

QUERELLA

“Do you want to confess to your offenses?”
 “Sins of omission and sins of commission.”
 “I have a place reserved.”
 “That will keep me gong.”
 “What is your defense?”
 “I am trying to maintain a low-profile.”
 “Do not try to explain this to the world.”
 “What do you want tyo tell me?”
 “I got a new credit card. NO LIMIT!”
 “What is that about?”
 “This is going to br wonderful.”
 “I am tolerant.”
 “Are you jealous?”
 “What about?”
 “Where are you going to hide?”
 “This is not working right.”
 “This is too difficult to think about.”
 “You need to consume the refuse.”
 “I was given a gift.”
 “Did you ask for it?”
 “I work to have fun.”
 “How is that working out?”
 “Lost and confused.”
 “I have so much more to learn.”
 “The world is guiding me.”
 “I am having memory problems.”
 “This is going to lead to a confrontation.”
 “It is the power of what I have to say.”
 “This is too much even for me.”
 “I keep my head down and I work hard.”
 “Diligence is rewarded.”
 “That still is not sufficient.”
 “I have found the target.”
 “She could complete the picture.”
 “I learned about the power of th3e word.”
 “What do you know now?”
 “It is all about what is manifest?”
 “What do they know about your?”
 “I am a witness. I am a unique witness.”
 “They have been watching me.”
 “This is way beyond me.”

“Everything is an occasion.”
 “I need to eat.”
 “It is a paint mixer.”
 “What is that about?”
 “It is a secret word.”
 “There is something that I resent.”
 “Look me in the eye.”
 “You can organize all the details of the story.”
 “How can I adopt a clearer path for my personal development.”
 “Everyone needs a helper.”
 “You are gravity to me.”
 “You are a renewing force.”
 “I do not want to see.”
 “I want to hide.”
 “I want to breathe more oxygen.”
 “You need another way to say this.”
 “You need another way to explain this.”
 “I do not feel a part of this show.”
 “You were not invited.”
 “What would an invitation mean?”
 There is a moment that you are going to curse your origins.”
 “And that works.”
 “Of course, it does.”
 “Perhaps, I made a serious mistake.”
 “You did.”
 “I wish that there was more.”
 “It is going to take centuries before you realize what needs to be said.”
 “How does that work?”
 “Do you have an independent thought?”
 “I do not need one.”
 “You are sidelined for now.”
 “What are the things that are missing?”
 “I am not hearing any of this?”
 “How would I realize if I had a vocation?”
 “They have decided to take it easy on me.”
 “I am banging on the door.”
 “No one is going to answer.”
 “I need help.”
 “Stay with the script.”
 “This is not about me.”
 “We skipped the idea of a sacred scripture.”
 “Why should this be an improvement?”
 “This is what happens to a long-lasting vision in a place of obscurity.”

“This is insane.”
 “Don’t take these things away from me.”
 “You are going to need your serenity.”
 “I am glad that you can be that easily influenced.”
 “What else is there about me?”
 “There is skin and bone.”
 “I am glad that you have some great ideas.”
 “We are working hard.”
 “Who else is functional?”
 “There are so many thing that I do not even want to think about any of them.”
 “You have already pledged your soul to a new faith.”
 “I am supposed to be the faith.”
 “How does that work?”
 “It relies aon a more extensive understanding of the world.”
 “This is nothing that will work for me in a positive manner.”
 “I didn’t get into this by intention.”
 “You know things.”
 “I need more of a framework.”
 “What if you don’t gain satisfaction quick enough?”
 “What does it take to realize your vocation?”
 “I am so distracted.”
 “Something went wrong.”
 “I did not have the proper influences.”
 “We can get you on the right path.”
 “Do you have nothing better to do with your time?”
 “There are other ways to gather the information.”
 “This goes to the heart of Sly’s ministry.”
 “What else do you want to tell me?”
 “There are germs everywhere.”
 “Is that your theology?”
 “How do you all away from the fold?”
 “When there is no ministry to beging with, it is not hard to figure out.”
 “There are point when you need to rely on what is available.”
 “At a certain point, you pack it all in.”
 “I was told that you are miraculous.”
 “How would you convince others.”
 “I would play upon their illusions.”
 “There is more to it.”
 “These are fun thing.”
 “This ia a fun thing.”
 “This will help me to escape any distractions.”
 “You need to go deeper.”
 “You need to be deeper.”

“It is a trick to learn with my eyes.”
 “Stop it!”
 “You never thought that it would go this far.”
 “Do you feel as if I am competing with someone else?”
 “You could educate me.”
 “This is not going to weork.”
 “That is exactly what I am thinking.”
 “You are wearing me down.”
 “I am ready to bear that burden.”:
 “I am sorry for being so rude.”
 “You are going to need to step out of the role.”
 “That will work for me.”
 “Your body could be the finacial plan.”
 “How will that function?”
 “This is the time thqat I save.”
 “How does that work?”
 “I want to touch them all.”
 “I need to figure this out before I go back to work tomorrow.”
 “This is not a big puzzle.”
 “You do not want to consider it. :”
 “Where are you headed?”
 “I could go back to Annistorn.”
 “How does that work”
 “I could gas up the truk.”
 “That got you here.”
 “You took another step.”
 “That locks you in.”
 “If I give you more of my time, what will I get back?”
 “Who is the believer?”
 “Who else is a believer?”
 “There is scripture and ritual.”
 “He performs well.”
 “What does that mean? Splatter technique.”
 “I would dump this piece of shit.”
 “What is the alternative?”
 “Do you really think that the world wants to hear the sermon?”
 “They can relate to the notes.”
 “The writing means something.”
 “Where does this go?”
 “You are having a rought time.”
 “It is so much worse that that.”
 “In the real world, there are deadlines.”
 “I do not have to meet them.”

“I was not looking for this.”
 “Who else is better prepared for what is coming?”
 “I do not want to give up.”
 “I do not need a financial planner.”
 “I am going to own the world.”
 “You better be quick.”
 “I do not want to come to this point again.”
 “Let me live my dream.”
 “I do not understand how these behaviors relate.”
 “I would ask.”
 “There is this frightening absence of self-reflection. I have nothing to talk about.”
 “I am stuck here.”
 “We could try to sort out the various behaviors.”
 “You are telling me that there is a pattern.”
 “I am telling you that I do not want to mess with the plan.”
 “I am dealing with a collective illusion.”
 “That idealized projection is going to do you in.”
 “I have an answer if you want to hear it.”
 “This is where I take a risk. This is more than I see.”
 “Then I retreat into myself.”
 “I can only to so much.”
 “This is all falling aprt in front of my eyes.”
 “Even the failure offer a sense of uplift.”
 “It is all about you.”
 “You will need more physical effort.”
 “What does that mean?”
 “There need to be more of a pattern of gestures. A routine.”
 “You both work together.”
 “We tolerate qa lot of shit.”
 “Why are you different?”
 “I do not want to think about this. I want my prsence to give me with a complete answer.”
 “Where am I supposed to focus?”
 “There are no summaries.”
 “The pain subsided.”
 “You are going to have to leave the field.”
 “I do not want to participate.”
 “You took up my time.”
 “He could gather new disciples.”
 “I am not worried about him.”
 “How could that inspire a faith? It could not sustain devotion.”
 “Do you really understand what that means?”
 “I am on an inspired path.”

“You cannot please everyone.”
 “That is enough.”
 “I cannot worry if you do not want anything more.”
 “I cannot worry.”
 “This is where you step off.”
 “I do not think that you can work miracles.”
 “They is the miracle worker not in the house.”
 “Do not get in my way.”
 “I have a parking space.”
 “Who is driving?”
 “I do not want to interfere.”
 “Our life needs to be celebrated. That can help us to sustain it longer.”
 “You have no right to thing these things.”
 “I could add another chapter.”
 “Did you actually touch that.”
 “I am looking for short-term results.”
 “This has nothing to do with education.”
 “You could ask.”
 “You never asked what I thought.”
 “Why did you pass through me?”
 “I only was looking for a temporary connection.”
 “This is the temporary after the temporary.”
 “I am proficient.”
 “I am enamored.”
 “This could be a movement.”
 “I do not want to say a thing.”
 “A writer, who does not want to write.”
 “The roll out did not work out.”
 “What do you really want to know about?”
 “When did I lose the thread?”
 “You simply do not have it.”
 “You have it all too well.”
 “I could sail a fleet with you.”
 “Skills become important.”
 “I can translate all that into skills.”
 “Who offers you guidance?”
 “No one will realize what is needed for career development.”
 “This is all about you now.”
 “I don’t think that you could explain that to me.”
 “This is almost too much.”
 “How does that work?”
 “I cease to have the raw ability to progress.”
 “A lot of this is based on belief.”

“What are you holding out for?”
 “What are you holding out for?”
 “I had a fantasy.”
 “There is a lot to work on.”
 “How do we make this a faith?”
 “We need to get over regret.”
 “I think that I understand.”
 “There is not much to think about.”
 “I just need to shut him up.”
 “You are trying too hard.”
 “I cannot figure that out.”
 “That is too close.”
 “What is next?”
 “There is a lot of despair. How can faith result in this high level of despair?”
 “You missed the most important part of the program.”
 “I am working with a trainer.”
 “Will that be sufficient?”
 “Do not bother me while I am at the top of the world!”
 “I cannot explain this to you.”
 “There used to be a meaning.”
 “It is long gone.”
 “What are you doing? You are not one of my firmes.”
 “That is where belief loses the thread.”
 “Get the job done.”
 “Why is this special?”
 “Everything is immediate as far as I am concerned.”
 “Why are you concerned?”
 “I need adoration.”
 “There is no other way to explain what is going on.”
 “There is one other.”
 “You have had enough to drink.”
 “I will be rescued.”
 “That is all part of providence.”
 “I need you to be fed up.”
 “Is that part of faith?”
 “I wish that you could ask for more.”
 “I can ask for so much more.”
 “I want a star named after me.”
 “We are moving toward creation.”
 “I want a return engagement.”
 “She worked on this.”
 “What does that bring?”
 “I need to make the money on my own.”

“Do you need a financial planner?”
 “I am afraid that she is going to make it all go to hell.”
 “He could do the same.”
 “That is way beyond me. This is some kind of pagan thing.”
 “And what are you getting?”
 “I do not have to receive any return. I only need to measure the relative strengths of alternative investments.”
 “You are never going to be able to create your world.”
 “I do not need to. I am being fred.”
 “Is he part of the show?”
 “She is the show.”
 “Just go along. Take what you can.”
 “And that will result in.”
 “More devotion.”
 “He knows how to frame the promise.”
 “And that destroys your whole faith.”
 “I am insecure.”
 “You are going to need a better commitment.”
 “There is another place to put it all together.”
 “She spun out.”
 “How is that?”
 “She had such massive expectations.”
 “She can work on them at home.”
 “The snap of my fingers.”
 “I can do to make things happen.”
 “There needs to be another break.”
 “Everything falls over so perfectly.”
 “You need to be quick.”:
 “I have no idea where we are.”
 “I thought that you were the one to emerge. You are just as fucked as the next person.”
 “I keep doing what I do, and it will all make sense.”
 “I am not going to pretend that anyone will get better at this.”
 “I stopped wondering.”
 “I cared.”
 “I stopped caring.”
 “There are loads of people just like you.”
 “Give me another drink.”
 “Do you want some advice.”
 “Advice is not forthcoming.”
 “This seems to be the only alternative for now.”
 “You are not far off.”
 “What are you defending?”
 “I can back.”

“And you can expand upon your understanding.”
 “Nothing will come of this.”:
 “Where is she waiting?”
 “Thank me!”
 “I wish that there was more.”
 “If there was more, this would be it.”
 “My time is already booked.”
 “This is good for one thing.”
 “I want to delay my regret.”
 “Querella, you could lead a movement.”
 “But you are not in the power position.”
 “I am learning.”
 “I was so clear.”
 “Where do you fit in?”
 “I am even more distracted.”
 “What gave everything its momentum?”
 “I am trying to sustain the feeling.”
 “This idea needs to amount for so much more.”
 “It makes perfect sense.”
 “Really, is that all that it takes?”
 “I only need to be convinced.”
 “Where will that go?”
 “I will tell others.”
 “And you are going to be good with my art.”
 “If you tell me that your chicken scratching is art, I really have little else to say.”
 “You make me sad.”
 “Where is this going to go?”
 “I am trying to break the mold.”
 “How will that work?”
 “You have given your performance. It has limited scope. And it is not going to work for anything more than it is.”
 “If you had ideas, it would be more everlasting.”
 “I have ideas.”
 “You are the idea.”
 “There needs to be more than that.”
 “That is the foundation for faith.”
 “What do the dragons have to do with this?”
 “We are friendly to each other?”
 “Are you friendly to the world?”
 “You could have it.”
 “You do not need anything more.”
 “I need caring.”
 “This will get you to work tomorrow.”

“This is insane.”
“I saw a dead skunk in the road.”
“This is not a game.”
“In a different situation, this would be easier on the both of us.”
“You do not need this.”
“I do not need analysis.”
“I know.”
“Everything is obvious.”
“You did not need to leave.”
“I am long gone.”
“Faith requires more involvement.”
“I need something more to sustain my life.”
“I have a big plan.”
“You are my plan.”
“I am so deep.”
“Do not add to the shit.”
“We were not asking for interference”
“I have a grander plan. I could use a manifesto.”
“He is active.”
“This is not going to do it for me.”
“They called you out.”
“I did not respond.”
“Is this about more than a financial plan?”
“He was working some crazy numbers.”
“Have you thought about that?”
“You need a principle to get them all together.”
“I wish that you would ask.”
“I get what I need.”
“I am trying understand that sccond stage.”
“That is humorous for me.”
“I need to escape.”
“I can use these parts.”
“I do not want to even look.”
“I am not trying to chronicle anything.”
“How much do you spend to get cleaned up?”
“This is a mind thing.”
“There are so many alternative.”
“I was sure that you had made progress.”
“I died a thousand time.”
“Querella, you need go be better at the resurraction.”
“There is not mystery here.”
“There is a door.”
“You cannot come in after eight.”

“You need to submit to the program.”
“It is all in you.”
“I do not have situation that is going to bring it out.”
“Have you been infected too?”
“That is a real hit.”
“I have lost my direction.”
“We are moving from devotion to adoration.”
“The next step is faith.”
“Isn’t that deviant?”
“I am not going to try to put it all in place.”
“I got bit.”
“Is this bad?”
“I want a better explanation.”
“We are seeing the breakdown on two levels. How can we get beyond that point?”
“That is all that matters.”
“I need someone who can help me to forget who I am.”
“You could break the mold.”
“It is waiting for me.”
“I want it less and less.”
“We could go back in time.”
“Lancer tried that”
“This is for another time.”
“I do not want you inquiring after you have fucked up.”
“I am getting a little desperate.”
“Desperation does not cut it.”
“Come to me when you feel frustrated.”
“That is not helping.”
“You know things that are way beyond me.”
“He did something really stupid, and he got arrested.”
“That will guide you to a clearer sense of awareness.”
“That is what you are waiting for.”
“He cannot guide everyone.”
“What is the basis for this attribution.”
“More than belief.”
“A chemical connection.”
“I will reach the summit.”
“What else is there?”
“There needs to be some kind of belief.”
“Belief for shit.”
“When did you stop?”
“I really want you to be some kind of genius.”
“That is not enough for anyone.”
“And you are going to find more.”

“I am in the middle of my sentence.”
“There is a moment when all the stars align.”
“I am good at watching this decay.”
“She knows better than anyone.”
“And he does not.”
“I hate this division.”
“You said that you would be back.”
“Get this done.”
“I needed to collect some gossip.”
“What qualifies as knowledge?”
“You are asking someone to switch faiths in the middle of conversion.”
“If it is that easy, he is probably a psycho killer.”
“That is terrible summary of my personal life.”
“That is really exhausting.”
“Not waddle.”
“You are so fucking mean. That is my son.”
“Sorry, Mom!”
“I need to fail to have success.”
“What are you in the middle of?”
“Collecting money.”
“How?”
“My investments.”
“Are you trying to be clever?”
“I am wondering why are you hanging on without clear results.”
“The smell was enough.”
“My nourishment is spiritual.”
“You needed to make contact.”
“Offer more.”
“Who is watching this?”
“The only person who watches.”
“It does not work that way.”
“Can I get a witness?”
“Is he that funny?”
“Nothing will come of this?”
“I believe it.”
“You were being tested.”
“I get what I needed.”
“I need to be completely accurate. Not some off-handed rumor.”
“Keep writing faster.”
“I am trying to think.”
“How did you fail in your spiritual transformation.”
“This is only a belief that is an extension of your everyday shit.”
“I needed you to come back.”

“I was in a garden saying a prayer.”
“I found a recipe.”
“Why are you so selfish?”
“I am chasing something inspiring.”
“How did he last?”
“He has a manifesto.”
“Thank you.”
“Move along.”
“I need to tell you about work today.”
“That is all that you od.”
“Where is the rip in time?”
“Why do I come back to this?”
“Is it possible to come back?”
“You have a file. Get in the next line.”
“You have a great hair cut.”
“I want the keys.”
“Ask Sly!”
“How can a more constant devotion lead to a faith?”
“What are you saving?”
“I have been here before. There is no faith.”
“You are really fucking with me”
“That keeps you coming back.”
“Do you have a choice?”
“I got close enough for it to mean something.”
“Will that work for anyone?”
“Faith could be sustained by a kind of deviousness.”
“How can you explain that”
“You are promising so much more.”
“Promise me everything.”
“I lost my focus.”
