

PRESSURE

“It will not be as bad as it seems.”
“Do not interrupt.”
“This is fantastic.”
“Beep! Beep!”
“This is the extra.”
“Why are we hanging on?”
“He will come soon.”
“Don’t eat the shell fish.”
“Who is she?”
“Everyone calls her Celia.”
“What is her name?”
“She stays in College Park.”
“What else do you know?”
“Nothing here.”
“I do not understand.”
“I need to be ready for what is going to come.”
“Let me go!”
“Here comes the real story.”
“Miracles and all.”
“This is the last step.”
“We always say that.”
“The chapters.”
“We are going to stay here.”
“That is not worth it for a few dollars of overtime.”
“What are you trying to tell me?”
“What does he really know?”
“Things are all going to come apart.”
“I can never catch up.”
“She did.”
“This is a belief.”
“You are not doing it yourself.”
“I think that you have got it wrong.”
“Rels is going to ask for everything.”
“She needs to ask now.”
“There is so little story here.”
“Do not take that away from me.”
“Why did I get blamed?”
“That is what you do.”
“You do grasp anything else.”
“What is that about?”
“It is there to destroy things.”

“That is an expensive.”
“If I cannot repair it myself, I do not want it.”
“She has a nicer car.”
“What is that about?”
“She is a driver.”
“Where is she going?”
“Around and around in a circle.”
“We do not need this.”
“I will take that.”
“Look at me: I am so much more than that.”
“This is all about belief.”
“We won.”
“And I won money.”
“You better do this quickly while you have a chance.”
“I am watching all this.”
“I am sick at home.”
“It will all pass.”
“Call this number.”
“I am better than this.”
“She went all the way.”
“She doubled down.”
“What is the result?”
“I am back on my bed all sick.”
“Did he realize that he went too far?”
“You are so done.”
“DONE!”
“Be fail!”
“This is an action thriller.”
“I cannot move.”
“The hourglass is running out.”
“I AM A TIMEKEEPER.”
“What is that all about?”
“It will get better.”
”Do I believe that.”
“That is all that you should worry about.”
“Who are you working with?”
“Someone who does not like me a lot.”
“This is going to be a lot of work.”
“I have a helper.”
“What else is there?”
“That is mean.”
“Some people live off of that?”
“How do we stop that?”

“We are working on that.”
“What are you responding ?”
“Crazy shit.”
“That could have been the beginning of crazy shit.”
“Did you drive?”
“That will not be enough for anyone.”
“I need to add some sizzle.”
“There is time for mischief.”
“This will be a different kind.”
“You need to respond while you can.”
“You barely have to spend anything else.”
“You should try to head to a new place.”
“The police will get in on this.”
“There is a lot of desert.”
“There is a too much sugar.”
“I am partched.”
“We head there together.”
“Please end it now.”
“This is a partnership.”
“What do you feel?”
“I thought that you got hit.”
“All that space is claimed.”
“I need to find somewhere to sit and let it all go.”
“That is everything.”
“Meaning that is nothing.”
“I am an angry person.”
“Not here.”
“What are you showing?”
“Ask”
“What else is there?”
“I am going to get extra mean?”
“Give me a ride.”
“No one drive anymore.”
“And that is that!”
“This is a fun place.”
“Who is with you?”
“This is a freak show.”
“How did we get here?”
“The bus.”
“This is the reward for going along with the basic principles.”
“Am I different?”
“Are you?”
“I am clean.”

“Very.”
“What else is left?”
“I will make it mean something.”
“Make it.”
“How do I do that?”
“Project to another level.”
“I need a different motivation.”
“You are going to make this work.”
“What is the balance?”
“Zero balance.”
“Where are we?”
“I know that you did not do this.”
“Make the last play.”
“Currency.?”
“Do not trip over.”
“Get vclose and answer.”
“Get close and see.”
“And this means something.”
“This meant something.”
“When?”
“Daffy.”
“It all evens out.”
“Why are you even staying? This is terrible for your health.”
“You need to take a break.”
“I am going to get shut down.”
“That is worse than I can know.”
“I am leaning to the middle space.”
“That is how I get things done.”
“You are going to slow down the process.”
“This is all that there is.”
“Schmuck.”
“This is the job.”
“He is going to tell me whatI need to hear.”
“None of this matters.”
“It does matter.”
“What comes next?”
“You reduce the value of the inventory. You sell shit at bargain basement rpices.”
“And you leave.”
“That is the road to failure.”
“I can buy freely.”
“You get deals.”
“That goes nowhere.”
“He will never tell you what you need to hear.”

“What do I need to hear?”
“Buy me a drink.”
“Buy me a chinchilla farm.”
“I like it cold.”
“I need you to get over here.”
“What is that about?”
“It is real.”
“Funny times.”
“And what are you thinking about.”
“We have a project.”
“I should not be here.”
“I am regressing.”
“This is part of my therapy.”
“Time to hit the door.”
“Who is driving?”
“The clause.”
“And where does that take you?”
“Where I have already been.”
“How did this get made?”
“How did it never get made?”
“This is bull shit.”
“The earthquake is a sign.”
“I have a partner.”
“Who owns the property?”
“My cousin.”
“Does that ever work for you?”
“I need a better project.”
“Look at what we are doing to mod this engine.”
“And you end up in the same place.”
“And nothing will change.”
“Is that even possible?”
“This is very local.”
“I do not want to hear about it.”
“If you wait too long in the bathroom, you lose your edge.”
“This has nothing to do with that. This guy is one ruthless mother fucker.”
“He has motivation.”
“That is everything.”
“I keep myself pure.”
“What is that about?”
“No liens on this property.”
“Do you understand the tax liability?”
“And you fall asleep on the job.”
“She is a total genius.”

“There is too much real shit.”
“Clean it up.”
“How can that even be possible.”
“It cannot.”
“You still do not learn.”
“How could I?”
“You gain sufficient velocity. Then what happens?”
“I need to be somewhere else.”
“And you come down to earth.”
“And you leave.”
“Let me see.”
“I have turned the corner.”
“You will never turn the corner.”
“How many plays to you get?”
“How much cash do you start with?”
“Jack me up.”
“Will this get better.”
“I dressed for this.”
“That is what the Lord asks.”
“It will equal to.”
“I do not want to respond.”
“What is that about?:”
“When did it start that way?”
“There was a mystery.”
“I am not participating.”
“Then there is nothing.”
“That will never matter.”
“End it now.”
“We will.”
“What is happening over there?”
“I want the world to love me.”
“Don’t hold your breath.”
“I am from a small world.”
“Do what you can control.”
“Am I ready for what is coming?”
“And what are you going to do?”
“Sign the sheet.”
“Bark like a dog.”
“You are degrading me.”
“Isn’t that what you want?”
“He is harmless.”
“They all are.”
“That is sad.”

“It will not last.”
“The critters are ascendent.”
“This is not like me.”
“Do not give it back.”
“Can you take it back?”
“I get the tax deduction.”
“Get this finished.”
“There are options.”
“No one follows that shit anymore.”
“What do you see?”
“I am getting transfusion.”
“Don’t tease me.”
“How should I know?”
“You need to disinfect your hands.”
“I have gone through such an effort to make my body this way.”
“What does that correspond to in physical equilibrium in your environmetn.”
“What are you talking about?”
“I am going to make all this stuff work together.”
“Can you draw a straight line?”
“I am letting them drag me down.”
“I found a solution.”
“That is better than you know.”
“I am down and out again.”
“I need to close it down.”
“He is following me around.”
“What am I dropping from my purse?”
“The bread crumbs.”
“Who is the boss?”
“I cannot get enough momentum.”
“And that deserves a house.”
“Are you protecting your investment.”
“I am looking for a cure.”
“That is part of the investment economy.”
“In your mind, you have to kill your parents to move on.”
“If you think everyone loves you, they must.”
“Is this happening to me, or is this just happening?”
“It is all a matter of the here and now. Of all the possibilities, this possiblity.”
“I needed to take it easy.”
“My life was all about taking it easy.”
“If you are not going to visit, you are not going to visit.”
“You hit the wall.”
“You can escape the confines, until you come face to face with your confines.:”
“I AM NOT DOING THIS TO MYSELF.”

“When you see what this means, this will be so simple.”
 “This is a different view of coincidence.”
 “Now, you know everything that you want to know.”
 “You do not see how regimented you are until you try to do something momentous.”
 “Going along with the system.”
 “You know what that means to him.”
 “You know what it means to them.”
 “What are you hiding?”
 “There is a kind of purpose.”
 “It will take a million years for that to happen for you.”
 “We can speed up the machine.”
 “Then how do you think about the world.”
 “Hello, I would like to complete the sentence for you.”
 “That seems perfectly safe.”
 “Do I have something to fear from you?”
 “There was something deliberate in this.”
 “We have the meek on the fast track.”
 “There is some kind of cultural disconnect.”
 “Discontent.”
 “I understand what this is all about.”
 “You are expecting some kind of universality of the world that you will never achieve.”
 “This is all about asking for what I already have.”
 “I am chilling.”
 “Then I work really hard.”
 “What are you giving?”
 “This is my main concern.”
 “Be worried.”
 “I am very worried.”
 “Do you need a friend?”
 “What is the catch?”
 “I felt that you had let this go.”
 “You are part of my dream.”
 “I went there.”
 “How will this ever amount to any kind of collective awareness?”
 “This will not end.”
 “We are more in demand,”
 “Do we have one goal that is moving along?”
 “And you have not felt that sense of estrangement in any other kind of experience. And you have not traced these processes.”
 “I can’t relate.”
 “I do not want to know.”
 “It could have gotten worse.”
 “There was not a dry eye in the house.”

“And what were you trying to tell the world.”

“I remember him.”

“I remember them all.”

“And this is going nowhere.”

“Nowhere.”

“What is the real purpose?”

“We enforce these laws so that we can let these laws go.”

“That is not going to change.”

“We have two ways of dealing with this.”

“You cannot, and you will not speak for me.”

“I would finish this off.”

“And where does that lead?”

“I can tell you where that leads.”

“What is going on in this tower.”

“We have actual calculations.”

“This is an actual calculation.”

“Can you hook us up?”

“That became a question. I wanted to continue the lifestyle.”

“Such a sense of self-importance.”

“We will begin with new names.”

”Is that a recollection?”

“What can you do, and what can you pretend to do?”

“One attitude is destructive.”

“And the other?”

“What is in the arsenal?”

“I get it.”

“Where did he start?”

“You are here to make me comfortable.”

“What was the source of comfort?”

“I learned to craft a personality that enhanced my identity. It gave me access to creativity. I was able to discover something unique about my nature. I felt as if I could address the challenges in my life.”

“I have blood on my hands.”

“Are the only two alternative?”

“We did before?”

“Before we did this, we did this before.”

“Do words work like this.”

“You ask us to do something that we cannot do.”

“You do it better than anyone else.”

“I could never ask for that.”

“You care too much to say what is truly on your mind.”

“What about the echo.”

“What is really being said?”

“There is someone who appreciates who we are.”
“Do you want to stay like this.”
“I am like this.”
“I cannot change this if I do not change this.”
“There is a distinction.”
“And you break down.”
“And you fake down.”
“How did I get like this?”
“I gave a lot of myself.”
“None of that really mattered.”
“It mattered for a few people.”
“I know.”
“I cannot get it together any better than that.”
“This room is closed.”
“Get it done.”
“What did you do when the door was locked.”
“Do you remember?”
“No one will know.”
“I made a big mistake.”
“I compounded it with a bigger mistake.”
“We have fixed nothing.”
“Do I look like a miracle worker?”
“You can take his problem.”
“I should have stayed with a memory.”
“That is brilliant.”
“And nothing moves.”
“Everything retreats.”
“You have done so much.”
“I am trying to identify.”
“I get paid a little bit extra.”
“But you are not moving forward.”
“Who is to say?”
“I AM TO SAY.”
“ARE YOU PREPARED FOR THIS DAY.”
“This is what I want to know.”
“I make the cake.”
“This is a desing.”
“I go back to the same place.”
“This is where I started.”
“I examined the locations.”
“You are jumping around.”
“When I tell that there is a pattern, you will be astounded.”
“I live to be astounded.”

“You failed to achieve meaning.”

“Meaning.”

“Radar.”

“I am no longer interested .”

“Radar.”

“We are leaving.”

“What else do you have?”

“I had something.”

“The selection process.”

”We are looking for the most adept.”

“I am going to take you away from him, then I am going to dispose of you.”

“Do you think that this matters?”

“We all care.”

“I really care.”

“All in.”

“All is fair.”

“Fair is fair.”

“Then you shake it off.”

“Tell me about the restaurant.”

“My recipes. My creativity. My motorcycle.

“And you get back.”

“And you cannot get back.”

“No one can.”

“No one should.”

“I am not sure if I can.”

“I want to try to read lips.”
