

CARTONS

“When can I give you the answer that you want to hear?”
“There is so much inside. So much that remains undone.”
“You are pretending.”
“I am pretending.”
“Move aside.”
“What is really happening here?”
“Are you official?”
“That is going to be a big deal.”
“Really big”
“You cannot take it with you.”
“I didn’t think that it would be that easy.”
“You developed like this.”
“I need a ride out of here.”
“That is not good for either of you.”
“These things seem important.”
“None of this is that worthwhile.”
“What is that about?”
“Should I think about it?”
“This is a different level of chic.”
“I enjoy my shit.”
“We need to think about that.”
“What is in the carton?”
“There is not milk.”
“What do you have in there.”
“Are you kidding?”
“What is the payoff.”
“That could be my plane.”
“It is.”
“Did he give it to you?”
“What if he wants it back?”
“Do not get mad.”
“These are serious things to worry about.”
“Worry about it.”
“There is more than enough to think about.”
“I am trying to subtract myself.”
“He is working hard.”
“You only need one helper.”
“I see this in a different way.”
“See it.”
“I have arrived just for you.”
“You do not have to do it here.”

“I do not believe you.”
“Are you going to like me?”
“You lied to me. You said that this stuff is good.”
“It is not.”
“You can help me to last.”
“I will last.”
“Take it, but do not lose it.”
“That is very creepy.”
“This is how a society decays.”
“Transportation, medical care, and education.”
“You do not need school.”
“Is that something that your parents told you?”
“They know a lot.”
“Of course, they do.”
“He will take care of me and love me.”
“I cannot explain all these things.”
“I could try to hide these things from you.”
“It was very important when I started.”
“I had a book that explained how to do it.”
“I was in the middle.”
“I filled in the checklist.”
“My life is not that simple.”
“I need to take a chance.”
“That is the perfect chance for me.”
“We have already been dealing with the meaning of chance.”
“It all happens in the now”
“What is that about?”
“I do not want to get involved.”
“Involvement is necessary.”
“We are neutral.”
“What is that really about?”
“You have no idea?”
“This is what we all desire.”
“We pray about this.”
“This is more than wonderful.”
“I do not want to interfere with the fun.”
“What variation is this?”
“The last one.”
“The one before the last.”
“Do I need to keep working on this?”
“How did we get to this point?”
“I am not perverse. I just want my money.”
“This is an elegant balance.”

“I needed to look.”
“Should this be exact?”
“It cannot. They have already skimmed off the top.”
“Was this a fight?”
“Do not say anything that will make you see as if you lack commitment.”
“I lack commitment.”
“I fell asleep in my clothes.”
“You left the wash on the clothesline.”
“We go back to the beginning.”
“Do you know what they call that?”
“I am not good with words.”
“That was terrible.”
“It was very terrible.”
“That is not even worth remembering.”
“He has all the words that he needs.”
“They drip from the lips.”
“This is not something automatic.”
“Do the dishes.”
“Go for it.”
“That is me.”
“What does that mean?”
“The universe gets off on me.”
“That is some kind of fucking exploitation.”
“How much did that cost?”
“More than that airplane of yours.”
“I did not pay for it.”
“Maybe, if you had a better education, you could have been better spoken.”
“I think that there is another side to this.”
“Have a blue pill.”
“What is this really about?”
“I do this all the time.”
“Do not interfere.”
“What is going on in there?”
“One more step, and I have you for life.”
“You had so much more that I need.”
“We will take it back where it is needed.”
“What is that about?”
“The rats ravaged me.”
“I am being asked to do thing that are not good for me.”
“Ask me again.”
“The car is moving again.”
“What did you put in it?”
“You have never tried to avoid surveillance.”

“I was under control.”
“Now, I am really fucked up.”
“Things have changed.”
“Wow!”
“What have I been reduced to?”
“This is so good.”
“There is no culture. I show up.”
“I am not even here.”
“You could join in.”
“He will make it perfect at home.”
“How does that work?”
“Mother, can I bring him home.”
“Be honest. You cannot stop.”
“None of us can.”
“That is not good for you.”
“Look at me: do you think that I bother.”
“I do bother.”
“Bother.”
“What else is there?”
“That burns in my head.”
“You could say it differently.”
“What about people, who do not pay.”
“They do not pay.”
“That is how that goes.”
“We switched.”
“You know what you did.”
“Who lives, and who does not live?”
“I am trained.”
“Who is your trainer?”
“Central gym.”
“What did they do to you?”
“Things that I do not like to think about.”
“Think.”
“That is not how it used to be.”
“Be.”
“I am not good at doing any of this on my own.”
“You changed.”
“Are your sisters?”
“You know me.”
“That is what you get.”
“That is what I want.”
“No one is asking for too much.”
“You need to work on the symbolism.”

“You need to keep moving.”
“I am not a moving target.”
“I do not like this guy.”
“I do not like many of them.”
“That is the perfect compliment.”
“Everything is falling together.”
“Hold in place.”
“I work.”
“I did not let go.”
“I am holding on.”
“Is she your sister?”
“There is nothing else here.”
“There is nothing.”
“I need to clear out.”
“I am not here.”
“What is that about?”
“What are you going to show me?”
“What do you think?”
“That works for me.”
“There is passport control.”
“I am fucked.”
“You will be okay.”
“I have more of that and more.”
“The blue pills.”
“They are not blue.”
“That is not how it works.”
“He is running.”
“That is the source.”
“He is injuring someone or something.”
“This is what you really care about.”
“You are next.”
“They are giving you a warning.”
“What does it matter?”
“It does matter.”
“What is in the milk carton?”
“The spice of spice.”
“You are really moving!”
“I understand,”
“She is not here.”
“I could take her place.”
“They are all going to happen in good time.”
“There is an order.”
“I do not want to disturb.”

“I am not responsible.”
“The world made you. You are going to need to make the world.”
“Who are you to say?”
“Don’t worry about it.”
“Speak the language.”
“That is a partnership.”
“We need a name for you.”
“Ask him to leave.”
“That is the same thing.”
“We are making Christmas cookies.”
“This is too weird.”
“We were trying to get away from guys like you.”
“Not you are all around.”
“I am a champion.”
“I want to take home something.”
“I need to quit.”
“They will not take a thing.”
“Can you do that here?”
“I come back to the same thing again and again.”
“These people are rude.”
“There is total paranoia.”
“Did she contact you?”
“He is not very good at getting anything done.”
“That makes no sense to me.”
“Who else is involved?”
“What did I miss when I was napping?”
“That does everything for me.”
“Who is your banker?”
“This stuff is going to crash.”
“How am I involved.”
“I am afraid that you are going to do something terrible.”
“I am working very hard on this.”
“Let me carve that out.”
“You are cutting into me.”
“I cannot hold this together.”
“Do you have heat?”
“I have a heart.”
“The project crashed.”
“We are going in completely different directions.”
“The more creepy that you can be.”
“I am trying to save you.”
“You followed me home.”
“I cannot explain any of this.”

“I am not allowed.”
“Have an apple.”
“I am hiding the blood.”
“I want to be nicer.”
“That is going to be difficult.”
“Hang in there.”
“Get on the bus.”
“That is very strange stuff.”
“I want to be talked to.”
“I want to be talked about.”
“There is nothing lovelier.”
“I will remember.”
“I need to get home.”
“I am going to be sick.”
“This is endgame shit.”
“I was asleep for most of the show.”
“Who is going to complete the drill?”
“You need to be better trained.”
“I am training.”
“None of this is free.”
“What currency?”
“Will you close the deal?”
“This is not all spirit.”
“That does nothing for me.”
“What does this do for you?”
“The machine is on.”
“It needs to be oiled.”
“Does this make sense?”
“Try it out?”
“What are you longing for?”
“I need to think about that.”
“That was amazing.”
“There is a cause.”
“Tell me.”
“Do you see it?”
“Do you work together?”
“Outer ring shit.”
“I got out of here a long time before.”
“I am nothing like that.”
“He is eager.”
“There are critters everywhere.”
“That is hurtful to me.”
“Do leave your shit there.”

“Who let him in?”
“This is why you end up the same way again and again.”
“These are your words.”
“What do I say next?”
“You’re lovely.”
“You’re lovely.”
“You’re lovely.”
“You fell for it.”
“I get it.”
“You have it until it reflects back, and you see that there is nothing there.”
“You are showing too much of yourself.”
“You are loving this too much.”
“What is he on?”
“He has it all.”
“They let him lose.”
“I can’t ask.”
“This is not hygenic.”
“What difference does that make?”
“Who else is involved?”
“I got out while I could.”
“You say that.”
“I do say that.”
“You share a way of looking at the world.”
“This is so chaotic.”
“We can pull it all together.”
“You have already committed yourself to a way of life.”
“That does it for me.”
“That is really going to do it.”
“You will wrestle a bear.”
“An angel?”
“I do not want to give up.”
“It is predetermined.”
“Are there bets?”
“I have saving shit for a time like this.”
“What is this really about?”
“There is a pattern.”
“Are you an architect?”
“There is a pattern.”
“It is all part of your enotions.”
“This all happens at once.”
“We are going to have to do it on the fly.”
“Apply yourself.”
“That does not work.”

“That is not how I talk.”
“You found you wanted.”
“So did they.”
“He has it very well controlled.”:
“We all do.”
“The weather has a lot do with it.”
“He is over-confident.”
“If only he was going somewhere worthwhile.”
“He has the house.”
“I feel imprisoned by this life.”
“When do you realize that you are done?”
“I am all done.”
“That could not be better.”
“She will lead me through the wilderness.”
“This cannot go much further.”
“We all get what we want.”
“What did they bring you?”
“I do not trust anyone.”
“You trust him implicitly.”
“What is this about?”
“He understands me.”
“We are all understood.”
“What is the result?”
“None of us care.”
“We do care.”
“Show me that it means something.”
“Who are you waiting for?”
“Someone who will vouch for me.”
“You got away.”
“Who will understand all your skills?”
“I show up. And people are envious of what I have.”
“He has it down so well.”
“Can you pick winners?”
“What do you give to get something back.”
“I am asking that.”
“You said nothing.”
“What else is going on in there?”
“Human sacrifice.”
“I thought that you quit that kind of thing.”
“What are you up to?”
“You are the entertainment.”
“Entertain me,”
“Could be Rels.

“Not her.”
“Performance piece.”“
”I do not do this all the time.”
“Do it.”
“Accept it.”
“She loves me not.”
“Not.”
“My body starts to disagree with me.”
“I am back at work.”
“You have a good story.”
“We did.”
“What were you educated to do?”
“To measure the rate of filling the boxes.”
“Get me a gift,”
“Ropes can fail.”
“Where does that leave me?”
“If you have a secret, tell me”
“I broke a nail.”

“Don’t worry about that.”
“Drink up.”
“It is going to happen.”
“That is all that it takes.”
“I need some oxygen.”
“Who is going to take a chance?”
“That is a big dog.”
“What is that about?”
“Your turn.”
“This is not a sustained conversation.”
“I have a scheme.”
“Is it to make money?”
“You are ruining my experience.”
“What are you doing when you are not doing what you are doing here?”
“We are observing a new foundation for our motivation.”
“You need to make good use of everything that you have.”
“You are so gentle.”
“Who is helping you?”
“Come, on tiger.”
“That means nothing for me.”
“Join in.”
“Make the move.”
“That is all there is to my character.”
“I am working on a patent.”

“What does that have to do with me?”
“Why would you develop any sense of personal independence?”
“I am too good at this.”
“You are better than we know.”
“Get it out.”
“What are you going to do on your day off?”
“Plan how I can live a life off.”
“Are you kidding?”
“I did that.”
“I like to be reminded of history.”
“What else is going on?”
“He will help me to understand why there is so much not working in my life.”
“You are going to need some help.”
“Take that car.”
“You can be so much more than you are.”
“And what is that?”
“How did you rise from the dead?”
“I have TECHNIQUE.”
“What is any of that about?”
“You are not going to win anything at this rate.”
“We all see the same thing.”
“Actually, no.”
