

MOMENTS

“The fans are controlling the asylum.”
“Everyone wants the right pose for torture.”
“Do not trouble yourself!”
“There is nothing else. That is what is upsetting.”
“We all want an entourage.”
“Why?”
“Plausible deniability.”
“We need to be a lot closer to understanding.”
“I have a solution.”
“No one wants to go along with the same solution.”
“I am going along.”
“I made a mistake.”
“I could budget for this.”
“This is the time to go.”
“Go now!”
“If there is a story, how would you go more along with the story.”
“You have already gone along.”
“I have arrived.”
“I need to let all this go.”
“This is becoming worse than overwhelming.”
“You need to drive.”
“You need to wait in line with us.”
“I cannot even look at this.”
“We are making something else.”
“What do you want to see?”
“I AM TOTALLY DRAINED.”
“It is something that you can see.”
“Tempest calls it science.”
“It is not science.”
“I thought that you were going to ask me something. I was all prepared with answers.”
“Some people enjoy others hurting them.”
“Some people are not people.”
“Each person knows.”
“This is freaky shit.”
“There is nothing that you can do that will make you right.”
“This will make you right.”
“I put the stamp of approval on my participation.”
“This is going to get very weird.”
“At home, it will all make sense.”
“It does mean something worthwhile.”
“You see things that I do not.”

“You feel thing that I do not.”
“I want someone, who is willing to reveal more.”
“Vittorio’s story.”
“He has a lot to say.”
“He does not come in yet.”
“What do I know?”
“I know it all.”
“You were gone for a while.”
“I continue to believe.”
“There is no reason why you should.”
“Are you paralyzed?”
“What does that mean?”
“You do not even move.”
“What is available for you?”
“I failed.”
“What happens at the critical moment?”
“You blink.”
“You pay the price.”
“That is not even possible.”
“That is not even possible.”
“Could you even quit if you wanted?”
“I want a haircut like that.”
“I am so used to accommodating.”
“I am getting much closer to where I need to be.”
“You like working like that.”
“You are going to need to concentrate if you want the complete explanation.”
“You are so off the mark.”
“What is the mark?”
“I am lagging. I am trying to observe and comment, but I am so behind the curve.”
“That is so bad.”
“You are not aboard.”
“What were you doing before you got here?”
“A terrible job that melted me down to the elements.”
“I can give you what you needed.”
“A new pair of shoes.”
“Turn on the show, and bring me the chips.”
“You are not at all in control.”
“Take the step.”
“He is an artist.”
“He is into splatter technique.”
“I can make it work in the morning.”
“They will teach you how to make it work when you get to work.”
“Why are they so upset? Why is he so upset.”

“They know what to expect.”
 “I am giving you the tools. You need to know how to put together things.”
 “I am not good with time.”
 “Use flesh and bone.”
 “The bunny is coming to a halt.”
 “Where is the intersection?”
 “I am coming aboard.”
 “I am hanging on.”
 “Keep talking.”
 “He will get his line in.”
 “Is this really you?”
 “I wish that it was not.”
 “How is time treating you?”
 “You cannot sneak into this place.”
 “There is no discipline.”
 “That is some crack pot shit.”
 “Do not follow me around.”
 “I am cooking.”
 “Thank you for your time.”
 “When you get close, you get so far.”
 “I could show you at home.”
 “There is not exaggeration.”
 “He will destroy the show.”
 “Tell me what you want to hear.”
 “You have a long-involved story. There are some books and some music. Then it is a dream. And water leaks into the place and destroys everything.”
 “Where have you been all my life?”
 “At a different store.”
 “I could develop a theory.”
 “This is what we buy.”
 “I am very trapped here.”
 “This is my trapped friend.”
 “I can set you free.”
 “Tempest did not offer that alternative.”
 “How did this become her decision?”
 “That is perfectly suited to what you want to hear.”
 “I think that you get it.”
 “The memoir asks you to reveal shit about yourself.”
 “They are expecting me here.”
 “I want all the bells and whistles.”
 “Can you ever stop?”
 “I need to breathe.”
 “No one can.”

“It is a power that you cannot achieve.”
 “I was so good at this.”
 “I was perfect.”
 “You need an energy boost.”
 “The jump to the next level.”
 “No more revelation.”
 “That will not work tonight.”
 “You returned.”
 “I have come back to mess with you.”
 “Owen prevents you from understanding.”
 “I am only a few steps from retreating from myself.”
 “You are kidding.”
 “Do not get too close!”
 “I am going to have to go back to that shitty job again.”
 “Are you going to thank him for this?”
 “Thank you!”
 “Are you going to thank him for this?”
 “Thank you.”
 “I can’t keep doing this. But I cannot admit that to anyone, or I am going to lose my place.”
 “I do not want someone to shit on me.”
 “What is coming?”
 “He is going to return.”
 “Do not quit.”
 “She does not like Roy.”
 “She does.”
 “That is all that it takes.”
 “You are breathing.”
 “Or you are not breathing.”
 “They promised to give me oxygen.”
 “I can do whatever I want.”
 “How can I get you to make a promise?”
 “How can I get you to reach the stars?”
 “What is up there?”
 “That will never do it for me.”
 “Do it for me.”
 “You are easily satisfied.”
 “I am not going back to the church.”
 “Nothing else matters.”
 “Yes, it does.”
 “That is sufficient inspiration.”
 “I cannot fix that.”
 “Do you mend broken hearts?”

“I fix tires.”
“It is all pretty much the same.”
“I know how it is going to happen. I do not know when.”
“This is so exciting.”
“What kind of body is that?”
“Change your shirt.”
“I do not need clothes.”
“What does that mean?”
“I love on ideas.”
“I live to be inspired.”
“Who is doing to inspiration?”
“The splatter artist.”
“The art must take place right here.”
“I am not good at discerning.”
“I was counting on you to be different.”
“Your poetry is so terrible.”
“What would I need?”
“A vision.”
“The word gets made flesh.”
“There are so many people forced to live such terrible conditions.”
“I am not getting sufficient motivation.”
“What would that be?”
“I am reverting to what I was.”
“No one would recognize that.”
“Bath understands.”
“Is that all that you know?”
“That is more than wonderful.”
“I can be led.”
“That is often the case.”
“Please, do not make me read that poetry.”
“It will not hurt.”
“You are looking for an explanation when one is not forthcoming.”
“That is all that it takes.”
“I wish.”
“You understand.”
“I know the words.”
“What else is there to see?”
“LOOK! LOOK!”
“No one knows.”
“They can hold their breath.”
“Temple is getting into everyone’s mind.”
“She turns science into a practice.”
“I do not want to interfere.”

“Bigger than a breadbox.”
“Many loaves of bread.”
“A miracle.”
“Hell, I want a better explanation of social development.”
“Observe your cat.”
“I am looking!”
“What does that tell you?”
“I would stop if you asked.”
“Who are you referring to?”
“I will be right back.”
“And then that understanding will dissipate.”
“I am being told what to do.”
“What do you do?”
“I work with machines.”
“Go for it.”
“Do not interfere.”
“I am going to mess with your engine.”
“This representation is no better.” This is not an original perspective”
“How do you deal with this kind of shit?”
“You blow it all up.”
“That is not going to work for me.”
“You need to be able to describe the process of organizing.”
“What is the direction?”
“You do the numbers. It is not going to result in a better exposition.”
“I am going to complete the memoir on my own.”
“When does it hurt too much?”
“Let us work on the farm?”
“This is factory work.”
“Where does that happen?”
“Are the threads all locking together?”
“It is a tight fit.”
“I got caught.”
“I got caught.”
“I got caught.”
“Stop me.”
“Ask!”
“I am never going to find a solution.”
“You are moving along.”
“This is a place holder.”
“What is being seen?”
“I still have the feeling.”
“Has he been accepted?”
“I am waiting for the call.”

“Who is telling you?”
“I hear a voice in the night.”
“This is the real question. Is Vittorio getting out of control?”
“We are not asking that?”
“Bath wants to know?”
“I want her to know.”
“She cannot know.”
“She cannot know.”
“What the hell!”
“I take all this time planning. Then I say what the hell.”
“You are still going to complete the task.”
“Do not disappoint.”
“I will take it.”
“I need to now.”
“I need the reward.”
“This is a wave.”
“This is not going to work.”
“This is not going to work.”
“I am tryihng to hold on to the narrative.”
“You changed one thing.”
“And what is that?”
“That will not work for me:
“You need to feel this inside.”
“Take it over for me”
“Are you working?”
“What is going to do it for you?”
“That will explain it for you.”
“I simply repeat the same thing over and over again.”
“That will make a difference.”
“I could tell you where she is.”
“Are you chasing me?”
“Why do you want to stay here?”
“Are you having difficulty keepin up?”
“That is what I am all about.”
“That is too close.”
“That is participation.”
“No one is going to intercede.”
“How do I become this total asshole?”
“There is nothing here.”
“There is completely nothing here.”
“I am functional.”
“How does that work?”
“I am not going to react.”

“Jump in the shower.”
“I am not working this at all.”
“This is a total failure.”
“I got the picture.”
“Everything gets magnified.”
“I would rather play this game at home”
“Why are you not with me?”
“She is somewhere else.”
“Did you avoid him?”
“Let me finish that meal for you.”
“What you see is what you get.”
“Claim it.”
“Pain is the only reference point.”
“Which body part?”
“I am concentrating on something.”
“I am preparing for tomorrow.”
“What will they do?”
“They will transform this monstrosity for the world.”
“This cannot lead to a world view.”
“I need to get something done before work.”
“That is going to lead to an increase in savings.”
“I can tell.”
“I want to be accepted.”
“That works.”
“That all works.”
“I am in the middle of something”
“What can that possibly mean?”
“I am a serious person.”
“Who owns this place?”
“I am not affected.”
“It is publically owned.”
“The product is not working?”
“We are the product.”
“This ended before it could begin.”
“That will not function for ,e”
“Can you give me a do over?”
“Not with this eternal return shit.”
“You were here.”
“We are working together.”
“I want liberation.”
“Owen will not do it.”
“That is all that appeals to me.”
“There needs to be more than that.”

“I am not going to watch you destroying yourself.”
“What the hell?”
“You have the intention.”
“That is the intention of your shitty life.”
“I am along for the ride.”
“Who can say no?”
“That is what makes you work so hard.”
“Somewhere, that is not working.”
“You are not getting tht much for your time. And you do not have a clear goal.”
“Take it out of the package.”
“I want respect.”
“When does that start?”
“Now!”
“We have become hateful monsters.”
“Can you follow along?”
“Cook with butter!”
“This is going to fulfill a need.”
“I know what you are working for.”
“You cannot transform the soul without having a soul.”
“The perdurance of consciousness.”
“Finish this off.”
“Why do I believe that tomorrow will be different?”
“There are different locations.”
“You are really working hard.”
“And you came back here.”
“I had a point to make.”
“The plan has completely come apart.”
“You had too much money in the money market account.”
“You’re just a fucking attention whore.”
“That is not going to work for you.”
“What do you have to offer?”
“I can make a cake.”
“Eat it!”
“Jump like a canine.”
“I need to get away from you.”
“That is never going to happen.”
“Peel it off.”
“Someone needs to tell you to stop.”
“I have a few simple ideas.”
“What is in the way?”
“When I work at home, I never think about this stuff.”
“I had a method.”
“It is called counting.”

“Do not even react.”
“He is playing a role for me.”
“They are going to ask.”
“It is all pretty much the same thing.”
“You have a lot of soul.”
“How does that function?”
“It does not.”
“You can quit at this point.”
“It is in the blood.”
“I would like to go into more detail.”
“Vittorio will not stop talking.”
“They will give an answer.”
“You connected with what you are looking for.”
“And that is.”
“Forces.”
“Internal forces.”
“I will practice.”
“Everyone is asking.”
“What the hell!”
“It is in the food.”
“That only makes it better.”
“I do not want to blame myself for acting this way.”
“They are keeping their eyes on you.”
“Then it is performance.”
“That is only the beginning.”
“Say it!”
“I am not into this Tempest thing.”
“Look up.”
“That is not going to cut it.”
“There are organizations that can help with this kind of behavior.”
“It does not work that way.”
“That is a way of being.”
“You could drop in on the conversation.”
“Then it all ends in one place.”
“You need to ask.”
“That will not work for you.”
“I can hold my breath for a long time.”
“Then I let it all out.”
“No one can control me.”
“What can you ask the world?”
“More kisses.”
“Free me.”
“And you are going to influence energy policy.”

“He still knows things about usage.”
“What keeps the grid moving?”
“A way of being.”
“A way of not being.”
“I want you to be a particular way.”
“I am all that and more?”
“You can finish.”
“That is impossible.”
“GO FISH!”
“Did you, or did you not
“Are you responsible?”
“I cannot be responsible for myself.”
“I ask for things that should not be requested.”
“I wish!”
“They got too close to me.”
“I was in the Pantheon.”
“I made the boss cry.”
“That is not going to be enough. They will find replacements.”
“You were supposed to make it all possible.”
“I wish that you knew how to be more friendly.”
“I am beyond friendly.”
