

FLUFF

How was Leria able to upset the narrative? What was she saying that seemed to disturb all efforts to get a handle on what was going on around here?

“Everyone wanted to know. That is all there is to the story. You ask, and I say no way, no how.”

“That is not a good way to think about.”

“The creative moment is almost impossible to hold together.”

“What is really going on?”

“I do not get it.”

“All the people together in one place.”

“I lost five dollars.”

“That is not as bad as what is coming.”

“Chill out.”

“It is always the same thing.”

“They keep making it harder.”

“You do not know what I am using this for.”

“Do you remember?”

“I want to help.”

“The market has dried up.”

“You do not know what he does.”

“What can we do with what we have here?”

“Don’t you realize that nothing can be done. Everything else is one big fuck.”

“You are part of this.”

“How is that?”

“It is not all that.”

“What would be?”

“Look at me.”

“I am way better than that.”

“He gave me a boost.”

“He led me up the steps.”

“The sacrifice.”

“What do you have?”

“Look at the body.”

“What do I represent to you?”

“If we have an more conversations, we will back at work.”

“I know how he is running this.”

“And there are no more variations.”

“Then there are only variations.”

“The show has changed.”

“Do you realize that?”

“There is only pain.”

“The contours of the body.”

“We cannot think about anything else.”
 “Look at me, don’t look at me.”
 “I know that guy.”
 “They are going to cut your head off to spite your soul.”
 “I want Leria.”
 “Want in which way.”
 “I love you.”
 “I love to have you around.”
 “Would you even recognize me?”
 “In some body double kind of way.”
 “Where did the movie end up?”
 “This is so real.”
 “You have always been so real.”
 “It is just one big mistake.”
 “It is a jumble.”
 “Look at me.”
 “YOU TURN ME ON.”
 “MOVE ON.”
 “I do not need a book.”
 “He needs nothing.”
 “Look at the anatomy.”
 “Look at the architecture.”
 “I am obsessed.”
 “I am back where I have always been.”
 “In perfection.”
 I had a life. And I felt as if he was draining all my energy.
 “A whole lot of nothing.”
 “You picked me out, and you picked me out.”
 “When will anything change?”
 “It will not because I will not.”
 “Tomorrow says it all.”
 “I can gage these waves.”
 “The bet.”
 “We have only started.”
 “Why are you different?”
 “I expect more return over a longer period of time.”
 “Yield.”
 “He is getting it on the side.”
 “Which means that he is getting nothing.”:
 “What do you want to see?”
 She was not doing it for him.
 “I am doing it for the world.”
 “I need to leave.”

“That is part of my collection.”

“There is not enough to keep us going.”

“We need to get serious about making money.”

“About sleeping.”

“In today’s economy.”

“And she wins.”

“And nothing is in demand.”

“I am coming for you like a wasp.”

“And they all arrive.”

“That means that none of them arrive.”

“Do you want get away?”

“They needed me.”

“This is the only day that really means anything to me.”

“Are you staring at me?”

“I am dwelling on the image.”

“Turn me on.”

“I am nothing less.”

“Hang in there.”

“I am doing a favor for a friend.”

“I am self-contained.”

“We are not all the same.”

“Two types.”

“Four.”

“Those who are out for the good stuff, those who have the good stuff, those how don’t give a fuck, and those who are really fucked.”

“Who is going to be able to control the movement of time?”

“What is the foundation for real change in history.”

“You tell me.”

“Let us go buy real estate.”

“That is not part of the story.”

“Why do you like this?”

“Why does this even make a difference?”

“We need to use the bathroom.”

“I will get a return engagement.”

“I just stare.”

“She is there to make it happen.”

“This is in code.”

“Nothing means nothing.”

“Who is the master?”

“Someone needs to see this in a different manner.”

“I do not want to get any closer.”

“That is more than enough.”

“Leria wants to get this down.”

“She is more in demand.”
“You are in demand for me.”
“We are all in line together.”
“Free rope.”
“Where have you been?”
“I will not be able to explain this to you.”
“This is not explainable.”
“Even if I could explain it to you, it would not affect you.”
“You do not know what you are hearing.”
“This is too particular.”
“You have a personality.”
“More than brilliant.”
“I am fantastic at this.”
“How much of yourself are you going to give away?”
“This is not helping.”
“What are you looking at?”
“A blank screen.”
“You fix it for me.”
“There are enough ways to get it done.”
“The real estate seminar.”
“I would never do a job like that.”
“Somebody did a job on you.”
“Leria, you are going to sort this out.”
“You did not love it enough.”:
“No one loves it enough.”
“I need someone to love me. Then the world can love me.”
“And what about the first person that showed her love.”
“There are rules here.”
“And that will do it for you.”
“It will always do it for me.”
“You are too nervous.”
“Why am I on the verge of things crashing?”
“This should have been simpler.”
“It is all shaking out.”
“You are totally in my way.”
“I need to ask.”
“Are you a customer?”
“Where did this start?”
“At an art opening.”
“Are you buying that shit?”
“It is appreciating.”
“Leria is the art.”
“How is that?”

“Someone needs to ask.”
“She asked twice.”
“There is a third time.”
“That will work.”
“I need a bigger investment.”
“Perhaps, we are on the verge of something more happening.”
“Why do they think of it that way?”
“I could advise you.”
“You could make it perfect.”
“That is all that is needed.”
“There is another way.”
“I thought that this would be my savior.”
“You are.”
“Munch, munch.”
“Flesh-eating bacteria.”
“Where is the hygiene?”
“I do not want to feel like victim.”
“You want me to look at you.”
“That is not all there is to it.”
“There is another way to parse this.”
“Get a knife.”
“It looks so bad, but it tastes so good.”
“What are you missing?”
“I could sort it out.”
“I didn’t think that you would be here.”
“Imagine this really great novel.”
“It no longer exists.”
“Is this what I get?”
“Where are we going?”
“Where we need to be.”
“This is all part of the mix.”
“They are waiting for us.”
“Everyone wants part of you.”
“Which part?”
“I screwed up.”
“I can smell it.”
“That is wonderful.”
“More fun.”
“Leria made it very basic.”
“Why are you back?”
“I am always here.”
“Did you tell the world what you are looking for.”
“How did you get like this?”

“How did you?”
“Leria, are you really hungry?”
“That will be enough.”
“You are so much more.”
“And so much less.”
“What is the exchange rate?”
“This is a lot of self for so little back.”
“You are believing this one.”
“I am this one.”
“This is all on you.”
“You do it again and again.”
“I told them what I was looking for.”
“And what was that?”
“I just need on thing.”
“Why do I get so bored trying to have fun?”
“I still can’t figure it out.”
“And that is all that you need to get happy.”
“Leria, take one more step.
“I CANNOT.”
“The world will have to do it for you.”
“I think about it.”
“I take care of myself.”
“What else am I looking for?”
“Not you, not this time.”
“I am setting myself up for disaster.”
“I needed to give more of myself.”
“Leria, is this enough for you?”
“You could give me more of a story.”
“How did I reach this point?”
“You are too pure.”
Leria, wanted more of a biography.
“What could you use?”
“More support?”
“How is that?”
“Twist and shout.”
“What is that really about?”
“Shit.”
“Space to crash.”
“No wonder, I cannot get this.”
“I do not need your words.”
“I AM LOOKING.”
“Then you are interfering.”
“What would I do if I had more chips?”

“Get a dip.”
“Shit.”
“They are chasing me.”
“Leria, cover me. Watch my stuff.”
“Are you going to the car.”
“We all need some refreshment.”
“That was just enough for me.”
“Leria, you are just enough for me.”
“I get the same story.”
“I am being reminded of all the shit in my life.”
“Just the little bad things.”
“I was depending on this.”
“Hello, it is me.”
“Who are you?”
“The office guy.”
“Where is this headed?”
“I will accept this.”
“Do you know what we are facing?”
“Leria, you have a fan club.”
“I need more than that.”
“You need a blessing.”
“Am I your next fan?”
“You are an intrusion.”
“We are going to have to do some training.”
“I work in a bank.”
“You are your own bank.”
“I do not want to leave, but I need to leave.”
“Are you part of the show?”
“The best part.”
“I am trying my best.”
“Try a little more.”
“Do you know who my man is?”
“What is that about?”
“I am all people to everyone.”
“The savior complex.”
“The lost complex.”
“Can you love me?”
“He said that you are ripe to love.”
“They are putting words in my mouth.”
“And nothing is going to finish this.”
“It is done once and for all.”
“Do you want to contribute?”
“What are you protecting?”

“The dogs.”
“What is being guarded.”
“You have shown so much of yourself.”
“Where are we going?”
“The junkyard.”
“What about the window glass?”
“We take all that.”
“Be careful.”
“The rat is doing it to me and for me and around me.”
“Where do I look?”
“I had this down.”
“I waited to get here.”
“I will print it out.”
“This is more of the same impossible.”
“This is what I can do. And this is what I cannot.”
“How do you have so many words?”
“There are so many variations on things being impossible,.””
“How is that possible.”
“Where is that possible?”
“I give in.”
“We all give in.”
“The world explodes in our hands.”
“Did I not give enough?”
“Why am I here?”
“You are supposed to pick up some shit.”
“Why is he staring at you?”
“Stare, mother fucker.”
“He came to take a bow.”
“They all did.”
“You made it.”
“That is more of nothing going on.”
“Leria, you are going on.”
“Now, you are really wasting your time.”
“When was it any different?”
“Have I ever told you what I feel?”
“It is habit forming.”
“That is a rush.”
“Power packed.”
“Good stuff is coming.”
“After that?”
“I find my balance.”
“He works hard”
“You are still going to have to take care of it.”

“Come to the dog house.”
 “What does that mean, Leria?”
 “I met last week.”
 “You are going all out.”
 “I want people to love me.”
 “Head to the dog house.”
 “Meet the dog.”
 “What about paying the taxes?”
 “They are not going to come after you.”
 “That is not that much.”
 “Mess it up.”
 “That is how they make their money.”
 “Include it in your taxes.”
 “This is going to take an expert.”
 “I want more than that.”
 “There is nothing that we are holding out for.”
 “She has her own art.”
 “That is not working.”
 “Stripped down to nothing.”
 “You make me be how I have always been.”
 “It is holding on.”
 “You are going to need to steal it all.”
 “We have what we want.”
 “They did our bidding.”
 “We destroyed that.”
 “You do not understand geopolitics. And you are trying to impose your cartoon version of the world.”
 “You have slipped down to nothing.”
 “I started with nothing.”
 “Balance the books.”
 “That is why she has friends with her.”
 “This is my friend.”
 “I am doing what I can.”
 “Who is looking out for me?”
 “There are a hundred million versions of bull shit.”
 “They are all eating away at me.”
 “I will be back.”
 “We all will.”
 “That is all that I want.”
 “Take it for what it is.”
 “I cannot explain all the variations.”
 “Try. I can help.”
 “Everything is exposed.”

“Everything is exploded.”
“Did you get it?”
“He gave me a lot of shit.”
“And who knows better.”
“Let us read it.”
“Let us change it.”
“Let us be it.”
“That is where I started.”
“That is a little more than I need.”
“Have you got it.”
“You have arrived.”
“You have arrived.”
“This is more going nowhere to get nowhere.”
“The words could be a lot clearer.”
“There are moments when it all falls into place.”
“And you put up with shit.”
“It all turns to shit in the end.”
“I am in control.”
“Make it positive.”
“I could leave now.”
“Why does it matter?”
“Nothing is as good.”
“Nothing is as it is.”
“That is hopeless.”
“I can help.”
“There is a little genius in this.”
“And there is a whole lot of nothing.”
“He was watching.”
“If I solve this equation, I will get it all.”
“You have succeeded.”
“This is another of level of throw it all away.”
“The gasoline combustion engine.”
“Boom!”
“Boom!”
“That is what I have to give.”
“They will come for you.”
“Peel it all away.”
“You are a dream.”
“Taste the pastries.”
“This is going to make me sick.”
“He is sick.”
“What else can explain what has been going on?”
“He is more awake.”

“Stay awake.”
“You need everyone to love you.”
“I am touching heaven.”
“You do not know how to turn it all off.”
“You will not find me.”
“We are back where we were.”
“And where is that.”
“How did you get in?”
“Better hair.”
“A better life.”
“Do not touch me.”
“How did you influence me?”
“Culture.”
“A long day at school.”
“Will it help to get better?”
“Eat away.”
“I want to join.”
“Anyone will do.”
“Listen to my problems.”
“The first time was great. The second was embarrassing.”
“What more is to say?”
“Touch heaven.”
