

THE INFILTRATION SYSTEM

“These are different ways to quit.”
 “I need to ask.”
 “This is a system of eating.”
 “Lifestyle changes.”
 “Psychological changes.”
 “A program of personal transformation.”
 “And you go back to what you were.”
 “And what have you done?”
 “They picked me out.”
 “I have the right connection.”
 “Separate from the group.”
 “This is certain death.”
 ”I want my place.”
 “I am still lip-reading.”
 “We could make up fro the lack of certainty.”
 “I do it all the time.”
 “What is the goal?”
 “To work for the state department.”
 “This is the weirdest shit.”
 “I am making a difference.”
 “I can produce a transcript.”
 “You need to tell the dog to shut up.”
 “What else is left?”
 “Where are you hiding?”
 “Who cares?”
 “I want you all to tell me.”
 “That is how you get a promotion.”
 “That is important stuff.”
 “Do you want to talk about something more edifying.”
 “That is what they say.”
 “We lose.”
 “There will be next year.”
 “I have no idea what to think about that.”
 :”this is more public relations.”
 “I can do this with my eyes closed.”
 “Why did you do this to me?”
 “There is no secret here.”
 “Tell me.”
 “However.”
 “I could do some other kind of job.”:
 “They are going to give me what I want.”

“I have a problem.”
“Work harder. Work two jobs. Do not question the system. This is how it works.”
“We have these contracts to protect ourselves. This protects our values.”
“Where will this end up?”
“Money laundering.”
“All this stuff has been sold on the black market.”
“You could give me an organization chart.”
“I am thinking about my creativity.”
“You could love me.”
“Love me forever.”
“That will not make any difference.”
“It was a weird way of being, then a hard way of being, then being like this all the time.”
“I can upset you.”
“Where is the hiding place?”
“There is a safe under the bed.”
“In the safe under the bed.”
“I am trying to hear a symphony.”
“No one could allow total silence.”
“Silence.”
“This is for you.”
“There will be a surprise.”
“What did you do?”
“Nothing.”
“I am running this.”
“I am working with you.”
“We are working together.”
“What do you have in there?”
“What do you not have?”
“Is there still a chance?”
“I am moving up the food chain.”
“What did you eat for dinner?”
“I keep thinking shrimp.”
“I am getting distracted from the movement.”
“I got rid of one pest.”
“That changes little.”
“We could have done much better.”
“The towers, the idealized projection, and another level of selection.”
“I get what I want.”
“Do you?”
“For a while.”
“A great night.”
“This is all taking us far afield.”
“What do you notice?”

“No one will read this.”
“I will.”
“I love you.”
“There is no envy here.”
“I have the cookie box.”
“Why the box?”
“This is where the formula is.”
“Fear what you do not know.”
“I listen.”
“What do you hear?”
“I hear the answer.”
“What is it?”
“Do not trust anyone.”
“More gas.”
“We run down.”
“This is all about work.”
“It is not hot enough to shape.”
“I feel let down.”
“There is a different principle.”
“I have forgotten what it is to work here.”
“We make the parts.”
“We put the parts together.”
“All the parts hold together.”
“THE MACHINE.”
“I AM THE MACHINE.”
“You are my mirror.”
“There is not enough caring.”
“Too much praise.”
“I need to do the dishes.”
“I am one of the dishes.”
“I have got this one.”
“We are going to have to deck someone.”
“What is that about?”
“Equalization.”
“Do not think that way.”
“We are all done.”
“I need to believe that it is something more than it is.”
“I can take this.”
“Take it.”
“There is a difference.”
“What is it?”
“I have been trying to take notes.”
“So they pay you more. How can you increase revenues?”

“Does she care?”
“I am not going to leave this place.”
“Why should I bother? Why should I care?”
“That interrupts the flow.”
“It will get better.”
“Does anyone know.”
“If you could bend steel.”
“I am hearing things up.”
“That is working for all of us.”
“Not this again.”
“I can’t tell you anymore.”
“It is all on you.”
“That will not hurt.”
“It hurts.”
“Should that matter?”
“I need to assert things for myself.”
“I have simple needs.”
“Hardly.”
“Turn on the world.”
“You are not better at this.”
“I am training.”
“I am focused.”
“There is something else going on here.”
“Did that create a change.”
“Where am I headed?”
“This is not right.”
“I have forgotten already.”
“Do you worry?”
“I have story.”
“I am next in line.”
“We want satisfaction.”
“And suffering.”
“Hurt will not balance out.”
“I cannot get in your head.”
“Keep buying.”
“We gave away all that mattered.”
“That smirk says volumes.”
“That is all for now.”
“I fucked up so many time.”
“I only see failure”
“I am going to have to work at this.”
“That is hopeless.”
“You are next.”

“That is how the story works.”
“We are collecting volumes.”
“And that is all that matters.”
“And I am at th shitty job.”
“You cold have discovered a more sustained lesson.”
“The universe will pay tribute to you wonder.”
“New universe.”
“New currency.”
“This is something that I really don’t understand.”
“I cannot even pretend anymore.”
“You love to pretend.”
“Bang!”
“What is any of that about?”
“You make out your own reasons.”
“And that is your life.”
“He had a method.”
“Up and down with the same sense of balance.”
“And the poets of balance.”
“Watching their accounts go up in smoke.”
“I am going to need to update the book.”
“Why was that worth it?”
“I conquered my problem.”
“That matters for nothing.”
“He will not trip over himself.”
“That will end the story once and for all.”
“You do not do this that well.”
“That seems to be everything.”
“I have this all in control.”
“We are waiting for a messiah.”
“She is on her way.”
“You are so dramatic.”
“I know what I am worth.”
“I did everything that I could.”
“Could you be my lawyer?”
“Crisis does the same thing with is heyes.”
“He has navigated himself through the shit.”
“And you live the shit until you realize that someone is fucking all of us over.”
“Lancer.”
“G. Wayne.”
“I get it.”
“I will not stop it.”
“I am almost done.”
“That is a performance made in heaven.”

“You really got blow away.”
“BANG!”
“You understand all too well.”
“But that does nothing.”
“Finish it.”
“They are reading it.”
“They are reading it.”
“And you are back on the line.”
“I can make it funny.”
“Talk to the attorney.”
“You have the law on your side.”
“Where is this headed?”
“To appeals.”
“How could you make things mess up?”
“Where does this go?”
“You are in your prime.”
“You need to get a better handle of the evidence.”
“Worry.”
“I want to win the case.”
“You need a better approach.”
“What is your legal theory?”
“Would you know the difference?”
“My hair would.”
“Why are you being so judgemental?”
“This is a court case.”
“They get you to say thing that you don’t mean.”
“Nothing matters.”
“I got all this working for me.”
“I am drooling.”
“I cannot save them.”
“Who got you this job.”
“I am good at miracles.”
“I am really in the shit.”
“This will work out.”
“Another collector.”
“This is perfect.”
“Do you see the difference?”
“I started the world.”
“Adam and Eve every day.”
“That is repeatable.”
“Jack and Jill.”
“What do you care about?”
“Forgetting.”

“This would make no sense to you.”
“I have a mansion coming.”
“What is on the second floor.”
“We have conquered the world.”
“Intimidating the little people.”
“You are being twisted into a something that does not accord with your nature.”
“You are waiting for a serious reward.”
“What do you really think?”
“At least, I tried.”
“I will follow up.”
“I got this right.”
“You misspelled.”
“I could strip a few layers.”
“What is left?”
“Nothing that matters.”
“Everything that matters.”
“Then we get bored with each other.”
“I want to leave.”
“You cannot get out.”
“Tell the truth.”
“This is where we need to close the book.”
“The story is hardly complete.”
“Complete me.”
“Add that page, and go to the next.”
“I thought that you were doing it for me”
“It is what I do.”
“This is where you really fuck up.”
“And you fuck up some more.”
“I have seen the light.”
“The light sees you.”
“I need to escape.”
“I am not as serious anymore.”
“I have seem the light.”
“I win.”
“I have this under control.”
“This is a game.”
“People have tried before.”
“Try it.”
“Sympathize.”
“I am running out of shit.”
“I am still here.”
“Now, I lose the trail.”
“Dusk wants another drink.”

“I want you to sympathize.”
“What do you care about?”
“Can I care?”
“It never works like that.”
“He has limited ability articulating. But he has practiced same sentences over and over again.”

“The New World Scripture.”
“We all have one belief.”
“I want to know you.”
“This is your moment.”
“I really hate this job.”
“This is the reward.”
“This is not a competition.”
“The drive for the bottom.”
“This will be you night.”
“I have seen this before.”
“I am here for the ceremony.”
“I want to be nice.”
“Lancer knew about the rules of infiltration.”
“What happened to you?”
“I tried to listen in.”
“They have surveillance services.”
“They are fucking us up.”
“They degrade us.”
“He owns this.”
“Hoot!”
“We can’t go any further.”
“I am a universal.”
“All forms.”
“I wish.”
“And you can do so much more.”
“Three times.”
“That will work for no one.”
“You are identical.”
“I died here.”
“How does any of that work?”
“Social commentary.”
“And you go along.”
“What happened?”
“I want to join in.”
“I love it.”
“I love it chaotic.”
“Do I need to do this forever?”

“Forever and ever.”
“And who is working now?”
“We used to be friends.”
“Complete the drill.”
“Catch the ball.”
“Is that all that you have?”
“Honestly.”
“And there is nothing left.”
“We could let you take over.”
“That is hopeless.”
“We will not lose.”
“We will not be alone.”
“We will not be.”
“I need to train.”
“Defeat the enemy.”
“The coordinates.”
“Do you know what this is going?”
“The hell that is coming.”
“Do you want to know?”
“No one does.”
“You have no idea.”
“These are different things.”
“I can tell.”
“I really fucked up.”
“We are reverting.”
“There is a formula.”
“That could make a difference.”
“You do not want it.”
“You need humility.”
“This is the beginning and the end.”
“Does it matter?”
“Wonder.”
“I want to ask.”
“I do not have enough elements to create a machine.”
“You pray, then you slay.”
“Is that a criticism?”
“What else is there?”
“Put your head down.”
“Full court press.”
“Can he lose.”
“He dropped the ball.”
“He owns the world.”
“At the end of the day, it is night.”

“You got it.”
“Let me see that script.”
“I will finish soon.”
“Make them want more.”
“That is brilliant.”
“You have got the book. You have got the performance. Can you bottle it?”
“I do not drink that much.”
“However.”
“Pull the plug.”
“Should I start a show.”
“Give me some cortisone.”
“What is this about?”
“I do not want to feel.”
“You are dead.”
“What does that mean?”
“I know more than I can ever know.”
“I saw that movie.”
“You need to learn the odds.”
“If I do not know, it is not real.”
“Who really knows?”
“Do not tease.”
“I wanted to get tougher.”
“The whole organization is rotten through and through.”
“What is the fear?”
“They pull the strings.”
“That is the best that you can ever do.”
“That was perfect.”
“They saw them as a threat, and they infiltrated the organization.”
“What was that about?”
“You tell me.”
“And I collapsed.”
“I was good, but not great.”
“I was great, but not fantastic.”
“I was fantastic, but not divine.”
“Close.”
“How do you get it done?”
“I want to impress one person.”
“And I go back in the shell.”
“I go back in the shrill.”
“He is working you.”
“Work it out.”
“There is a force.”
“I suffer.”

“I am proficient.”
“They are coming to get me.”
“Get me.”
“I lost my focus.”
“This is only about work.”
“We work on work.”
“And that is not something bad.”
“Bad.”
“Open the door for these cats.”
“I am not too proud.”
“What happens at the mansion?”
“You are easily satisfied.”
“I am the world.”
“It could not be better.”
“Better.”
“That is all garbage.”
“We own it.”
“Take it.”
“I do not have time to let it happen.”
“Wrong planet.”
“You need to figure out the history.”
“They raided the organization and made arrests.”
“This is theater.”
“Those are our lives.”
