

**ALL TALK**

“And this really makes no difference to me.”  
 “You had solved the equation.”  
 “A distant second.”  
 “If you don’t think that is over now, then you are not watching.”  
 “You still have to come back next week.”  
 “I was afraid.”  
 “Fear is not going to rescue you.”  
 “This is a fact.”  
 “And what does it do to change the balance of power.”  
 “The lesser of two evils.”  
 “This is evil, face-to-face with evil.”  
 “Did you hear what he said?”  
 “What they all said?”  
 “He attacked those who did not support this policy.”  
 “You figure it out.”  
 “We are going to try to prove that we are victorious.”  
 “And it all broke down.”  
 “I cannot rescue Rels.”  
 “She does not want to be rescued.”  
 “There is no story.”  
 “You could stay at home and make every effort to make something happened.”  
 “Nothing happened.”  
 “We did the math.”  
 “That is next to impossible.”  
 “Two irreconcilable sides.”  
 “I was tough.”  
 “You lose everything.”  
 “I should hop on the bus.”  
 “You are going to lose everything.”  
 “How will I get that home?”  
 “You tell me.”  
 “Is it even worth it for you.”  
 “What else is missing?”  
 “I life.”  
 “I came to a resolution.”  
 “I eat like you.”  
 “YOU NEED A BETTER ALARM.”  
 “I had it all figured out.”  
 “What the fuck is that?”  
 “I should have never left the house.”  
 “I am going to find it impossible to communicate with you.”

“This is my party.”  
“You can put it all together.”  
“There is no force.”  
“There is pure force.”  
“Every weakness is more than evident.”  
“What the fuck does that mean?”  
“We are going to work from a list?”  
“We were there before.”  
“Homicidal impulses.”  
“Different movie.”  
“I never liked that movie anyway.”  
“What is there for me?”  
“Bitterness.”  
“Marvel at something so magnificent.”  
“We played a role.”  
“I thought that we were going to break that.”  
“Three years later, nothing changes.”  
“And it call comes to an end.”  
“An end.”  
“Are you going to celebrate?”  
“Take it slowly.”  
“Take it quickly.”  
“Do a masterful job. Plan out every step.”  
“That was so perfect.”  
“And there are ads.”  
“Oh shit.”  
“You have exactly what you are looking for.”  
“We destroyed all that shit.”  
“Do we ever have to come back here again?”  
“Probably not.”  
“It all depends on you.”  
“You can be smart.”  
“What happened in the last week?”  
“The last month?”  
“I had bigger dreams.”  
“I had massive disappointments.”  
“It is the drugs.”  
“You will be better tomorrow.”  
“That is his theory.”  
“Shit.”  
“I do not want to see that.”  
“And she can tell you about real estate.”  
“I am going to buy a house in the desert.”

“You can go over all your memories.”  
“How many is that?”  
“Willions. We have found a song that you have never heard before.”  
“You are going to be arrested.”  
“Bad memories.”  
“No one cares about you.”  
“But we make the world work.”  
“I am glad that you have on good idea.”  
“Idea.”  
“I am heading to the next level.”  
“Face-to-face.”  
“Without options.”  
“Find my cash.”  
“That means nothing.”  
“You are so disappointing.”  
“Where else can you go?”  
“Where else are you going to take me?”  
“Everything that I am, everything that I stand for has been erased.”  
“Take a number.”  
“Shit.”  
“This is not about chemistry.”  
“You will need to concentrate.”  
“I will go that way.”  
“Does that really work for you?”  
“We can try again.”  
“We are running out of time.”  
“I own this space.”  
“We are running out of time.”  
“Time creates space.”  
“All my magic is not working.”  
“You are my victim.”  
“Do you only want one?”  
“I thought that you had a purpose.”  
“There are losers.”  
“I need to make some kind of decision that will benefit everyone.”  
“Everyone.”  
“You have pushed too far.”  
“Even his vocal delivery is lacking.”  
“That frequency is grating on my nerves.”  
“We are going to be special friends.”  
“We fail.”  
“We come back for more.”  
“You were my friend. Why are you being so mean?”

“You were my friend.”  
“I will suck it up.”  
“We are running out of chances.”  
“I need to celebrate.”  
January said something.  
“Who is listening?”  
“Who is listening?”  
“You beter listen closely.”  
“Why bother?”  
“What does that do for me?”  
“We will do you a deal.”  
“Who has that kind of money?”  
“Four people.”  
“I was accepted.”  
“Then I stopped being accepted.”  
“I was a friend.”  
“Then I stopped being a friend.”  
“January, you are dressed for the part.”  
“That was yesterday.”  
“I am glad that you are going to take me to the right place.”  
“Right place.”  
“We have been there before.”  
“All together.”  
“Is it all over?”  
“The dog needs to be fed.”  
“I do not want to believe.”  
“Not now, not ever.”  
“Should I try to get to know you.”  
“Do you want to come to the wedding?”  
This has to be you.”  
“I am ready.”  
“A kiss on the lips.”  
“Kiss me when I tell you.”  
“More that I do not know.”  
“I am in the same boat.”  
“I am going to sink the boat.”  
“There is a leak.”  
“Get rid of some of the animals.”  
“We are facing extinction.”  
“Love it while you can.”  
“I am in the game, and I am about to win.”  
“He will never win,”  
“I am so good at this.”

“Someone knows.”  
“In your sight.”  
“It meant something serious.”  
“This is a love story.”  
“I burned rubber.”  
“That is the basis of our love.”  
“Raise me from the dead.”  
“I was so good.”  
“We are reliving the glory days.”  
“What else is there?”  
“We are waiting for you.”  
“Hold my hand.”  
“Do you have a hand?”  
“I have a dream.”  
“How do you do it?”  
“That is going to rub off on me.”  
“You spend your life talking to yourself.”  
“There is echo on my replies.”  
“You should have been a mathematician.”  
“Take her place.”  
“There is a knock at the door.”  
“She will finish it off.”  
“All the parts are there.”  
“I am there.”  
“I cannot shake you.”  
“You should have given your body to science.”  
“That is going to happen.”  
“This would be a good day for a severing of yourself from yourself.”  
“Pose,”  
“This is going somewhere.”  
“He does not know.”  
“That is tragic.”  
“Really tragic.”  
“Love me, love me.”  
“I will come back.”  
“I am trying to understand.”  
“Why would anyone feel any kind of peer pressure to go along with you?”  
“There was a story for about five minutes.”  
“Whatever is here, is something that you try to dispose of.”  
“And why is this good for anyone.”  
“You may have what you want. But we have lost you.”  
“What are you hiding behind?”  
“A big wall.”

“Does it matter?”  
“The ugly American.”  
“Did you really say that?”  
“The designer t shirt fit.”  
“Take that further.”  
“I heard another version of that.”  
“Not a real genius.”  
“You could have guided me.”  
“Why did I just see?”  
“An expression of disgust.”  
“You were not wanted.”  
“That was what mother said.”  
“There is so much more than that.”  
“I was there earlier.”  
“I have seen this before.”  
“And how did you provide some kind of resolution.”  
“They are no longer here.”  
“They are no longer here.”  
“I am trying to read that.”  
“I want to give more of my soul.”  
“I wish that was what I was looking for.”  
“That is perfect.”  
“You are going to be running all the way home.”  
“I am in bed by that time.”  
“When do we pick it up.”  
“Who has been looking?”  
“This is my festival.”  
“It means something so much more important.”  
“At least, I can be sure that I live a good life.”  
“How good is this?”  
“You need something else to make it true.”  
“Number one million.”  
“I missed that.”  
“You understand.”  
“There is nothing to understand.”  
“I might have been devastated if I had given so much of myself to the festival.”  
“Why do people believe that ritual sacrifice counts towards anything?”  
“Vittorio could have sorted this out.”  
“He is trying to fuck his way out of a paper bag.”  
“None of this matters. None of this could matter.”  
“That would work for me.”  
“I need to do something good for myself. Go for a walk. Eat healthier.”  
“Quit taking the happy pills.”

“Deal with my sadness.”  
“This is more than a little crazy.”  
“Take another shot.”  
“Nothing else is possible.”  
“Possible.”  
“Chase me.”  
“I need this in the moment.”  
“I will pay for the gas.”  
“We need more cash.”  
“I will pay for the truck.”  
“These are two ways of seeing the same thing.”  
“Renee why did you come back?”  
“I was told that it could make my life better.”  
“You are expecting way too much.”  
“What happens back at the house?”  
“You have certainly lost focus.”  
“I am more than a little pissed.”  
“What is there?”  
“Do my homework.”  
“Turn me on.”  
“Turn me up.”  
“What will the words say?”  
“You need to deal with a higher level of frustration.”  
“I am looking for someone to sort this out.”  
“You look for a remedy.”  
“Are you taking me seriously?”  
“I am trying. But I am being held incommunicado in some rendition site.”  
“They have worked on this for a long time.”:  
“That is why I cannot find satisfaction in myself.”  
“They do not need to know.”  
“All that you need to do is who up at the last moment.”  
“This one hurt.”  
“I can help you to get over it.”  
“Can you?”  
“That will make me feel so much better.”  
“We need to go back.”  
“I think that I can help make it work”:  
“Go to it.”  
“He will get rid of whatever troubles you.”  
“You are too deep ever to understand.”  
“Understand.”  
“What do you want as repayment?”  
“That made sense.”

“You ask for something that you can never have.”  
“Have it.”  
“Be it.”  
“I will feel so much better tomorrow.”  
“You are wearing the wedding garment.”  
“Should I shut it down?”  
“He can help.”  
“I will do it if you can.”  
“That will take so much less time.”  
“Let me at it.”  
“We need to start again.”  
“I was sure that you would love and appreciate me.”  
“I know who you are, and I feel as if you are only an aspect of my personality.”  
“Break from the crowd.”  
“It all happens on its own.”  
“You settle on the right experience.”  
“Did any of that make sense?”  
“I can make it hit.”  
“Make it hit.”  
“Make it hit.”  
“I am right here.”  
“Have some Chardonnay.”  
“Is that going to make any difference?”  
“I got desperate.”  
“I was too numb to my own needs.”  
“Not what I think.”  
“Come now.”  
“Meet me at the grocery store.”  
“Meet me halfway.”  
“That was not good.”  
“There is only one result.”  
“Why do you need this?”  
“To sort through things.”  
“This is going to change.”  
“Knock at the door.”  
“Not everyone has that advantage.”  
“You will give me what I want.”  
“And what will you give me.”  
“A cover for your life. Total illusion.”  
“I have not even started.”  
“I need to move a little quicker than that.”  
“I was there.”  
“Why is that not enough?”

“There are numerous questions.”  
“Don’t forget what I have to share.”  
“I am perfect at this.”  
“I need to work with more cash.”  
“Why does this matter?”  
“This is a mattering thing.”  
“I have to work.”  
“It is infinite.”  
“Then it is nothing.”  
“Take it for what it is.”  
“Maybe tomorrow.”  
“These are decisions.”  
“This was a test.”  
“This was a test.”  
“This was a test.”  
“I am in.”  
“Why was it that easy?”  
“NO ONE WAS LOOKING.”  
“Look.”  
“I am trying to watch.”  
“It is all bigger than life.”  
“Where did I go?”  
“Make it clear.”  
“I went back to the origin.”  
“There is only an origin.”  
“I cannot tell.”  
“Different styles.”  
“What do you do?”  
“What do you do?”  
“What do you do?”  
“Things no one else sees,”  
“We assume that he is coming back.”  
“And if he doesn’t.”  
“I need to die again.”  
“This was all about belief.”  
“She cannot answer for herself.”  
“Who will?”  
“I do not fucking know.”  
“I could run an operation.”  
“You own mob.”  
“A cult.”  
“Something more innocuous.”  
“This is not a good place to be sick.”

“We need somewhere to drop you off.”  
“I need the rescue.”  
“We all do.”  
“What really happened?”  
“You were someone that I knew and loved.”  
“A rebound.”  
“A collapse.”  
“What is happening in my soul?”  
“For a short moment, it all made sense.”  
“Then I got distracted.”  
“Are you coming back?”  
“I need to go somewhere.”  
“I cannot ever know the answer.”  
“There are moments of total clarity. I know exactly who I am talking to.”  
“You are a dangerous sort.”  
“I am heading to another place.”  
“I cannot take you seriously.”  
“Is this perfect?”  
“There is no solution.”  
“I felt as if I was going to get very sick.”  
“This is the wonder drug.”  
“She is a wonder.”  
“You are back.”  
“They are mixed up.”  
“What is your life about?”  
“A lot of flattery.”  
“I am pushing on.”  
“What are you contributing?”  
“You have left behind your people.”  
“That was not interesting at any point.”  
“You are moving in and out of your own life.”  
“He is watching.”  
“This could be different.”  
“I could be reading something important.”  
“That might help.”  
“Will this make sense at home?”  
“No.”  
“This is about something else.”  
“Let me finish.”  
“We all have our favorites.”  
“We break all those links.”  
“You have already lost, motherfucker.”  
“Get in the car.”

“Just one day of terrible.”  
“I can be there.”  
“How much longer?”  
“A few hours.”  
“Do you have the numbers?”  
“Numbers need a reference point.”  
“Force equations.”  
“Personal frustration.”  
“Make shit happen.”  
“That is all that matter.”  
“Tomorrow.”  
“I am not here.”  
“The great fear.”  
“BOOM!”  
“Enter the dragon.”  
“As always.”  
“That does it for me.”  
“And the world.”  
“I need to keep away.”  
“Bad people.”  
“We will keep in touch.”
