“I really don’t care enough.”  
 “I see how it works.”  
 “We do have plans to hire you.”  
 “This will take me to the next step.”  
 “Consultation fee.”  
 “Money-laundering.”  
 “This does not last forever.”  
 “It will for you.”  
 “There is an initiation fee.”  
 “Look more arefully.”  
 “I want to help.”  
 “Who is the cousin?”  
 “What are your expectations?”  
 “What dos it mean if I am the boss?”  
 “You have to order the burger patties.”  
 “Is that what you are writing about?”  
 “We can rebuild this one hundred times over.”  
 “Where do we end up?”  
 “Who cares?”  
 “I have entered fear.”  
 “We have new memories.”  
 “I am primed.”  
 “I am trading up.”  
 “I am turning up.”  
 “These are all lessons.”  
 “You cannot put the burgers in hot dog buns.”  
 “You could make a new kind of sandwich.”  
 “And that would make all the difference.”  
 “There is another way of seeing this connection.’  
 “We have been doing this for months. What do you want to see?”  
 “I could close this up in a few weeks.”  
 “Score the goal.”  
 “We lost.”  
 “We were lucky.”  
 “What do I get?”  
 “A pat on the back.”  
 “CONTACT.”  
 “No one appreciates the risks.”  
 “That is the wildest thing that we did.”  
 “There was money for that.”  
 “And what else.”

“This is a whole new way of seeing things.”:  
 “We work on this page.”  
 “Don’t show up.”  
 “Shake things up.”  
 “There is a lot of risk.”  
 “I reset.”  
 “Ask me for more.”  
 “I want to watch.”  
 “You already are.”  
 “Pretend that you are.”  
 “How would you describe your philosophy?”  
 “I live to have fun.”  
 “Many people say that.”  
 “We need to think about this with more perspicacity.”  
 “Are there alternative voices?”  
 “You need to work so much not to think about work.”  
 “I create a serious alternative.”  
 “My body enters a space.”  
 “Money falls from heaven.”  
 “That deprives us from taking the real steps for social change.”  
 “We create a freak chic, and we cannot be touched.”  
 “Someone is beating on me.”  
 “Then I woke up.”  
 “We all woke up.”  
 “To a new world.”  
 “There is only one destination.”  
 “That is all that I need. All I expect.”  
 “We could go deeper.”  
 “Nothing is getting down.”  
 “We could save for the future.”  
 “This could make it all work.”  
 “Things have changed.”  
 “Change them for me.”  
 “This life would be completely different.”  
 “You do not have that kind of time.”  
 “What is most beneficial for you?”  
 “Do you want to waste a year?”  
 “What are you trying to tell me?”  
 “We are not deep enough in this.”  
 “I will not waste my life.”  
 “Someone is infallible.”  
 “I need a partner.”  
 “None of this will work.”

“Are you preparing me for the future?”  
“Shit is coming down.”  
“I can tell you what I want to be paid for.”  
“Someone who knows.”  
“New characters.”  
“Other than Julie.”  
“What does Jill know?”  
“The hill.”  
“More like a mountain.”  
“You are the only one who knows.”  
“And I found it.”  
“I escaped.”  
“You need to return to do your work.”  
“Can I join in?”  
“We have a better representative.”  
“He has no idea.”  
“His father taught him well.”  
“Then the shit hits the fan.”  
“He hits a wall.”  
“We were supposed to plan the end.”  
“Have you learned something new?”  
“There is a different plan of action.”  
“You are speaking off-shore shit.”  
“Where does that go?”  
“This is the vacation line.”  
“What else in the show?”  
“Nuts and bolts.”  
“Fall down the mountain.”  
“What is it really about?”  
“Getting in thick.”  
“That does nothing for me.”  
“Can you fix a zipper?”  
“There is nothing else, and I do not want there to be.”  
“Where is this headed?”  
“I want hospitality.”  
“There is much more.”  
“And he thought that it would lose its value.”  
“All on this side of the mirror.”  
“Pay on the back end.”  
“I will pay for this.”  
“There needs to be a better breakdown.”  
“I need you.”  
“This is how you pay.”

“I did not get all the money that I expected.”

“I am much better at this.”

“We need to evaluate what is here. There are second stringers, who are accommodating to the existing program. There are rookies, who have devised their own method that coordinates with the older models. There are some stellar performances. But that is all that they can do.”

“Will anyone surprise?”

“They are looking for something immediate.”

“Go home now.”

“Who will understand the subtleties of time?”

“No one now.”

“I want to keep it going.”

“You are so good at pretending that something is going to come of this.”

“That is all that there is to it.”

“I want join in.”

“There is no joining.”

“I hate to admit what is coming.”

“I have come back to the same place again and again.”

“What is there to learn?”

“I need to learn to work harder.”

“You work hard now, and you cannot sustain it when you are fatigued.”

“Do we wait?”

“If you had it a little together, you would have it all together.”

“Who gets you?”

“We are all the same.”

“Except the writer.”

“I accept nothing.”

“I do not want to look.”

“Why are we alike?”

“Rip out all the pages.”

“I need more.”

“He gets it.”

“He does not.”

“And there is nothing.”

“Move ahead.”

“How many plays do you get?”

“I am so good with the money.”

“What is that about?”

“I already have a deal.”

“Scribble, scribble, scribble.”

“Talk to my assistant.”

“What is going on in there?”

“Time to leave.”

“Have a bite.”

“We will finish.”  
“I do this one page at a time.”  
“I need to get it out of my mind.”  
“I am back to where I was.”  
“Inedible.”  
“I am on the verge.”  
“The house.”  
“That is haunted house.”  
“She wants a complete show.”  
“She is not asking for much.”  
“That is what they call fun.”  
“They all do.”  
“Where is the selection.”  
“Why will that even work?”  
“Something else is going on.”  
“That is all that is needed.”  
“A pit stop.”  
“This is all my doing.”  
“I traded.”  
“That would have been a better opportunity.”  
“The shitis on itws way.”  
“You do not even know what it at stake.”  
“If you do not make an effort to disrupt these flows, there will be no flows.”  
“I just cannot bother.”  
“Someone knows.”  
“He knows. He only wants oe thing.”:  
“That thing could become something else.”  
“I understand.”  
“So much is wasted.”  
“You continue to want something rare, and it never arrives.”  
“Take the stairs.”  
“What is wrong?”  
“Do you trust anything that is happening around us.”  
“Make another move.”  
“I am not part of any of this.”:  
“Lay the money on the table.”  
“I need to live.”  
“You need a cure.”  
“Call him.”  
“He got in trouble with his accounts.”  
“Where does this go?”  
“I was flying high.”  
“I came down in a field.”

“I make a deal.”  
“And it is all over.”  
“Does that work for you?”  
“It did for a while.”  
“And we pretend.”  
“Get prepared.”  
“Come to the light.”  
“The only light.”  
“All else obscurity.”  
“Glitter and glare.”  
“Who can tell me?”  
“I am supposed to like this.”:  
“I am worse than anyone.”  
“What is your point total?”  
“She will tell me in the morning.”  
“The morning will tell me.”  
“Be quick.”:  
“I need to find out how to open the lock.”  
“You are home free.”  
“We all see what is happening.”  
“This needs to be a warning.”:  
“And what changed.”  
“The world has changed.”  
“Take this in.”  
“I am not in the loop.”  
“You make the move.”  
“I wish that I could explain it.”  
“I cannot.”  
“You want so little.”  
“We could do the accounts.”  
“You do not have a lot of ambition.”  
“Should I?”  
“I do not know.”  
“What did you start with?”  
“A plan.”  
“You need to show more of your character.”  
“There is something else going on.”  
“Do we revolt?”  
“This is not going to be a matter for t-shirts.”  
“When they revolt, there will be nothing.”  
“We will hide behind the gate.”  
“Collect the bananas for a shake.”  
“Spit.”

“What is this really about?”  
“Back home.”  
“And the accounts do not match.”  
“Nothing matches.”  
“The sovereign does.”  
“And you get this.”  
“Who does?”  
“The pictures.”  
“A sunny town.”  
“A resort.”  
“Drive along the sea.”  
“It makes us hard, but it makes us sure.”  
“You get some guy who is taking his cut. He tries to own the whole show.”  
“And we are gone.”  
“I want to watch.”  
“This is another kind of thing.”  
“I wish that you could watch.”  
“They all seem to know.”:  
“That is the real mediocrity.”.”  
“Everything falls apart.”  
“Like a sink hole.”  
“I know that story.”  
“I am way more along.”  
“I need something more.”  
“So does everyone else.”  
“And we end up with nothing.”  
“The two views correspond.”  
“Work and play.”  
“This is the end.”  
“The beginning of the end.”  
“Give me a name. I want to remember who you are.”  
“It is not one person. It is the whole movement.”  
“Someone is saving.”  
“Everyone else is breaking.”  
“I am going to break.”  
“You have this.”  
“Let’s see if you can hold this.”  
“I have got it covered.”  
“I have a secret plan.”  
“The secret.”  
“There is nothing to hide.”  
“TOTAL PERSONAL EXPOSURE.”  
“I need to keep on.”

“What do you know?”  
 “I need something to help me forget.”  
 “A movement.”  
 “Who is going to buy us out?”  
 “You have yet to convince anyone.”  
 “You have already spent the mone.”  
 “I only want some money.”  
 “That will not suffice.”  
 “Keep it perfect.”  
 “The perfect snack food.”  
 “Eat up.”  
 “Then we need to go back wot work.”  
 “The dress is still on the floor.”  
 “Do you realize what is not known.”  
 “I cannot explain this.”  
 “He understands it all.”  
 “Can I join you?”  
 “This is very clear.”  
 “Those who gave up trying to change things.”  
 “I don’t need to anymore. I am those things.”  
 “I do not want to see it like this.”:  
 “I do not see it like this.”:  
 “Here is your cut.”  
 “That is all that there is.”  
 “Who is free?”:  
 “Who wants to be free?”  
 “That is all that I need to be wehat I need.”  
 “That is good.”  
 “Real estate.”  
 “Gets valuable over time.”  
 “There is no productivity.”  
 There is enough.”  
 “Just in time.”  
 “Divest.”  
 “We do.”  
 “I do not interfere.”  
 “It can get tricky.”  
 “The barking mood.”  
 “What is that about?”  
 “This is the moment when to ask for something.”  
 “You are ruining my date.”  
 “Do you want to get out of here?”  
 “That is all that I here.”

“That is a good deal.”  
“We are both willing to work hard.”  
“Do you see how the equation is working against you.”  
“I am going to chase.”  
“I am going to find.”  
“What is the vibe?”  
“If you won’t take a chance in this world, why will you take any risks on the global stage.”  
“We will break free from our influences.”  
“There is something bigger going on.”  
“I am fixing your issues.”  
“What issues?”  
“Programming problems.”  
“The program.”  
“I do not want to quit, but I have more than already quit.”  
“I wanted a greater commitment.”  
“I was supposed to offer a solution”  
“And you failed.”  
“I am trying to accommodate for the variations.”  
“She understands.”.  
“I see.”  
“We all see.”  
“I see what you do not.”  
“What is this really about”  
“Shock.”  
“Clarity.”  
“There is not much else.”  
“Go, tiger.”  
“Go, tiger.”  
“There is one more form of belief.”  
“What would that be?”  
“You tell me.”  
“You are so close.”  
“Three variations.”  
“One dos so much for so little.”  
“One is focused. And one believes that the fun is not far away.”  
“Far away.”  
“This does nothing for me.”  
“Keep it going, and it will make sense”  
“There is a brilliance in this.”  
“And a brilliance.”  
“Where are you?”  
“I will tell you how to do this for now.”

“And the door is there.”  
 “What is your greater hope?”  
 “I have a house.”  
 “What else is there?”  
 “I need a helper.”  
 “It is liquidation.”  
 “I need rescue.”  
 “Rescue.”  
 “Who are you working with.”  
 “A committee.”  
 “All that is over.”  
 “Bring us back to where we started.”  
 “In sin.”  
 “What does that kind of violation mean?”  
 “A lot to figure about.”  
 “I know more than this.”  
 “The money delivery is coming.”  
 “They are going to need to use trucks.”  
 “That is amazing.”  
 “We talked about one version.”  
 “Ask me.”  
 “There is no longer any coherence.”  
 “Or total coherence.”  
 “I am getting tough.”  
 “They are going to make you a supervisor.”  
 “She gives me everything that I ask for.”  
 “I ask for what I can get.”  
 “Will you degrade me?”  
 “What about work?”  
 “They pay me.”  
 “And they pay you enough. Who are you kidding?”  
 “Will you ever find a different view of education, transportation, vitality, or economic security?”  
 “You are not that good. But there is some guy, who is going to tell you that you are everything in the world.”  
 “It all weaves together.”  
 “We cannot be tricky anymore.”  
 “They know it all too well.”  
 “I am beyond that.”  
 “I am coloring the picture.”  
 “Melange.”  
 “Smile.”  
 “Potatoes.”

“Where does that come from?”  
“This is the happiness show.”  
“Someone says that is wonderful.”  
“That is a little too cute.”  
“Like hopscotch.”  
“That is the game.”  
“I am not far enough along.”  
“I have not forgotten.”  
“That creped me out, then I forgot about it.”  
“Now, I am afraid.”  
“That is too much liking.”  
“That is all that I need.”  
We were back in court.  
“What do you have in the box?”  
“A big bag of cereal.”  
“It is me.”  
“This is a deal.”  
“That is not going to work for me.”  
“That is unreal.”  
“What else is new?”  
“Get it done!”
