

THE BRIDES OF FRANKENSTEIN

“And you believe that history started when you came in.”
“History starts now.”
“Why would you consider me a bride?”
“I invited you to my place. I want you to stay.”
“What costume did you choose?”
“This are the issues in my life.”
“This is my life.”
“And we end like that.”
“Am I encouraging you?”
“That is excellent.”
“Am I encouraging you?”
“What does nature say?”
“It is a constant interaction with a preferred environment.”
“Who is running this show?”
“The impresario.”
“The flesh.”
“The reality.”
“The sum of the flesh.”
“And.”
“I am here for you.”
“Where are you guys going? Did you have fun tonight?”
“That is going nowhere.”
“I am trying to accommodate to new ways of thinking about myself.”
“I have always been here.”
“You guys lean in as if you get it. But you will never here what you need to hear.”
“The night turns me on.”
“You are not contributing.”
“I see everything.”
“Did God become stupid?”
“What is your objection?”
“You could own this place.”
“You have no grasp.”
“It is time.”
“There is a minimum charge for every second.”
“Can you do it?”
“I want to pay the maximum.”
“You do not understand what I can od.”
“What can you do?”
“Who is driving?”
“The body gives us reassurance.”
“One of you is going to say something embarrassing.”

“How do you get like this?”
“How did you reach that point?”
“I am trying to explain a program. And I am getting a lot of grief from these guys.”
“They are just having fun.”
“The nose for news.”
“This is why people with money have nothing to say.”
She looked at me.
“I wonder why you have so little connection to what is happening to people in the world.”
“Conrad had his way to describe the world.”
“What does he see?”
“I go back to the board.”
“Why do you interest me?”
“We are looking at flowers.”
“I am not really turned on by flowers.”
“This is not going to go well.”
“I brought you something much nicer.”
“I brought you love.”
“What is that?”
“Like a bee to honey.”
“What does that mean?”
“I make what I need to meet.”
“And that will cause what kind of change in my life?”
“The body is the mediating factor.”
“I understand.”
“She understood too well.”
“This is not a place of real change”
“It is more about going along.”
“I am turned on.”
“The smell of butterscotch.”
“I am trying to understand.”
“If I do not leave the house.”
“If I do leave the house.”
“You remind me of something that I want to be a part of.”
“An organization.”
“That is how the cult starts.”
“The cook.”
“I am being readied for the slaughter.”
“I am not trading my freedom for someone’s servitude.”
“You look great.”
“I decide what I want you to look at.”
“This is when we get into some really freaky stuff.”
“This is all about integrity.”
“I want to wake up and still like myself.”

“My wife found out that I was communicating with you. And she told me to stop.”
“Under what conditions would you stop.”
“I was given a body.”
“I was an elephant.”
“Different ways of thinking.”
“What does it mean to be the elephant in the room?”
“You are always making noise.”
“This is way beyond me.”
“What do you want to see?”
“All exaggeration.”
“Lead me on.”
“Where is this going?”
“I find a new body.”
“Full on.”
“Why do I need fuel?”
“Back to the tar pits.”
“Should I ask?”
“Now, I understand.”
“I want to learn more.”
“What is your future?”
“You say a family, but you get involved in the most bizarre shit.”
“I would not bring a kid into a place like that.”
“This is how the wedding works.”
“Wedding in blood.”
“Baptism in fire.”
“A whole new belief system.”
“Get me there.”
“I think about you.”
“AM I MEMORABLE?”
“What do you think about?”
“I look great.”
“What is my best characteristic?”
“What is mouth-watering?”
“What leads to fantasies?”
“What makes the world real for what it is now?”
“I do not want to think about it.”
“This is going to be wild.”
“This is going to take me back.”
“Where did we start?”
“You sat behind me in class.”
“What were you doing?”
“I was thinking about my future.”
“Will I need a permit to add a carport?”

“I am getting pulled in different.”
“Honestly, you are a really need guy. I bring you back to my place. I might as well have brought a stray puppy. You whined the next day.”
“Call it fun, and shut your mouth.”
“I am turned on.”
“Enjoy what you have.”
“Someone needs to clean up after the puppy.”
“What are the attractive character traits?”
“A commitment to work.”
“This job is really nowhere.”
“Conrad is applying his theory.”
“There is a new variation.”
“The puppet on a string.”
“The bee to the flower.”
“I have been here before.”
“I am not an independent entity.”
“You are next.”
“Why do you think that I am different?”
“I do not work a regular schedule.”
“I am turned on.”
“You will have to apply yourself.”
“How much cash do you have on you?”
“You keep prompting me with the freakiest shit.”
“I have clearer goals.”
“Are you working?”
“I can’t get by smiling all the time.”
“There is a way.”
“What are you promising?”
“I do not want to think about it.”
“One goal.”
“A big smile.”
“How did the costume accentuate this look?”
“Ask wardrobe.”
“I feel as if I am being type-cast in the worst way.”
“Why am I always in horror movies.”
“I have a different plan.”
“They are coming to get me.”
“They are going to rescue me from this shit.”
“I do not judge.”
“I am good.”
“Others are good.”
“I am good for myself.”
“I am good for myself.”

“How do you do that?”
“What are you doing?”
“I am in training.”
“That sounds perfect.”
“There is a wonderful harmony.”
“That is clearly an interference.”
“I want to be on my couch with my kitty.”
“Where should I look?”
“At the stars.”
“I am dazzled.”
“We are dealing with a simple vocabulary.”
“Yes, yes, yes.”
“Do not disturb.”
“I can put the pieces back together.”
“What is missing?”
“That is not enough to sustain my interest.”
“What do you want me to look at?”
“My eyes.”
“Your eyes are drifting.”
“My life is drifting.”
“I am trying to make this interesting for you.”
“By playing a little devil.”
“We do not recognize the real threats to our culture.”
“That does not happen anymore.”
“That was where I was yesterday.”
“I am lost in a swamp.”
“That is pure perfection.”
“I am looking for a slow burn.”
“We are all elaving.”
“We have left.”
“You could leave the group.”
“I am waiting for my meal.”
“I like to please people.”
“I did not grow up here.”
“What does that say?”
“That is so smooth.”
“I do not want to gawk.”
“You are staring.”
“You could have stayed.”
“I have seen all that I need to say.”
“I am faking my art.”
“It would be better to be an art forger.”
“I have tried.”

“There is that moment that you realize that you are not good at faking anything.”
 “That will work.”
 “You are fit.”
 “How else could I be judged?”
 “Lower the curtain.”
 “This is not a theater. This is real.”
 “I want the jacket.”
 “And you call that fashion. What is that? Some chiffon.”
 “Some love.”
 “Some lemon chiffon.”
 “Edible life.”
 “Is that an offer?”
 “No one will understand you.”
 “I see it differently.”
 “I have touched the Lord.”
 “I prepare for this.”
 “And the train jumps the track.”
 “This is a program for change.”
 “How does that work?”
 “A comfort in your skin.”
 “You start with the conclusion.”
 “I am trying to make sense of this.”
 “I cannot fix your shit.”
 “I fixed it.”
 “You need to be more conscientious about completing your sentences.”
 “Are we leaving?”
 They were all there for the night.
 “What is the special power that we have?”
 “That same sense of rhythm.”
 “I am falling over myself.”
 “It is a wonderful smile.”
 “It all matches.”
 “That is how it looks, and that is how it is received.”
 “I am wild.”
 ”They are working together.”
 “I do not even try to control it.”
 “What are you doing?”
 “It is nothing like that.”
 “I want to be loved.”
 “How do I do that?”
 “I love the image that I see in the mirror.”
 “It is always way more than that?”
 “Are you working on this?”

“Where do I start?”
“Run hard.”
“I am paying.”
“Are you some kind of dominatrix?”
“These are kids in silly costumes?”
“I want you to write my biography. It is called insatiable.”
“Pretend that none of this happened.”
“I had this all down, then I got distracted again”
“A few more days.”
“It is not like that anymore.”
“Why do you think that you are a reflection of me?”
“Love me for what I am.”
“That is not going to work.”
“I have given too much of myself away.”
“And you think that is going to do anything for me.”
“I have that look. There is not much else to it.”
“What else to do you care about?”
“This is all about the turn on.”
“This is all about the come down.”
“I am gaging on my desire.”
“That is what we are celebrating.”
“We draw blood.”
“We are way beyond that?”
“I have a chart.”
“Fill me with desire.”
“What am I left with?”
“I was wondering.”
“You will not understand. You are not meant to understand.”
“I want to share.”
“I need something more random.”
“Everything is so explosive.”
“I cannot isolate a moment of concern or commitment.”
“The eternal drive.”
“What is that?”
“Nothing for me here.”
“Pretend.”
“You really understand.”
“I explode.”
“You ate the wrong thing.”
“Why does world do this to me? The more that my body wants, the less that I get.”
“I am being destroyed by what I want.”
“I am trying to go along with this look.”
“That will not do anything for you.”

“Who else is working on this?”
“I had a spread sheet.”
“What did you write down?”
“Work times.”
“What else is in the body.”
“We are here to show.”
“Total personal exposure.”
“There is so much that is left out.”
“You never will get it.”
“I am trying to match the image that I see to the world.”
“Science.”
“How do you conduct your study?”
“I love how I am.”
“We accept.”
“I work at this.”
”And you deerve it.”
“Why don’t you work harder?”
“I have what I want.”
“That is too much effort.”
“That is only effort.”
“You need to ask.”
“That says something else.”
“Do you have doubts about your life?”
“Everyone around me has these plans for my future. And I am not that ambitious.”
“You could begin again.”
“I do not want to use words.”
“We have a map.”
“And things to contradict the map.”
“I want to taste the bread of life.”
“Why do you think that you can complete my life?”
“I am following you around as if you have a roadmap for my life.”
“This is really messed up.”
“I can apply myself better.”
“I want to power it up.”
“Pop goes the weasel.”
“You could be the perfect weasel for me.”
“A lot of smiling.”
“I am exaggerating everything that I have.”
“I could use different input.”
“I want to leave you with no doubts what I want for my life.”
“How does that work?”
“How do you think?”
“What is the final destination for desire?”

“I am back to where I started.”
“You are not accepted here.”
“You seem hard.”
“I am harder than you know.”
“The shell protects me.”
“What is behind the curtain.”
“Another curtain.”
“The big eyes.”
“I could get this right.”
“I am loving it wrong.”
“It can’t be any other way.”
“I will work hard at this.”
“I will do it again and again.”
“Bat shit crazy.”
“How would I know?”
“He is looking for that one thing.”
“The Conrad theory.”
“He has the smirk.”
“The cat ate the bird.”
“You are not going to included.”
“Who is?”
“There is not that edge.”
“Sometimes it is so haphazard.”
“I do not have a meth habit.”
“What are you saying about me?”
“It is very raw.”
“That is not supposed to be an insult.”
“That would explain it.”
“You seem moody.”
“We all are.”
“I do not give away too much of the show.”
“Show.”
“Everyone is on the wire.”
“It was something else the other night.”
“That is all that you have left.”
“It is emotion, bu it is something that can be seen.”
“It is no longer observable.”
“I more or less accept this.”
“This turns you on.”
“This distracts you.”
“One pill.”
“Take this.”
“I could tell you what you need to hear.”

“Not from you.”
“From me.”
“They are all fucked up.”
“Then there is one.”
“Say the word.”
“This is total commitment.”
“I failed.”
“We all failed.”
“This is old school.”
“I could go in a different door.”
“There is always so much revelation.”
“I need to get out of myself.”
“Go for it.”
“I need to protect myself.”
“That is not like anyone here. Their lives are too charmed.”
“I could be that guy.”
“You could not.”
“And you are gone.”
“Gone.”
“Long gone.”
“Everything is very surface here.”
“That is what your father said.”
“This deal cost a lot.”
“You are funny.”
“This place is everything to me.”
“It would be better from another angle.”
“I want to look.”
“Do not look back.”
“That is wholesome.”
“Essays.”
“Devlin wanted me to write something.”
“She had no understanding.”
“What is coming in?”
“You do not even know what to ask for?”
I looked at her.
“I want you to teach me something.”
“I am going to class.”
“I have no idea what happens after this.”
“They see what they want.”
“They do not see what they want.”
“I am being pulled from my people.”
“Save me.”
“I am in a fire truck.”

“Now, I see.”
“This could be a transformational moment.”
“These are costumes.”
“Drain me of my blood.”
“Is that affection?”
“I am too good at this.”
“There is still time to quit.”
“This is going to be that thing.”
“That thing.”
“This is my entourage.”
“He said that.”
“What is in the outer orbit?”
“Send me an angel.”
“These is the same structure on different levels.”
“Someone needs to clean out the cages.”
“I got stuck inside.”
“You were not looking out for me.”
“I was in the middle of a conversation.”
“More words.”
“You could have finished.”
“She knows.”
