

BREATH

“No, you do not understand the foundation for lasting faith.”
 “Faith is in the people.”
 “There is so much hell here.”
 “How can capture the challenges of work and not get lost in feelings despair.”
 “He only wants one thing.”
 “He lives for one thing.”
 “And that is going to lead to an understanding.”
 “In my dreams.”
 “Is that the excuse?”
 “You have no idea how this moves forward.”
 “I see all that.”
 “This needs to manifest on another level.”
 “The honey level.”
 “Why is that going to reveal?”
 “I am not going to give up on this.”
 “It requires more preparation.”
 “You had a mission.”
 “I want to destroy you.”
 “This is only the beginning.”
 “A beautiful friendship?”
 “That is too much accommodation.”
 “We are experts at what we do.”
 “What about the food?”
 “I am glad that I have not seen him.”
 “You really wish.”
 “I am not much more than that.”
 “I have really lost the trail.”
 “I cannot believe how well you accommodate.”
 “I cheat.”
 “That is part of success.”
 “I lost something that was important.”
 “That is guilt.”
 “Do the geometry.”
 “That is so simple.”
 “That is too simple.”
 “Do you think that I should take any of that seriously?”
 “And you get money for doing this.”
 “I am moving on to a better job.”
 “You would need to work a little better at tihs.”
 “I am not even trying.”
 “She is.”

“She is.”
“This is too good!”
“You threw all the pieces on the floor.”
“This is your prime performance.”
“What are you saying.”
“There is this lesser evil, and it is not going to amount to much.”
“It is not.”
“I put it where it belonged.”
“And they won me over.”
“I was asked to leave.”
“That is the least of my worries.”
“Now, I know.”
“You know.”
“I spent a lot of time trying to learn my lines.”
“And they learned you.”
“What is this about?”
“This is the failure of a spiritual enlightenment.”
“I am working with such a sense of resignation.”
“I should not even try.”
“Not this!”
“Describe your worst day at work.”
“That is all that matters.”
“I only need one person to believe.”
“And I lost the means.”
“Why should I even try?”
“Just blast the noise.”
“You have this.”
“I am going to waste a lot of energy for something that I do not want.”
“Nothing worked.”
“Figure it out.”
“We have.”
“We meet in the middle.”
“The machine works.”
“Do not try to take me down.”
“I made a bit mistake.”
“That does not matter.”
“This is all coming down to obscurantism.”
“This could end.”
“And it might not.”
“This is total devotion to bull shit.”
“I am not going to eat it.”
“I am trying to explain it.”
“What happened?”

“This is beyond expectation.”
“Save this for me.”
“Set up a dummy machine.”
“Waht docc that mean?”
“What is really driving things?”
“We run out of the variations.”
“We divide the hour differently.”
“Hold on to what you got.”
“You are being undercut in these deals. You need to understand your power.”
“Where does that come from?”
“Your assertiveness.”
“You need to see the movement of time.”
“I am getting caught up in this shit.”
“I did something really stupid.”
“This is where the bull shit expands.”
“I am glad that you worked on this.”
“I need to tolerate this shit.”
“We match.”
“I am not here.”
“How did you get rid of him?”
“I told him how much I loved what he did.”
“Are you kidding?”
“These are random values.”
“And it all results in the same shit over and over again.”
“We cannot get out of that place.”
“What is the inverse?”
“Tonight.”
“Damn.”
“I am still holding on.”
“Save your money!”
“That is what I am supposed to know.”
“You are not allowed to do this.”
“I did it’
“That is all that is necessary for you.”
“Watch this for me.”
“This is a game.”
“This is a game.”
“It is easey to succeed.”
“Figure it out.”
“What else is there here?”
“I should have known it.”
“You are not seeing an original view of the world.”
“I am mortified.”

“This will not work for either of you.”
 “Do you want this?”
 “What am I getting?”
 “More of the same mediocrity over and over again.”
 “Go shit on yourself tomorrow. Give me the same rhymes about self-empowerment and self-doubt.”
 “You have that part perfect.”
 “Should I leave?”
 “I am not married to you.”
 “I cannot say a thing.”
 “I am not going to keep on with the insults.”
 “Belabor the obvious.”
 “This is all that you have.”
 “There was already a test of skill.”
 “That was all that it took.”
 “This is your life, not mine. You better be good when you provide your profile.”:
 “And that is worthwhile.”
 “I know the cycle.”
 “HA! HA!”
 “We are all in.”
 “Some vigilante shit. What is really wrong with your terrible life.”
 “You had an alternative.”
 “Lancer, are you giving the answers?”
 “These are ways that you don’t have to accept any responsibility for any of these problems.”
 “I am trying to see it all in one picture.”
 “She already has.”
 “Someone will pull me out of here.”
 “I can leave.”
 “My body is my filing system.”
 “There has to be more to it.”
 “Exaggeration.”
 “Should I try to hang on?”
 “ZOOM IN!”
 “What did I miss?”
 “The soul.”
 “This one particle.”
 “Swallow it whole.”
 “I do not want to look.”
 “I want to see something more.”
 “And what would that be?”
 “It does not work that way.”
 “SELL! SELL! SELL!”

“The price was too high.”
“The market will not regulate.”
“They will destroy the world first.”:
“It is over.”
“You can explain your involvement.”
“I am trying to catch my breath.”
“That is fame.”
“I am back to washing dishes.”
“That is good stuff.”
“One little thing is going to get you messed up.”
“I wish that I could see it differently.”
“You will never understand.”
“Do not narrate your life. Just do it!”
“Are you angry?”
“I cannot see it any other way.”
“Figure it out.
“You have one thing to remember.”
“This is a fucking race to the bottom.”
“I prefer him as a shithead.”
“I do not want to be mean.”
“There is a loved moment.”
“That is my art.”
“I take it for what it is.”
“Save your money.”
“You need to crystalize that moment.”
“Where is that going to go?
“You have no idea.”
“I have a machine.”
“I can be a better machine.”
“This is my life.”
“That is all that there is.
“I need to see the laast play.”
“What is it?”
“A farmhouse.”
“An oil well.”
“If that is all that there is, we are not getting anywhere.”
“You are too overwhelmed in your job.”
“That is not going to help.”
“Solder at every point on the board.”
“Where does this start?”
“I was waiting for this.”
“I was aimless, and you gave me direction.”
“An arrow through the heart.”

“Ouch!”
“Ouch!”
“Reallly, ouch.”
“One more play.”
“Ouch!”
“The mouse trap snapped shut.”
“What did you catch?”
“A cold.”
“That is not good.”
“What more do you want?”
“A bubble bath.”
“That is not going to lead to much of anything.”
“There is too much empasis on leisure.”
“I want to see you as powerful and ready to transform the world.”
“What is that about?”
“Our former selves are on it.”
“Where does that begin and end?”
“Tomorrow, you will start to wonder about yourself.”
“You sing the blues.”
“I am too good for that.”
“The smile will not last all night.”
“I have been given the job in marketing.”
“I love my life.”
“I love my family.”
“You’re one of us. We love you. We will watch out for you.”
“What makes people like you?”
“I am on a roll. Do not bring me down.”
“I am not here to bring anyone down. I want to gratify your belief in yourself for whatever that means.”
“I do not want you correcting me.”
“Where is this headed?”
“Why do people talk about rabbit holes?”
“What do you want to show me?”
“The soul is the body, and the body is the soul.”
“What does any of that mean?”
“I am all for myself.”
“I am going to need to do quite a bit become what I want to be.”
“That is work.”
“What is any of that about?”
“I am fighting to get on top.”
“And you are devoted to that?”
“What do the kids think?”
“I cannot explain it to you. The explanation onluy adds to your justification.”

“This worked for a while.”
 “What is working now?”
 “Look in my face.”
 “I am trying.”
 “I know who you are. You want your reward.”
 “I can make it for what it is.”
 “I read over this. I am not even sure that it applies.”
 “It is time for you to offer your weak biography.”
 “And that is that.”
 “That is that.”
 “You can pose for pictures.”
 “I need to go deeper.”
 “Do you have it all together?”
 “I need a fail safe.”
 “I need an advance.”
 “How can I get it to you?”
 “Send it in the mail.”
 “I will be all over that.”
 “This is where a book would be valuable. Is the book supposed to explain the coup de foudre? Or does the book help you to resist?”
 “Is this supposed to be satirical? The satire will only seem to be flattery.”
 “There is no contest.”
 “You can give me so much more.”
 “This is about love.”
 “This is one world.”
 “Is that conspiracy?”
 “What is this order?”
 “You are not invited.”
 “You are the basic invitation.”
 “How are you acting this out?”
 “I realize the causes.”
 “I am good at this.”
 “You really believe that there is something greater.”
 “I am going to need your help.”
 “I want all this to work.”
 “Where are you hiding?”
 “I finally decided to get it all together.”
 “When are you going to object?”
 “You are building me up to knock me down.”
 “I made you.”
 “This is a good day for building myself up.”
 “You will not see the explanation.”
 “Face the camera.”

“What else do I have left? This is who I really am.”

“I do not want to be ignored.”

“Take a breath.”

“What are the symptoms?”

“Too much love.”

“Stay with what you believe.”

“We are holding it all together.”

“Why should I believe you?”

“What else would work?”

“What are you telling me?”

“Something to shut me down.”

“Do not hurt me?”

“I guess that I go along.”

“I want people to recognize that I am great.”

“You are wonderful.”

“I am going to get sick.”

“You need to come in and out.”

“Are you all there?”

“Someone needs to protect you.”

“I am not all there.”

“I leave work with enough personality. But so much has been taken from me. How can I get that back?”

“You have just enough to survive in the world.”

“If I get more, I will suffer.”

“That is hardly a fair deal.

“We need to talk.”

“We are going to see if we have all the components for a fair discussion..”

“What are you talking about?”

“Take over for me.”

“I have a million. I have everything that I need. You cannot talk me down.”

“I like the additions.”

“These are the only things that matter.”

“I need to develop.”

“We are meeting secretly.”

“Do you want to join? I can initiate you.”

“If I was an organization, what would I be?”

“I need to survive.”

You need to hold your breath.”

“We have two chances, and that will be it.”

“We only need to wait a day.”

“You need to be perfect.”

“I missed a beat.”

“We can rehearse.”

“Some things cannot be repeated.”
“Are you into some kind of trauma creation?”
“We knew that you would not survive.”
“We are lacking in organization. We are lacking in self-reflection.”
“You need to work with a photographer.”
“Watch this!”
“This is built upon a belief.”
“What do you believe?”
“I am going to give way.”
“Yesterday, was so much better.”
“I am time to be notice.”
“And what about your conversation skills?”
“I need to protect my house and my family.”
“Of course, you do.”
“This is going to destroy you.”
“When you recognize the crimes of humanity, how can you sleep at night?”
“I love nightmares.”
“You are a whole show in yourself.”
“What do you love?”
“You have to live with this day in and day out.”
“I am glad that you enjoy it.”
“I saw you.”
“I saw you.”
“Is that you?”
“I put in my claim.”
“This is my life.”
“And this is how you protect it.”
“You wouldn’t know it any differently.”
“Do not hurt me.”
“I need to switch channels.”
“You are so good at doing this.”
“I have been able to repeat this same performance.”
“If I added a little more.”
“We could watch this all the time.”
“Why is this acceptable?”
“Why do we even bother?”
“What are you drinking?”
“Is there purity?”
“Some people like this thing.”
“You would have been a marvel.”
“I only need one.”
“I am embarrassed.”
“That is all that you have.”

“That is all that you want.”
 “I could have been more magnanimous.”
 “I do not know how to be fair.”
 “This is bigger than that.”
 “This is much bigger than that.”
 “Where do I get off?”
 “Take the train one more stop.”
 “There is too muc interference.”
 “I would be moving.”
 “This is business.”
 “Who is reading this?”
 “Whatb is desired.”
 “I worked on this.”
 “I worked more on this.”
 “I work with what I have.”
 “This is not some one place. This is just some place.”
 “I could have slowed things down.”
 “I am doing panorama.”
 “Everything failed.”
 “It needs to be like this.”
 “That is you. I know for sure. You cannot carry the principles with you.”:
 “I will when I succumb.”
 “A cult?”
 “A way of being.”
 “The transformation of the individual.”
 “This goes deep.”
 “I need to be much more precise.”
 “There are these critical gaps.”
 “This exposes our fatigue.”
 “When will this shake out?”
 “I was almost recognized.”
 “Thanks. You have given me what I need.”
 “THAT IS ALL THAT YOU HAVE LEFT.”
 “He offered me what I needed.”
 “You need to have more of a cause.”
 “I am stressed.”
 “What do I touch?”
 “I need to develop the numbers.”
 “I did the worst thing that I could have done.”
 “I do not want to take that much risk in my life. I want to find satisfaction.”
 “That works for you.”
 “Your mouth.”
 “You do not even know the difference.”

“I know the difference.”
“This can help to make sense of it all.”
“I do not want it to fit into place.”
“There are no difference.”
“You have done well in the cosmetics business.”
“This is all about import and export.”
“That would more than work.”
“What would happen in the time that it takes to get to me?”
“This is all based on certainty”
“Someone has to believe.”
“Someone needs to go for a drive.”
“Bet all your cards on this one thing.”
“I AM THE NIGHT. I AM YOUR LIFE.”
“I brought you a drink.”
“We all believe.”
“We are all part of the show.”
“Why do you like this?”
“Do not be afraid.”
“I can say that.”
“I can say more than that.”
“I can show more than that.”
“I can show you the silk pajamas.””
“I can say so much more than that.”
“Are you a victim?”
“I do not want to see myself that way.”
“It would be so much easier to push things a little bit.”
“This is going to be a big risk.”
“Everything is filled in.”
“I want space.”
“This will heat up.”
“Someone will tell you that you are wonderful.?”
“Can I let you know?”
“Do you want to know?”
“You are exposed.”
“We are all exposed.”
“We are built to protect ourselves.”
“I acted quickly.”
“You are extremely boring.”
“I am a sport.”
“What level of self-reflection do you permit?”
“And you spent money for that. You are very sad.”
“I am leading a movement.”
“You want a little more.”

“You are a little more.”
“We will communicate.”
“What else have you figure out?”
“I need to ask.”
“Here is how it is going to work.”
“We need to plan it. And you can fill in the rest.”
“Do not try to escape.”
“I have it set to maximum.”
“You have your game on max. And it is going nowhere.”
“How can that be ?”
“Success can be the ultimate comedown.”
“How is that?”
“Explain it to me.”
“I am not going to get everything that I deseve.”
“I suddenly can breath much easier.”
“I let go of so much ego.”
“You are in survivial mode.”
“That would be everything.”
“No one would believe it.”
“I am on the front lines.”
“You have a slogan.”
“What about a book?”
“I do not want someone to make me feel guilty.”
“You have been totally exposed.”
“This is where the fun really starts.”
“Who is teaching you?”
“There is not that much there.”
“Where is this going?”
“I have got everything wrong.”
“You have been doing a great job at doing it.”
“I am going for so much more.”
“You need that little extra.”
“No one can give it to me.”
“You are not going to get it on your own.”
“Is this your theory all over again?”
“You were supposed to bail me out.”
“You should have covered yourbass.”
“What else do I need to be doing?”
“This was way more appealing.”
“I wish that was all that it took.”
“You cannot say that.”
“There, I said it.”
“Total asshole.”

“You are already losing it.”

“I am not that reflective.”

“I am existing in a different place.”

“Why can’t we do it sooner?”

“I am glad there is someone who cares.”

“Do you think that this is exciting all the time?”

“I am not under any pressure to do this.”

“I want a solution.”

“Which month?”

“It could be so much more.”

“And you paid for this.”

“This is a rail ticket.”

“I have simple goals.”

“I just crawled out of the playpen.”

“What does that mean? This is a big world. You are going to need to be accountable for your shit.”

“NO WAY!”

“This is worse than confusing.”

“You could complete me.”

“I do not want to be completed.”

“I am totally complete.”

“This is a different thing for the both of us.”

“I think that I can manage it.”

“I will need you this time.”

“I will need you this time.”

“I only need time.”

“It is going to slip from you.”

“I do not want that much.”

“Where are we swimming?”

“Where are we swimming.”

“They all know.”

“The follow spot.”

“I am hiding my face.”

“You read it like poetry. You look for repeated images. You follow them along as they mutate. You follow these changes, and this creates an overall picture. You compare this picture with other things happening in your world.”

“I got distracted from the story.”

“The light and the love.”

“How does that work?”

“I am dealing with eager people.”

“They have plans, but they do not recognize the changes in the world.”

“You are letting the machines direct you.”

“I am the machine.”

“I love the skirt.”

“You did notice.”

“I saw it all.”
