

TRACKS

“You are interfering with our emotions.”
“Get the chicken dish.”
“The sandwich.”
“You are calling this your dinner.”
“I had a song. I had a starting point. I feel so great.”
“Do not get that close.”
“What kind of close is that?”
“This was supposed to be the summit.”
“Like a symphony.”
“Something that I was supposed to care about.”
“We hear it differently.”
“But we train us to understand in a very specific way.”
“Do not interfere.”
“There is no interference.”
“Non-aligned.”
“They have got you screwed in one way or another.”
“Do it for now.”
“Who else is involved?”
“The world is part of this.”
“This is never going to be enough for me.”
“Make it enough.”
“You are digging this.”
“He is deep in his shit.”
“That should amount to something.”
“I could use more time.”
“You are way ahead of the curve.”
“What did this start with?”
“More money.”
“I love this.”
“I no longer have to look anymore.”
“This is getting closer.”
“That is more than impossible.”
“This is your story.”
“Better than you can know”
“How will you escape?”
“He is watching my cats.”
“Put them all in a room.”
“Do not say hello.”
“This is all that is left.”
“It is organic.”
“You take that risk.”

“And that becomes your life all the time.”
“And she got you back.”
“There is something else to worry about?”
“And what is that?”
“The perfume.”
“The uncertainty.”
“The perfect knowledge.”
“The anatomy.”
“Make your life mine.”
“This is not personal. This is exciting.”
“Two sides of the same coin.”
“How does that work?”
“It is always the same story. Someone asks for something that he needs to let go.”
“I am not going to let that affect you.”
“Where does that work?”
“Chicken.”
“What does that mean?”
“I am actually worried.”
“Worry.”
“What are we listening to?”
“We are dwelling?”
“Rels, are you close.”
“Why do you want people to hurt you?”
“That is the risk.”
“Honestly.”
“It make me feel real. It makes me feel as I am a living person.”
“That could result in your eventual demise.”
“I have fun.”
“And you deal with so much shit.”
“I like to feel protected.”
“Roll up in a little ball.”
“You are drooling.”
“I got a show.”
“You need to be institutionalized.”
“That is all that I need.”
“Take it for what it is.”
“I can get closer to a world that is a million miles away.”
“I am a deep mystic.”
“Should we believe that?”
“I only have a few questions.”
“Is it prayer or good works?”
“Always prayer. We are so much in the middle of bad works.”
“It starts with some crazy bad works.”

“The conscience only gives that extra push.”
“That is what I am so afraid of.”
“The music was supposed to lead us to the promise land.”
“The land was not delivered.”
“What is stopping me?”
“You tell me.”
“And we are all in the same show.”
“You spent a little extra for that.”
“I did.”
“I thought about it.”
“You should have had a better script to go with you.”
“And that is all perfect.”
“She showed her ideology.”
“I need to be at home.”
“This is the first step.”
“What comes after?”
“Why did you take me this far?”
“You can give me what I need.”
“What are you afraid of?”
“The collapse is coming.”
“I have skin in the game.”
“What is that about?”
“That is way too much for me.”
“There are so many headaches.”
“I want to finish on top.”
“How is that even possible?”
“That could have been me.”
“I cannot take this.”
“Who is crying with the world?”
“I cannot even look you in the eyes.”
“Don’t you work together?”
“That is my nature.”
“I am back where I belong.”
“Some people will hurt.”
“What is exploding around me?”
“I quit in the middle of the mess.”
“This is next to impossible.”
“This was a different time.”
“What was that about?”
“Sing-a-long.”
“I am being overwhelmed.”
“Are you ready for the collapse?”
“They will be coming for you.”

“What do you care about?”
“Nothing will come of this.”
“I cannot take this glee.”
“The world is in the process of a transformation.”
“I want to get in on the groundfloor.”
“I do not want to sleep during my life.”
“It is all the same.”
“Can you fill in?”
“Take care of this, and I will take care of you.”
“That is too scary for me.”
“Who is going to bring this bull shit to an end?”
“Who cares about the world?”
“Leo knows a lot of shit.”
“You can take care of my place in Birmingham.”
“I am not going back to Birmingham.”
“I did not know any of this transpired.”
“They shoved a tube down my throat.”
“What is next?”
“I am next.”
“I found the safe”
“You will never get in there.”
“I can lift it.”
“Do you trust the banks?”
“Are you going to bleed for the sinners?”
“I prayed.”
“That scares me.”
“I don’t even care.”
“Have you ever been in the basement?”
“That will never last.”
“The collapse.”
“Is that the same thing as the Rapture?”
“Someone will be escorting my truck.”
“I think in big terms.”
“People.”
“Social movements. Ideologies and governments.”
“Who moves the trucks?”
“This will be the source. I am going to the oil fields.”
“This will eventually stop.”
“You will stop.”
“I only wanted cash.”
“There is so much invested in this shit.”
“I have seen you before.”
“I gave so much of time.”

“What did you get back?”
“They put something inside of me.”
“Not an artist.”
“Pound for pound.”
“He is not in the game.”
“I don not want to interfere.”
“This will bear fruit.”
“We believe.”
“Sure, you do.”
“What is coming?”
“I know this guy.”
“I will pretend that I do not know.”
“Why weren’t you better prepared?”
“I got that for nailing that account.”
“The oil field.”
“That will last forever.”
“That is all me.”
“Different strokes.”
“You say that.”
“I am pure.”
“And you take that shit to the refinery.”
“That is pure.”
“He is on a totally different wavelength.”
“Who is driving?”
“I am really late to the game.”
“I know how to work this.”
“I remember, but I do not remember.”
“A million possibilities.”
“The reminder.”
“That gets the laughs.”
“And that makes a difference.”
“There is something else.”
“Different ways of playing this game.”
“Bring the mutt.”
“The mutt knows it all.”
“I am on the move.”
“This is another project.”
“I have got this for you.”
“What happens next?”
“Some other catastrophe.”
“Why should that one smile make a difference?”
“I am prophetic.”
“This scares me.”

“We are only at the beginning.”
“How is this even happening?”
“There are numerous ways to see this.”
“I do not want to be disappointed.”
“You are giving too much of yourself.”
“It is all about the performance and the audience.”
“He took a bow.”
“They all asserted themselves.”
“This is brilliant.”
“And it could be more so.”
“Loud, fast.”
“I love that.”
“This was all her.”
“I am doing this on my own.”
“I do not get it.”
“Everyone is well-trained.”
“Humanity means humanity.”
“I can glad that we are much further along.”
“There are so many variations.”
“What is going on in there?”
“A change of mind.”
“This could not be more perfect.”
“We can get out of here.”
“Get out of here.”
“You are way ahead of where you should be.”
“I am planing for others.”
“I am in the middle of shit.”
“I want to clean up.”
“Patience is a virtue.”
“We need to open all the doors.”
“Is that even possible?”
“Who is helping you?”
“I need to take care of myself.”
“It always works that way.”
“Pray.”
“Is it something that I ate or something that I believe?”
“A combination of factors.”
“Expect it.”
“You should not have done that.”
“That is all that we can expect.”
“You need to move in the right way.”
“I have an idea.”
“I am not afraid.”

“Be afraid.”
“Why do they say that?”
“I come at it from a different direction.”
This could change it all.”
“Call it what it is.”
“She gave me that look.”
“They always do.”
“This will be time to move.”
“Pray for something that will never come to pass.”
“The is the collapse.”
“The truck needs gas.”
“Load gas to make gas.”

“You slipped off the road.”
“We are going to sue.”
“They are actually going to sue.”
“You need to see the complaint against imperialism.”
“What does this have to with what happens here?”
“You tell me.”
“Where will this end up?”
“Why do people even care about such things?”
“That is a deep question.”
“Who else knows.”
“I hear the world fall down around me.”
“I have collected all the cards.”
“This has happened before..”
“What is the real issue?”
“This is a party town.”
“What does that mean?”
“Rescue is one step behind.”
“I am not upset.”
“You are worse than upset.”
“How does this happen to you?”
“It is in the veins.”
“I hate to try to imitate something that I cannot truly understand.”
“I may have to leave early.”
“There is a lot to do.”
“We will get through this.”
“Fix the white truck.”
“Fix the yellow truck.”
“Fix the truck without wheels.”
“I want to believe.”
“Where is this going?”

“I need to be more patient.”
“Much more patient.”
“I want to make this a go for all time.”
“Why do you even care?”
“I care because this is my life.”
“Most assuredly.?”
“The alarm rings.”
“Boom.”
“There has to be a deep connection.”
“Why do you love this?”
“Who else is involved?”
“I am part of a group who have actually made contact with the aliens.”
“What will that do?”
“Why will anyone care?”
“We are on this.”

“There is more to come.”
“I thought that we were already done.”
“She works hard at what she does.”
“You can work harder with a little gas.”
“The leaf blower is going all night long.”
“A crazy long night.”
“I cannot figure this out at home.”
“You do not have to.”
“Don’t bring me down.”
“I am not depressed.”
“Why do I need to say?”
“We are breaking down shit.”
“We are going to another phase of looking.”
“Where are we headed?”
“I do not like to get dragged in the dirt.”
“You need to get out while you can.”
“What is your stake?”
“I like what I see.”
“We are far enough along.”
“We did this one time before.”
“Pray.”
“That is Leo’s mantra.”
“We are so close.”
“You pushed things.”
“I take my time.”
“I waited, and I waited.”
“She will love me.”

“Until she stops loving me.”
“I need to take that.”
“A hero.”
“A fool.”
:”Everyone is a little off.”
“And the cannot defend that.”
“What is happening inside?”
“This could not be better.”
“He is harmless.”
“Do not dump on me.”
“This is getting crazy.”
“This is art.”
“A special kind of art.”
“That’s next to impossible.”
“Wow!”
“I have a model.”
“Raised from the dead.”
“I am almost there.”
“You do it.”
“How does that work?”
“Super cool.?”
“This is not the moment.”
“There are things that I am working on.”
“Real dreams.”
“Fake dreams.”
“She will not come in.”
“She has what she wants.”
“Those who believe.”
“And those who do not.”
“That is what I get.”
“Everything needs to be more conscious.”
“I am redoing minds.”
“Tomorrow will be mine.”
“My head.”
“The tribe.”
“This can help you transform.”
“Pin ups.”
“Mug shots.”
“People take pride in that shit.”
“I wish that I could get better involved.”
“She was describing human sacrifice.”
“I am doing my best to make something of this.”
“Are you concerned?”

“Very much.”
“Two people believe.”
“What is this really about?”
“How can that say anything to you?”
“I can.”
“This is not Las Vegas.”
“What does that mean?”
“I can tell you so much.”
“This could be some kind of fortune telling.”
“I need to turn you into something.”
“I stopped that.”
“I am going to start again.”
“Peel off the singles.”
“I have more for you.”
“Take this.”
“Change the world.”
“Take the flowers.”
“I need a helper.”
“True confessions.”
“What do you add?”
“Gasoline.”
“A puzzle.”
“I need a special helper.”
“What makes it a go?”
“I was there.”
“She will complete it.”
“She is all it.”
“What should I ask for?”
“That will work.”
“I only need to see it.”
“I know what this means.”
“For your education? For your development? For the advancement of the world.”
“I need someone who can see it without saying it.”
“I know what you want. What you expect.”
“Does any of it make a difference?”
“It all happens at once.”
“We go somewhere else.”
“I want it.”
“Are you wrking together.”
“You are the best.”
“There is an after-image.”
“That is the world.”
“We have three different views of the world.”

“One occurs in the moment.”
 “One occurs in the next moment.”
 “And one occurs in all the moments.”
 “Shit.”
 “I am on the immortality road.”
 “You have to train.”
 “You do it all the time.”
 “He does not have what you have.”
 “And you drain me of all my energy.”
 “It is not like that.”
 “I want to believe.”
 “I recognized what the show is already about.”
 “You can ask.”
 “I feel as if it is all coming to an end.”
 “And you failed.”
 “I will get this.”
 I admit that there was so much going on that I could not encompass it any one gesture.
 “You are lying. That is why you have social theory.”
 “And that is going to fade soon.”
 “All these points intersect.”
 “All these points fade”
 “I am being asked to leave.”
 “I think it is about time to start your memoir.”
 “I do not want to give that much significance of my childhood.”
 “I get it.”
 “I really get it.”
 “Do you want to make some history tonight?”
 “What does this really say about history or biology?”
 “Don’t you draw blood for a living?”
