

BELIEF

I was going somewhere that this would all make sense. The book of books would be awaiting me.

“You need to calibrate the science.”

“I always believe that it is something that it is not.”

“And I get what I am looking for.”

“He left.”

“And I arrived.”

“Why does anyone expect that to work?”

“This is where everything gets volatile.”

“I am getting desperate trying to get you interested.”

I didn't realize that I could do everything that I wanted and more.

“If she is here, I will find her.”

“She knows the math. She has the biology. She gets time. What more can there be?”

“Does she have the faith.”

“She is stepping into the breach.”

“Let it all out.”

“I am going to explode.”

“We are doing this from a different perspective.”

“The bus is leaving.”

“Are we going on the tour?”

“We are going together.”

“You have established that you are going to run a race.”

“And there is a problem to figure out.”

“It is a selection problem.”

“Look at all the collections.”

“We have the parts.”

“This is where I get very distracted”

“You stay on this for too long.”

“And you get nowhere.”

“The body needs to work right.”

“What other part is there?”

“We are counting on the walk home.”

“Will we get there?”

“We are very close.”

“We ask the selected people to look inside and look outside.”

“This is masterful.”

“We come all this way, and what else is there?”

“Read, seen, heard.”

“Lived.”

“Dodo!”

“The narrative needs to relax.”

“I do not understand.”
“She chooses me.”
“What is that about?”
“For an artist, you lack flair in your life.”
“You can attract an audience. Is it the audience that you want?”
“I need to escape.”
“Have the dessert.”
“Are you really watching that?”
“You have escaped.”
“Give me the shrimp dish.”
“I am off the clock.”
“What is the clock telling us?”
“Clock management.”
“Make the play.”
“I can finish this if I want.”
“Who are you?”
“I have no further obligation.”
“You cannot be saved.”
“Get me off.”
“Where will that get it?”
“And I can bet on this.”
“Where is that going to take you?”
“To a lasting result.”
“Who will take that result.”
“This is hopeless.”
“I will live.”
“They are betting against you.”
“What do you think that your selection is better?”
“You become someone different when you drink.”
“I am not going to be able to make it back.”
“He is coming for me.”
“He only wants one thing.”
“There is genius to this.”
“This is nothing like an actual work situation.”
“Plumbing or electrical.”
“Why do you claim that there is another side?”
“Do not believe a word that comes out of her mouth.”
“And what are you doing to make any of this mean anything?”
“My life fell apart in my hands.”
“We cannot be friends.”
“He will complete the show.”
“It is all about the explosiveness from within.”
“You are not doing this.”

“Levels of obnoxiousness.”
“You are going to need to arrive on time.”
“I am not waiting on anything.”
“You are a fortune teller.”
“These selections will result in superior performances.”
“That seems almost brilliant.”
“He is matching the competition.”
“Dinner is served.”
“There is something that we missed.”
“Someone that we loved.”
“Do not hate me for something that I am not.”
“Buy these.”
“Invest.”
“Love what you pay for.”
“Ask me.”
“I will finish before you do.”
“Then we question what we have done.”
“There is another way to come at this.”
“Don’t let it affect you.”
“Will that get me out of here.”
“You seem like a user.”
“They want to be used.”
“For what?”
“Where does the history take us?”
“We knew each other so well.”
“Then there is no knowing.”
“There is performance.”
“Banging metal.”
“This is too haphazard for a resolution.”
“You could refine the selection process.”
“That is how you want to see the story.”
“We could refine the commitment.”
“I am very safe.”
“What is the attraction?”
“That is our question.”
“These people have no remorse.”
“Is that built into the selection process?”
“That is too simple for me.”
“We are learning to love our alienation.”
“I could be better at this.”
“She is gone.”
“She was not selected.”
“You are expecting me to do things.”

“Where did that ever come from?”
“Are you really coming?”
“I want to forget about work.”
“I want to forget about you.”
“It is you.”
“I realized that you were here. Where did you disappear to?”
“I know it.”
“Who else is involved?”
“Tell me more.”
“I am ready to make you better.”
“We could go through every selection.”
“I have been preselected.”
“You can’t deal with people, can you?”
“You can leave the crew.”
“Where does this end up?”
“Does this mean anything worthwhile to me?”
“Would it ever?”
“You need to be more selective.”
“Are you worried that your trash will not be picked up?”
“All these factors are becoming unclear.”
“Now, this is all that it matters.”
“I give you credit.”
“What do you do when it is impossible?”
“I am good at impossible.”
“I keep adjusting my expectations.”
“And we find a way out.”
“I lose all my fans.”
“There are new ways to do this.”
“I could be more friendly.”
“He is defending the impossible.”
“Shit.”
“I am out of here.”
“Let me walk you back to your car.”
“What are the options?”
“We are all here.”
“This is love.”
“The selection of the selection.”
“I was chosen.”
“The chosen are few and far between.”
“This keep on.”
“We can finish this for you.”
“Am I even thinking about this?”
“You are on a list.”

“Tell me everything that interests you.”
 “Do you love me?”
 “What else can you ask?”
 “We have reversal.”
 “Make it go on.”
 “What is your fear?”
 “I have total focus.”
 “This could not be better.”
 “What is on the inside?”
 “This is my resistance to the selection process.”
 “We are going to look at the day to day experience.”
 “There is time in and time out.”
 “Where does this go?”
 “I get what I need.”
 “There is a different kind of walk.”
 “I am going to get hit.”
 “That will not work for me.”
 “I was never interested.”
 “And you think that matters.”
 “She does.”
 “She was not selected.”
 “I will give you what you need.”
 “How do you stay on your feet?”
 “I have been hit too many times.”
 “You need to take more care.”
 “I do not want to move.”
 “Move.”
 “There is another influence.”
 “They do not bother.”
 “It is a time thing.”
 “This is brilliant if you can grasp what is going on.”
 $\text{æ}(t) = (\text{selection})(\text{time out})(\text{time in})$
 “This all makes sense to me.”
 “They will find me.”
 “They will reward me.”
 “I will tell you all that it takes.”
 “They can stop you from doing this.”
 “I am funny.”
 “She thought so too.”
 “Patience matters.”
 “What does it take.”
 “The selection process is even more refined.”
 “DO YOU LOVE ME?”

“I am trying. It is expected.”
“I fell off the boat.”
“I truly understand.”
“YOU HAVE BEEN CHOSEN.”
“I do not want to be chosen.”
I thought about it for a long time. I already had a mission for myself.
“You tell me that you can stop it.”
“They never complimented you that way.”
“This is a wider selection process.”
“I am bringing the cash.”
“And you think that will do it.”
“You imagine that it has something to do with your being.”
“That selection will control the time in and the time out.”
“Do you hate me?”
“I got what I wanted.”
“I would do the number on you.”
“This will not go on forever.”
“I am waiting.”
“What is this really about?”
“It almost doesn’t matter.”
“That is the mistake.”
“You need to get this down better.”
“You can refine it.”
“It says everything.”
“For the moment, you say everything.”
“She realized this with some certainty.”
“Please do not ask me.”
“You have changed the costume.”
“There is a mask and some bones.”
“From this, what else do you bring to the table.”
“The look.”
“That is brilliant.”
“That is brilliant.”
“I need a meal.”
“I need some shit.”
“He tried that before.”
“I have been doing some thinking.”
“What would real thinking be?”
“We were with you for a night.”
“Have you sorted it out?”
“This is my descent into madness.”
“We all have one.”
“I did not realize that was how it worked.”

“Hold on.”
“Do you need some company?”
“You turn out for so many seasons of games. You get hit.”
“I am going to get back in this.”
“I am not playing until the end.”
“Do you want to finish?”
“It is automatic. It finishes on its own.”
“I am not who I was when I came in.”
“That is how it works.”
“I am solid with my desire.”
“This is going to be good.”
“That works well. But you telegraphed it.”
“I can do it very quickly.”
“I am watching you.”
“I have this season under my belt.”
“You take another hit like that, and your career is done.”
“There was time when that mattered.”
“You never knew what to do with that.”
“I am finding the grounding.”
“That shit is so boring.”
“I can do the numbers.”
“Who is better spoken?”
“This is more than nonsense.”
“Find me the door.”
“You can spur my imagination.”
“Then it will be something completely lacking in emotional depth.”
“I made it happen.”
“It is still around for you.”
“That is not going to hurt anymore.”
“The bird is going to fly away.”
“I need to be so much faster than I used to be.”
“And what good is that.”
“Explain it to me.”
“I am unaffected.”
“Only one person understands.”
“The chosen one.”
“How did that work?”
“I had some good days.”
“Clean up.”
“That could destroy me.”
“It is within.”
“I do not cycle that way.”
“You could take this path.”

“I cannot survive that long.”

“How did this start?”

“Someone belittled me.”

“I need to leave.”

“Just leave.”

“I am not that patient.”

“I need to be at work.”

“Then you relax, and you let go.”

“What are you running from?”

“It is more about what I am hanging on to.”

“Total concentration.”

“I am the patient.”

“Follow me.”

“You see it all.”

“I am the tiger.”

“How does that work?”

“They are destroying our legacy.”

“They are farming the meat.”

“What is that really about?”

“I cannot think anymore about that.”

“We are all back to where we were before.”

“I am not the same person, and neither are you.”

“You think that this means something to someone besides yourself. You are all done.

There is nothing else to share. It is that simple.”

“Do not interfere.”

“That is all that I can do.”

“I know what is really going on over there.”

“I am in another cycle.”

“We intersect.”

“Move on to the next value.”

“All the possibilities of this place and more.”

“That is still not what I am looking for.”

“Can you give me what I truly need.”

“I make more in one hour than you make in a week.”

Dusk had her own method that she wanted to share with others. That gave her an extra motivation to carry on with the spectacle.

“You are a cult leader, and we are all part of the movement.”

“If I leave early, then I can make it all make sense.”

“How much money is still in the account?”

“How much are you going to need?”

“If we pay each believer, what is left?”

“Love is left.”

“Will we keep working.”

“What are we making?”
“We make what we believe in.”
“You are fucking getting in my head.”
“I am glad that you arrived on time.”
“How else do you want to express this?”
“There is only one way to describe it.”
“What is that?”
“I want to meet this woman Dusk.”
“And what are you going to do with her?”
“I am going to smoke her like a cigarette.”
“Luisa, what are you talking about?”
“You are a lobby.”
“What are you lobbying for?”
“More chocolate.”
“I call you, and I make things happen.”
“I do not want to think about.”
“We cannot think about it. We cannot be.”
“Does anyone really care?”
“I am so high. I do not know what that means.”
“There is so much waste.”
“How does that go?”
“Do you pay for this shit?”
“What else is in the package?”
“Excitement.”
“Personal excitement.”
“Do not interrupt me in the middle of important shit.”
“And what does that say about the way that we are.”
“What way are we?”
“You are keeping me alive.”
“What is the lifeline?”
“They call it hope.”
“Faith and hope.”
“Are you learning this, Dusk?”
“Is she going to handle the whole story?”
“Dusk, you make this all wonderful.”
“You are a wonderful person.”
“I take no prisoners.”
“What does that end up meaning?”
“Look at me. I am fierce.”
“I have waited all my life for this.”
“I am worse than fierce.”
“Now, you want to hide the bodies.”
“Does anyone care?”

“I want to go hard.”
“What else is happening here?”
“Please don’t let this happen to me.”
“You can’t ask. These things keep happening over and over again.”
Dusk worked another miracle.
“Good job.”
“Bang.”
“I do not want to think about that.”
“She is manifesting what is inside.”
“They said they would go easy on me if I told where the bodies are buried.”
“We all want to leave.”
“I want to get closer to her.”
“We all do.”
“Boo hoo!”
“You scare me.”
“I like to scare me.”
“This is all that we do.”
“I told them all to jump off a cliff.”
“Luisa, who is influencing you?”
“This woman Dusk.”
“You created her so that you could act like a shit head.”
“How do you get away with this?”
“I do not think about it. Then no one can read my mind.”
“You can’t stop doing this.”
“That is all that I do.”
“They dropped all the blood on me.”
“It was raspberry jam.”
“How many jars?”
“Do I need to listen to this?”
“You asked for it.”
“I have better entertainment.”
“There is an after party.”
“There is a room.”
“All the fucked up shit happens in there.”
“The world’s oldest profession: the banker.”
“The money lender are working full time.”
“What do they get in return.”
“TELL ME, DUSK.”
“I want to get a bang.”
“Do a bang up job.”
“The bang will not help you be.”
“Help me be.”
“I want to fuck everything that moves.”

“You all need to calm down.”
“We were moving very slowly.”
“Where do all these emotions come from?”
“If there is not belief, then it is all belief.”
“Does he take himself seriously?”
“What goes out does not come back in.”
“Move to the salamander.”
“Play the one about getting fucked up for being too proud.”
“Will you come with me.”
“That is fantastic.”
“We get free.”
“What else is in there.”
“You never come out of the bathroom.”
“I was having so much fun in there.”
“You need to be lovely.”
“You need to be pretty.”
“I cannot move.”
“I am adding parts.”
“I am putting all the parts back together.”
“What do you usually charge for this.”
“I am looking for perfection.”
“Good luck.”
“Just kiss.”
“Do you have lips?”
