

TRAINING

“Does that really work?”

“It works too well.”

“I wear my heart on my sleeve.”

“Dia can explain it all.”

“The dance said it all.”

“That is a pattern for everything that follows.”

“I know the difference.”

“That is not perfect.”

“It will do.”

“Are you looking at me?”

“That is all that I can do.”

“I wish that there was more to it.”

“What is happening here?”

“This is how they defend this way of life.”

“The triad.”

“I need to stay here.”

“And this made a world of difference.”

“You cannot save me.”

“No one can.”

“Why did I join this group?”

“This will change over the course of the night.”

“Do not try to destroy me.”

“Take that if you can.”

“Try if you can.”

“What do you people even talk about?”

“A bad day at work.”

“A bad life.”

“A bad love.”

“Mr. Wonderful.”

“Dia has a different story. She explains how the artist can exercise a higher level of personal awareness.”

“Every day needs to be a point of creative focus.”

“I am setting everything right.”

“That still makes no difference.”

“We all do that at the same time.”

“And she picks up a cool billion.”

“What is that about?”

“I need your help here.”

“There is a lot going on.”

“That is all your doing.”

“This is where the money is divided.”

“And the private islands.”
“What makes a difference.”
“I can get it all on a wire.”
“That is my form of security.”
“Do you have a method?”
“I am going to clear out that account.”
“I have spent teh money.”
“Tell yourself that is good.”
“And you still do not see it.”
“You immerse yourself in the shit.”
“And that is all.”
“That is all.”
“Tell me what I need to hear.”
“This is the best that I can do.”
“We are driven to silence.”
“I get how it works.”
“The worse that they do, the more that they can get away with the worst excuses.”
“Pretend that you are not here.”
“I am not here.”
“I do not want to deal with that.”
“Ask me.”
“Ask me.”
“Why?”
“The work says it.”
“What were you doing when everyone was sleeping?”
“I am satisfied.”
“What is missing?”
“You tell me.”
“I pretend that it means something more.”
“And it is effective.”
“It is effective.”
“Where is this going?”
“I think that I have a method.”
“There is no method.”
“This is not all haphazard.”
“Who else bothers? Who else cares?”
“If no one cared, there would be no art.”
“You cannot go faster than you think that you are going.”
“I do not want to lose anyone.”
“You will not.”
“Dia handle this.”
“I do not want to participate. I am already signed to do a movie.”
“We can do photos.”

“What will they reveal?”
“THE MACHINE CANNOT KNOW THE BODY.”
“It is all about an idea.”
“Wait for it.”
“They asked for something that they could not have.”
“All the participants”
“The select one.”
“The ones who want to drink my blood.”
“We need so much more cash.”
“Where is he?”
“My love arrived.”
“What are the facets?”
“You quit too soon.”
“I need a better mousetrap.”
“This was so popular, we have decided to start again.”
“The answer is there.”
“We are dressed for fun.”
“I know.”
“I do not.”
“This carries on.”
“This is the magic.”
“That is the light version.”
“There are too many errors.”
“We are only in the beginning.”
“We could do it so many times over.”
“I need a head start.”
“That causes headaches.”
“I will take that for now.”
“Is that everything for you.”
“I own this.”
“I need to be better at this.”
“I need to finish up.”
“I am part of this.”
“I am here.”
“I will hit it when i hear the alarm.”
“That will slow you down.”
“And that is going to do nothing for anyone.”
“Nothing for no one.”
“He really has nothing”
“They are doing everything they can to hold all the cash.”
“The wave will roll over us.”
“There is no risk.”
“This will be really bad.”

“They are hoarding.”
“Do you have my flavor?”
“I remember, but I do not remember.”
“I found you.”
“Help me ot.”
“And you break from the pack.”
“Pack it in.”
“That is good for me.”
“I will try.”
“There is not that much that we need to do.”
“That was wonderful for me.”
“He gave me a gift.”
“We are breaking down the source of our pleasure.”
“Idealized projection.”
“There is a run on this shit.”
“Stock out.”
“Wait to replenish.”
“We will not reach that point.”
“Can you know?”
“How much work will you do?”
“She was going to explai.”
“Did I get the sandwich.”
“What can you get?”
“What kind of pledge?”
“Pure pleasure.”
“That hurt.”
“Different biologies.”
“Scribble.”
“Not what I think.”
“This is all that I need.”
“Where is the symetry.”
“I can minister your pain.”
“We are overpaying.”
“Dumb it down and get cookies.”
“I do not know enough to run this.”
“I am truly sorry.”
“Is this really about sorrow?”
“Should I keep on.”
“I cannot care.”
“Does anyone care?”
“Who is taking the money”
“Someone is getting greedy.”
“You will have to wrestle some kind of mythological animal.”

“I can make this happen.”
“I am saving this.”
“I am done.”
“Done.”
“Early morning shit.”
“Of course, you are here.”
“Shine on world.”
“What do you take away from this?”
“I know this mess.”
“That was more than I know.”
“This is participation.”
“And what does your adviser say?”
“Then you leave.”
“There are a lot of professionals working.”
“They are doing network repair.”
“You are chosen.”
“Another bad day.”
“I am working hat check.”
“There are no hats.”
“Only hot heads.”
“Go with it.”
“Have you discovered it?”
“Quit playing with the machines.”
“This is where you realize that it will not be any better.”
“Better.”
“I make the world happen.”
“Are you taking a blood thinner?”
“You better apologize.”
“The worst love their shit.”
“That does not help.”
“I need to zero in.”
“Where do they bury the dead?”
“I am not here.”
“Next page.”
“And that works.”
“The stand in.”
“The bull shit.”
“Makes no difference.”
“Do not let them take this.”
“Should I jump on the next train.”
“The train is not running on time.”
“Who was there first?”
“Bad news.”

“Real bad.”
“You are not dealing with total lack of ability.”
“Improv that.”
“I will have the corned beef.”
“I am glad that I am not involved.”
“A different celebration.”
“The wind blows”
“Did that shut you up?”
“Is there a fundamental difference?”
“Should I even kook?”
“You needed a different machine.”
“I added diesel.”
“Where did this head?”
“Nothing that was is.”
“How did you transform?”
“What is your stake?”
“Nothing left.”
“I am soaked.”
“There is so much marvel
“I will not move.”
“I need to sepak up/”
“I did.”
“What else do you want to know?”
“I do hair.”
“That is excellent.”
“Clean the dirty laundry.”
“Explain it to me.”
“The supply chain.”
“And that works?”
“Where is that headed?”
“What else is happening?”
“Flesh and blood.”
“I need more heart.”
“I cannot manage this.”
“I have a flatbed.”
“What are you carrying?”
“I am gone.”
“I jumped on the moving truck.”
“I dropped a five.”
“Drop all the fives.”
“There are bread crumbs.”
“There is a big difference.”
“I am gambling a lot.”you stand for?”

“What do stand for?”
“This is not going to turn into anything.”
“Who has a grasp?”
“I want to see a win.”
“I cannot leave the house.”
“Drink this.”
“What is this.”:
“It will quiet you down.”
“I cannot quiet down.”
“She is not here.”:
“She is here.”
“They will come to the Atlantic.”
“Did you finally get it?”
“I am rooting for you.”
“The first egg.”
“The dinosaur egg.”
“I do not want to interrupt.”
“I am still not there.”
“Did we get a resolution.”
“Do not sign the paper.”
“It is erasable ink.”
“Wait until the world finds out.”
“It could be better.”
“Maybe, it is not.”
“Nothing that seems to be seems to be.”
“Have the pudding.”
“What really happened?”
“The real hatred.”
“Was for an ideal.”
“Don’t you think that any of this matters?”
“It does not.”
“The skeletal form.”
“We fill in.”
“What else do you say?”
“We know which side you are on.”
“You cannot be both ways.”
“Put your money on red or black.”
“Who makes the move?”
“I am upset.”
“I thought that I had this reserved.”
“You do.”
“I need a better method.”
“I broke a bone.”

“That was a good excuse.”
“I got down to the source.”
“There are so many angles.”
“You are my prom date.”
“One world answer.”
“Do you see where it all comes apart?”
“I got out.”
“I did not want to get out.”
“I need you to interfere.”
“That will change me.”
“Get more capital.”
“For all that money invested, I got nothing.”
“Which is the worst investment of all?”
“Love.”
“You got so much return for that one answer.”
“Lost souls.”
“How did they get lost?”
“What is left?”
“What is in score?”
“Could have been worse.”
“Someone must know.”
“What is for dinner?”
“The mushroom casserole.”
“There is a misspelling.”
“I will lead you on.”
“The words are cracking.”
“That better be a major return.”
“I have a funny stomach.”
“Nothing connects.”
“She found another model.”
“This is even worse.”
“Why would you be different?”
“You only need on good joke. You tell it at the right moment.”
“Gallows humor”
“I was there.”
“That joke worked so many times.”
“I will make it mean more than that.”
“How many hours do you have?”
“I have one.”
“This will be done before you know it.”
“You do not need me here.”
“Clean it up?”
“He was not involved.”

“More parts.”
“It makes the vehicle go faster.”
“This is only about acceptance.”
“You take the risk.”:
“I did not get picked.”
“You will need to do this on your own.”
“You were not invited.”
“Next time, I will not be so nice.”
“Do I get cash back.”
“That is not something I care about.”
“I want to play.”
“I could get my own version.”
“Please hop in.”
“I am still waiting.”
“I risked too much.”
“I get back everything I needed and more.”
“We will share the love.”
“Someone is waiting for you.”
“I prepared things this way.”
“There is so much interfering with my good vibes.”
“A lot of this stuff was cleaned out.”
“Do you have a clean slate?”
“It gets a whole lot worse as I play.”
“I can quit.”
“I want to know and understand.”
“Now, I need to listen to you talk about your family.”
“The archeonic design.”
“The species moves toward community.”
“Can I look?”
“I am not on stage.”
“Which stage is this?”
“The last one.”
“I have some moves left.”
“I am back in the classroom.”
“The dog ate my homework.”
“There is a fly in my soup.”
“Did you order the soup with or without the fly?”
“Sometimes, you are not here.”
“And it is so much like this. But it is nothing like this.”
“I can warm the soup up.”
“You cannot understand the meaning of the soup.”
“Math is more subjective than you know.”
“The machines are being held captive.”

“You will ask for more.”
“Do you want me to lead you to the mountain?”
“I am going up on my own.”
“There is nothing to go along with the fanfare.”
“I lost my security clearance.”
“You are not telling me the truth.”
“I want another meal.”
“You are on.”
“You cannot help. You do not own enough of this property.”
“Where is teh chain broken?”
“Broken and really broken.”
“Why did this turn out so badly.”
“Come to the light.”
“This is hurtful.”
“All you have.”
“Do not spend.”
“More nothing.”
“All my failures are evident for the world.”
“The worked.”
“World on.”
“I am much better at this than you know.”
“And you are listening to this?”
“What else do I listen to?”
“The assets.”
“How do you hold on this?”
“Not from your hands.”
“Not from you.”
“Do you think that he is going to like me?”
“NO!”
“Fortune telling.”
“The shit happening here.”
“What do you do in the morning?”
“I train.”
“How is that possible.”
“He is not trained.”
“I need to escape.”
“This is a flashback.”
“I am here for you.”
“That is what I give to a friend.”
“I am going to go further.”
“How many edges.”
“What holds it all together?”
“He is acting like he knows more than he does.”

“It does not work like that.”
“He is a trainer.”
“Corporate trainer.”
“We have the market.”
“Different worlds.”
“You have no idea.”
“That seems impossible.”
“And that makes you do well.”
“You had an injury going to your car.”
“I am not driving.”
“I cannot even look.”
“Everyone does.”
“This is too much of a bad flashback.”
“How did I get here?”
“And the guy who thinks that he is a musician.”
“He tried to accompany me.”
“And you waited for that.”
“This is the future.”
“I am not in the currency market.”
“Pop the bubble.”
“We do not need you.”
“You will not have pineapple for your fruit salad.”
“They are going to have to help.”
“He tripped.”
“Is that the excuse?”
“His father.”
“Is that the excuse?”
“Then I truly wonder.”
“Blame it on Sebastian.”
“And that is all that there is left.”
“I really need to accommodate with shit.”
“We are closer than we know.”
“There are other options.”
“He oozes with shit.”
“One quick punch.”
“I am going to have to train.”
“Are you the assassin?”
“What happened to your plans for art?”
“Self-interest.”
“We are going to need some serious players.”
“You know how to take a good life and make it so much worse.”
“That could mean something special for me.”
“I had a job to do.”

“You call that a job.”

“I am equalizing shit.”

“It never works out. There is so much more to it.”

“I do not want to quit.”

“Quit.”

“What is that?”

“Like a pet thing.”

“That is the only thing that could ever matter.”

“But it does not matter.”

“Do not be so resentful.”
