

THE LIFE

“Is this eternal life?”

“Are you attuned to the suffering of others? What are you willing to do?”

“These are people, who would kill to maintain their position in this game.”

“Will this ever turn into a serious conversation?”

“I am trying to follow?”

“I have been asked to witness.”

“Good job.”

“Sometimes.”

“Did they fix what was wrong?”

“What was wrong.”

“I added water.”

“Instant breakfast.”

“I added oxygen.”

“Instant life.”

“Walk over the fucking body.”

“I cannot save them all.”

“What is wrong with you?”

“I am who I am.”

“This is saved for you.”

“Please.”

“I cannot do this. I cannot give you my name. I do not want a role in this story.”

“Is this a fantasy?”

“I am holding it open.”

“This was better than better.”

“Someone will guide me.”

“Take the map, and learn how to read it.”

“I thought that this was digitized.”

“We cannot allow it to go online.”

“There is all this money left for the year that we need to spend.”

“Where is that going to get you?”

“I am looking for investors.”

“Dusk found an investor.”

“Is there a movie to come?”

“The story lacks sensitivity in a serious way.”

“I am trying to close all this off.”

“I need a better model.”

“What do you want?”

“A different job.”

“You do not have the concentration.”

“There is work to get donw.”

“We are gone.”

“Did you get your stellar moment?”
“I will get it at home.”
“Why do they believe that there are supernatural beings?”
“This is worse than terrible.”
“She had believers.”
“Sly had a religion.”
“How did that work?”
“Total breath control.”
“I do not worry about anything else.”
“I go home, and I pretend.”
“There is not pretend.”
“Fill out the list.”
“It all made sense. Then it stopped making sense.”
“Ryan is not there to offer an explanation.”
“It is not all one night.”
“You are going to ask me something that feels like an intrusion.”
“I have no idea what to expect.”
“What is left?”
“It is completely opposite of what you expect.”
“If you were better, I would nothing to you.”
“He is going to clean up.”
“There is money to be made.”
“Plug me in, lover.”
“Carmen.”
“How do you know my name?”
“I clean your apartment.”
“This is completely up to you.”
“You want me to give authority to your story. I could call it fate.”
“That was an experiment.”
“What is left?”
“I am left.”
“You are not Ryan.”
“He is more frustrated.”
“I missed opportunities.”
“That is not my job.”
“Who does this?”
“Who cares?”
“There is so much more involved.”
“History.”
“Culture.”
“I do not have my own art.”
“All together, this means something really important.”
“If you could stop, would you?”

“And what is your cause?”
“I want to meet them.”
“Do you see what this is?”
“I am a fucking fashion photographer.”
“I thought that you were a photo journalist.”
“Would that really make any difference? We have been taught to tell the story from the center. In the present reality, there is no story in the center. You miss all the details.”
“No one is dying.”
“People want happy stories.”
“New fashion.”
“I want you to represent the suffering of the world in your gestures.”
“Please don’t.”
“I cannot follow that.”
“The job must be shitty.”
“They love me.”
“Of course, they do.”
“That goes nowhere.”
“Who is making this work?”
“Tell me that I am wonderful.”
“And you aren’t much beyond that.”
“Someone else is completing the drill.”
“And you watched it.”
“I am a slow learner.”
“You were not invited.”
“My eyes are closed.”
“And that means something more than it does.”
“And I listen, and I listen.”
“Work on this.”
“You do not have enough pages to complete this.”
“I only know my role.”
“I was going to steal the story.”
“They knew this.”
“What else is going on?”
“This is really bad.”
“I cannot get there.”
“I cannot even do a search.”
“That is too complex even for me.”
“Can you guide me across the river.”
“That is every difficult.”
“I have my own affection for the water.”
“Will that help you to cross.”
“And that will make a difference.”
“I am somewhere else.”

“There is a trial balloon.”
“They shot it down.”
“They have been doing surveillance.”
“Will that take you over?”
“That will be perfect.”
“It always is.”
“People drowned trying to cross.”
“Are you here to save them?”
“This could be something that I care about.”
“I am half-blind.”
“I killed the dove.”
“What is that about.”
“There was a great deal of misery.”
“And we escaped.”
“Where else do you want to be?”
“Rels appears.”
“She sees things differently.”
“Do you have the same tale for everyone?”
“I went to a better place.”
“Much, much better.”
“This s a friendlier version.”
“We work together.”
“We share dance tips.”
“I need to look.”
“This is complete falure.”
“I fell from the heavens.
“There is redemption.”
“While in the air.”
“You want to talk about the worms.”
“I really know where I am.”
Did I?
“You are trying to be friendly.”
“I am sick.”
“I needed to look.”
“This is performance art.”
“The audience is exclusive.”
“Death or life?”
“Rebirth.”
“How does any of that work?”
“I am not that extreme.”
“It is in the bones.”
“How does that really work?”
“I was not trying to offend you.”

“You did.”
“Carmen.”
“Who is that?”
“She is someone with a strong will.”
“I understand.”
“I was in the bathtub, the floor crashed down into the next apartment.”
“What was that about?”
“We were working on an art piece.”
“What about the rub.”
“They were not going to be able to fix the place.”
“You moved up.”
“It was lucky that that was no one in the apartment below.”
“I have the fucking CIA on my ass.”
“What have they figured out?”
“They are fucking wasting their time.”
“Are you that good?”
“They are that bad.”
“You will have to explain yourself.”
“There is really no connection.”
“It is all connected.”
“The car is waiting for you.”
“What does that mean?”
“I have no idea.”
“When will this end?”
“I will be so drunk that I will be squirming on the ground like a fucking snake, and my cat will catch me.”
“Be faster.”
“That will never be fast enough.”
“That cat is a real bitch.”
“What does that say?”
“That is such weird shit.”
“Are you trying to lure me in.”
“Carmen?”
“That is not me.”
“You followed me back to the place.”
“That is such bad news.”
“This is perfect.”
“I am going nowhere.”
“I have the juice.”
“Carmen, do you have it.”
“I am waiting to get money back from the apartment. I am suing the shit out of them.”
“Moving the money around.”
“Is there another episode?”

“I get caught.”
“I add another account.”
“I find more cash.”
“There is cash in a book somewhere.”
“You need to be better at this.”
“I am.”
“Do not ask.”
“The good question.”
“Do you care if someone cares?”
“That is too easy.”
“How does neglect degenerate into this situation?”
“Money is made.”
“How does that work?”
“You have been in the office. You have seen the accounts.”
“This works.”
“It does not work for me.”
“You are not the audience.”
“There are other ways of doing this.”
“That could turn ugly quickly.”
“I am not carrying cash.”
“You have uncut diamonds.”
“Not everyone can cut them.”
“Does that mean that I am definitively at a loss?”
“You need to be extra careful.”
“Sell them for less.”
“That is not right.”
“What more do you want?”
“A little more forgetting.”
“I do not even exercise that much concentrated thought in my day job.”
“Ryan, you will sacrifice the lamb.
“My life.”
“So many lambs.”
“Scape goats.”
“What else is there?”
“They love me, or they hate me.”
“Why did you hurt the lamb.”
“The rabbits got away.”
“Should I do a rewerite.”
“I live it as it is.”
“Can you see?”
“That is more than perfect. But no one wants to get involved.”
“Involved.”
“Where is the cash?”

“Sewn into the jacket.”
“Those bills are marked.”
“They can be laundered.”
“What is the rate.”
“They all go back to South Florida.”
“This is tedious.”
“You are going to need to get rid of all that shit.”
“You need a fence.”
“I am too close to the boss.”
“What does that mean?”
“Think about it.”
“I do not want to be accused.”
“What happens afterwards?”
“She is entering an intensive film-making program.”
“That is only as good as you student film.”
“I am doing horror.”
“What is the social impact?”
“We move from social neglect to self-actualization.”
“And you believe your own shit.”
“I already dealt with that.”
“You cannot try to break me down.”
“What is this about?”
“I am protecting what I have.”
“Some brutal social shit.”
“I want to watch.”
“This is not sport-betting.”
“How will you life turn out?”
“Some radical prediction shit.”
“I cannot help in any way.”
“You can get it all done.”
“And there is so much extra cash.”
“Is that I was hired as an assistant?”
“Ryan, that is not your job.”
“What is Carmen doing?”
“She is going through all the papers.”
“That is how I live.”
“Is that finished?”
“I had him followed.”
“What is that?”
“He is not a good investment.”
“I can teach you.”
“Is that what it should be?”
“I give myself to belief.”

“What is beyond that?”
“The flesh.”
“Flesh and bone.”
“More flesh, and less bone.”
“What does that have to do with contrition?”
“You cannot be sorry for something that has become a habit.”
“I want to stop.”
“Ryan, there is nothing complex here.”
“I am not some Ryan.”
“Carmen.”
“I left the city.”
“You pissed on my toothbrush.”
“That is someone different.”
 “My brother’s friend got murdered.”
“They lived in the same complex.”
“Life is at the edge.”
“Where does this all come together.”
“That is beautiful.”
“The colors match.”
“That is amazing.”
“I am going to need some loving things.”
“Where?”
“Are you kidding?”
“I cannot hear a thing.”
“You are a casualty of your own way of life.”
“That does not amount to much.”
“Vanilla ice cream.”
“It is melting on me.”
“It is not that cold.”
“I am being spun around.”
“That matters.”
“Do you recognize how to stretch a little further?”
“Carmen wants to run the firm.”
“I will feel none of this tomorrow.”
“Do you still want a job?”
“I have a mined of my own.”
“They do not value it here.”
“I am not trying to interfere.”
“You uit the job.”
“And you lose the house.”
“I want more than that.”
“One of us is going to have to quit.”
“Ryan is all her job.”

“I need you to care for me, and me alone.”

“This is excellent.”

“Keep it going, and you may recognize everything that is needed to control the firm.”

“I am looking for something else.”

“He is just some schmuck who will go along with whatever you want.”

“That has been all my life.”

“We could see it in different ways.”

“The firm does not allow for different ways.”

“What did you see?”

“I do not know.”

“This will not go anywhere.”

“I am not going anywhere.”

“That is not what your boss says.?”

“She is not really in charge.”:

“What is real work? “Whatever you make it.”“

”LOOK AT ME.”

“I have more genius than you know.”

“I plan this out.”

“Are you trying to get a rise out of me?”

“Commit.”

“Commit to what.”

“I am deep into this shit.”

“So deep.”

“So dead to the world.”

“I am very tuned into a reality.”

“More days working hard.”

“And I am not digging any of this.”

“That lull will not last.”

“Is it?”

“This is never enough.”

“What is saved here?”

“How can you hold it together?”

“Cooperative activity.”

“I am almost there.”

“What is wrong?”

“Different species.”

“Something I like.”

“Generalize a good meal!”

“I like it in my own way.”

“I am going to get the confirmation.”

“Your account is active.”

“That never happens like that.”

“The water is warm.”

“I cannot stop.”
“I like crunch.”
“That is more than I want to spend.”
“Do you have identity verification?”
“Why do I live like this?”
“You do not want me to participate.”
“I hurt myself.”
“I need you to look over the script.”
“It’s not as if I am going to make it on my own.”
“Make the budget as simple as possible.”
“I want to remember.”
“Do you want to believe me?”
“I do.”
“What is it worth?”
“Cassie is in the middle of the shit.”
“Power up the engines.”
“I guess that I am here to the end of the show.”
“This is my new job.”
“I am so comfortable.”
“They are going to assign a nurse.”
“We are all into a cure.”
“You should never make false promises.”
“Vitality.”
“I want to wake up with a good attitude.”
“That will not help.”
“It helps more than you know.”
“That could be everything.”
“I cannot scratch the itch.”
“Such is existence.”
“I lost the thread.”
“I was given a function.”
“Save the dead.”
“You do not need to be afraid.”
“I still have to go back to work.”
“What does that say?”
“The problems have not been solved.”
“Solve me.”
“I can leave now.”
“The money is dispersed like that.”
“I have a new house.”
“I have no idea what you are talking about.”
“Refinance.”
“There is no better deal.”

“One is coming.”
“There will be a crash first.”
“I am not involved.”
“There is more than that.”
”Oxygen.”
“That will not do it.”
“What am I made of?”
There are other goals.”
“Garbage disposal.”
“How did I get here?”
“You expected easy answers.”
“Nothing is that easy.”
“I cannot control myself.”
“Do not say those things to me.”
“What are the other considerations?”
“You are all over the map.”
“There are other ways to see this. There are other ways to adjust.”
“I will be who you want me to be.”
“There are so many alternatives.”
“This is not for you.”
