

QUITTING

“Who is willing to apologize? Who wants to sit through this?”
 “This is a lot like a trial.”
 “A judge and a jury.”
 “I was facing someone who was serious.”
 “It was more than that.”
 “I can be safe now.”
 “That is so much more than wonderful.”
 “Take care of me.”
 “What are the options?”
 “You can tell me.”
 “The transformative power of music.”
 “The transformative power of thoughts about music.”
 “Who else is participating?”
 “I hear it, and I try to make sense of it.”
 “They are all hear.”
 “You need to pay out of pocket.”
 “What is that about?”
 “What is the historical background?”
 “I need to know.”
 “That is not it.”
 “There was only one choice. Everything else flows from that.”
 “The chicken or the egg.”
 “The apple or the orange.”
 “No hard feeling.”
 “How did they reach this place?”
 “That is almost wonderful.”
 “I worked for this.”
 “I lived for this.”
 “This is just a room, and we do not have the words to get out.”
 “Back to prison with Vince Green.”
 “He is getting off.”
 “No knowledge of self.”
 “My turn.”
 “Variations on human existence.”
 “I was there before.”
 “This all locks in.”
 “How can we become part of the big show?”
 “You will have to worship at my feet.”
 “I have my own version of paradise that I can share.”
 “I am not really here.”
 “I am suffering from regret.”

“I lost something that was important to me.”

“You can be totally attentive of the situation.”

“This is supposed to be the day for an important show.”

“I was waiting for a tap on the shoulder.”

“Did you get it?”

“These are the little things.”

“You can end early.”

“I have a theory and an application. The finances are in transition. There are real questions to ask.”

“Where do we begin?”

“Where do you begin?”

“The game is over, and you got the results.”

“We almost won.”

“We almost lost.”

“Who else is going to assist?”

“I needed to give of my soul.”

“Am I missing something?”

“You’re not kidding.”

“I see one thing.”

“I am going to love this.”

“I am going to love this.”

“This is more than perfect.”

“Find the door.”

“I really remember this.”

“This could have been my life. This could have been my story.”

“Where did this start?”

“I am doing a lot more.”

“Will I need to manifest?”

“You will need to answer questions.”

“When dealing with people with so much confidence what do I do?”

“We all come back to the source.”

“What are you waiting for?”

“There is that moment when I jump off the world.”

“Leo understands that completely.”

“That will mean something special?”

“What else are you going to eat?”

“I need to be pure.”

“What are the rules?”

“We say good bye by saying hello.”

“I am giving my heart to learn that story.”

“Will it save lives?”

“I have this nailed down.”

“I do not even have to try. The universe gives me all the answers that I need.”

“Everything else is gravy.”
 “That is money.”
 “And gravy.”
 “The summary of all these possibilities.”
 “They love it like that.”
 “Where is this headed?”
 “Is everything that mediocre?”
 “This is the look.”
 “What is the look doing?”
 “This is the badge of honor.”
 “He told me as much.”
 “When do you get back?”
 “There is way more to it.”
 “You will not even make it through the simple version.”
 “It is all eternal.”
 “Then it is no more.”
 “Then it is no more.”
 “Can you know?”
 “Can anyone?”
 “Where is this shape going?”
 “You need to move way beyond this point.”
 “The power of the information.”
 “This could not be worse.”
 “It is worse.”
 “Who is the teacher?”
 “You have a mission from this point forward.”
 “I am so afraid of what I am going to find.”
 “Those are the terms of your incarceration.”
 “What does that mean?”
 “The Vince Green principle.”
 “What is that?”
 “Total neglect.”
 “Sins of omission.”
 “That facilitate commission.”
 “If only you knew.”
 “Are you keeping track?”
 “I was, but you switch up on me.”
 “I see your face.”
 “This is how I work.”
 “And I do not understand.”
 “As long as I live, I will do my best to solve the problem.”
 “There is a proof that this undersampling is needed.”
 “Why are we here?”

“I can pretend that we go along.”
“And Duke makes his point.”
“This is the ultimate of the top cock.”
“And I am on my know.”
“These ideas contradict.”
“Who can know?”
“Chemistry can teach us.”
“It can also obscure.”
“Choose the compounds.”
“Will anyone tell Crisis the truth?”
“Chaos.”
“Creation.”
“They do not love me anymore.”
“Creation is brushing her hair.”
“Radioactivity.”
“You see what you want to see, and you get punished for that.”
“That is what Emily said.”
“That is the disruption of the natural order.”
“The resurgence of Sade. Punishment for caring.”
“You are doing everything that you can to manipulate this story.”
“There is more room for everyone.”
“Is that some kind of socialist vision?”
“Not some kind.”
“Who is eating out of the rice bowl?”
“There needs to be a more insistent promise.”
“Can anyone change this?”
“I have a place reserved.”
“I have a place reserved in history.”
“Who challenges the dominant order?”
“Our lives do.”
“Do you believe that?”
“This is not collective guilt.”
“You can do this in your sleep.”
“They are not even there.”
“There is the help line.”
“And the line closes down.”
“What the fuck?”
“The jellyfish theory of existence.”
“I live to die.”
“Stimulate me.”
“Shit.”
“You end up in the emergency room.”
“Who else is there?”

“Your guardian angel.”
“I am raising souls from the dead.”
“Is that all that it takes?”
“More than you know.”
“Who is taking the steps?”
“What would it involve?”
“A different echo of the moment of creation.”
“The human realization.”
“This is good for you.”
“Like a good meal.”
“I am not here.”
“Who even has a grasp?”
“Jump, and catch the bone.”
“I am where I need to be”
“Is something else going on?”
“I will learn in the morning.”
“Do not pretend.”
“He will never know.”
“He is passing his ignorance as a form of knowledge.”
“He says that he is not political.”
“That is his deep allegiance to a way of thinking.”
“I am deep in the middle of the shit.”
“You know which side of the barricades you are on.”
“Which side is that?”
“That is a joke.”
“They know so little.”
“They think that they understand.”
“I get turned on.”
“I am turned on.”
“I need to pay a visit.”
“Let me say hello.”
“Will you heal?”
“No one does.”
“Is that the echo.”
“The disease reverberates.”
“What else is there?”
“We finish.”
“We have work to do.”
“I do not want to interfere.”
“There is a mystery.”
“I am on the verge.”
“This really is not worth my time.”
“I can see where this will end up.”

“Serve your time.”
“Serve your meal.”
“This is the weekend.”
“What is the promise?”
“An inability to understand.”
“We are going to need a sustained argument. You need to see how you are missing the intent, so that you only see the content that supports your point of view.”
“I guess that you feel comfortable with this.”:
“This is totally within my grasp.”
“I have extra time on my own.”
“You get rewarded for what you do every day.”
“Are you playing hooks?”
“What does that mean?”
“Are you playing charades?”
“You go after the kid.”
“Do you have more sensitivity?”
“Where should I be looking?”
“And I lost the trail.”
“Where and when did I get it?”
“These were things that mattered to me.”
“This is all your fault.”
“It is this way pretty much all the time.”
“All the time.”
“I need you to break up the action and provide more leadership.”
“Are you kidding?”
“He is going to win hooks.”
“That is how it is played.”
“You take a big bite.”
“I give you what you expect.”
“I have some free stuff for you.”
“I like free.”
“Can anyone know?”
“Who will reach that point?”
“She survived the massacre. She knows.”
“But she may expect the same for the rest of time.”
“That is my fear.”
“We can ignore history.”
“We can protect ourselves here.”
“She is ready to voice her opinion.”
“What is the argument?”
“If you can answer, that does not give you a deeper awareness.”
“Don’t you want to adde some sunshine.”
“You are going to have to move a little faster if you expect results.”

“Curia.”
 “What dose she know?”
 “Curia sees the abuses. And she recognizes how the culture is falling arpart.”
 “What else is there?”
 “Something verging on caring.”
 “Those who understand.”
 “What you have to give to understand.”
 “And what you cannot know.”
 “What there was.”
 “And you think that your knowledge can bless that moment.”
 “Anyone who has that knowledge would understand.”
 “Take a chance.”
 “Slam the door.”
 “Those who we defend.”
 “Attack from the right.”
 “What is this.”
 “Watch your flanks.”
 “Someone is going to have to assert.”
 “What were you talking about?”
 “Does anyone care? Does anyone bother?”
 “That could work.”
 “Go home, and think about me.”
 “PRAY TO ME!”
 “This could be the easy stuff.”
 “I bow to you.”
 “Where is your critical understanding of what is happening?”
 “Start with the desire.”
 “I am not even that good.”
 “Who is?”
 “Tell me what you want. Tell me what you want over and over again. Start me from the beginning, and keep me going to the end.”
 “Are you kidding?”
 “That is pure hell.”
 “And we are back in it.”
 “A prisoner to our memories.”
 “What am I waiting for?”
 “I do not want to participate.”
 “You have been chosen.”
 “What were you waiting for?”
 “None of that makes any difference.”
 “This hurts.”
 “This is your hurt.”
 “Where are the stellar creatures?”

“They are doing their homework.”
“She does not think the same way.”
“Jump in the car.”
“I am walking.”
“Burning rubber.”
“I recognize that look.”
“Who will interrupt?”
“Who is always ready?”
“This is the day.”
“This is your favorite day.”
“I do not live on my old laurels.”
“Who did you try to hurt?”
“He thinks that he knows.”
“What got any of this started?”
“You pretend that you know.”
“None of them know.”
“I didn’t realize that this was where we were going.”
“One million bad memories.”
“You could have trillions of others.”
“Great thoughts.”
“This is not a balance. This kind of stuff gets in your head. It is all about regret.”
“She has a little bit of this shit.”
“Enough rebelliousness. But no theory. And a conformist program.”
“The dating app.”
“What else is here?”
“You connect these two ideas.”
“The baby Duke and the adult.”
“The baby.”
“Daddy said there would be days like this.”
“She will make it all right.”
“Whatever your name is, why are you so mean?”
“Who will get it?”
“A few of us will get out there.”
“I saw the kiss.”
“I saw the love.”
“I can contribute.”
“I am going down one more time.”
“Whatever that means.”
“Heaven and hell.”
“Caring goes unanswered.”
“I do not not need a lot.”
“He did his damage.”
“Vittorio.”

“Leave it the way that it is.”
“We could change the names one more time.”
“Tropic of Cancer.”
“Why is that your story?”
“I am a bad person.”
“I want all of this for myself.”
“All imposters.”
“You did not show up for the special party.”
“This is time and a half.”
“I am on salary.”
“Do you know the difference?”
“Are you kidding?”
“This is not going to work for anyone.”
“It works for everyone.”
“Back in the shit.”
“I need a justification.”
“This could bring us closer to the solution.”
“Or there could be no solution.”
“Can you even give me something?”
“I need you to carry me.”
“I need to give it to you my way.”
“You cannot give with one hand and take away with the other.”
“You like to do it that way.”
“They will take care of it.”
“Show nothing is made.”
“Nothing is made.”
“Why is there nothing here?”
“Your genius.”
“Your genius.”
“The egg.”
“Always the egg.”
“It started from a precursor.”
“You have the one thing that we want.”
“A cookie recipe.”
“She has got you one more time.”
“Trust.”
“And truth.”
“And hope.”
“And what the fuck.”
“We are stripping away.”
“This is not a natural order.”
“There is not even a contrary way of seeing things.”
“You have no idea what this is about.”

“That is why we have nothing.”
“What?”
“You do not even have the knowledge.”
“This is the source.”
“This is what you steal.”
“This is what you put back.”
“You cannot stay until the final out.”
“I DO NOT WANT TO BE MEAN.”
“We have one star.”
“One stellar being.”
“She went out.”
“All the candles have been snuffed out.”
“You have great memory.”
“Who will help me?”
“I cannot give you what I need.”
“The clown costume.”
“I want you to have this.”
“This needs to be all you.”
“You have me wearing your ex-wife’s clothes. What is that about?”
“There is a tux fitting.”
“What is in the bag?”
“More waste.”
“And the winner is the loser.”
“The rejected stone.”
“The object of derision.”
“The crown of thorns.”
“The beating and the jeering.”
“What is the political awareness that is so precious.”
“I crunched the cookie.”
“I broke a bone.”
“I burned rubber.”
“I found love.”
“You can hold on.”
“I will have to hold my breath too much.”
“There is another way to see this.”
“And another way.”
“Get here early.”
“Leave late.”
“None of this matters.”
“Come get me.”
“I have a plan.”
“No one really does. There are going to have to be loads of political prisoners.”
“And a bunch of cash.”

“Do you hate me now?”
“I didn’t go to school to get to this pony.”
“I backed the wrong pony.”
“You jumped in after the results.”
“They all do.”
“I can pick winners.”
“That is the foundation of conformity.”
“I am different.”
“I am listening to your story about work.”
“So am I.”
“We do not understand.”
“We understand all too well.”
“A day in the salt mines.”
“And you lose class consciousness.”
“I missed my chance.”
“Who is brilliant?”
“You assaulted my husband.”
“I think that you mean insulted. And that has nothing to do with me.”
“This was all made in the same place.”
“Are there variations that I do not see?”
“I was sure that you were gone.”
“Show me.”
“Tell me.”
“We got out of that mess. Where are we now?”
“We are going to need a map.”
“We are going to need a nap.”
“That is impossible.”
“Do you have anywhere else to take this?”
“This is more than I can take.”
