

**THE FEEDING**

“Loaves and fishes.”  
“We need to inspect your laptop.”  
“Where have you been?”  
“Escaping a storm.”  
“Finding love.”  
“Finding sustenance in myself.”  
“You know what this means more than I do.”  
“How do you want to be called.”  
“There are so many things to consider.”  
“The flowers.”  
“The cereal.”  
“I am out of options.”  
“I know what I am worth.”  
“The actual end of human development.”  
“Someone can interrupt this tale.”  
“In your own way.”  
“What have you been doing?”  
“What is most of the world thinking about at this moment.”  
“Political legitimacy.”  
“I am worried about that.”  
“I do not want to be forgotten.”  
“That is no longer a social issue.”  
“What is in the basket?”  
“History in the making.”  
“That is what I wantd.”  
“I tried to imitate that kind of expression.”  
“I will give you the farm.”  
“Not the cows.”  
“That is a tug of war.”  
“I do not do dairy.”  
“This is the representation of my sense of privilege.”  
“This is prosperity.”  
“We see it differently.”  
“What does the world think?”  
“Someone is going to come along and sweep up.”  
“Sweep up.”  
“Pure money.”  
“And you spend all that time on the job.”  
“What are your dreams for the future?”  
“The future.”  
“And you still get damaged.”

“I have a protective coating.”  
“That really doesn’t work if you give up your shit to everyone else.”  
“Is there a theme?”  
“You tell me.”  
“I will. I will give you a piece of my mind.”  
“You could finance the whole treasury of a small nation.”  
“That is not how it really works. What are you really giving us? Sermons. This is not education. We are swimming with the fishes.”  
“That is how life is supposed to go.”  
“That is not happening for me.”  
“That is the only thing that makes a real difference for me.”  
“I am in the middle of some really crazy shit.”  
“The government is in on this.”  
“A lot of paranoia.”  
“That frightens me.”  
“I do not have to wonder about the absence of motivation.”  
“Build a bridge.”  
“Take a kick back.”  
“Where does the money go?”  
“Does anyone really take this shit?”  
“You will not know until you know.”  
“You know.”  
“I need an intervention.”  
“This is a real revelation.”  
“That is what they call it.”  
“Make the call.”  
“It is more special than that.”  
“It always is.”  
“I did not pick this out.”  
“What is waiting for us tomorrow?”  
“Prophecy.”  
“Is that important for social development?”  
“Is this more exaggeration shit?”  
“And that works.”  
“Pretending to be what you are not.”  
“Are there issues of identity theft again?”  
“How can you make that work?”  
“Holding my breath.”  
“And I have to go through that for hours.”  
“I am here.”  
“It is just right.”  
“That is what they say.”  
“Perfect.”

“More fishes.”  
“This could be the book.”  
“What is foundation for abundance?”  
“They have their eyes on you.”  
“What does that mean?”  
“A surveillance society.”  
“They whisper.”  
“You cannot read all the stuff.”  
“We took a vacation.”  
“This was aimed at the heart of what you do.”  
“And you cannot understand social structure.”  
“Go back in the hole.”  
“Who is the tour guide.”  
“I am on.”  
“You are on.”  
“You are going to hold on.”  
“Now, your silly comment.”  
“Not wanted.”  
“This is the only place that there is any kind of balance.”  
“The butler did it.”  
“He felt that he had a social motivation.”  
“There is more going on.”  
“Escape.”  
“Replacement.”  
“I do not like to see it like that.”  
“You had a chance to make a point.”  
“What is any of it about?”  
“I cannot think about anything like that.”  
“This is more than I know.”  
“At least, I feel comfortable.”  
“My brain is more than active.”  
“Where is this going to end up?”  
“You are going to make a bigger deal of awareness.”  
“What can you know?”  
“I know it all.”  
“I understand the method.”  
“And what is that.”  
That, that, that.  
“That is something that actually happened.”  
“A meteor shower.”  
“We only need one.”  
“The disruptor.”  
“Who is doing this to you?”

“And that is more than enough inspiration.”  
“We do not need more words.”  
“And you arrived.”  
“What have you figured out?”  
“There is nowhere else that is going to credit my shit to such a degree.”  
“Anyone will do.”  
“Anyone cannot do. This is going to require some kind of preparation.”  
“And this will be effective.”  
“Did you get what you were looking for?”  
“We were sharing.”  
“I know what this is all about.”  
“I have got it.”  
“You need to lose it.”  
“We will. This is a long process.”  
“I am a long process.”  
“This made my life.”  
“I am trying to figure out how you got like this.”  
“There were too many fish in the basket.”  
“Why does the bread have miraculous powers?”  
“Because you cannot live by it alone.”  
“Where is this headed?”  
“For further miracles.”  
“They can be classified.”  
“When I lose my direction, where do I go from there?”  
“Do you have that much to say?”  
“This is more than beyond.”  
“I can fill in.”  
“I am filling in.”  
“What are the odds?”  
“I am at Walmart picking up things for the party.”  
“How many bags of chips do you need?”  
“The more I lose, the less I can consider this a job.”  
“And this is going to result in a solution.”  
“That answer.”  
“The answer is edible.”  
“Abundance.”  
“Do not think that it is more than it is.”  
“I know the split.”  
“I can only see it working on one level.”  
“These are signs.”  
“People are experiencing them on the real level.”  
“You can’t think about signs if you are not eating.”  
“That was the purpose of the miracle.”

“And they think that they know.”  
“There is a different kind of language.”  
“Keep talking.”  
“I can do some crazy stuff.”  
“I do not want to think about it.”  
“I only think about it.”  
“I was given a gift.”  
“What are the kinds of gifts that I really need?”  
“Enlightenment.”  
“The anointing.”  
“What happened?”  
“This place is so messed up.”  
“They need a professional.”  
“You just got it fixed.”  
“You are dealing with people, who are beyond the beyond.”  
“What is your given name?”  
“How is that even possible?”  
“That is the only thing that is possible.”  
“Does that even work?”  
“It would never work for me.”  
“This is way beyond.”  
“I am going on a trip.”  
“Who is going with you?”  
“That means nothing.”  
“I failed.”  
“And that is hideous.”  
“We are heading back in time.”  
“Why?”  
“You thought about this.”  
“What could Vee say?”  
“What could anyone say?”  
“I had money.”  
“This will not work on the floor.”  
“There is more than exaggeration.”  
“Do I need to come in?”  
“There will be cutting.”  
“Who else knows?”  
“Someone is saving up.”  
“You have one day to get it all together.”  
“Shit.”  
“How did I get this deep?”  
“At moments like this, I am sure that nothing is going anywhere.”  
“What is your excuse?”

“I have slammed against the wall.”  
“Pick yourself up.”  
“I did.”  
“I do not want to be mean.”  
“There is no art.”  
“There is no art.”  
“You missed your chance.”  
“You need to keep going.”  
“I am losing my art.”  
“I hear an echo.”  
“Everything started to coalesce.”  
“How can that be art?”  
“You have told me too much already.”  
“These are people who do not seem to complete anything.”:  
“The chapel is going to have to be painted.”  
“What art is appropriate?”  
“I didn’t mean for anything bad to happen.”  
“Are you going to finish this art work on a dare?”  
“I have the sketches.”  
“This is ambitious.”  
“What is the connection to belief?”  
“You turn yourself into an art work, and you hit the wall.”  
“I need to show up.”  
“I am there.”  
“That is super okay for me.”  
“I am trying to ditch you.”  
“You not contribute.”  
“I do not relate.”  
“Love or hate.”  
“Sweet or sour.”  
“Please chose another line.”  
“I want you to share more.”  
“This is nothing to think about.”  
“I am trying to bring a dynamic to the world.”  
“It doesn’t turn me on.”  
“Shit.”  
“I am not here to help.”  
“I do not have the cash.”  
“How did we get here?”  
“We had real talent.”  
“That is that?”  
“Who is helping?”  
“This will take you there.”

“I want you to be real.”  
“I need you to know things.”  
“No one gets anything.”  
“She does.”  
“Not really.”  
“It will hurt more.”  
“There is sanctity in true knowledge.”  
“What is that about.”  
“You repeat the obvious.”  
“I got what I needed.”  
“You need to be on top of everything.”  
“Make a claim.”  
“I will have one of those.”  
“You said nothing.”  
“I have said things before.”  
“The house wins.”  
“What does the house risk?”  
“Heart.”  
“Desire.”  
“Faith.”  
“Must be faith.”  
“I identify.”  
“Bull shit about bull shit.”  
“And how will the world deal with it?”  
“I am late, but it happened.”  
“The world opened up and swallowed us whole.”  
“I will ask.”  
“Can I touch the wounds?”  
“What if I say no.”  
“No miracles.”  
“Total rejection.”  
“Why is time doing this to me?”  
“In this economy.”  
“Do not trust the trust.”  
“They are going to drain us.”  
“He is hard at work.”  
“Turning water into wine.”  
“This is the next trick.”  
“And you will drink that shit.”  
“It just seems impervious to any kind of change.”  
“This will be successful for me.”  
“This is not about imagery.”  
“It is a sign, not a symbol.”

“It coming.”  
“Prophecy is an art.”  
“We cannot just settle for things in the world.”  
“I will not interfere.”  
“I have interfered.”  
“Are you looking?”  
“Look.”  
“What are you expecting?”  
“Real shit.”  
“Hold on.”  
“You will not make it.”  
“I could use another prognosis.”  
“That is much longer than I envisioned.”  
“Be honest.”  
“It is not about the money.”  
“What is it about?”  
“The real shit.”  
“That is a pledge that comes back a thousand-fold.”  
“I am done.”  
“What are the other options?”  
“THERE IS SOME PLACE WHERE YOUR DREAMS ALREADY COME TRUE.”  
“You rejected me.”  
“I am not in the fucking room.”  
“Not what it seems to be.”  
“I am not here.”  
“I know that.”  
“This will not affect you in a positive way.”  
“I hear this, but it does nothing for me.”  
“If I wanted to know, I would ask.”  
“Can you ask? I want to know what it would mean to ask.”  
“He will never know.”  
“I will never know.”  
“No one know or sees.”  
“I hate this.”  
“This is much simpler than I could have imagined this.”  
“I live all my troubles in public.”  
“Will he know?”  
“He will forgiver my sins.”  
“Which is the first?”  
“I am selling.”  
“There are moments when I believe that something is real.”  
“I want that to be part of me.”  
“I think about this.”

“This does nothing for me.”  
“We need to edit.”  
“We break it down.”  
“Those are my words.”  
“Stopped in midstream.”  
“You need to add.”  
“More than you know.”  
“More.”  
“Damn.”  
“They are coming.”  
“Who is bringing the food.”  
“This goes from knowing to being.”  
“How can it work like this.”  
“I want to cry.”  
“There can be other characters.”  
“I have all that I need.”  
“The dog is in my shit.”  
“I am protecting my shit. But there are people who are trying to shake me down.”  
“And then.”  
“This is not that good.”  
“I want to know.”  
“I cannot take the time.”  
“I do not relate.”  
“This could be a bad time.”  
“Why would that be?”  
“I ask for what I need.”  
“And you end up back in the shit.”  
“That is how it works out.”  
“I cannot hold this together.”  
“I feel as if I am finding better influences.”  
“And you have your resentment.”  
“I was not accepted.”  
“What are you expecting?”  
“This is a life of this kind of rejection.”  
“Then you triumph.”  
“I miss out on opportunities.”  
“I do not want to think about it in that way.”  
“We all have a method to lead us out of the shit. This is a more radical ministry.”  
“You talk hard talk.”  
“We are hurting each other.”  
“I was the assistant.”  
“How did you know that you had the inspiration?”  
“I assumed things.”

“I assumed good things.”  
“I was not accepted in that way.”  
“That is everything.”  
“You are my everything.”  
“You are lucky.”  
“What should I add?”  
“You tell me.”  
“What worked, and what did not?”  
“I need a gesture.”  
“And that is perfect.”  
“What else is there?”  
“We work hard.”  
“Hardly working.”  
“What is this shit?”  
“I love what I have.”  
“I cannot even relate.”  
“You are trying to shock people.”  
“That is how the miracle works.”  
“What else is there?”  
“A long shot.”  
“A promise.”  
“A close up.”  
“Then all the shit.”  
“The exaggeration and the cash.”  
“What else is here?”  
“There is nothing here.”  
“Gamble away.”  
“I curse the world where I walk away losing.”  
“That flowery prose that is full of weeds.”  
“There are no other options.”  
“What are you doing?”  
“Horoscopes.”  
“You are frightening.”  
“There are more complex ways to relate to the world.”  
“To empower.”  
“Do you want something else?”  
“They all got it.”  
“You were rejected.”  
“You were accepted.”  
“What is the process?”  
“I am trying to learn processes.”  
“Read the journals.”  
“Why would they reveal?”

“You are dealing with a perceptive mind.”  
“How could these guys ever know.”  
“This is a kind of balance among all of you.”  
“I do not understand the motivation.”  
“This is going way too far.”  
“Are you here to win?”  
“I was born to win.”  
“The world shook in two.”  
“And this is different.”  
“This works for me.”  
“I am chewing gum.”  
“What hold all this together?”  
“A belief.”  
“No one will ever know.”  
“Get out while you can.”  
“That will never work for me.”  
“It works for all of us.”  
“There is a mark.”  
“The mark of the beast.”  
“This is an opposition between the mind and the flesh.”  
“Where are we?”  
“Have we arrived?”  
“Do not put words into my mouth.”  
“I need help.”  
“We are going in that direction.”  
“We all bring a little of ourselves.”  
“It is not just about belief.”  
“I get it.”  
“My series got picked up.”  
“I will escape.”  
“I am not loveable.”  
“You ate that shit.”  
“I am back at the place.”
