

COMPLAINTS

“The machine does what I tell it.”
“I have not escaped.”
“There is no reason to think any differently.”
“Where are we headed?”
“I have a room in the ICU for you.”
“Am I doing this badly?”
“We have run out of the ability to analyze any further.”
“The world turns me on.”
“What does that mean?”
“What is the baseline of stimulation?”
“I took the wrong bus.”
“What are the variations?”
“They are all against a theme.”
“You have different goals.”
“What is your goal?”
“To create another door in this place.”
“Do I need to knock out another wall.”
“Tell me what you really know.”
“This is how it really started.”
“I am waiting for a clear exchange.”
“Pass it along.”
“I cannot help. I cannot bring you all along.”
“I am doing some designing.”
“What do you want me to be?”
“That is hardly fair.”
“What did you do for this?”
“We shared the money.”
“I do not want to hear this.”
“This is brilliant.”
“There is a knock at the back door.”
“I am putting my body back in the hole.”
“What is that about?”
“A permanent wound.”
“And that happened to you?”
“Where are we going to carry this on?”
“Back at the house.”
“You did not even give me a proper introduction.”
“That has zero effect on me.”
“Take one of these.”
“The body cannot be divided in that way.”
“You can do this for me.”

“I have fallen away.”
“I have fallen away some more.”
“This is no place to do this.”
“Maybe, it is better to stay in place.”
“The cure awaits.”
“We will all be led to the Promised Land.”
“This has taken on a completely different meaning.”
“I am a magician.”
“You need to imagine my tricks.”
“I am rolling on the ground.”
“What did you put in my drink?”
“What did you put in my mind?”
“What else is there?”
“Acceptance.”
“There is a long road.”
“There are no turns.”
“You are closer to a resolution than you know.”
“A greater reward awaits.”
“He has a good system.”
“He has a good machine.”
“He has been perfecting this technique.”
“This is what the body cannot do.”
“I can never do.”
“That was shocking.”
“Are you kidding?”
“That is all that it takes.”
“He has a job.”
“Very good.”
“So do I.”
“I cannot pay the freight.”
“Carry that weight.”
“Where is this headed?”
“Back to your place.”
“More forgiveness.”
“More recrimination.”
“You can ease my burden.”
“I have a more insistent desire.”
“What else could I be doing?”
“This is not all gossip.”
“I am so sorry.”
“I want it both ways.”
“This is not meant for you.”
“This is all on you.”

“I know that you want more.”
“Take more.”
“What are you giving?”
“I am a martyr.”
“How does that work? I do not see the wounds.”
“They are inside.”
“What is on the inside?”
“I want to give you a greater rewards.”
“This is not Santa Claus.”
“What is going on way out there?”
“We are getting what we ask for.”
“Why, oh why?”
“Ask Dusk.”
“It is no longer up to her.”
“And it all worked out.”
“You may like this.”
“This goes on all the time.”
“I am happy with this.”
“Tell us.”
“Here is the garage door opener.”
“There is no garage.”
“There is no opener.”
“How do you make it home?”
“I feel terrible about this.”
“Then you follow this with extreme happiness.”
“No one lover her job.”
“I love my job.”
“Ryan, what is your goal.”
“Guys, what is our goal.”
“We will get fucked up, and we will forget.”
“Why did we come here?”
“We came to meet new people.”
“I am so fucked up. Nothing is going to happen.”
“Do not spill the water.”
“Are you going to buy me another beer?”
“Then his real character comes out.”
“I do not know.”
“You will forget.”
“Even if I started early.”
“Things are no longer the same.”
“We can do this for you.”
“You are not lacking for me.”
“This is smarter than I know.”

“Are you back?”
 “Ryan is working out her complaints.”
 “You make me feel so good.”
 “I am prepared for what is coming after.”
 “And how did you get that to go.”
 “You cannot live up to the hype.”
 “Look at me.”
 “I have been trying to.”
 “I exercise. I eat well. I have my own place. Why should I complain?”
 “They love you.”
 “Where is this headed?”
 “Do not blame the world for the way the world is.”
 “We come to a realization.”
 “Your turn.”
 “That is impossible.”
 “You will be rescued.”
 “That is the easiest thing to do.”
 “Boom!”
 “Go on.”
 “We have perfected this.”
 “There cannot be more than this.”
 “I have followed you here.”
 “I teach dance classes online.”
 “How many chord changes?”
 “I am trying to follow.”
 “Who is running the show?”
 “Willy.”
 “Who is this?”
 “Who can stop this?”
 “What is our agreement?”
 “We have destroyed the movement.”
 “This is fundamental.”
 “We can predict.”
 “We can fail to predict.”
 “It will be that kind of night.”
 “I cannot.”
 “I get really bored.”
 “I reconcile to what we can and cannot do.”
 “You need to add some stones to the edifice.”
 “Are you the architect?”
 “This does not hurt.”
 “This could be the most wonderful thing.”
 “I would become a person.”

“There are alternatives.”
“And you worked on that shit.”
“That responds to human experience.”
“That could be a story.”
“What are you eating.”
“You are more than accepted.”
“I am so accepted that you are no longer accepted.”
“Do I really want to see this?”
“This is not an atrocity.”
“What is this?”
“Who can answer the question?”
“Rels, Dusk or Ryan?”
“Who wants to try?”
“It is all up to you.”
“You are both way off.”
“Do you want perfection?”
“That went out the window a long time ago.”
“You can make the world reflect your desires.”
“And you come face-to-face with resistance.”
“There is money.”
“We can cover up all the crimes.”
“You turn.”
“Give it to me again.”
“That is my only dream.”
“THAT IS MY ONLY DREAM.”
“You take the house.”
“What can you do with it?”
“Sebastian is going to do a remodel.”
“Noone is going anywhere.”
“Do not go up to the attic.”
“I do not get it.”
“It was so bad, and now, it is so good.”
“Shit.”
“Now.”
“Have a drink.”
“That will not take the edge off of my shit.”
“What is going on in your head?”
“I cannot figure.”
“It is all subjective.”
“Except when it comes to gravity.”
“You are bringing me down.”
“This is all that I have to work with.”
“LOOK, THAT IS ME.”

“That is you, dear.”
“Do you like the portrait?”
“I thought that there were alternatives.”
“I could spend hours thinking about it.”
“It is very early.”
“Do not interrupt while I am interrupting.”
“It could be different.”
“Why do you like this?”
“Done.”
“Back to work.”
“Do not leave anyone behind.”
“The train is getting up a head of steam.”
“I do not want end.”
“I could agree to forget this.”
“I am not going to use any of this against you.”
“What else is involved?”
“Then I realize that I am always asking too much of the dealer.”
“None of this means anything.”
“Where do we go from here?”
“So much lacking.”
“Not enough of commitment of the soul.”
“How does that work?”
“This is too smooth.”
“I messed up so badly.”
“That happens.”
“You solved one problem.”
“Why do we keep on?”
“You tell me.”
“Will you tell me the same thing in ten years?”
“You will not be a part of this.”
“I am hanging on.”
“Where does this start, and where does this end?”
“Only mistakes.”
“Only mistakes.”
“I am moving along.”
“It is so simple.”
“Work and sleep.”
“What else do you want?”
“The triumph of the soul.”
“How does that work?”
“There are other options.”
“You could assume the role.”
“You need to make all the children happy.”

“What does the world say about that?”
“We will be saved.”
“What is your hope?”
“There were different starting points.”
“I am pushing myself as hard as I can.”
“Dancing with bears.”
“That could mean something else.”
“That could be how things are.”
“The baby screams.”
“Do you hate me?”
“We do disguises here?”
“What is the costume?”
“Then we scrape away the next level.”
“Do you want to tell me about your job?”
“What does this have to do with the situation in the world?”
“I have to ask this question.”
“I am beckoned to somewhere else.”
“Do you have a permit?”
“All the problems get worse.”
“We are all getting worse.”
“Are these quotes.”
“My name is Rachel, and this is my story.”
Rachel was not on the manifest.
“Who brought you in here? What is your role?”
“I am following my friend.”
“No one will give me an answer.”
“No one can give me an answer.”
“I have been waiting all my life for this.”
“Here, is my new car.”
“You cannot eat it all.”
“And we are back to same contest.”
“He was challenging me.”
“What did you do?”
“I stood up tall.”
“This is all about the money.”
“No one can talk about investments in the future.”
“The future has been taken away.”
“What’s your name?”
“Lois.”
“Where is Ryan.”
“She is working extra hard.”
“That is genetic.”
“That does not seem right.”

“How else could you present this?”
“I wouldn’t. I would just go home and pretend that things are so much improved.”
“I do not understand.”
“I got in your head.”
“I have gone through this shit.”
“What is it?”
“Is someone following us?”
“What is that about?”
“What is any of this about?”
“Dusk needs to go to work.”
“They are all going to hate you.”
“They will not recognize themselves. I do not recognize myself.”
“Damn!”
“What is your bank account number.”
“Give me the routing number.”
“I want to clean you out.”
“Go ahead.”
“Go ahead, and try.”
“I need to break my fall.”
“This is all behind me.”
“You should have never left New Orleans.”
“I have not been there for a long time.”
“What was lost?”
“A map.”
“A sense of direction.”
“So much effort.”
“All game players.”
“I was so close.”
“And what happened.”
“I do not understand.”
“Do you really want to know?”
“This is a sacred text.”
“This will not change a thing.”
“Nothing does.”
“Play a role.”
“I am fast.”
“Eliminate all the extraneous results.”
“I cannot rewrite the program.”
“You are do good with it.”
“That is not going to create a long-lasting event.”
“Spring has sprung.”
“I cannot predict.”
“There is nothing to predict.”

“I like it as it happens.”
“I FEEL SORRY FOR YOU.”
“Are you the redeemer?”
“We are close.”
“Ryan, what do you want me to do for you?”
“We could expand.”
“This is all.”
“Next year.”
“Next week.”
“I want a body.”
“The body will give you a mind.”
“I wander in the nether world.”
“I am consistent.”
“I am not longer responsible.”
“This is controversial.”
“Where will this end.”
“You can expand.”
“The living space.”
“I hate to think about it that way.”
“He gets it.”
“This is the perfect balance.”
“I need a transfusion.”
“I have a lot of living ahead of me.”
“You will not get these lines down in time to move to the next phase.”
“This is where history is made.”
“You need to understand me better.”
“I understand myself all too well.”
“The mumbling.”
“He was so good at pretending to be something.”
“How long does it take before you admit what you have been through?”
“This is not a therapy.”
“It could be.”
“What would it be about.”
“I could admit once and for all.”
“There could be different forces.”
“The universal truth.”
“The universal lie.”
“The lie of the universal.”
“Trampoline.”
“This could not be worse.”
“This is worse.”
“This is what I am hoping for.”
“You will grasp.”

“I do not understand.”
“The lie of understanding.”
“Ryan, tell me.”
“She is not that sophisticated.”
“How did you do that?”
“I do not have to do anything else.”
“I did anyway.”
“Remember.”
“I am sure.”
“Where did he go?”
“He left the city.”
“He left this world.”
“Can we get him back.”
“Will you ever face me?”
“No one is watching?”
“No one cares.”
“I need to ask.”
“Someone needs to cover this.”
“This could not be worse.”
“This is the worst.”
“It still makes no sense.”
“No one knows what is on the inside.”
“Then there would be no marketing.”
“This is a minor market.”
“And this is the end of this shit.”
“And we are back to the same place.”
“Should I like that.”
“That is all sour.”
“You need to clean out the fridge.”
“This is a novel about cleaning out the fridge.”
“What do you find?”
“Can you establish stages?”
“I am not part of any of this.”
“He has it down.”
“He is all off.”
“I want what I cannot have.”
“That car in the front yard.”
“A working truck.”
“That makes me feel like puking.”
“Boom.”
“We could finish soon than you know.”
“How did we get to this place?”
“He is so sure of himself.”

“The world gave him certainty.”
“I want to know that world.”
“When did all the destruction start?”
“They will never understand.”
“I cannot explain it all.”
“You are doing a good job.”
“Join in.”
“That is impossible.”
“That is really impossible.”
“I do not want to ask.”
“None of this is cumulative.”
“What is your objection?”
“Burn the world down.”
“I am in the wrong place.”
“The bus station is over there.”
“I need money for a ticket.”
“Ryan is lending.”
“What is that about?”
“It is a little early for any of that.”
“That.”
“I do not want to know.”
“This is loved.”
“Loved.”
“Done.”
“Done.”
