

DEEDS

“Why do we need more words to mess with our lives? There is already enough self-examination. Any more, and we would sink under our own weight. We need to be aware. It is never a good idea to take silly chances. But we need to trust our intuitions. There is no other way to grasp this awareness. That is how we live, how we survive.”

“You need to trust us to make your own decisions. Self-reflection does not lead to a greater understanding.”

“So it is not worthwhile to take a hard look at ourselves.”

“Do you think that you are some kind of god? Do you have special knowledge that no one else has?”

“I feel inspired. I am more inspired. This fire runs through me. There is not other way to think about this.”

“You do something silly, and you try to forget.”

“Where are the bodies buried?”

“We used to feel protected.”

“You know what is in your heart.”

“I hope that you are not upset.”

“Once I start, I cannot stop.”

“What else is here?”

“Then they discovered the wheel.”

“And they found the source.”

“On a slab.”

“They created the needle.”

“And the camel passed through the eye of the needle.”

“We are living in paradise.”

“Who else is going along?”

“Where can I hide?”

“In yourself.”

“What else is there?”

“What other steps are available?”

“You gave me everything that you had.”

“None of this is secure. None of it hold together.”

“What do you have?”

“A puppy.”

“A pony.”

“And everything gets put in the right place.”

“If we take care of that, that is certainly enough.”

“I have a little more time.”

“How are you posturing?”

“You have that idea in your mind. And you are back with each other. You have to live out your sentence.”

“I have alternatives.”

“There is a contrast.”
“Feed me.”
“I give of myself.”
“There are other poses.”
“There are other people who want to know.”
“She tried.”
“She was committed.”
“Day in and day out.”
“Then you become a maniac. You leave yourself. And nothing else matters.”
“You are hard.”
“You are going through this all the time.”
“I have shared my bed with a large rat.”
“And that means something.”
“Did he have a superiority complex?”
“They all do now.”
“Someone is going to shut you out.”
“Do you like things as they are.”
“I am trying to figure out how you are going to furnish the place.”
“More than ever, we need an interior decorator.”
“That will make sense to me.”
“You are invited.”
“There is no half way.”
“There is one way.”
“There are two plans. They are both long range in their own way. One deals with property management. The other deals with personal presentation.”
“What are you saying?”
“Where is this leading?”
“What do you have in there?”
“Everything that matters.”
“Save me from myself.”
“I only want some one thing.”
“The novel about some one thing.”
“This is no longer a philosophical thing.”
“Then you take sides.”
“Who are the leaders?”
“What can you do to help me?”
“Something is falling apart before our eyes.”
“My eyes have seen the glory.”
“It always goes like that.”
“Go forth.”
“Give me a few minutes.”
“I need to plan for this.”
“Plan.”

“I got what I asked for.”
“You are prompted to make things clear.”
“There are some messes.”
“I needed to drop him.”
“Then you raise him on the thrid day.”
“There is still time.”
“And you sober up.”
“Where does that take you?”
“I could buy my own island.”
“I am surprised that ther people did not revolt.”
“The guy had this enormous security system.”
“What does this have to do with me?”
“Really nothing.”
“Who are you?”
“There is so much love.”
“OFFERTORY: This is what I have to offer you.”
“This will be more than a little wonderful.”
“Sit in place.”
“Make it wonderful.”
“You went places.”
“Where do you want to go?”
“I am going where I need to be.”
“Does anyone care?”
“Am I even trying?”
“What other moves do you have left?”
“It didn’t take long.”
“The horn of Jericho.”
“Will this go on forever?”
“Look in my face.”
“I cheated.”
“I will go there. I will look him in the face.”
“That is all that I ever wanted.”
“I follow a straight line.”
“Where does it take you?”
“He draws a straight line. But the line is not straight.”
“This is where the economist’s confiscate your hard earned gains.”
“Tank the economy. Drop demand. Lower wages. You are fucked.”
“I am going to hang through this.”
“The ghost is going to pay you.”
“You saw that.”
“My whole house is controlled.”
“Everyone does not love it here.”
“I am loved.”

“They asked for you.”
“I am so excited.”
“All the symbols connected. But there is nothing real.”
“And it all explodes in your face.”
“Has it been a wonderful day?”
“I am on the road to figuring out something wonderful.”
“What happens when it is all over?”
“It is all over.”
“The troika takes over.”
“I could keep it going all day.”
“Do you realize what this is all about?”
“I stole your legacy.”
“We are in different businesses.”
“This is an emergency.”
“We need to send special people.”
“This is a special emergency.”
“Some stupid shit about the state.”
“And we believe that you get it.”
“You want to show it.”
“There is a different way of demonstrating my skills.”
“It is all over.”
“A lot quicker than I believed that it would happen.”
“Slam the door.”
“What happened?”
“I am looking for an explanation.”
“I do not not even want to try.”
“We hear it in different ways.”
“And we shut down the show.”
“They showed up here with different expectations.”
“Cure one disease at a time.”
“Want to make a deal?”
“What do I get?”
“This sequence is not working.”
“Thank you for being so tolerant.”
“We are loved and wanted.”
“And we all go back to the same shit day in, day out.”
“BOOM!”
“This is difficult.”
“Do you have what I need.”
“This is not going to work for us.”
“How did you get here?”
“What team are you on?”
“The one that avoids dairy.”

“The one that avoids the crash.”
“The one that is perfect.”
“How do you do that?”
“I am a contortionist.”
“There are many ways to explain this.”
“There is one conclusion.”
“I get the prize.”
“Eyes.”
“The eyes have it.”
“That was not the split.”
“Take it for now.”
“Everything is clear and out in the open.”
“I am crying in my beer.”
“How did you get here?”
“Who is helping?”
“Where have you been?”
“Who did you have to kill to get here?”
“I am here.”
“I am loved.”
“I love fashion.”
“Why is this not an expression of your socio-economic condition?”
“It is. We work with what we have. We make a single stand.”
“I do not have to deal with those interruptions.”
“This is my inner nature.”
“This is my outer world.”
“What is that really about?”
“THIS COULD BE YOUR STORY?”
“IS ANYONE WITH ME?”
“I need to surface now and then.”
“Will I get there?”
“You cannot live and live.”
“You cannot live and live well.”
“I found you passed out in the wilderness.”
“I found you in the wild.”
“I tamed you.”
“You are my kitten.”
“I give you life.”
“Does the savior have property?”
“Come to the ranch?”
“I do not want to crash.”
“I need someone to take care of the kids.”
“The kids.”
“All the kids.”

“We are pushing up from the bottom.”
“Where will this all end up.”
“We need to oay money to get what we need.”
“Does revolution have a color-scheme?”
“The US intelligence services believe that it does.”
“What will be the final resolution?”
“Some people are driven.”
“I am not one of them. The forces will do it for me.”
“I can tell that is going to be wonderful.”
“You don’t come here much.”
“My presence is well known.”
“Pore over scripture looking for the answer.”
“I am not going to talk about ghosts.”
“There are holy ghosts.”
“What does that mean?”
“Spirits created good.”
“Good can turn bad.”
“It is not all relative.”
“Some things are.”
“Sometimes, we are.”
“There is caring.”
“There is something else here.”
“The origins of the species.”
“How did we start out?”
“Clinging to the walls of caves.”
“Caves and dogs.”
“I do not want to think about this.”
“This is your moment.”
“Deliberately, this is not my moment.”
“Who else is in the cave?”
“Some fire.”
“You cannot trust the cave people.”
“What did the drawings say?”
“We lie. Do not trust us.”
“Beware of dog.”
“This is our dog.”
“We domesticated the wolf.”
“And that has made all the difference.”
“The difference.”
“The wolf.”
“It is all about the wolves.”
“Crying in their beer.”
“There will always be wolves.”

“There will be beer.”
“There will be tears.”
“What is next?”
“She used to wait. Now, he waits.”
“What is going on tonight?”
“A game.”
“More than tonight.”
“No one cares.”
“No one can tear me apart.”
“Who will come to my rescue?”
“I rescued myself.”
“How did you get here?”
“You had your chance.”
“You were a giant killer.”
“And you do not want to hurt.”
“I hurt.”
“This was everything.”
“True love.”
“Make it matter.”
“Make it mean something.”
“Make me mean something.”
“He is back.”
“I was a winner.”
“What was the contest?”
“I am trying to be eloquent. I find a soap box. I am dealing with people who are convinced that they have something important to share.”
“What else is in there?”
“Are you kidding?”
“What is the price of tea in Peoria?”
“What is that about?”
“Have a rice cookie.”
“Apologize.”
“The eyes have it.”
“Surprise.”
“We lost where we had won.”
“A bad situation begets another bad situation.”
“And we are back at the place.”
“I like the walls.”
“I am supposed to love this.”
“I will participate.”
“I am already losing my mind.”
“Lose it.”
“Be what you want to be.”

“This will get better.”
“Will get better.”
“There is a lot of money involved.”
“I will turn cartwheels for you.”
“That is a suitable costume.”
“Will any of this work?”
“Will you work?”
“I can put your words right.”
“Listen. Please listen.”
“Do you even understand.?”
“What do I need to do to get what I want?”
“He got in my face?”
“Did you hit him?”
“I am trying to control my emotions.”
“I cannot.”
“I give in to those urges.”
“Should I even bother?”
“He came back to life.”
“I can do more than help.”
“Where are we going?”
“We got what we wanted.”
“I need to control that one moment.”
“Love me for what I am.”
“Flesh and bone.”
“Are you keeping track?”
“There is no obsession.”
“I am in a program.”
“This was too personal.”
“What more could this be?”
“This is total love.”
“I want to join in.”
“What else is there?”
“You are here for me.”
“There is a place where I am loved.”
“And tried to disturb that.”
“There are people who are really good at this.”
“I was asked to leave.”
“You have been asked to create legal standards.”
“I have enough to think about.”
“Think about it.”
“You really do not understand.”
“I can fix this for you.”
“You are loved.”

“We all are loved.”
“Fucker, who are you?”
“Someone you will never know.”
“Lovely.”
“We all return to the same place.”
“Or we return to the place that we left.”
“Seriously, that bored me.”
“We heard it in different ways.”
“That word difference really does the business for you.”
“Like alcohol.”
“I am trying to keep all this legal.”
“TIME: We are all out of time.”
“Living in time.”
“Excited by time.”
“Have a bite.”
“We will find complete liberation.”
“This is a little creepy.”
“Do me for one.”
“And we will finish it.”
“The answer is THE ANSWER.”
“Every question demands that kind of attentiveness.”
“And who decided that?”
“This is a date.”
“This is a day.”
“This is a hand, and this another.”
“Is this a celebration of life?”
“That is like a life of life.”
“What else is there?”
“Have you looked in a while?”
“I see things.”
“Perhaps, you see too many things.”
“Things.”
“By the time I get there, it will all be on fire.”
“I can mess with your life.”
“That is not a complete thought.”
“That is a complete story. BOOM! BOOM! BOOM!”
“Who is helping?”
“I am on treadmill.”
“He was looking.”
“He cares.”
“I see the numbers differently.”
“I bought my share.”
“Where does it all go?”

“The alien watch.”
“I wish that it was not like that.”
“I feel as if I am being preached to.”
“One and done.”
“Do it now.”
“When did you rise from the dead?”
“Three days ago.”
“You look great.”
“Take it for what it is.”
“Do not try to take it.”
“I get it.”
“Looking means nothing.”
“Don’t try to interrupt my show.”
“Do you hate me?”
“I am trying to figure out why someone would want you dead.”
“You did not read the last book.”
“What do you mean by that?”
“All the secrets were in there.”
“Drugs.”
“Desire.”
“The word made flesh.”
“There are so many things to worry about.”
“Then you stop worrying.”
“Light me up.”
“We will go somewhere else before we start to feel introspective.”
“I am trying to get to my destination.”
“I am not that guy.”
“You look like him.”
“He died.”
“What did you have dinner?”
“This shit is cheap.”
“Take aht you will.”
“You will.”
“This is the ideology in resplendency.”
“I want to participate.”
“Will this work?”
“Will they understand?”
“Take it for what it is.”
“Did he go to charm school?”
“He si a treasure.”
“The baby is here.”
“I am talking to you.”
“Please ask for more.”

“Everything was all in place.”
“I cannot get to my notes.”
“I am trying not to go under.”
“I can make this perfect.”
“This is not mean to be perfect.”
“Take this.”
“Work is my life.”
“I need an antidote.”
“I cannot eat one.”
“This could be fantastic.”
“We are working on some new emotions.”
“These are real issues.”
“I turned it all around.”
“That is better than good.”
“Super great.”
“They use the same words for different things.”
“Like sickness and redemption.”
“You are blessed.”
“I do not want to think about it now.”
“I am trying to get my life on a solid footing.”
“Have a soda.”
“I will be there for you.”
“You threw a chair.”
“I want to win.”
“I am looking for another side of revelation.”
“We share that same belief in the movement of the species.”
“I AM COLD.”
“I WANT WHAT I SHOULD NOT WANT.”
“We are adapting to different situations.”
“The next exemplar needs to be perfect.”
“We ave been waiting for you.”
“We cannot wait for you.”
“Then he absorbs me.”
“He got in a car.”
“Who will save you?”
“Who will save me?”
“I got close.”
“Is he your guide?”
“We got too close.”
“It is never what it seems.”
“Face the grim reaper.”
“You are all aboard.”
“What does any of that mean?”

“This is my job.”

“This is my life.”

“We have a winner.”

“There is so much money in this shit.”

“Do-it-yourself reality.”

“Can we eat that?”
