposed to like that.”
“I do like that.”
“I used to be better.”
“I show up.”
“I win.”
“A lot of secret shit.”
“A lot of shit.”
“I am down for that.”
“Up and down.”
“I am all in.”
“Who are you working with?”
“Do you still want me?”
“Figure this out.”
“You work out the tax situation.”
“Curl up in a corner.”
“Write this off to cash.”
“What was going on?”
“I trained.”
“And she is back.”
“What do you do when you do not think about shit like this?”
“There are flaws.”
“You want me to think about fun all the time.”
“I wish that you were not smashed.”
“You can see the evil empire working.”
“It is only human at the beginning.”
“You will never make this tit for tat.”
“What is going on behind the scenes?”

“And we bring it to the surface.”
 “Step out.”
 “Step in.”
 “I do not have the training.”
 “I need more training.”
 “And that is all that you get.”
 “He makes it through the initiation process.”
 “What is next?”
 “He has a bigger challenge.”
 “Who can give mean answer.”
 “You can go along.”
 “The lettering.”
 “I LIVE PERFECTLY IN THE MOMENT.”
 “Julie was supposed to reveal.”
 “Fall on me.”
 “They are all fallen.”
 “We have been doing this all our lives.”
 “I need someone to stop that.”
 “The advantage is over.”
 “I have seen it all.”
 “He is brilliant.”
 “He turns.”
 “I teach.”
 “This is not a teaching moment.”
 “You are watching clusters of energy.”
 “Your work moves are so boring.”
 “Boring.”
 “Presentation.”
 “Why do you relate?”
 “Wrong city.”
 “Is this prepared?”
 “Someone gives me credibility for something that I do not have.”
 “You thought that it was so much more than it was.”
 “I am already gone.”
 “The performance could be much better.”
 “He was not coached.”
 “Did you teach yourself?”
 “And you like it for what reason? It advances the integrity of your economic strategy.”
 “START WHERE YOU ARE. TAKE ACCOUNTABILITY. MOVE TO THE NEXT
 STAGE.”
 “You do not have enough juice to go to the next phase.”
 “How much would that be?”
 “Alcohol poisoning.”

“This is going to be amazing.”
“I do not even know what I have.”
“I keep watching.”
“You saved me.”
“I have one goal.”
“This is temporary.”
“Stay on the same page.”
“Call it a good party night.”
“This is a wonderful party night.”
“I realize that it was not just a dream.”
“But it was a dream.”
“She loved it for what it was.”
“It was.”
“This was a great time.”
“And it ended quickly.”
“I am going to have to review this.”
“This could be perfect.”
“It was.”
“That is all that matters.”
“Where did it all start?”
“In a whole.”
“I was moving shit.”
“Who were you working for?”
“An organization.”
“How did you survive?”
“My expectations were not that great.”
